

LUSTING AFTER MY HOT PROFESSOR

Chapter 56 The secre

Bruce's POV

I smiled as the calming scent of earth after rain seeped into my nostrils after I got down from the cab that had transported me from the airport.

Fuck. I had really missed Florida.

As I strolled through the giant mahogany doors to my parents' sprawling mansion, their train of men servants and maids met me at the door, with matching shocked expressions.

I didn't blame them though. I was also shocked that I was in my parents' house after I repeatedly told them I was never going to step foot into their mansion.

I cleared my throat as I watched them gaze at me as

if I was an unidentified specie of a wild animal.

"S-sir Bruce. M-madam didn't say anything about your arrival." One of the maids stammered out as she eyed me up and down.

I heaved an exasperated sigh, "Yeah, I wanted to surprise them." I lied, "Where are they?"

They all exchanged confused glances among themselves for a while and my patience began to gradually wear thin as I observed them.

They were clearly not going to tell me anything and I didn't blame them for that either.

Mum had probably asked them to never let me in.
