

Chapter 34

Aline opened the door and they stopped her from coming outside.

Theta Cooper went back to the pack house with all the footage Aaron wanted.

He went directly to the King's residential area. He knocked on the door of Aaron's office room.

"Come in." He heard Aaron's voice and entered his office.

Aaron was sitting on his chair behind his desk.

"I have come with all the footage you wanted." Theta Cooper said and closed the door.

He went to a chair and sat down.

Before Aaron could say anything he saw the door opened Beta Lucas entered his office. He did not like to knock his door. He did not like to follow the rules either. Because he was his best friend.

“You called me so suddenly. Is there something urgent?” He asked.

Gamma George and Delta Darren followed him inside Aaron’s office.

“Let’s sit on the couch and talk.” Theta Cooper said and stood up.

All of them sat on the couch. Aaron stood up from his chair and came to the couch. He sat and looked at Theta Cooper.

“Why didn’t you go with her that time?”

Theta Cooper was nervous under Aaron’s gaze.

“What happened?” Delta Darren asked.

Theta Cooper told him what Alina told him and went to the washroom then Aaron called him to come with footage.

“What happened to Alina?” Gamma George asked.

Theta Cooper took the laptop and palyed the pendrive.

They saw all the footage. They saw,

Alina went to the washroom. It was the camera which was situated outside of the washroom.

They saw after Three-four minutes some other boys went to the washroom and stood there.

Alina opened the door and they stopped her from coming outside.

Aaron tightened his fists looking at Alina's scared face.

The boys went inside the washroom and closed the door.

Every official looked at Aaron. They could feel the heat from him. He was very angry.

“Fast the speed of the video.” Aaron said when he saw no one was coming from the washroom.

Theta Cooper nodded and fast the video. After Six minutes they saw Aliana.

“Stop!” Delta Darren said.

Theta Cooper stopped and slowed down the speed of the video.

They saw Alina come out of the washroom in a hurry. Those boys were running after her. She wanted to go to the door of the cinema hall but she looked behind her. When she saw they were coming close to her she took another way.

“Where is the entrance hall’s footage?” Aaron asked.

“I collected that too.” Theta Cooper said and played the footage.

They saw how Alina was running from those boys but no one was coming to help her.

Aaron looked at those staff who were just silently watching everything without helping her.

Alina went outside and those boys also went after her.

The footage went black after that.

Aaron was watching in the black screen. Everyone knew he was thinking something. So they were quiet.

“Go to the Cineplex again and find out about those boys. I want to know everything about them. Their names, whereabouts, family, and rank.” Aaron said.

Theta Cooper nodded.

“Don’t forget those staffs who were working there without helping her.”

“Okay.”

“Is she okay now?” Delta Darren asked.

“I found her running in the middle of the road. I took her back to the pack house. She was okay physically but mentally she was not.” Aaron replied.

Everyone nodded at him.

“You all can go and do what you were all doing.” He said and stood up.

George, Darren, and Cooper stood up and left.

Beta Lucas did not go out. He was observing his friend.

“Why are you still here?” Aaron asked.

“Do you care about her?” Beta Lucas asked.

“Why everyone is asking me the same question today?” Aaron said and ran his fingers in his hair.

“Because we can see you are changing, Aaron.”

Aaron frowned at him. “What change?”

What change his best friend was talking about? He was only cared for her because it was the mate bond that pulled them closer. It was not like he fell for her or something.

Theta Cooper nodded and fast the video. After Six minutes they saw Aliana.

He narrowed his eyes in his own thoughts. ‘How did I even think about it? Fall for her? Impossible.’

“See? You are daydreaming now. You have never done this before.” Beta Lucas said.

Lucas knew how his friend was. He was a powerful man with no heart. He closed his heart for everyone. People said Lycans were beasts so they could not love anyone. Now it set up his mind totally, he forgot that he could also have a mate and that mate could change his life. Now Lucas could see how Alina was changing him.

Some Days ago he told him that he would reject her very soon. But Now he was caring for her, thinking about her, and talking about her. He clearly saw that Aaron had fallen for that girl.

“Aaron?” Beta Lucas called him in a low voice.

“What?” Aaron asked and looked at him.

“Do you feel something when you saw her in danger?”

Hearing the question Aaron remembered how he felt that time when Alina cried in his chest. He was feeling a rage of fire burning in his chest.

“No.” He replied.

Beta Lucas laughed at his answer.

Aaron saw his reaction but did not ask him anything. He knew his best friend saw his face when he was thinking about the situation.

“Stop asking me all of this and go back to your work, Beta Lucas.”

Lucas nodded his head and stood up. “You are right, My king. I have a lot of work to do. I will see you later.”

Lucas walked to the door and stopped in front of the door. He looked behind at Aaron who was looking confused.

Lucas chuckled again. Aaron heard that and turned his head to Lucas. “Why are you chuckling?”

Beta Lucas shook his head and opened the door.

But before he left he said something which stunned Aaron.

“You are in love, My friend. You are in love with her.”
