

Chapter 138

The next day, Alina was sitting on the couch with Silvia and Selena.

Selena was quiet all day as if she. was lost after the incident.

Alina thought about what she said to her. Her perception of Aaron would never change by Selena's words but one thing Alina knew was that Selena was regretting staying there.

She did not want to be the Queen of Lycans anymore.

Alina understood that Selena wanted to be with her mate, her real mate.

“Alina, how do you know about the Blue Moon pack?”

Silvia asked.

“I was there for a few months.”

“Why?”

Alina was silent. She glanced at Selena who was awkwardly looking away from them.

“I was planning to become the Luna there.”

Silvia gasped. “W-What?”

Alina nodded her head. “But destiny had a different plan. So here I am. I am happy that I came here by whatever, but I am free right now. I can at least live like a normal person, not a criminal.”

Silvia nodded. “But what about the head Alpha of the Blue Moon pack? He is coming today.”

“Don’t worry. He is a very good friend of mine. He will understand the situation.”

“He is a good person then.”

“Yes, he is.” Alina replied as she saw Selena leave the living room.

“What is wrong with this woman?” Silvia asked and rolled her eyes. She still remembered how she talked about Alina on her first day.

“Nothing.” Alina sighed. She stood up and told Silvia that she was going back to Daisy’s room.

She now spent most of the time in Daisy’s room.

Aaron came to check on his mother sometimes.

She was surprised in the morning when she saw she was in Aaron’s bedroom. She could not remember when she went to his room.

However, she did not think about it much. The actual thing that she was thinking about was Alpha Rick. He was coming there. She did not know how to face him today.

Alina was sitting in Daisy’s room as she was reading a book. She heard a knock.

“The door is open.” She said loudly.

A maid came and told her, “The head Alpha from the Blue Moon pack has arrived. Please come to the living room.”

Alina felt a tug in her heart. She knew how much Rick did for her. But she also knew if she would not come here, Aaron would have killed him and destroyed his whole pack.

“I am coming.”

Alina placed the book on the bookshelf and went out of the room. She headed there slowly.

When she reached she saw Alpha Rick and Royal Witch Melissa.

“Melissa.” She called her.

Melissa looked at her with a shocked face. She understood that Alpha Rick did not tell her about

Alina being here.

“Lun-” Melissa felt a dark gaze on her and she stopped.

It was King Aaron’s gaze.

Alpha Rick stared at Alina.

“Rick.” Alina spoke out.

Alpha Rick looked away from her and looked directly at King Aaron.

“So why did you want my Royal Witch?”

Aaron did not like the get together of Rick and Alina.

However, he needed his help now.

“I need her help.” He replied.

Alpha Rick frowned. “Why? Where is your royal witch?

I thought she was the most powerful witch in decades,” He said with a sarcastic tone.

“I don’t have much time for this.” Aaron said.

All the officials of Aaron tried to ease the tension between the two powerful men.

Beta Lucas coughed. “I think we should sit down together and then talk about this matter.”

Beta Max nodded. He agreed with Beta Lucas. He glanced at Alina. Alina looked helpless.

“Rick, let’s sit.” Beta Max said.

All of them sat down on the couch. A maid came to serve snacks.

Alpha Rick frowned. “So tell me, what happened?”

“My mother is not well. I want your royal witch to help her.”

“What happened to Queen Daisy?” Melissa asked.

She knew Daisy. She was the most successful Queen.

Being an alpha woman who became the Queen of the Lycan territory and ruled the whole kingdom, was not easy at all. Everyone knew about Daisy.

“she is spell bound.” Alina answered.

Melissa gasped. “Still?”

Alina nodded her head. ”Yeah.”

Alpha Rick noticed Melissa and then Alina. He turned his head to Aaron.

“You know that without my permission my witch can not recite a spell.”

“I know.”

“She can help your mother, but..” Alpha Rick stopped.

“But?” Aaron asked.

