

Chapter 148

The waiter sighed helplessly and said, “Young Master Jackson, you said it yourself. According to Shanghai Nights membership rules, high-level members can request low-level members to leave.”

Young Master Jackson glared at him and asked, “Then why are you asking me to leave?”

The waiter turned to look at Matthew and said, “Mr. Larson is one of our top-level members. If you want Mr. Larson to leave, we have no choice but to kick you out!”

As soon as he finished his sentence, everyone was shocked, including the other guests who were watching the show. They thought that Matthew was just a loser who leeches off his wife and that he would definitely have no choice but to leave if Young Master Jackson wanted him out. After all, Shanghai Nights wouldn’t offend a Platinum member for the sake of a man who did not even have a member card. No one had imagined that such a turn of events would happen. Matthew is one of the top-level members of Shanghai Nights?! Everyone couldn’t help but wonder if they had heard the waiter wrongly!

Agitated, Penny yelled, “What are you talking about? How is it possible that Matthew is one of the top-level members here? Have you gone mad? He is just a loser live-in son-in-law. How could he be a top-level member? F*ck, what kind of place is this? How dare they hire a madman as a waiter? It seems like Shanghai Nights is just a ordinary restaurant!”

Everyone else was also looking at the waiter doubtfully and wondering whether he had lost his mind. Just then, a cold voice could be heard coming from upstairs. “He’s not crazy, and neither is he stupid!”

Everyone immediately turned around and when they saw Mr. Moses, there was a commotion. Mr. Moses was in charge of taking care of Shanghai Nights and he was famous in Eastcliff.

“It’s Mr. Moses! Mr. Moses, nice to see you!” Young Master Jackson smiled as he walked over to shake Mr. Moses’s hand. Unexpectedly, Mr. Moses directly ignored him and strode up to Matthew. “Mr. Larson, my apologies. I didn’t know you were here. I’m sorry for not giving you the best arrangements. Please forgive me!”

Everyone was stunned. Why is a big shot like Mr. Moses so respectful toward Matthew?

Young Master Jackson quickly walked over and asked, “Mr. Moses, what are you doing? I think you’ve mistaken him for someone else. Isn’t he just a live-in son-in-law? The waiter got the wrong person just now but how is it that you made the same mistake?”

Mr. Moses patted the waiter’s shoulder and said, “What he said is true! Mr. Larson is indeed one of our top-level members. In fact, he is one of our supreme membership card holders! Shanghai Nights has only three supreme members and he is one of them!”

The crowd immediately went into an uproar and everyone was deeply shocked. Even though they were suspicious when the waiter said it, nobody dared to question Mr. Moses. Meanwhile, Young Master Jackson was in a daze. What the hell? I’ve only heard of the Supreme Card before and never seen anyone use it. I know there’s three of them and Billy Newman has one. Even my grandfather only has a Diamond Card and is not even qualified to have a Supreme Card. How is it that a live-in son-in-law has a Supreme Card? I can’t believe that his membership level is even higher than the masters of the Ten Greatest Families of Eastcliff!

“Mr. Moses, did you make a mistake? He’s just a loser that leeches off his wife! How is it possible that he has a Supreme Card? I- I’m sure that he stole it! Mr. Moses, you should start an investigation. I’m sure he’s just a thief!”

Mr. Moses was extremely furious. “Enough! Zip your mouth! You’re just a Platinum member. How dare you disrespect a supreme member?! Guards, get him out of here and cancel his membership! From now onward, he is not allowed to step into Shanghai Nights!”
