"What can I do for you, Prince Javier?" I asked him when I arrived at the butterfly garden.

"Get yourself ready at 8 in the evening, we will go out!" said Prince Javier as he turned his back on me.

I widened my eyes, and I felt like my body froze because of what he said to me.

Why did he order me to get ready and what was his reason for us to go out?

'Are we going to go out? To have a romantic date? ' I asked myself.

"Wear your best dress. I don't want anyone besides me with unpleasant clothes," he added.

"Prince Javier ..." I wanted to ask if we were going to have a romantic date, but Prince Javier

interrupted me. "I don't want to hear anything from you. Go back to your quarter to prepare yourself!" he

said to me. "And one thing, don't ever mention that you are my Luna! Do you understand?" Last words

"I'll tell it all, but don't ask, Eury," I told her.

Eury smiled because of what I said. She quickly approached me and excitedly asked.

"What did you say?" Eury asked Gabriella incredulously.

"What? Tell me now, Gab!" Eury asked excitedly.

I bowed my head before I answered her.

"I already found my mate, Eury," I answered weakly but it was as if a powerful bomb had hit

"I've already found my mate, so now, I have to get dressed because we're both going out," I

I tilted my head, "My wolf isn't coming back yet. I only found out that he's my mate because

"I'm sorry, Eury, but he told me that I would never say who he was," I replied.

"What else can I do?" with sadness or frustration, Eury asked me. "I am really very sorry, Eury, if I can't tell you. So now, help me to be a beautiful lady, Eury. My dresses should be in order, my body, my looks, everything should be perfect for our

replied to me. I also spent almost two hours preparing for my meeting with Prince Javier. Eury made sure I was as well and beautiful as she had said before.

"Okay, go ahead, be careful, Gab. I'll just leave the door unlocked so you can get in when you arrive," Eury told me.

I smiled at her and kissed her on her cheek before I left our room. I walked quickly to the butterfly garden. When I arrived, there was no Prince Javier that

When I approached, the car door opened. I peeked inside and saw Prince Javier in the driver's seat. He was wearing only a black t-shirt and pants, and a pair of rubber shoes.

"Go inside!" Prince Javier commanded me. I quickly got into the car. When I closed the door, we began to go where we were going.

I noticed that the two of us were getting away from the Bloodlust Pack, so I asked.

Prince Javier didn't look up and answered my question, so I just kept quiet and looked out the car window.
