

Chapter 114

“DON'T YOU DARE RAISE A FINGER TO ANYONE RELATED TO ME WHETHER IT'S MY LUNA OR MY SLAVE.”

Everyone was stunned. The woman kneeled in front of Aaron.

“M-My king please f-forgive me. I didn't mean to do anything.”

Aaron still glared at her. Alina glanced at Aaron. She would not take the slap for sure. She was well prepared for being a Luna. She would fight back if the woman came to slap her. But looking at Aaron's behavior, she was surprised.

“Don't forget you are living in my pack. I will not give any guarantee of my mood when I get offended, you know.” He said that based on what Selena said about the guests got offended about Alina.

“If I get offended every family of my pack can be destroyed at a single time. So stop talking about my people or my family and stay away from them.” Aaron said.

Most of the women were crying after the growl but now they felt scared about their families.

Aaron turned his head to Crystal. “Next time, don’t do anything childish if you want to stay in your royal position.”

Crystal felt frightened. Aaron had never talked to her like that before.

In front of every young woman in the pack, he insulted her for Alina. She got angry at Alina.

Alina felt a grab on her wrist. She saw Aaron hold her hand and pulled her outside.

She saw everyone was looking shocked about it including Selena and Crystal.

Aaron took her to her room and let go of her hand.

Alina looked at him. Aaron glared at her.

“When you know they would insult you then why did you go there?”

“I didn’t know about it. I just wanted to talk to Crystal. I tried to avoid everyone but it seemed like it was a plan to humiliate me.”

” Oh yes. What others do is plans and what you do is nothing. You are a truthful woman, right?”

Alina shook her head and replied, “I was never a trusted woman for you. I killed your father and now I have so many other plans.”

Aaron grabbed her arms hard. “Just because I marked you that doesn’t mean you got a new life, slave. You have to bear the consequences. I saved you from those women because if they messed with you, they would get to know about my mark which I did not want.”

Alina laughed. “I don’t know why you are even explaining to me. Didn’t you say I am just a slave? Then what happened? I don’t need any kind of explanation. I am happy with my..” She stopped and touched her neck lock then continued,

“With my lifetime tag. Thank you, my king.” She smiled.

“You are a shameless woman.”

“Yes, I am.” Alina replied.

She was tired of everything. She did not want to live now. She knew she had no other option anymore. So she had to cope up with her fate until she died.

“Shut your mouth until I use other ways to shut it.” Aaron let go of her arm and left her room angrily.

Alina sighed. She was tired of crying. All she wanted to know about her parents, nothing else.

Aaron came to his office and threw everything from his desk. He was very angry right now. The reason for his anger was no one but his own mate.

He got furious. The woman was telling him openly that she killed his father and he was not doing anything to her. Why???

He heard his phone ring. He saw Lucas's call.

He wanted to decline the call. He thought somehow Lucas got to know about the matter and called him for taking Alina's side again.

But he received the call.

“Aaron.”

Aaron frowned. Lucas sounded very happy. There was bliss or happiness in his voice.

“Why so happy?” Aaron asked him.

“Aaron, I found her.”

“Who?”

“My mate. I found my mate, Aaron.”

Aaron raised his brows. “And?” He wanted to listen more.

“And she is that girl, Aaron.”

Aaron was surprised. Lucas fell for a girl a few years ago but she was not eighteen years old at that time so he did not know that she was his mate. Yet he searched for her everywhere until he found her today.

“Finally I found the love of my life Aaron. I am very happy.” Lucas spoke again.

All the anger lessened, and Aaron smiled hearing Lucas.

“Where are you right now?”

“I am with her. We are coming to the pack house.”

“Come. I am waiting.” Aaron said.

Lucas hung up and Aaron exhaled.

He went to sit on the couch. He rested his head on the couch.

He was feeling good that his best friend finally found his mate.

Aaron remembered how he reacted when he found Alina as his mate. He remembered the night he came back to the pack house after the war.

He remembered how innocent she looked when she was looking at him.

Little did he know she would become the biggest traitor of his life.

Gamma George called him and asked him to come to the living launch of his residence because Lucas took his mate to his residence directly to introduce his mate. He did not wait for others first but for Aaron and his friends.

Aaron went to his living launch and saw a woman with brown hair. Lucas looked very happy and his other friends did too.

“Aaron.” Lucas said but then he turned to the girl and cleared his throat.

“This our King, bowed to him.”

The girl nodded and bowed to Aaron.

“I’m Silvia. Nice to meet you, My king.” She said.

Aaron nodded at her. ” Raise.”

Lucas then introduced her to his other friends. They started to pull Lucas’s leg so that he would not be single anymore.

Laughing was heard in the living launch.

Lucas's mate smiled. She looked at the corner and paused.

She was stunned.

“ALINA? WHAT ARE YOU DOING HERE?”
