Ma'am The World is Waiting For Your Divorce (Skyler and Jocelyn)

Chapter 18

Chapter 18

An evil smirk formed on Chad's lips. He looked like he was drooling as he cast a lustful gaze upon Jocelyn

He carried Jocelyn like a groom would do a bride and went upstairs quickly.

Lily watched as Chad carried Jocelyn upstairs. She finally showed a sinister smile.

Hmph, how dare she go against her? She was not a match for her yet!

Michael cast a dotting gaze upon Lily and asked, "Did this help to vent your anger?"

Lily pouted and said, "Wait till we get our hands on the video. Besides, we might really be able to blackmail her through that!" Michael's gaze flashed as he hummed heavily. "If she doesn't want her reputation to be completely ruined, she should know what to do!"

Lily smiled as she grabbed Yennis's arm. "Mother's idea is truly the best!" It turned out that Michael was infuriated after knowing that Jocelyn had outwitted Lily with her scheme in the afternoon.

However, he pondered upon it for a while after calming down. It would not work if he tried to defeat Jocelyn by going up against her directly. He would only be able to do so if Jocelyn withdrew the lawsuit on her own accord and released a statement about it.

However, this was something that would only happen in his dreams.

Luckily, Yennis came up with this idea. He installed a communications jamming device at home. Once Jocelyn arrived, he would activate the jamming device so that she would not be able to contact anyone from the outside world. Chad just needed to bring Jocelyn upstairs and do whatever he wanted to her! That way, their plan would already have succeeded halfway!

Chad was a spoilt young master that always got his own way. He was capable of doing anything. Of course, he would take a woman that they had gifted to him just like that!

Besides, even if Jocelyn wanted to sue them, nobody in this room would testify for her!

Cameras had been installed within the room in advance. Did Jocelyn not like taking videos? They would give her a taste of her own medicine. They would take as many videos of Jocelyn as they wanted!

Once they got their hands on the video of Jocelyn, she would definitely listen to everything they said! Initially, Michael intended to take advantage of the arranged marriage between Jocelyn and Chad to build up a good relationship with the Jones family, but Jocelyn was not an obedient pawn. Since she insisted on hurting Lily, he would not go easy on her either!

Jocelyn had forced Lily to the brink of desperation. Otherwise, Michael would not agree to carry out Yennis's evil idea. 1

However, this was truly a good idea. As long as they had this video with them, they could easily order Jocelyn around!

Michael pondered upon it coldly. As long as Jocelyn was obedient to them, he could still show mercy toward her and continue with the arranged marriage between her and Chad Jones!

At the same time, a black Rolls Royce Phantom sped over in the dark night. The car stopped in front of the White household's villa.

Skyler had asked Yale to help Jocelyn move her belongings. However, she was still yet to finish moving after his two-hour meeting. The moment he walked out of the conference room, Yale told him in a panicked tone that Jocelyn had informed him that she would be returning home to pack her belongings in the afternoon. Therefore, he agreed to her request and asked her to contact him when she finished packing so that he could fetch her. Nevertheless, he realized that he could not contact Jocelyn an hour later! His calls would not go through. Therefore, he rushed back to the company to look for Skyler. He was afraid that something had happened. If it were not for the fact that Skyler was having an extremely important meeting just now, he would have rushed into the conference room a long time ago.

As soon as Skyler finished hearing what Yale said, he spoke up with an icy expression on his face. "Let's head to the White household right now!"

Skyler got down the car with a dominating aura when he arrived at the White household.

There was a BMW parked in front of the villa of the White household. The gate was not closed either. It did not seem like anything had happened. However, Skyler's instincts told him that Jocelyn must

be at the White household. When Skyler walked in, Lily was still speaking out loud. "After it ends later, we must make more copies of the video. Each of us must have a copy of it to prevent..."

He walked into the villa with large strides. The three people seated at the dining table were stunned.

Lily choked on her words. Michael reacted to his arrival first. "President...President Moore, why are you here?"

Everyone in Mauve City knew who Skyler was. However, Skyler did not have much of an impression of Michael. He glanced at Michael and asked, "Where's Jocelyn White?"

un

After speaking, his gaze landed on the dining table. Skyler's pupils constricted slightly when he noticed the two additional sets of plates and utensils on the table. He shouted out, "Yale, search the rooms downstairs!" After that, he took large strides upstairs. Michael's expression changed immediately. He rushed over to chase after Skyler. "President Moore, you can't do this! This is my home!"

Skyler saw Michael chasing after him. He stood at the top of the stairs and kicked Michael back to the living room. He then rushed upstairs with large strides.

Meanwhile, Chad had already taken off his clothes in the room. He could not wait to undress Jocelyn. He had just removed the outer strap of Jocelyn's skirt and was planning to take off her skirt when the door of the room got kicked open in the very next second.
