

LUSTING AFTER MY HOT PROFESSOR

Chapter 9 Eating her ou

Bruce's POV

To say my soul jumped out of my body immediately Nora captured my lips with hers was apt as my face turned deathly pale with shock.

I remained frozen as she sucked on my bottom lip, still trying to comprehend what had just happened.

Suddenly Nora pulled away with a gasp as her eyes suddenly turned cloudy with tears, "Oh my goodness! What have I done?" She cried.

"I'm so sorry for doing that, I have no idea what is wrong with me. I shouldn't have invaded your personal space, please forgive me. I can understand if you want me to drop out of your class b-"

The words got stuck in Nora's throat as I moved without thinking, and locked my lips with hers in a passionate one-sided kiss.

I broke away from the kiss with a smirk with the string of saliva connecting us breaking, "I don't mind,"

Nora exhaled sharply, her eyes gaping in shock as she stared at me.

Fuck, had I been too forward? I inwardly thought when I realized she still remained motionless moments after.

"Please kiss me," She whispered, looping her arms around my neck and straddling my hardening cock.

"Gladly," I growled before reconnecting my lips to hers.

I felt pride flare up within me as Nora sighed into the kiss, and let out a brief moan as she ran her fingers through my hair, tousling it in the process.

In return, I slipped my hands down her ass and cupped her huge ass cheeks. I fondled mercilessly with them as I slid my tongue into the wet warmth of her inviting mouth to ravish her tongue.

She moaned softly as my hands slid into her joggers, and I captured her bare ass lobes in my hands. I groaned when Nora moved gently on my lap, and placed her cleft directly against my precum oozing cock.

Nora withdrew her lips from mine to stare into my eyes with lust evident in her ocean eyes, "I want you to fuck me, Bruce. Please,"

I caressed her ass cheeks as I placed a feathery kiss

for her nose, "Gladly,"

This time around, Nora attached her lips to mine as she expertly unbuttoned my shirt while I rolled her v-neck upward, she raised her arms to the sky as I slid the shirt off her.

My shirt buttons got stuck at the lower region, and Nora huffed into the kiss, while trying harder to get the buttons to cooperate.

I quickly assisted her with the buttons, peeled off my shirt and flung it off my self. Then, I unhooked her bra and helped her out of it.

She whimpered when I cupped her huge boobs and squeezed them like my life depended on it.

I paused my ministrations on her boobs to admire her disheveled beauty. Her lips were pink and plump as a

result of our intense kissing while her blonde hair had been set free from the hairband that was previously keeping it in place.

My eyes lasciviously roamed down her boobs, and I sighed in respite as my cock twitched manically in my pants at the blissful sight. Her boobs were huge and soft while nipples were taut and pink.

She looked like a sinful vision of sex.

Nora was my sexy sin.

"You are so fucking gorgeous," I groaned before placing a kiss on a nipple.

"Thanks," She muttered shyly which made me chuckle fondly.

I slowly maneuvered our position to a more

comfortable one, so that she was laying on the floor with her legs hanging in the air while I settled in between her legs.

We french-kissed as her hands moved to my belt. I placed a hand over hers, as I placed one last kiss on her lips and withdrew from her.

"Where are you going?" Nora asked, supporting herself on her elbows.

I just darted her a smile before I placed her legs on my shoulder, and buried my head in between her legs, "I want to make you come with my tongue," I whispered, casting a lustful stare at her.

She shuddered in pleasure, biting her lower lip as her face contorted with arousal, "P-please do it,"

I pressed a kiss to her clit, and it twitched slightly. My

eyes shone with desire as I stared at her wet entrance. Afterward, I lapped at her dripping pussy like it was candy, sighing interally as her wetness trickled into my mouth.

Nora grabbed my hair as I hungrily ate her out with unhidden famish. I sucked her clitoris like it was a stick of popsicle as I basked in the tightness of her heavenly pussy around my tongue.

In between my legs, I could feel my cock twitch with impending release as I intensified my action on Nora's warmth.

Fuck, this was going to end before I even got started.

"I-I'm a-almost there," Nora cried, pulling me closer to her pussy.

I grunted, "Come for me,"

Then, I started licking her entrance like my life depended on it as I waited for the blissful taste of her release into my mouth.

"I-I'm coming," She moaned, softening her grip on me as a delectable orgasm rippled through her, and she squirted her salacious release into my mouth.

I greedily swallowed her release before licking the stray cum on my lower lip. I placed a tender kiss on her inner thigh as she breathed heavily.

"That was epic. I literally saw heaven as I came," Nora whispered which made me chuckle against her skin.

"Weird way to say thank you, but you're welcome," I joked, to which she scoffed as she sat up gently.

"Hey, do you want me to suck you off? I mean I'm not a pro or anything but I can try," She gestured to the huge mound of arousal on my crotch.

I could tell she was trying to force herself to do it, so I said, "No, it's fine. Don't worry about me,"

"B-but-"

"I'm serious, Nora. T-" I was interrupted by the sudden banging against the elevator door from behind.

"Is anyone in there? We are from New York's emergency services," A deep voice barked which made Nora and I gasp with relief in unison.

Help had arrived.

I stared at Nora's naked form with gaped eyes, "Dress up," I whispered, and she quickly nodded before

flinging on her clothes while seated.

When she was done, I also put on my shirt and made myself look presentable. With my coat, I wiped the remnant of Nora's cum that escaped from my mouth and spilled on the floor off.

Afterwards, I stood up and helped Nora up before I yelled, "We're in here. Took you long enough,"
