

## Chapter 151

### Ending Part II

FIVE YEARS LATER

“Mommy”

Alina turned around.

A little boy came to her with an angry face as if someone scolded him.

“What happened to you, Alan?” She asked.

“Mommy, Aunt Silvia told me Dad would come back soon. But it has been two weeks, where is he?” He asked.

Alina smiled at him. ‘Just like his father, always anger on his nose.’ She laughed inside her heart.

“What did Mommy tell you?” She asked.

“That he will come back soon?”

“No, that your dad has never lost any war in his life. He will be back soon.”

Alan nodded his head proudly. But then his face became saddened.

“What’s wrong?”

“Mommy, my friends told me wars are not good. Dad can be injured in the war. We should call him back.” He said and pouted.

Alina bent to him. “Alan Robertson, don’t forget who you are. You are a Lycan Prince. You have to be brave like your dad. You will have to rule the whole kingdom. Do you know how big our kingdom is?” Alan shook his head cutely.

Alina patted his head. “You will get to know when you will be young and trained as a king.”

Alan gasped, “King? But that is only Dad. Dad is a king.”

Alina chuckled when she saw how afraid her son was about the royal things. He was just four years old. She could not even make him understand that. However, he had to learn royal manners from his childhood.

Alina stood up straight. “One day you will be the King and we will take our time to see you rise and shine.”

Alan was about to talk but was stopped by his grandmother.

“Alan, you said you will play with me. But you cheater, you forgot your grandma.” Daisy said.

“Mom, why did you come here? You could have called me. I would take Alan to you.” Alina said to Daisy.

Daisy had a fever so Alina did not want her to get sick.

“Alan didn’t forget his grandma. He just came here to ask Mommy about Dad.” Alan let out.

Daisy looked at Alina. “He is right, when will he come back? He is taking too long this time, Alina.”

Alina nodded. “I know mom. But I believe he will come back safely.”

“He will. He is hard working King is ruling the kingdom alone.” Daisy praised Alina.

Alina shook her head. “That’s nothing, mom. It’s just my responsibility.”

Time flew fast. It had been five years since she got married to Aaron and became the Queen of the Lycan kingdom.

Her and Aaron’s son Alan was four years old. He was exactly like his father. Everyone believed that he would be the best Lycan king just like his father. His parents and his family loved him a lot.

It was afternoon time,

Alina was working in her office. She had to do so much work because the king was in a war to win another territory.

In these five years, Aaron won countless packs.

Alina stood up from her chair and went out of her office.

She strolled out of the king and Queen's residence.

He came to the dining room and sat beside Daisy. Silvia followed her.

There were another two women, giving time to each other so that they could not get bored.

“Caroline, how is your father?” Alina asked.

Caroline was Theta Cooper's mate. Beside her, Jessica was sitting. She was Gamma George's mate.

Everyone had found their mates and were living happily.

“He is better now, My Queen.”

“And what about your brother, Jessica?”

“He is hopeless, my Queen.”

“Tell him to come here when the king comes back. He will arrange a job for him.”

“Thanks, my Queen. You are the best.” Jessica smiled.

She was the younger one in them.

Her sister was Delta Darren’s mate. It was shocking for everyone that in one house two daughters were mates of the officials.

However, her sister, Jenny was also a good girl. They were twin sisters. Of course, not the same face. They had different personalities too. Delta Darren would mark her soon.

Alina glanced outside. Suddenly, she saw Alan running inside.

“What happened, Alan?” Alina asked.

A bright smile was visible on the kid’s face.

“Dad and uncles are coming. I just saw their cars entering the main gate.”

Hearing that Alina felt her heart beating fast. No matter how many years had passed, she still fell for her mate daily.

All the officials entered the pack house. They won another war. Their mates looked very happy. They hugged each other.

Daisy told them to get fresh. They agreed and went to their rooms.

Alina waited there for Aaron. She felt a pat on her shoulder. She turned to Daisy.

“He came back safely. So don’t worry anymore.”

Alina nodded and heard Alan,

“DAD,”

Alina turned to the man and felt relaxed. He came back without any injury. His wolf was also okay.

“Did you miss your Dad?” Aaron squatted down to Alan while stroking his hair.

Alan nodded and hugged Aaron. “I miss you a lot, Dad.”

After talking with his son, Aaron looked at his mother and his wife.

“I am back.”

Daisy grinned. “My son is so powerful that if he just looks at any territory, he can win it.”

Aaron chuckled when he heard his mother.

“You should go and freshen up too.” She said.

Aaron nodded and glanced at Alina then made his way to his residence.

After taking a shower he came for dinner with others.

Alina did not go to their room because she was busy making Aaron’s and other officials’ favorite dishes with the chefs.

“What did you do alone all this time?” Beta Lucas asked Alina.

“Nothing, just work.”

“My Queen, you should go to some kitty parties.” Theta Copper said.

“No, she should go for a movie.” Delta Darren advised.

“Don’t listen to them. We will take you out to visit somewhere.” Gamma George said and his mate nodded.

“Relax guys. I am totally okay. When I feel like going out somewhere, I will take my time out and go with you all.”

Everyone was in accord with Alina.

Aaron cleared his throat. He looked at Daisy. “Where is Alan, mom?”

“He just fell asleep. He is very happy that you are back finally.”

Aaron nodded. “I had to come back. I have promised someone and I don’t like to break my promises.”

Everyone knew he was talking about his wife.

After dinner, Aaron went back to his room. Alina talked with Daisy about Alan.

Later she strolled to their room and opened the door.

The moment she opened the door, she was pushed against the door.

Alina was startled as she looked at Aaron.

“Where were you?” Aaron asked as he placed his hands on her waist.

“I was talking with Mom.”

Aaron neared her face and kissed her cheeks softly.

“My son missed me a lot, what about his mother? Did she miss me?”

Alina blushed. She nodded her head.

“Words, Darling.”

Yes, I missed you. But you didn’t receive my calls.”

“My phone was not with me, Darling. I am sorry to make you wait a little too long.”

Alina smiled but was stunned when he pecked on her lips in short.

He cupped her cheeks and kissed her lips.

Every time they kissed, it kept feeling better than before.

“I missed you so much.” Aaron said between their kisses.

“Let’s make another kid.”

Alina’s lips parted. “W-What?”

Aaron nodded and smirked. “This time I want a little Alina.” He said and locked the door. He lifted her in his arms. He walked to the bed and threw her on the bed.

He hopped on her. “I am hungry and you know how your wild beast reacts when he is in hunger.”

Alina rested her head on the pillow and put her hand on his chest. She played her fingers with his collar.

“I know, you untamed beast.” She said in a seductive way.

“You will be the death of me, Alina.” He groaned and began to kiss her delicately.

After like an eternity, his masculine body collapsed with her sweet and soft body.

He kissed her neck and nuzzled. She felt tickled.

She smiled and stroked his hair. She wanted to stay with him like this forever.

“I was thinking about our fate.” Alina said.

Aaron looked at her. “About what?”

“That, how from Your Rejected Queen, I became the Queen of Lycans. “

Aaron shook his head and kissed her forehead softly.

YOU WERE NEVER THIS LYCAN KING'S REJECTED QUEEN.

IN FACT, YOU WERE THE ONLY QUEEN THIS KING'S HEART  
EVER DESIRED.”
