

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1397

His 1.8-meter-tall figure stood in front of the girl. His aura was completely suppressed by the girl, who was wearing a baseball cap and who he could not see the face of clearly. He was like a little chick.

“Su...”

Aiden almost shouted out.

Mother of God, he has seen a ghost!

!!

But the girl looked up before he could shout. Her dark eyes were a little dry as she looked at him coldly.

He snapped his mouth shut.

But his mouth was slightly open, clearly still in shock.

It really was Sun!

He seemed to have seen the figure of the girl who went in outside the Qing University Art Building that day. She looked very much like their boss.

However, Qiao Nian had gone in too quickly at that time. He only thought that it looked like her, but he wasn't completely sure.

Until now.

“What are you doing here?” Aiden asked the girl standing a step in front of him. He was absolutely certain she was Sun.

Other than the fact that the other party was standing there in an arrogant posture, her whole body exuded coldness. Who else could it be but their boss?

After confirming the other party's identity, he was more surprised and puzzled than shocked.

Qiao Nian hadn't expected to meet someone she knew in a competition.

She raised her hand and looked at the man in front of her, who had attractive blond curls and deep features. Her voice was very low as she whispered, “I came to compete.”

Aiden said nothing.

Although he couldn't accept this answer for a moment, he was increasingly certain that the back view he saw in Beijing was Qiao Nian's. He didn't know how to control his expression. He immediately revealed an indescribable expression and stammered. “You're participating in the competition...”

He didn't even know where to put his hands and feet. Everyone was stunned by his behavior.

The staff who had accompanied him here were all a little at a loss when they saw Aiden change his usual cold image and speak so carefully in front of a Country Z girl.

Du Mingwei was just as stunned. Unable to figure out what was going on, he turned to the girl in surprise. "Qiao Nian, do you know him?"

He had heard from his friends at the IT Association that this Aiden was aloof and did not usually talk to people.

He hadn't expected Aiden to be so friendly to Qiao Nian. In fact... his attitude was a little respectful.

Qiao Nian knew that this would happen. She pursed her lips and said to the blond man, "We'll talk about it later."

Then, she looked at Du Mingwei with a headache and explained concisely, "I guess so. It's just someone I know. I'm not familiar with him."

"He seems to be very familiar with you..." Du Mingwei looked at Qiao Nian, then at the tall man in front of him.

Qiao Nian rubbed her forehead, not knowing how to explain it to him.

Coincidentally, she saw Liang Conglin waving at them not far away from the corner of her eye, gesturing for them to come.

She quickly diverted Du Mingwei's attention and pointed in Liang Conglin's direction. "Teacher Du, Principal Liang is calling us. Let's go."

"Huh?"

Du Mingwei was still full of doubts, but since Qiao Nian was pushing him, he could only put them aside for the time being and walk towards Liang Conglin.

They walked quickly.

In the blink of an eye, they met up with Liang Conglin, and the three of them got into the elevator.

They watched the three men disappear into the closing elevator.

The blond young man looked away. After some thought, he said to the staff member accompanying him, "I want to withdraw from the competition."

What?

The staff member was confused and completely dumbfounded.
