

LUSTING AFTER MY HOT PROFESSOR

Chapter 13 I fucked her tight pussy

Bruce's POV

"I've never been surer of anything else," Nora moaned into my ears, propelling my sensual desire for her and sending rapid electricity to my stiff cock.

"I'll take good care of you," I whispered, withdrawing myself from Nora for a moment. Then, I placed a tender kiss to her juicy lips before trailing down her chest with my hands sunken beside her on the bed.

Afterward, I yanked myself up from the bed to the bedside drawer which made Nora groan in complaint.

"Hey, what are you looking for?" She whined.

I chuckled as I motioned to the flavored packet of condoms which I retrieved from the drawer,

"Protection,"

"Hurry," Nora huffed, her face contorting into a frown as she supported herself on her elbows.

I nodded with a fond smile playing on my lips as I climbed back into the bed, in between Nora's gorgeous thighs to be exact before I rolled the foil over my length.

A loud moan left Nora's lips when I took her boob into my mouth and started bobbing my head up and down.

I twirled my tongue around her pink, hard nipples like my life depended on it as I caressed her waist with my hands.

Her hands took their former position in my hair as I pressed my thumb to her clitoris, causing her to shudder with untamed desire as a whimper was

emitted from her.

Then, I wrapped a hand around her waist as I continued toying with her clit, smirking lustfully at the way her lips were sinfully parted and swollen and her beautiful eyes were fluttered close.

"P-please fuck me, Bruce. Do it," Nora moaned, and inwardly, I growled as I slipped two of my fingers into her warm heat. I groaned at the tightness and wetness of her pussy as I planted one final kiss to her flat belly.

"Take it easy, kitten. I'll soon grant your wish, baby," I muttered before sliding my fingers out of her, drawing a disgruntled moan out of her.

Afterward, I started fingering her. I scissored her slowly at first to tease her before I started pummeling deeper and faster into her, basking in the pleasurable

cries that left her lips.

"Oh..fuck. You're going to make me come now," Nora uttered as I added a finger to the electrifying mix.

In response, I just chuckled before I resumed finger-fucking her. My other hand aimlessly roamed down her supple thighs while I grunted intervally with pleasure.

When I felt that she was properly stretched, I retrieved my digits from her dripping pussy to pump my painfully-aroused cock while running my tongue down her chest.

"Patience, petal," I murmured against her skin when I felt the all-too-familiar tug on my hair to get me moving.

Slightly pulling back from her, I pressed the head of

my foiled cock to her glistening pussy. In one fluid movement, her pussy swallowed my cock. I licked my lips lustfully as I stared at the way her tight heat eagerly welcomed my dick.

Fuck, I wanted to do this everyday. I wanted to do this for hours with Nora without stopping.

"Can I move now?" I whispered softly, tenderly caressing her outer thigh as I stared lustfully at her pinched expression.

"Y-yes, please," Nora replied with a feeble nod.

I placed a kiss to her knee before I slid deeper inside her, basking in the blissful moans that left her mouth after.

"I'll be gentle, baby," I reassured.

"O-okay," She croaked.

Then, I started thrusting inside her.

Tentatively and purposefully slow at first to give her enough time to adjust to my girth.

"Fuck me harder," Nora stuttered after a while.

Eagerness mixed with lust simmered inside me at the green light as I drew back slightly before thrusting balls-deep inside her.

Nora coughed out a choked moan as she hooked her legs tightly around my waist, "Y-yes. T-that's it,"

Her statement increased my fervor as I locked my jaw, clenched my teeth before I started slamming deeply into her. Intervally, I grunted in satisfaction as Nora ran her hands across my sweaty back.

"I love this so fucking much. This is fucking bliss," Nora cried as the bed creaked with our activities and I quickened the intensity of my thrusts.

I grazed her temple with a kiss, "I-I'm glad," I panted.

Nora's pussy tightened around my cock, and instantly, I sensed her impending orgasm.

I gritted my teeth against each other as I tightened my grip around Nora's waist, pushing her deeper into the bed. My cock momentarily spasmed, signifying that I was about to reach the edge.

"I-I'm almost there, Bruce," Nora cried.

I growled before saying, "Come for me, baby,"

Barely three thrusts after, Nora finished off on my

cock. On sighting her creamy release, my cock twitched with a gratifying climax and I arrived inside the condom which was somewhat frustrating for me.

Honestly, I had wanted to finish inside her. To bask in the warmth and tightness of her dripping pussy.

But even with that, I had greatly enjoyed the sex.

I couldn't believe I had held out for so long. The last time I had sex was about three years ago.

"That was amazing," Nora panted, cutting into my thoughts.

I steered my mind back to her, darting a smile at her, "It was breathtaking,"

When she didn't utter anymore word, I beamed and placed a kiss on her forehead, "Thanks for trusting me

once again, baby,"

Nora smiled tiredly, "You're welcome, Bruce,"

Afterward, comfortable silence mixed with the pungent odor of cum enveloped the room as I took Nora into my arms, and planted a kiss to her lips.

"Let's clean up," I suggested, moments later after discarding the used condom.

Nora was too tired to respond audibly, so she just nodded.

With a fond huff, I hoisted her up from the bed to the adjoined bathroom. Then, I placed her into the jacuzzi and filled it with warm water before dropping a vanilla bath bomb into the water.

After that, I climbed in behind her, and kissed her

nape.

"I'm still horny, Bruce. What to do?" Nora croaked out which made me growl with desire.

The single statement from Nora caused blood to rush to my flaccid cock, and soon, it was rock hard.

"Ride me," I whispered.
