

LUSTING AFTER MY HOT PROFESSOR

Chapter 65 Serendipity

Three years later

Nora's POV

"Good morning, baby. Are you awake now?" I heard a familiar gravelly voice whisper into my ears immediately I squinted an eye open due to the blinding rays of the sun flashing against my eyes.

I mumbled incoherently as I burrowed myself further into my husband's warm chest.

"I hope you slept well, my love. Last night wasn't too hard on you was it?" Bruce asked, his voice lowering into a mischievous rumble at the last sentence.

I flushed as the lewd yet amazing memories of the night before flashed through my mind.

Yes. You guessed it right.

Bruce and I had fucked like rabbits in heat throughout the night and had only slept at dawn.

I didn't mind it though because I always enjoyed it and also because that was what we came to Italy for.
