

# Ma'am, the World Is Waiting for Your Divorce

## Chapter 218

Skyler looked at Jocelyn calmly. Then, he said slowly, "Back then in the bar, you were bullied by Dan because Yvonne stirred up the trouble and encouraged Dan to do this."

Jocelyn's face changed suddenly when she heard this.

No wonder Skyler wanted to apologize to her today. He probably knew that it was Abel who saved her at the time and understood why she would stand up to Abel.

Her expression was a little complicated.

It had been so long, and she finally knew that this was the truth.

She looked at Yvonne and her expression suddenly became disgusted. She was looking at Yvonne even more hatefully than when she looked at Giada.

When she recalled the scene that night in the private room where she was surrounded by Dan and a group of people and did not have any aid, she wanted to kill Yvonne and feed her body to dogs!

She said indifferently, "Mr. Moore, I will listen to you

in this matter. I have no opinion on what you want to do with her.”

Jocelyn clearly remembered that because she let Giada go last time, she and Skyler almost died in that dark and dilapidated house in a rural area.

Skyler's expression softened significantly when he heard Jocelyn say that.

Apparently, he was delighted by Jocelyn's smartness.

Jim did not expect that Yvonne not only planted a virus in his computer, but she also conspired with Dan to tarnish Jocelyn.

No wonder Skyler was so angry. Now, Jim's head was a mess.

Skyler looked at Jim calmly. “I don't want to see Yvonne again after this meal.”

Before Jim could speak, Derek got up and knelt beside Jim and Skyler by the chair. “Jim, Mr. Moore, Yvonne was confused. I don't know what bad thing she did, but I beg you to please spare her. She's my only daughter and if you want to kill or torture her, I will take it for her. Please!”

Jim's face became extremely off colored. Derek was his elder and he was also his savior, so he was an

honest man.

He genuinely did not want to see Derek lowering himself like this.

He got up to help Derek, but Skyler gave him a cold look.

Jim gritted his teeth and looked at Yvonne, who was trembling all over. "You did all this?"

Yvonne's face was pale, and tears were streaming down her face. She did not dare to say a word.

Jim's face turned white with anger. "You idiot, help your father up!"

Yvonne staggered to her feet quickly and went to help Derek.

Jim was a smart guy. He did not want to help Yvonne, but he wanted to help Derek.

He did not beg Skyler as it would hurt his brotherhood with Skyler too easily.

During this time, he could also see clearly how Skyler stood up for Jocelyn and helped her because she was indefinite. So it was obvious that this woman's importance to Skyler had long since changed.

He looked at Jocelyn calmly and said, "Jocelyn, you

don't mind me calling you this, right?"

Jocelyn shook her head. "I don't mind."

Back then, he would call her Miss White. The reason he called her this was clearly to close the gap in their relationship.

He said, "Yvonne was confused and stupid, plus she's also heinous, so we need to punish her severely. The thing she did to you caused huge losses to the gaming company me and Skyler invested in. I am enraged, let alone Skyler. I wanted to kill her after I heard that.

"However, her father Derek is a good man and he's my elder, plus he is also my savior so I can't turn a blind eye to this. I know you don't like Yvonne, but for my sake, please spare her. I promise you'll never see her again, what do you think?"

Jocelyn looked troubled as she looked at Jim, then, she turned her head to look at Skyler.
