

Chapter 420 Negotiating

Tyson remained silent.

Since Cerissa had already offered herself up to him, she no longer cared about her dignity.

Moreover, she had dated various men before, so it was not such a big deal for her to sleep with the CEO of the Semshy Group. Perhaps, if she was lucky, she might even be able to become his wife.

The car door did not seem to be locked, and soon, she opened the door and was about to fall into Tyson's arms.

Ever since Cerissa was sixteen years old, she had never failed to hook up with any man she had taken fancy to. All she had to do was lure them with her seductive charms and they would easily be willing to sleep with her. She believed that seducing the man in front of her would be a piece of cake.

If Adrien could get back his position as the CEO of the Kane Group, then she was willing to have sex with him for the rest of her life. Besides, he was Nolan Reyes, the new wealthy man in Hosworth, who owned a lot of assets, so she would not be losing anything.

Cerissa was still dreaming of her life with Tyson after she had sex with him, so she was not expecting him to push her away rudely.

In fact, he even slammed the door on her face.

Cerissa tried to stop him, but Tyson mercilessly closed the door, almost crushing her hand.

Cerissa's face turned red from embarrassment.

It was the first time that a man had turned her down when she was coming on to him.

"Can't you behave like a gentleman? Or do you not know how to?" Furious, Cerissa completely forgot about her mission.

"I will only be gentle to the woman I love. Just who do you think you are, Miss Kane?"

Just when Cerissa was about to retort, Mabel pulled on the hem of her shirt.

Taking her hint, Cerissa suppressed her anger, pulled herself together and leaned against the window again, continuing to negotiate with Tyson coquettishly.

"Let me make it clear, Mr. Reyes, as long as you are willing to let my father continue to be the CEO of the Kane Group, I am willing to do anything, and that includes sleeping with you. I will do whatever you want as long as you can give the Kane Group back to us."

Mabel flashed a flattering smile, and Cerissa secretly pulled down her shirt even further until her plump breasts that were barely covered by her lace bra were squished on the car window.

"I am not boasting, Mr. Reyes, but my daughter is as beautiful as a rose, and she is great in bed. I promise that she can satisfy your every desire. As long as you give Adrien another chance, she will serve you well. If you don't believe me, you test her first."

Upon hearing that, even Briar was disgusted.

He put on his headphones to ignore their words.

Tyson lowered his head to avoid looking at Cerissa's breasts accidentally.

Seeing that Tyson seemed to be in deep thought, Cerissa figured that she still had a chance, and said in a cute tone, "Mr. Reyes, I will do anything you want. It was not easy for my family to survive all the past troubles, so please let us go."

"Dress properly first," Tyson replied indifferently.

Cerissa guessed that he must be too shy to stare at her beautiful breasts in public, so she quickly pulled up her collar.

"It's fine now."

Hearing that, Tyson raised his head and stared her with a contemptuous look in his eyes.

"If I am not wrong, then Mr. Kane's daughter should have been married to Mr. Tyson Shaw already. Aren't you afraid that the Shaw family might not be happy with what you are doing now? After all, it is a scandal if you have an affair with another man."

The flirtatious smile on Cerissa's lips froze. She suddenly came up with an idea and said, "You misunderstood, Mr. Reyes. The one who married Tyson Shaw is my father's real daughter. I am his step daughter, and we're not related by blood."

Tyson could not tolerate her stupid and disgusting lies anymore. "Oh, really? Anyway, I am not interested in a disgusting woman like you."

Saying that flatly, he turned to Briar. "Drive."