Alpha Rick glanced at Alina and let out,

“Give me back my Luna.”

Alina looked at Alpha Rick. They heard the sound of crushing.

Alina thought it was Aaron but surprisingly he was just glaring at Alpha Rick.

She turned her head to the other side and saw Selena staring at Alpha Rick.

She heard all the conversation, specifically what Alpha Rick said just now. He wanted Alina back.

Alina closed her eyes. She did not want any type of argument now.

“In your dreams.” Aaron replied.

Alpha Rick nodded and stood up. “Okay then, we are going back.”

All of his officials and Melissa stood up as well.

Alina looked at Aaron. She waited for him to stop Alpha Rick. But he did not care about anything, not even his mother?

Alina ran to Alpha Rick.

“Alina.”

She heard her name behind her. Aaron called her. He did not want her to go to him.

Alina turned her head to him. “Let me talk to him, my king: Your mother’s life is in danger. She can die too.

Crystal is doing something and I can feel that.”

Alpha Rick stopped when he heard Alina.

“Please Rick, let’s talk.”

Alpha Rick stared at Alina for a while then nodded.

They headed to the garden to talk. Alina felt Aaron’s gaze on her until she entered the garden.

“Rick. “

“How did you come here?” Alpha Rick asked her at first.

Alina looked down. “I am so sorry. Because of me-“

“No. Do you know how worried I was?”

“I am sorry.” She mumbled.

“Your sorry can not make anything right. Why didn’t you tell me that time about him? Did you really think

I could not save my family and my pack from him?”

Alina looked up at him and shook her head.

“No! I didn’t mean to say that. I know you are very powerful, a true b***d.

But Rick, he said he would open the border of his Lycans. I was afraid. I wanted you all to be safe. You helped me a lot. I cannot be the killer of your life.”

“How are you?” He asked softly.

Alina looked away and sighed. “Just okay.”

Suddenly a frown built in his eyes. He sniffed the air as if he was smelling something.

He looked at her very carefully and his eyes fell on her neck which was hidden by her high neck dress.

He lifted his hand and pulled down a little. It startled Alina but when she felt his hand on the mark she got what he was trying to see.

“He marked you?”

Alina nodded and muttered, “Yeah.”

“Why?”

Alina could feel a sad tone in his voice.

“He just did it.” She replied. She could not explain to him about how Aaron marked her.

“And you let him do that?”

“Rick.”

Alpha Rick shook his head. “Don’t.”

“Rick, listen to me. You are my good friend. And I care for you. I am good for no one.”

“I don’t want to listen.”

“Rick, you have your mate.”

Alpha Rick glared at her and she felt stunned.

“Don’t talk about the woman who was still with another man after finding out about me.”

“Rick, she is not happy here. She is caged between the situations.”

“I don’t care. I don’t care about greedy people.”

“Please just talk to her.”

“What talk? She is the soon to be Queen.”

“No, Rick-“

“Listen, you called me your friend, that is why today I am giving my royal witch the permission to help the King’s mother. Otherwise, don’t expect more from me.

I know he marked you. But that doesn’t mean I will mark that woman.

Alpha Rick said and walked out of the garden. When he was entering the hall, he saw Selena standing beside the garden’s entrance. Looking down at the floor, she was crying.

Alpha Rick averted his gaze for her and made his way to the living room.

Aaron was still sitting where he was sitting before.

His officials were there too.

Beta Max stood up and went to Alpha Rick.

“Did you talk?”

Alpha Rick nodded and looked at King Aaron.

Everyone thought he would not permit Melissa to help Daisy. It was the last chance for him to take Alina back.

“I am permitting this just because of the woman who called me her friend and stayed beside me and tried hard to become my perfect Luna.”

Aaron tightened his jaw. He had never felt this type of insult in his whole life. He did not like how Alpha Rick called Alina his Luna.

Alpha Rick turned to Melissa.

“Help Queen Mother Daisy. We have to go back soon.”
