### Lucky Collision ( Evans and Martin Robinson ) Chapter 9

Chapter 9 What Are The Perks Of Being In Love?

Evans spent his time in the library during weekends.

On Monday, the total funds he had in his account was 102 thousand dollars.

At 9.25 AM, he opened the stock trading software.

“Ding!”

Two messages appeared.

“Vision Technology’s GEM increases 10.03%.”

“Skylight Technology rebounded and increases 8.87%”

Evans’s heart tightened.

I don’t have to do anything with Vision Technology. Skylight Technology was at limit down for the seventh time. There would be an opening soon.

He bought Skylight Technology for 38 thousand dollars.

At 9.30 AM, the stock market opened.

The previous investment of 64 thousand dollars in Vision Technology became 70 thousand and four hundred dollars. Skylight Technology was still being sealed. Evans believed Skylight Technology would be able to rise to 8.87%. A rise of 8.87% means 18.87 points.

“Yeah!”

Evans had just closed the software when Larry’s excited voice was heard.

When the whole class looked in his direction, only Larry realized he shouted out loud.

He hid his face in embarrassment.

Larry: I could finally eat some meat today! The stock I bought went up!

Larry sent a message to the WhatsApp group.

Evans: ...

Scott: Buy us a meal! You ripped me off last time!

At 11:30 AM, Evans looked at the stock trading software again.

Skylight Technology was still motionless on the limit down.

The message wouldn’t go wrong, right? My wealth ended as soon as it started. How can I achieve my dreams with just tens of thousands?

As he was starting to get depressed. Zoe sent him a message.

“Hey, you’ve been hiding from me for 2 days. If you don’t meet up with me at noon, I’m going to make an official announcement about us. Let’s see if Martin would look for you or not!”

Martin was humiliated so badly. The girl that almost went out with him dumped him in front of a crowd. He could kill anyone who made him angry now.

With Zoe’s personality, she would do something bold like that. Evan thought of the consequences and texted back.

“What do you want?”

“I want to eat something nice. Your treat.”

Isn’t it dinner? That’s no big deal. Even if I spent my 2000 dollars, I can get it back through the stock market tomorrow.

In order to appease Zoe, Evans decided to take her out. What he needed to do was just to pay the bill.

After class, Evans went to the back alley.

Zoe was listening to music with headphones on.

When she saw Evans, she took off one of the headphones and put it in Evans’s ear, “Is this song good?”

“Because tonight will be the night that I will fall for you...”

Da mn! It’s the song she told me about last time.

Evans returned the headphones to her.

“Let’s go eat fine dining!” Zoe pointed to a store in front of them.

Evans was not bothered by it. This was a place he had never been before. He usually wouldn’t go to the places that he can’t afford, but today it was Zoe who wanted to come.

They picked a window seat on the second floor. Zoe took off her headphones and stared at him suspiciously.

“Why have you been avoiding me for the past two days?”

“No!”

He held the menu to block her view and changed the subject, “What do you want to eat?”

Zoe did not fall for his distraction, “Are you sure? If you won’t leave me, I will be with you until death do us apart. Does this sound familiar?”

How did she know about this? Evans was nervous.

Evans put down the menu, "Are you still eating today?"

Who is she to control me?

Zoe glared at him and grabbed the menu while flipping through the pages fiercely. She ordered everything on the menu.

How could he hit on other girls? I'm so angry thinking about it! I already made a statement that I'm pursuing him. He's such a blockhead.

Evans crossed out half of the order because it was too much for two people. The money could be used for his sister's tuition fees.

Their order was ready soon but there was only one serving of everything.

"Hey, how come there's only one set of cutlery and a bowl?"

"You crossed it out yourself just now. Anything wrong with it?" The waiter looked at him strangely.

Zoe laughed and said to the waiter, "Everything's cool."

Turned out that this was a couple-themed fine diner. Everything comes in two.

When Evans crossed out half of them, it became a personal set meal. The waiter didn't think that it was strange as couples like to share everything. Some of the customers would eat together using the same fork and knife while feeding each other.

Zoe took a sip of the drink and handed it to Evans. She wanted to see if Evans would share the same straw with her.

"I'll have another one!"

"I don't even mind it! What's your problem with it?"

She shoved the straw into Evans's mouth.

When they ate from the same plate, Evans felt so uncomfortable.

Zoe could not help but laugh at him. This guy had never been in a relationship! It's so fun to tease him.

She stared at Evans, "From now on, we're officially a couple! You are not allowed to hook up with other girls."

"You want to be in a relationship that badly? Tell me what are the perks of being in love?" Evans asked.

"What do you want to do?"

"I want to go to the grove..."

Zoe blushed and pinched his waist, "You're so naughty..."

“I just want to experience it. Come on.”

Zoe hesitated and said, “Alright. I’ll do what you want.”
