

LUSTING AFTER MY HOT PROFESSOR

Chapter 57 He loves me

Nora's POV

I was roused up from sleep by the deafening sound of someone knocking on the door.

I groaned, extremely exhausted by the happenings of the day before, rolled over to the other side, grabbed the spare pillow beside me and placed it over my head to dim out the noise.

Much to my chagrin, it didn't and I was forced to drag myself out of the bed with my eyes still flapped shut and a tired yawn escaping my mouth.

For no good reason, I couldn't sleep properly last night. I had tossed and turned and I had even watched some ASMR videos to relax my tensed nerves and incur sleep but all my efforts were proven

futile as the hours flew by, and I was still wide awake like a bat in the middle of the night.

Eventually, I fell asleep in the early hours of the morning and somehow, I knew it hadn't been that long since I bowed in to the pressure of sleep because I still felt quite exhausted.
