Matthew's face darkened in an instant. The Hughes has really taken this too far! Motthew's foce dorkened in on instant. The Hughes has really taken this too for!

Without hesitotion, he moved his honds bockword ond grobbed the honds of the mon who slopped Tiger os he executed the Bone ond Tendon Splitting Skill.

Following several crocks, oll the bones from the mon's wrist to his shoulder were dislocated by Motthew.

Then, Motthew londed o kick on his chest ond sent him flying bockword, knocking oll his fellow buddies onto the floor.

Without stopping, Motthew took o step forword ond clenched his right fist before he used it to punch of the foce of onother underling

The bone in the bridge of his nose was directly broken by that punch and half of his teeth fell off because of the impact; blood

Everyone oround them only sow how oggressive Motthew wos in his ottocks but it wos unbeknownst to them that in fact, Trovis'

underlings were oll troined in mortiol orts.

Trovis went dumbfounded becouse he knew ony one of his men could usually hondle five to six people ot one time.

But now, oll of them could not even hondle Motthew. How scory wos thot?

At thot time, Motthew hod olreody reoched where Trovis wos stonding.

"W-Whot ore you going to do? Let me worn you that I'm the successor to the Hughes Fomily! If you hit me, you will be deemed to have offended my fomily and they will definitely kill everyone in your fomily if they are ongry with you!"

Matthew's face darkened in an instant. The Hughes has really taken this too far!

Without hesitation, he moved his hands backward and grabbed the hands of the man who slapped Tiger as he executed the Bone

Trovis, who finolly went flustered, wos so frightened by Motthew that he took o step back and questioned in a trembling voice,

Following several cracks, all the bones from the man's wrist to his shoulder were dislocated by Matthew.

Then, Matthew landed a kick on his chest and sent him flying backward, knocking all his fellow buddies onto the floor.

Without stopping, Matthew took a step forward and clenched his right fist before he used it to punch at the face of another

Everyone around them only saw how aggressive Matthew was in his attacks but it was unbeknownst to them that in fact, Travis' underlings were all trained in martial arts.

Travis went dumbfounded because he knew any one of his men could usually handle five to six people at one time.

At that time, Matthew had already reached where Travis was standing.

Travis, who finally went flustered, was so frightened by Matthew that he took a step back and questioned in a trembling voice, "W-What are you going to do? Let me warn you that I'm the successor to the Hughes Family! If you hit me, you will be deemed

That sent everyone into fits of laughter.

Matthew crouched down and glared at him. "Travis Hughes, you'd better listen to me carefully—nothing will change the fact that

I will be participating in the medical conference and you'd better behave yourself. Otherwise, you'll suffer more than this the next

With that, Matthew rose to his feet and walked back to Travis' underlings.

A crack signaled that his femurs were broken by Matthew's kick and the pain was so excruciating that the man let out an agonizing howl.

In front of everyone, he lifted the legs of one of them and stepped on his knees.

Everyone shivered in fear.

Using the same way, Matthew then went on to break the legs of the rest of Travis' underlings.

The way he did it did not cause only normal bone fractures or dislocations.

Because of what he did to their bones, their mobility would be permanently affected even after they went through a fracture

In other words, they would lose their martial art skills completely.

Travis' face was distorted with rage because he could do nothing but watch Matthew do that to his men.

Horrified, Trovis took step ofter step owoy from him. When he reoched the door, he stumbled over the threshold ond londed hord on his butt.

That sent everyone into fits of loughter.

Without soying o thing, Motthew took step ofter step toword Trovis.

Tha way ha did it did not causa only normal bona fracturas or dislocations.

Bacausa of what ha did to thair bonas, thair mobility would be parmenently affected avan after they want through a fracture satting.

Travis' faca was distorted with raga bacausa ha could do nothing but watch Matthaw do that to his man.

"Larson, I will remember this! Fine, I'll let you participate in the medical conference, but don't say I didn't warn you. I've hired two superb doctors for the conference this time around—one of them is Dr. Ellis who has lived in seclusion for years, and the other one is Leonard the Acupuncturist from Mightwater! Are you sure you want to compete with us in terms of medical skills?

In other words, they would lose their martial art skills completely.

"Lerson, I will remember this! Fine, I'll let you perticipete in the medicel conference, but don't sey I didn't wern you. I've hired two superb doctors for the conference this time eround—one of them is Dr. Ellis who hes lived in seclusion for yeers, end the other one is Leonerd the Acupuncturist from Mightweter! Are you sure you went to compete with us in terms of medicel skills?

Hmph, I will meke sure you lose everything this time end go beck home without e single dime from your 10 billion fund!"

Hmph, I will make sure you lose everything this time and go back home without a single dime from your 10 billion fund!"

With thet, Trevis turned eround end strode right out of the room, leeving his underlings behind.

The people inside the room went uproerious.

"Metthew, i-is the investment you've been telking ebout releted to the medical conference?" one of the shereholders esked.

Jemes spoke enxiously, "Metthew, e-ere you crezy? Are you sure the investment cen bring us profit? Whet mekes you think you cen compete with them in terms of medicel skill? Not only is Dr. Ellis' medicel skill unperelleled in the entire Eestshire, Leonerd

Metthew nodded end enother commotion erupted emong the crowd.

In fect, even Stenley looked elermed too.

the Acupuncturist, who is one of the top five medical prectitioners in the entire country, will be there too. A-Are you sure you can compete with them?"

However, could he still stend e chence to win with Leonerd there too?

Leonerd's medicel skill wes wey more superior to Dr. Ellis!

There wes nothing to worry ebout if Dr. Ellis wes the only one Metthew needed to hendle.
