

## LUSTING AFTER MY HOT PROFESSOR

### Chapter 64 The whole truth

#### Bruce's POV

As I restlessly paced the hallway with my mind blank of logical thoughts and instead, filled with various unbridled thoughts and endless questions, I saw a familiar figure appear behind me from my peripheral vision.

"B-Bruce, are you okay? I can go away if you want me to. I'm aware it's a family issue that you need to discuss without other people around, so I will go if that's what you want," Nora said

I groaned feeling anger tinged with betrayal simmer within me at the exhausting reality which was sadly my life.

I walked up to Nora and wrapped my arms around

her, drawing her into a hug and nosing at her hair.

Nora always felt warm and safe like home.

What was I even saying? Nora was my home.
