

Chapter 137

“Call the head Alpha of the Blue Moon pack and ask for his royal witch, my mother needs her.”

Alina's eyes widened. ‘Head Alpha of the Blue Moon pack? Alpha Rick?’

Aaron glanced at her and saw her reaction. He did not say anything to her.

Lucas asked him, “Are you sure?”

Aaron nodded. “Cooper.”

“Yeah?” Cooper replied.

“You will call him and inform me what he says.”

Theta Cooper nodded his head. He took out his phone from his pocket and went out of Daisy's room.

Aaron left the room and other officials followed him.

Alina sat beside Daisy and looked at her. She looked helpless.

The pack doctor spoke out,

“I hope she can help her. She was a very hard-working Queen for us. My parents always wanted me to serve the king and Queen. Though King Atlas was very arrogant, Queen Daisy was a caring Queen. Now she is not Queen but she is still our Queen.”

Alina nodded. “I will talk to Melissa.”

Alina thought if Melissa came there, she would talk to her. But what if Alpha Rick would be angry with her and King Aaron? What if he would not let her come here?

‘Alpha Rick’

Thinking about this name, so many memories came through her mind like a flash. He tried his best just to make her his Luna and saved her from the Lycan king.

However, the fate had another plan, she had to leave on their wedding day.

The pack doctor left the room. Silvia was sitting on the other side like a good daughter-in-law.

Alina told her to go to have her breakfast.

“What about you?” Silvia asked.

“I will stay here with Aunt Daisy.

“Alina. You are a really nice girl. Everyone did so much with you but you are still trying to help everyone.”

Alina smiled at her. “Now go.”

Silvia stood up. “Okay, I am going now. But I will tell a maid to take your food here.”

“Okay.”

Then Silvia left the room as well.

Alina looked at Daisy. She stared at her for a long time.

“You took away my right to call you mom. I had never done anything to hurt you or Uncle Atlas. I had never tried to kill him nor did I think like that. I have always cared for you both and tried to win your hearts, because I saw a mother in you. I fell for your son.

However, how can I blame you? You said what you saw. I have nothing to say about it. I cannot blame any of you for my suffering except my mate. He could have saved me, trusted me for once.

Besides whatever happened, I will try to convince Melissa to help you. Hope we can save you, Aunt Daisy.”

Alina poured her heart out. She saw a tear roll from the corner of Daisy’s eye.

Alina immediately went close to Daisy. “Are you listening to me? Can you hear me?”

Alina wiped Daisy's tears. "I am sorry if I hurt you with my words. I know you still feel that I killed your husband, but I didn't do that. It was Crystal who did it. Just give us some time. We will take you back."

At night, Aaron came back to his chamber. He saw Alina was not in his room. He frowned and went to her room.

He saw she was not in her room either.

He walked to the other side and opened his mother's door. She saw Alina holding his mother's hand and sleeping while leaning against the bed.

He stared at Alina. The scene was really eye warming.

If all the things would not happen in his life, his life would be a perfect one.

She would have become his wife and his mother liked her a lot. They might be the best mother in law and daughter in law in this world.

He worked the whole day. Theta Cooper told him that he called Alpha Rick and he replied he would let him know about his decision.

Aaron knew it would not be easy. He thought power was the best thing in this world. However, this time he did not have the power to save his mother's life.

The man who tried to make his mate his Luna and the way Aaron took Alina with him on his wedding day, Aaron was in conflict with himself about whether Alpha Rick would agree to let Melissa come here or not.

Aaron made his way to the bed. He sat beside his mom and stroked her hair. "You will be fine, mom."

He turned his head to the woman and smiled. He saw how she held his mother's hand as if she was her own mother.

Aaron stood up and went to her side. He broke the hold slowly.

He lifted her in his arms and unhurriedly walked out of Daisy's room.

Alina felt his arms wrapped around her. She tried to move but those arms tightened around her.

She tried to open her eyes but Aaron whispered in her ear.

“Just sleep. You are tired, Darling.”

Alina fell asleep again. Aaron came back to his chamber and headed to his bed. He put her on the bed.

He lay down beside her and covered himself with a guilt. He pulled Alina closed to him by her waist.

He hugged her from behind and rested his head on her neck.

He felt the sweet smell of his mate. He could not help but kiss her neck. He started to place butterfly kisses on the back of her neck slowly.

He was busy kissing but heard his phone ring. He cursed the caller and took his phone from the bedside table.

“What happened, George?” Aaron asked impatiently.

He was busy in loving his mate but his Gamma just disturbed him.

“Alpha Rick Just called me.”

“What did he say?”

Gamma George was taking his time before speaking.

“Alpha Rick said he would let Melissa help your mother.”

Aaron felt relaxed. He thought it was impossible.

“There is another thing.”

“What did he say?”

“He said he is coming with his royal witch to our kingdom tomorrow.”
