

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 1482

Jiang Xianrou and Tang Wanru bid farewell to the Jiang family.

“Dad, Brother. Mom and I are leaving.”

Along the way, Jiang Zongnan nagged them to pay attention to the weather and remember to put on more clothes.

Jiang Xianrou had been enduring all this while. When she finally heard the airport broadcast, she immediately interrupted Jiang Zongnan and pulled up her luggage, preparing to leave for the boarding gate.

!!

Jiang Li's sunglasses were a little cold when he saw the impatience in her eyes when Jiang Zongnan spoke.

However, Jiang Xianrou was still his biological sister.

They had grown up together.

Jiang Xianrou was going out for half a month. As her brother, he had nothing to say.

Before Jiang Xianrou left, he stopped her and reminded her simply, “When you get there, restrain your temper. Don't be competitive and insist on winning.”

Jiang Xianrou did not expect him to say this.

Her face darkened. Not acknowledging him, she looked past Jiang Li and smiled at Jiang Yao. “Brother, I'll leave first. I'll send you a message when I arrive.”

Jiang Li wasn't offended by her obvious differential attitude. He shrugged and put his hands behind his head, ready to go back.

Jiang Xianrou and Tang Wanru actually had nothing to do at the Pharmacy Association this time. They just wanted to take a look and settle the procedures.

Even though she officially became a member of the Pharmacy Association, Jiang Xianrou and Tang Wanru's biggest goal this time was to find a good teacher to guide Jiang Xianrou!

Jiang Li had no idea who their target was.

However, from what he knew of the two of them, the person they had their eyes on was definitely not an ordinary member of the Pharmacy Association.

Elder Zhong's chief disciple also set off with them. He wondered if Jiang Xianrou would be able to get her wish this time!

Robert had no idea that someone was targeting him. He spoke distractedly to Qi Yan and Qi Lanyin.

During this period, Qi Lanyin had repeatedly shown her admiration and respect for him.

He didn't pay much attention to it and didn't even respond to Qi Lanyin. He was looking at his phone the entire time.

Qi Yan was angry that Qi Lanyin had made her thoughts too obvious, but her heart ached for her.

She could tell that Qi Lanyin wanted to enter the Pharmacy Association through Robert. Although she felt that her actions were a little demeaning, she did not dissuade her.

Until Robert was completely indifferent and kept checking his phone.

She gave Qi Lanyin a look and asked the blond man gently, "Chief Luo, what are you looking at?"

She thought for a moment and pursed her red lips again, then said elegantly, "Is Dean Zhong looking for you?"

The blond man was young, in his 30s. He was young in a place like the Pharmacy Association. However, he was Dean Zhong's personal disciple.

His status was definitely different from ordinary members.

Qi Yan treated him kindly.

The blond man heard her question and found time to answer her. "No. I'm waiting for someone to reply to my message. I don't know if she's set off yet."

Who was so important?

Qi Yan was a little confused.

The people from the Pharmacy Association were generally aloof and did not have much contact with the outside world.

Back then, she had relied on her connections in Country M to help Dean Zhong so that she could have some contact with these people from the Pharmacy Association.

Just this little connection was enough for her to gain a foothold in the royal family and make the members of the royal family think highly of her.

She had never seen anyone from the Pharmacy Association care about outsiders.
