

MONARCH OF TIME

-1 - Ranks

Chapter -1 - Ranks

This is just a chapter that records the ranks for cultivation, medicinal ingredients, alchemy and magical beasts.

-

Cultivation:

There are 3 sub-stages in every rank ---> For example: Early rank 5, than middle rank 5 and then peak rank 5

First stage: Qi condensation rank 1 to rank 9

Second stage: Earth grade rank 1 to rank 9

Third stage: Heaven grade rank 1 to rank 9

(Not mentioned yet in the latest published chapter which is chapter 40)

Fourth stage: Spirit Realm rank 1 to rank 9

Alchemy

Alchemy is usually dependent on the cultivation level of the alchemists as it needs spiritual strength to function

Alchemists are split in 3 ranks in every sub-category

BRONZE GRADE ALCHEMISTS:

Rank 1 bronze alchemist----> Needs to have a cultivation of approximately rank 6 in the qi condensation

Heaven grade

Fourth Stage Body Refinement (split into 3 sub-stages early/middle/peak)---->
Spirit realm

Alchemy Ingredients

There are 9 ranks of ingredients and some can directly consumed by cultivators while others have to be refined in pills. Every pill depending on the ingredients used can only reach the same rank, for example :

A pill created from rank 1 herbs can only reach the peak of rank 1 as a pill.

The pills are also split in low-grade, middle-grade, high-grade, and top-grade (Not introduced yet in chapter 40)

Rank 1 Pill----> Qi condensation cultivators -->Bronze grade 1 alchemist can refine rank 1 pills

Rank 2 Pill----> Earth grade?----> Bronze grade 2 and grade 3 alchemists can refine rank 2 pills

Rank 3 Pill----> Heaven grade--> Silver grade 1 alchemist can refine rank 3 pills

Rank 4 Pill----> Spirit realm ----> Silver grade 2 and grade 3 alchemist can refine rank 4 pills
