

Chapter 23

“YOU!!”

Alina was shocked when she saw Rick Miller.

‘What is he doing here? He is the Alpha Rick?? The new head Alpha of the Silver Moon Pack???’

Alina looked at Crystal. Crystal signaled her at him.

Alina looked at Rick.

Rick was angry looking at her.

Alina awkwardly smiled at him.

Aaron observed Alina and Rick. “Do you know her?” He asked Rick.

Alina begged Alpha Rick with her eyes. Aaron had already insulted her a lot of times so she didn't want to give him another chance to insult her.

"Of course. I know her really well." He said while remembering the day when he met her.

"How?" Aaron asked.

"It was a long story," Rick said and looked away.

"Let's go there and sit." Theta Cooper said to Rick and his officials.

Then everyone went to the couch and sat there except Crystal and Alina. They were standing where they were before.

"He said he knows you? How does Rick Miller know you??" Crystal asked.

"I spilled milkshake on his shirt."

"When???"

“The day we were coming here. I bumped into him.” Alina explained to her everything.

Crystal couldn't help but laugh.

“You are telling me you spilled your drink on Rick Miller, our University's national crush?”

“Yes, I did but it was a mistake. And your drinks were also in my hands.” Alina said.

And then both of them laughed.

“Alina you're really dead now. He won't let you go.”

“What do you mean?”

“You know how narcissistic he is. He is a playboy. He can't digest the insult so he will come after you.”

“I will tell him to not talk about that incident again.”

“Hope he will understand.” Crystal giggled.

Meanwhile,

Aaron was looking at Alina. How she was laughing at something. She was looking beautiful. When Aaron entered the hall at first what he felt was her alluring scent. Then his eyes fell on her. She wore a black just like him. He thought if she managed to know what he was wearing today and wore the black dress intentionally.

“I am happy that Dad is allied with you, otherwise it would be a problem for me. ” Alpha Rick said.

“Don’t worry. We are always here for you.” Beta Lucas said.

“I am happy about the war. I don’t like wars, you know. So I don’t have to get worried for a long time.” Alpha Rick said and everyone chuckled at his words.

After a long discussion, Alpha Rick stood up and went to the bar side where Alina was sitting with Crystal. He stood in front of them.

“Can I borrow your friend for some time?” Alpha Rick said to Crystal.

Alina shook her head but Crystal said, “Sure, why not?”

Alina held Crystal's hand. "Don't go. He will kill me. He wants to take revenge on me. Maybe he will spill a drink on me back." Alina whispered.

"I won't spill anything on her, don't worry." Rick smiled at Crystal and Crystal smiled at him back.

"He is a True b***d Alpha, maybe he heard us." Crystal whispered and grinned awkwardly then she left from there.

Alina looked at Crystal's back.

"Done watching her?" Rick said.

Alina turned her head to him. "What do you want?"

Rick held her hand and made her stand up.

"What are you doing?"

"Taking you to the dance floor."

"No, I don't want to dance with you."

“Keep calm and come, otherwise people will get to know how mannered you are. “

Alina looked around and saw everyone was looking at her. The officials were also looking at her. Alina didn't look at Aaron but she could feel his gaze.

Alina sighed and went to the dance floor with Rick.

Rick put his hand on her waist and took her hand on his hold. They started to dance.

Everyone knew how Alpha Rick was. He was a playboy and careless person. He didn't want to take responsibility as the head Alpha and went abroad to live a luxurious life. He only came to visit his pack on vacation and his father forced him to take over his pack.

Rick was staring at Alina's face while dancing. Alina didn't look at him for once. 'How can this young woman resist my charm? That day she spilled her drink and didn't apologize to me properly.'

That day he was just a simple man but today he was the head Alpha of the Silver Moon pack. She could not offend him today.

Alina looked up at him. She was getting annoyed with him.

“What do you want?”

“An apology.”

“What an apology? What did I do?”

Rick frowned at her. “You spilled your drink on my shirt and gave me lectures. Do you think I will take it?”

“Listen, Alpha Rick. I am sorry for that day. Now let me go. I should not have bumped into you that day but I was in a hurry, I thought it was my flight.” Alina tried to explain to him. She was already in a problem so she did not want another one.

“Why would I accept your apology?” Rick raised an eyebrow. He wanted to tease her. He found this woman strange.

Alina got angry. “Rick Miller, don’t be bratty. You wanted an apology and I did. Now, what do you want from me? What should I do? Beg for your forgiveness?”

Alina said and looked away from him. Her eyes fell on Crystal who was nagging Aaron’s arm. Maybe she also wanted to dance.

Alina looked at Aaron who was staring at her and her heart skipped a beat.
'Why is he staring at me like that?'

Alina broke the eye contact and looked up. "I am really sorry. I didn't do it purposely. I am already in many problems so please don't create a new one for me." She said softly to Rick and smiled at him.

Rick looked at her for a moment and nodded.

They were looking at each other while dancing.

At that moment someone patted Rick's shoulder.

Rick and Alina stopped dancing and heard,

"SHE'S WITH ME TONIGHT."
