

Chapter 449 Kiley's Promiscuous Behavior

Kiley pressed her body against Alick's further, lifting her hand to caress his chest in a seductive manner.

The touch of her fingers seemed to light up a burning desire inside of Alick, causing heat to gradually spread towards each part of his body.

To be honest, Alick didn't like Kiley at all. She wasn't an attractive enough woman for him. She wasn't gorgeous or sexy, just someone with plain features and an average figure. However, at this moment, she suddenly looked quite tempting. Her breasts seemed bigger than he had thought, and he noticed that her body curves weren't actually all that bad.

He could barely get a hold of his sanity after taking the drug. Every fiber in his body was reacting to her touches, and he was filled with an overwhelming urge to respond to her advances.

However, he forced himself to remain calm. "Where's Celia? I told you to bring her here, didn't I? So where is she?"

Kiley was currently in a daze, but she managed to answer him properly. "Celia already left along with her husband. I couldn't keep her."

Alick, irritated, was about to chastise her when he suddenly heard voices coming from the corridor, slowly approaching.

Out of panic, he grabbed Kiley and dragged her into the room, kicking the door shut once they were inside.

"Idiot!" Alick growled out as he grabbed Kiley by the arm and shoved her to the floor. "I trusted you to do this small thing for me, and yet you couldn't even handle such a simple order? You failed to make Celia come here, so how dare you show your face to me right now? Do you want me to scold you or something?"

Kiley's body was growing hotter by the second, and she felt so uncomfortable that she couldn't even think of defending herself. "Mr. Juarez, I want you so badly," she begged. "Can't you fuck me right now? You can reprimand me or hit me as much as you want afterwards!"

Alick scowled as he kicked her off his body with one foot. "What? You want me to fuck you? Have you ever looked at yourself in the mirror? Don't you know that all the women I slept with before were all gorgeous? Who do you think you are to try to seduce me like this? Your ugly face is making me feel appalled! I suggest you go out to the streets and find some homeless man instead. He'd be more than glad to fuck you instead!"

However, even though he was insulting her and demeaning her savagely, there was no trace of hurt or anger on Kiley's features at all. Instead, she knelt on the floor before his feet, grasping his thighs while rubbing her cheek against his pants.

"You might loathe me, Mr. Juarez, but I can see that you're aroused."

At that moment, Alick scolded himself and hated his own body for betraying him. He felt so pathetic from getting an erection because of an unattractive woman like Kiley.

He cursed himself incessantly.

If only he hadn't taken that drug today! He would never even spare a single glance of interest at Kiley who didn't have the looks and the figure that he wanted in a woman.

Despite this, Alick noticed that something about her behavior was strange.

It hit him at that moment that she must've been drugged.

Celia must've suspected that something was wrong with Kiley, so she thought two steps ahead of Kiley and made her drink the wine that was mixed with an aphrodisiac instead.

At this realization, Alick once again cursed Kiley in his head.

He shouldn't have expected anything from such an idiotic woman. If he did it himself, he would've already pressed Celia against the bed by now and stripped her of her clothes.

"Get out of here! I don't want to see your face!" Alick growled as he grabbed Kiley by the collar and began dragging her to the door. He was in such a rage that he didn't want to think about this predicament any longer. He needed to throw her out right now and find a gorgeous woman to serve him instead.

However, Kiley was relentless. Not only did she refuse to leave, but she was already unzipping his pants and quickly taking them off.

"I beg you, Mr. Juarez. Please fuck me! Feel free to do anything you want with me. You can have your way with me all night if you wish! Please don't throw me out. I want this. No, I need this! If I don't get fucked right now by a man, I feel like I'm going to die!" Kiley said desperately. Her face and neck were flushed red from the effects of the drug, and at that moment, she appeared more seductive than usual.

Alick stared at her for a while, feeling something inside of him soften.

Actually, it would be hard for him to find a gorgeous woman that he favored in just a short period of time. Plus, the drug was already taking a toll on him, and his body couldn't wait any longer. All he could do right now was to take advantage of the situation and sleep with Kiley to satisfy himself first.

"You asked for this!"

Alick threw Kiley to the floor harshly and began tearing off her clothes.
