

Chapter 54

Joseph immediately felt embarrassed. At that moment, Matthew stepped forward and stood next to Joseph. Then, he smiled and said, “The person that Mr. Harrison was talking about is me!”

“You?” The driver looked up and down at Matthew and sneered, “Mr. Harrison, you brought a young, naive man to diagnose Mr. Graham?”

There was a look of disgust on Dr. Ellis’s face. “Mr. Harrison, I used to think that you are smart and accomplished. I never thought that you have fallen to this state. I can’t believe that you found such a young man to act as a genius doctor. This is an insult to the medical world. You disappoint me!”

Old Mrs. Graham glared at Joseph angrily. Why did Mr. Harrison bring a man of such a tender age here? Is he trying to insult me?

“Mr. Larson’s medical skills are so good that I am willing to bow down to him!” Joseph hurriedly explained, “I believe that he could definitely cure Mr. Graham’s hidden illness!”

“We’ll have to see for ourselves whether or not his medical skills are good. Bragging about it proves nothing!” Dr. Ellis sneered, “Mr. Harrison, the reason you’re willing to bow down to him is because you’re not skilled enough. It doesn’t mean that he has excellent medical skills!”

Just when Joseph was about to speak, Matthew took a step forward and said, “Dr. Ellis, you’re right. Whether or not my medical skills are considered good has to be based on my abilities. Dr. Ellis, you keep bragging about yourself. I wonder how skilled you really are?”

Hearing this, Dr. Ellis was furious. “B*stard! How dare you talk to me like that! Don’t you know who I am?”

“I don’t care who you are!” Matthew snapped. “Dr. Ellis, let me be frank. Without even having to step through that door, I’m certain that you can’t cure Mr. Graham’s illness!”

Dr. Ellis instantly burst into laughter. “What a joke! How dare you make such a statement before even meeting the patient? Mr. Harrison, where did you find this trickster?!”

Matthew chuckled and said, “Stop talking nonsense. Dr. Ellis, do you dare to place a bet with me?”

“You impudent boy!” the old woman yelled angrily. “Mr. Harrison, look at him. How can he be so disrespectful toward Dr. Ellis?”

Joseph was embarrassed. Usually, he would definitely treat Dr. Ellis respectfully. However, he trusted Matthew’s medical skills more.

Seeing that Joseph wasn’t doing anything, the old woman was enraged. “Mr. Harrison, take him and leave right now. Otherwise, don’t blame me for kicking you out!”

Joseph was upset but he lowered his voice and said, “Old Mrs. Graham, Mr. Larson really has the ability to cure Mr. Graham.”

Old Mrs. Graham roared, “I don’t want to hear you talk nonsense anymore. Take him and leave immediately. Otherwise, I’ll ask the security guards to escort you out!”

Matthew suddenly sneered, “Old hag, you don’t have to go through so much trouble!”

“W-What... did you say...” Old Mrs. Graham was infuriated. “How dare you talk to me like that?”

“Why not?” Matthew retaliated. “Mr. Harrison, since they don’t welcome us, let’s go. However, old hag, let me warn you. After Dr. Ellis enters the house, he’ll probably use acupuncture to treat your son. After three pricks of needles, your son will then vomit blood. If you don’t want him to die, remember to come and beg me personally !”

After Matthew finished speaking, he pulled Joseph with him and left.

“What a joke!” Dr. Ellis snorted. “He hasn’t even met the patient yet but yet he’s so sure what kind of treatment I will use. Well then, I won’t use acupuncture today!”

Old Mrs. Graham also had a look of disgust on her face. “I don’t even know where did Mr. Harrison find such a maniac. Dr. Ellis, forget about that crazy man and don’t be on the same level as him!”
