

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 446

Fu Ge also didn't want to continue talking about this topic. He was also feeling uneasy, but he didn't have a chance to interrupt Wen Ziyu. At this moment, he found the opportunity to switch topics. He immediately grabbed Zhou Yang and said in a deep voice, "Let's not stand here anymore. We should go eat first. We can talk some more after the meal."

...

A row of lush camphor trees was planted on both sides of the road outside Qing University. It was autumn in the month of October. The camphor trees were luxuriant. Sunshine leaked through the leaves when the breeze blew past. This seemed to relax people's bodies and minds.

Qiao Nian left the campus and saw the Hongqi car parked at the side of the road.

The black-colored body made the car look low-key. A person wouldn't be able to recognize the brand if they didn't pay attention. However, passers-by still couldn't help but take a closer look at the car when they noticed the license plate.

Qiao Nian kept her cell phone after replying to Nie Mi's message. She raised her eyes and saw the rolled-down window. Gu San poked his head out and warmly greeted her. "Miss Qiao, I'm here!"

Qiao Nian rubbed her forehead and walked over quickly.

Before she could open it, the door was opened from the inside.

"Are you done with the examinations?" Just from the voice alone, one could imagine just how handsome the person was.

Qiao Nian felt a sudden surge of emotion in her body. She nodded and said, "Yes, I just finished it."

She bent her waist to get in the car, leaning her elbows against the window. Only then did she see the face of the man sitting inside.

Ye Wangchuan left early in the morning, so she didn't notice his attire today. When she got inside the car, she saw that he was wearing a khaki jacket over a white T-shirt. It had a clean and simple style. Coupled with his fair skin and all-around handsome facial features, he looked like the college students she met on the Qing University campus.

Qiao Nian was silent for a couple of seconds. Then, she narrowed her eyes, allowing her vigor to be seen, and casually asked, "Are you going for the sunny youth dress style today?"

"Hahahaha." In the driver's seat, Gu San let out a laugh and said, "Miss Qiao, if you want to say that Master Wang is acting youthful, then just say so directly. Why do you have to be so euphemistic? Hahaha, sunny youthful style..."

He laughed so hard that tears were about to come out, but he noticed someone glaring at him from the rearview mirror.

His laughter suddenly froze, causing him to hiccup and his muscles to twitch a little. He was in trouble. He had become too complacent!

“Master Wang, I didn’t mean it like that. Please treat me as if I don’t exist.”

Gu San shrunk his neck and seemed to try to reduce his presence in the car, but he was smiling inside.

Who asked Master Wang to pretend to be young!

It was like seeing a lion wearing cute clothes. It would still be scary!

Master Wang was obviously a strong and vigorous lion. In order to cater to Miss Qiao, he had to act like a playful cat. Was this not making things hard for himself?

Furthermore, it didn’t seem like Miss Qiao liked cats.

Miss Qiao liked people who looked young such as the Young Master, who looked like a 5-year-old with a chubby face!

Cuteness like that was natural and could not be fabricated!

Master Wang was probably thinking too much!

He secretly watched them through the rearview mirror, not daring to look at them as blatantly as before. He took a peek and quickly averted his gaze.

...

Qiao Nian merely noticed that he had changed his dressing style today and spoke casually. There was no hidden meaning behind her words. She was silent for a moment and was a little irritable. She explained drily, “I meant to say that this suit looks good.”

Silence ensued for a moment.

Qiao Nian looked into his eyes again in order to increase the credibility of her words. She nodded and stressed: “It looks good.”
