

## Chapter 208 Matchmaking

Wayne felt aggrieved when three people were making fun of him at the same time. He looked at Flavia helplessly and said, "I have already felt miserable being teased by Tyson and Cece. Flavia, why do you also have to make fun of me? You connive to bully me. You're going too far."

Although Flavia didn't know Wayne that much, she could tell that he was an easy-going person. And she knew that he was not really angry. So she smiled and explained, "I am not making fun of you. I said it from the bottom of my heart."

You may think I'm a nagging old woman. But I've been through many things, so I know it's a rare chance to meet a good woman. You should cherish her. Nowadays, many young people don't know how to cherish the right person. They will only realize and regret it after they lose the chance forever. If only you know how sad it feels."

"Flavia, I admit that you are right." Wayne pursed his lips. "But what is there to cherish about Brea? She is ugly and fierce. There's nothing special about her."

Celia couldn't stand it anymore. She had to defend her friend. "Wayne, you're going too far! I can somehow accept it when you say that Brea is fierce. But isn't it too much to say that she is ugly? If she is ugly, then there are no beauties in the world."

As she spoke, she took out her phone and searched for Brea's photos on the Internet. Then she showed them to Flavia. "Flavia, this is Brea, Wayne's sweetheart."

Upon hearing this, Wayne was on the verge of breaking down. But he had no other way to prove himself, so he could only beg, "Cece, please don't talk nonsense anymore. Brea is not my sweetheart."

Celia just smiled. "Don't bother to explain. The more you explain, the more it shows that you care about her."

Wayne always felt that he was eloquent. But when he heard Celia's words, he was at a loss for words.

He found it hard to clarify himself.

Flavia squinted her eyes and looked at Brea's photos carefully. She grinned and complimented generously, "Wow! This lady is so beautiful. She looks even prettier than the stars on TV. Look at her figure. She has a slender waist and big breasts and butt. I'm sure that she also has a good character."

Celia smiled. "Flavia, you really have sharp eyes. Brea is an actress. She acts in TV series."

Flavia exclaimed, "No wonder! She looks so delicate. I will watch her TV series in the future."

She sighed emotionally and looked at Wayne. Then she suddenly remembered something, so she waved at him.

Wayne didn't think much. He walked up to Flavia. She immediately held his hand and persuaded him earnestly, "It's rare to see such a beautiful woman. You should cherish her instead of bullying her."

"Flavia, I really..."

Wayne wanted to defend himself, but Flavia didn't give him a chance. "If you don't mind, bring her to me some other day. I'll matchmake the two of you."

Wayne knew that his explanation was in vain. So he forced a smile and said, "No, thank you. But I don't want to trouble you."

Flavia said firmly, "It's not trouble at all. You saved my life, so I have to do something for you. Besides, I was a matchmaker when I was young. I arranged blind dates for people, and I was very professional."

Wayne smiled wryly and said, "You make it sound like I'm going to chase Brea."

Flavia said seriously, "You are a man. Of course, you have to take the initiative to chase her. You shouldn't wait for a girl to make the first move. Don't flinch or be shy. Otherwise, you will regret it in the future."

Wayne gave up struggling. He just changed the topic.

Suddenly, he heard someone calling Celia outside the window.
