

LUSTING AFTER MY HOT PROFESSOR

Chapter 51 Butterflies

Nora's POV

"That is crazy, babe," Laura screeched after I finished narrating what Bruce had narrated to me earlier that day.

Bruce had gone out to stretch his legs and get a bit of fresh air at a friend's place.

It had only been about an hour since he left but I was already missing him so much.

My mind wasn't even present in the conversation Laura and I were having, it was far deep in the thoughts of where Bruce could be.

"Right?" I said robotically but Laura didn't even seem to notice as she shook her head.

"To think I was literally rooting for Bruce and that fucking bitch to get married again. That woman is a devil, she's not the devil's incarnate but she is the devil itself because how can a person be so cruel?" She huffed, to which I hummed lowly in agreement.

I couldn't help but also ask myself how possible it was to be as devious as Jada was.

"By the way, how are you feeling now? Are you hungry now? Do you want me to quickly get you something to eat?" Laura asked as she made to get up.

I placed a hand on her knee, "No. It's fine. I'm not hungry yet, thanks,"

"Alright then. But is it normal to not feel hungry yet? I mean, you see eating for two now. Shouldn't you be

hungry?"
