

LUSTING AFTER MY HOT PROFESSOR

Chapter 11 Getting my cock sucked

Bruce's POV

I quickly settled on the swivel chair, with my fly open and arousal glinting my eyes as I admired Nora.

Seductively, she stepped out of her dress with her gaze focused on my eyes as she nibbled sensually on her lower lip.

I froze when she got down naked, on her knees in between my legs, without breaking her gaze.

My breath got hitched in my throat as she smoothly tugged down my boxers, and grabbed my erect cock.

Inwardly, I preened with immense pride when I saw the impressed glint flashing across her blue orbs.

"You're so huge," She gasped, cupping my balls for a split second before releasing them.

"Thanks, baby," I replied with a chuckle.

Tentatively, she started moving her hand over my cock in an upward-downward motion.

"Oh, baby," I groaned, stifling the urge to yank her up from the floor, and bend her over my desk to fuck her brains out.

Sizzling flames of lust burned inside me as Nora jerked my length off. Pre-ejaculate rolled down from my cock's slit as I felt the pit of my belly tug with an impending climax.

"Am I doing this well?" Nora whispered, placing her thumb over my slit.

I gasped in arousal before saying, "Yes, baby. You are doing great,"

Nora grinned before releasing my length after one last jerk. Before I could utter a word, She began guiding my cock into the blissful warmth of her mouth.

"Fuck," I groaned, placing my hand on her head while inwardly repressing the urge to thrust roughly into her mouth.

The salacious moistness of her lips around my cock made me squeeze my eyes shut in pleasure, and let out a wild growl.

I held Nora's hair into a firm ponytail as she grabbed one of my balls and started licking it like a bar of toffee. Nora steered my painfully-aroused dick to the side as she worked her sinful mouth around my balls.

Shifting her attention to my other bollock, she gripped onto my thighs and repeated her initial ministrations to it.

"Your mouth is fucking blissful," I muttered without thinking, running my fingers through her blonde locks.

Her eyes twinkled with a mixture of lust and pride as she released my ball and stared up at me, "I'm glad," Nora whispered.

Afterward, she grabbed my cock and placed it in between her perfectly round, perky boobs.

I grunted in satisfaction when she started sliding her boobs down my cock, sending sparks of electricity to my sex-depraved brain. I almost growled out my release there and then as the speed increased, and her taut nipples twitched with arousal.

"Oh, fuck," She moaned, bouncing along with her tits on the floor.

I couldn't believe Nora was the same blue-eyed nerd who I summoned to my office weeks ago. This Nora who was rooted in between my legs, with her boobs slapping around my cock, and her rosy lips arched into an "o" shape looked nothing like her.

Instead, she looked like an enchanting vision of a sex goddess.

Slowly, Nora took my cock into her mouth while intervalely licking upward from the base to the slit, and moaning when pre-cum spritzed out of my cock.

"Can you take all of me?" I asked, when I noticed her eyes had gotten teary and she was also sniffing.

Given how extremely gifted I was, I knew she must be

struggling to take all of me.

Stubbornly, Nora nodded, widening her mouth to take huge gulps of air instead.

Just as I was about to pull out of her mouth, she swallowed my entire length with a loud gulp. She darted a stare at me before she started sucking me off.

She nipped my cock like it was an ice cream cone, interally spitting my swallowed precum on it, and not even stopping her hand ministrations on my balls.

I could feel my release building up at the pit of my belly as I gazed down at her. I grabbed her hair tighter and violently thrust inside her mouth as my cock swelled with release.

My cock twitched in sensual delight as she gagged on

it.

"So fucking tight," I gritted out, bucking my hips upward.

Two thrusts after, a powerful orgasm shuddered through me, and I shot my creamy load into Nora's mouth without warning.

Nora moaned as she swallowed my seeds hungrily. Then, she released my flaccid cock with a loud pop before she licked the remnant of my cum off her lip.

I panted heavily as I slipped my middle finger into her mouth, "Your mouth is magic," I whispered, to which she whimpered before she started sucking on my finger, with her gaze rooted to my face

"I badly want to fuck you right now," I uttered, sliding my digit out of her mouth.

She whimpered, "Then do it. Fuck me, Bruce. I want you to fuck me so hard that even when we're apart, your cock will be all I think of,"

I growled inwardly in horniness as I cupped her jaw, "You have such a filthy mouth,"

"I know," Nora smirked.

"As much as I want to take you right now, I won't." I said.

Nora's reaction was instant. Her face fell in dismay before she asked, "Why?"

"I want to make passionate love with you in a dimly lit room, to have rose petals scattered around you as I thrust into you, and bring you into a mind-blowing orgasm," I started, caressing Nora's face.

She purred, and fluttered her eyes shut as she leaned into my touch, "I also want that, Bruce. Badly,"

"I want to hear you scream my name loudly as I pleasure you. I will fuck your tight little pussy so hard that you won't be able to walk for weeks," I growled, causing Nora to shudder.

"There's nothing holding you back from doing so right now," She whispered.

"You deserve to be fucked like a queen, petal. I'm not going to fuck you on a desk," I countered her suggestion softly.

"You can fuck me in your bathroom," Nora suggested with desperation evident in her tone.

"No, baby. I can't. I have an even better idea," I said

which made Nora's eyes shine with lustful hope.

"A better idea?"

"Let's head over to my condo," I whispered before hoisting her up from the floor.
