

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 146

At the same time.

In the VIP ward of the city's hospital, a guy looked up from a pile of documents. He saw a kid holding onto a phone with a silly smile.

"Has Qiao Nian replied to you?"

Ye Qichen kept his phone, glanced at him, and replied proudly, "Sister will definitely reply to me!"

Uncle wants to text Sister, but he's afraid of being ignored, right?

I'm not like him. Sister loves me!

Ye Wangchuan put down his pen and passed it over to Gu San with the rest of the documents. He then sat lazily on the sofa and looked at the kid. He said smilingly, "If I'm not driving you, you can't bring her home. You'll have to pick her up with me. Unless you have a license of your own in the future."

Gu San was speechless.

Master Wang, is it right for you to bully a five-year-old?

Ye Qichen pouted and felt bad. He then retorted angrily, "I'll get my license one day, then I won't need you to pick Sister up!"

Ye Wangchuan smiled. He raised his brows and said, "By then, she would be your aunt."

“Hehe.” Ye Qichen wasn’t a pushover. He would only put on the cute act in front of Qiao Nian. He was really smart in front of the others. He insulted his uncle immediately. “Sister doesn’t like you. You never had a girlfriend, and Sister won’t marry you.”

Ye Wangchuan looked at him. He rolled up his sleeves, showing the silver bracelet she gave him. He then copied Qiao Nian’s lazy expression and mannerism and said, “Else, would she marry you?”

Ye Qichen froze and his face turned red. Gu San felt as though his face might bleed soon. Ye Qichen started to fidget slightly and said, “Erm... I, I do.”

Ye Wangchuan was speechless. He then smiled at him and said, “Keep dreaming. You’re twenty years too early.”

“You’ll be old when I grow up! I’ll be tall and handsome. You’ll just be an old man. Sister will choose me over you for sure!” Ye Qichen didn’t pull his punches as he insulted Ye Wangchuan.

He immediately retorted angrily by targeting his weakness. “If you dare to fight me for Sister, I’ll tell Grandpa that you bullied me. You hit me and abused me. You even threw me into the river and I almost drowned because of it. Grandpa will punish you for that.”

“I’ll also tell Grandpa that you are behaving this way because you don’t have a girlfriend despite your age. Then our aunts will start to introduce girls to you again. When you have a girlfriend, you won’t harass Sister anymore.”

Damn, you’re amazing, my little young master!

Gu San never thought of that way. Little Young Master was so smart.

Ye Wangchuan chuckled coldly and said, "Then, you would be left in Beijing the next day and you would never see her again!"

He got up and snatched his phone. He opened up the conversation between Ye Qichen and Qiao Nian, forwarded the location she sent to his phone, and returned it to Ye Qichen. He then said coldly, "If you behave, you can still see her. Else, you're going back to Beijing. Think about it carefully."
