

## Chapter 529 The Truth

Wayne had no choice but to nod in agreement.

Then Celia asked, "How many young men are there in the Shaw family?"

Wayne answered quickly, "Two, Mack and Tyson."

Celia asked hesitantly, "There is no other illegitimate child in the Shaw family?"

Wayne was stunned momentarily before he realized that Celia was suspecting Nolan as an illegitimate child of the Shaw family.

He felt some relief. As long as Celia didn't suspect that Nolan was Tyson, maybe there was still hope.

He replied, "I don't know. I've never heard of another illegitimate child in the Shaw family. I don't know much about the previous generation though. If there was another illegitimate child, maybe they just haven't made it public?"

Celia had her own guess but she just nodded.

Wayne knew that this was an opportunity not to be wasted. He quickly said to her, "Cece, don't overthink too much. Many people resemble each other."

Celia still looked very strange so he asked, "Cece, is there anything bothering you? You can tell me and Brea. We can see if we can help solve it."

Celia shook her head. She said in a low voice, "Nothing. I'm

just a little curious."

How could she tell them that her boss was the one who had had a one night stand with her?

She was silent for a little while as she pondered but then decided to change the topic. She smiled and said, "Sorry to take up your time. I think I'll go back to work now. I am sure you are both very busy too."

At this, she made haste to flee the lounge and left awkwardly.

When Celia had left, Wayne said goodbye to Brea. "Brea, I have work to do too. I should leave now."

Brea nodded and said, "You can leave now."

Wayne kissed her on her face and then left the lounge and headed secretly to Tyson's office.

Emmitt was in the office when Wayne arrived but he realized that Wayne had something important to discuss with Tyson, so he nodded politely and left promptly.

Tyson recognized Wayne's anxiety right away. He asked, "How did it go?"

Wayne picked up a coffee cup on the table and took a few sips. He took a deep breath and then said, "There's no problem for the time being. Do you have any problems? Why don't you tell Cece your true identity?"

Tyson lit a cigarette and it was his turn now to take a deep breath. After thinking for a while, he decided to reveal to Wayne what had happened to Celia.

Wayne was filled with righteous indignation after listening to Tyson. "What? Those bastard Kanes are so bad. You can't let them get away with that so easily!"

Tyson stubbed out the cigarette and said, "You must have heard that the Kane Group was bought, right?"

Wayne blurted out, "Was it you?"

Tyson nodded, "Yes."

"Why?" Wayne did not understand. "If that is the case, then why don't you tell Cece the truth?"

Tyson sighed and smiled bitterly. "I thought you would be more mature now that you are with Brea. You are still so childish. Do you think I really want to hide these things from Cece? Of course I have my own concerns!"

Tyson's eyes suddenly took on a ferocity. He continued, "My plan is to make the Shaw family pay. You know the means and status of our family. I don't want Cece to be involved."

"Are you afraid that something will go wrong and your plan will fail?"

Tyson frowned and said, "I'm worried about her safety."

"I see." After a few moments' reflection, Wayne advised, "I still think you should tell her the truth. If she knows, she will make sure she protects herself. She has told you everything about her but you have concealed so many things. I'm afraid she will despise you if she finds out the truth in the future."
