

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1434

She didn't mention Jiang Li, mainly because she didn't think he knew anyone presentable.

The entertainment industry was a big dye vat.

Those glamorous stars outside would only make a fool of themselves in their circle.

Jiang Xianrou's filiation banquet this time was of extremely high standards. She would never let Jiang Li call these people to join in the fun.

The only one left was Jiang Yao's friend, Xu Jishen.

Xu Jishen's identity was enough.

The other party was on good terms with Jiang Yao. If Jiang Yao invited him, he would most likely come.

Tang Wanru had already calculated a rough list in her heart. At this moment, she was just mentioning it to Jiang Zongnan.

Jiang Zongnan remained silent for a long time before asking slowly, "What about my father and brother? Are you calling them?"

Tang Wanru's dignified and elegant face froze. She frowned and adjusted her scarf before saying, "We definitely have to call Dad. I'll get the chauffeur to pick him up from the sanatorium as long as Dad is willing to come."

Tang Wanru said bluntly, "But you also know Big Brother. We split up with them. We even fell out with each other when we split up. Later on, Xianrou was even chased out of the family tree in a fit of anger because of their family matters.

"No matter what, this is a joyous occasion for Xianrou. It's not that I don't want them to come, but you know very well that there's a barrier between Xianrou and Qiao Nian. It wasn't easy for her to get through it. Can you not make things difficult for her on her happy days?"

Jiang Zongnan was a little silent. His grip on his briefcase tightened. "But Nian Nian and the others are our relatives, after all..."

"I didn't say that they aren't relatives." Tang Wanru interrupted him and insisted on this matter. "There are also differences between relatives.

"When the two families separated, she kept saying that we would be two families from now on. She hoped that we wouldn't disturb each other.

"Besides, father and daughter aren't the kind of people who like crowds. They might not want to come even if you call them."

After a short hesitation, Jiang Zongnan seemed to be annoyed and only said, "We'll see. I'll go to the company now."

Tang Wanru knew that some things were better than nothing. She wasn't in a hurry. She calmly tidied Jiang Zongnan's suit and let go. Then, she smiled and said, "Go. I'll wait for Xianrou to come back and ask her opinion."

"Yes."

Jiang Zongnan took the things and his expression softened a little. He lowered his head and kissed her cheek before leaving for the company.

Several trending topics were about this software competition.

The software competition was clearly very professional, but because the participants were too awesome, the popularity of the professional competition was even higher than that of the entertainment industry.

A few trending searches were posted.

Many onlookers also paid attention to this competition.

Through the popular science on Weibo, they immediately became fans. Under the latest official announcement from the IT Association were 53,000 reposts and over 300,000 likes.

Compared to this heat, the latest list of members of the Pharmacy Association was not very popular. In the comments section, only the students from the same major paid attention to it.

Not many passersby would notice this Weibo post.

However, anyone who knew the industry knew how awesome the Pharmacy Association was. It was also a great honor to be able to enter it.

And Jiang Xianrou's name was in this honor.
