

Chapter 525 Making A Fool Of Keira

Keira turned pale from fright. She lunged at Celia instinctively to grab the flash drive, disregarding her public image.

Celia leaned sideways to dodge her attack.

Initially, Celia had just wanted to test Keira. However, she didn't expect such a big reaction.

This confirmed Celia's suspicion of Keira's wrongdoings. Their chaotic exchange had attracted so much attention that the onlookers began to gossip.

"What's with Keira's reaction? Did she really do those things?"

"Who knows? But more importantly, how did Celia get the evidence? Maybe Celia is just bluffing to get a reaction out of Keira."

"I heard that Celia's husband is very rich. Maybe she bought the flash drive."

Brea's confidence rose when she knew that Celia was helping her. "Do you have anything you want to say for yourself?" asked Brea condescendingly.

Keira was at a loss for words and was unable to retort. She could only swallow her pride and signaled her assistants to follow her out of the building.

However, Celia didn't want to let her escape so easily. She stood in front of Keira and stopped her before she could

leave. "Miss Guerrero, please wait a moment."

Keira stopped in confusion and frowned. "What else do you want?"

Celia maintained a sarcastic smile and said, "You tried to get Brea into trouble by rushing to the performing arts department with a pile of unconvincing evidence. Now that I found you out, do you think you can leave so easily? Do you think the Semshy Group is a pushover?"

Sensing Celia's threat, Keira subconsciously took a step back. "I'm warning you, don't do anything crazy," she said warily.

"Don't be afraid. I won't do anything that's against the law." Celia stepped forward and said coldly, "I just want you to apologize to Brea face to face. If you don't, get ready to see the contents in this flash drive on the gossip weekly tomorrow."

Keira turned red with anger and her mind was in a mess. She was in no condition to fight back.

She didn't know what kind of person Celia truly was and whether she would do as she said. However, even if Celia didn't dare to do that, Brea would definitely push her to expose the contents in the flash drive. She would be screwed if Celia really exposed her.

After considering for a moment, Keira asked slowly, "If... If I apologize, will you give me the flash drive?"

Although the flash drive was actually empty, Celia still pretended to be hesitant and replied, "If you sincerely apologize, I will give it to you. Rest assured, I will not go back on my word. Everyone will be our witness."

Initially, Keira was still a little hesitant, but after hearing her words, she made up her mind and nodded.

"I'm sorry!"

She apologized to Brea from a distance.

Brea was stunned as she didn't expect her to apologize so easily. Besides, the apology did not feel sincere at all. Before she could react, Keira turned to Celia and pleaded, "I've already apologized. Can I have the flash drive now?"

Celia smiled, "Miss Guerrero, haven't you apologized to anyone before? You don't seem to know how to apologize sincerely. You should face Brea directly, confess your wrongdoings and beg for her forgiveness."

This was the first time Keira had felt this humiliated. Her pretty face was filled with anger, but when she thought of the evidence in Celia's hand, she had no choice but to follow Celia's instructions.

She walked to Brea and tried her best to calm down. She then overheard Celia saying to Kelley, "Kelley, please take a video recording of the apology with your phone. I need it in case Miss Guerrero comes to make trouble again."

Kelley had also disliked Keira for a long time. She picked up her phone and pointed it at Keira. She smiled sarcastically and said, "Miss Guerrero, don't worry. I'll find a good angle for you."

Keira was so angry that tears welled up in her eyes. However, she had to swallow her pride and apologized to Brea, "I'm sorry. I shouldn't have accused you before knowing the entire truth. Please accept my sincerest apologies. I hope you can forgive me. I'm sorry!"

Brea had fought with Keira for so many years. It was the first time seeing Keira so submissive. She was so happy that she forgave Keira on the spot.

After that, Celia handed over the flash drive as promised. Keira snatched the flash drive and handed it to one of her assistants. "Check it."

The assistant inserted the flash drive into her laptop and found that there was no so-called evidence. There were only videos of Tom and Jerry.

Realizing that she was fooled, Keira was furious. She turned to her bodyguards and ordered fiercely, "Get them! I don't care how you treat them. Even if you beat them to death, I'll be responsible for it!"

The bodyguards were about to strike, but Brea quickly stood in front of Celia and glared at Keira. "Must I remind you that we are still in the Semshy Group? Aren't you afraid of offending Mr. Reyes?"

Keira was a little scared, but she had already given the order. She didn't want to embarrass herself, so she turned to her bodyguards and insisted, "Beat them up!"

Several bodyguards rushed forward and pushed Brea down.

They were about to attack Celia when she screamed and hurried to help Brea.

At this moment, a pair of slender hands reached out to help Brea up before Celia could.

Celia turned around and saw that it was Wayne.

Wayne surveyed Brea from head to toe for injuries. After making sure that she was fine, he looked at Keira coldly.

"Keira, are you courting death?"
