

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 595

“That’s true. I also think Young Master Wei is a little too impulsive.”

As they were arguing.

The old butler led someone in.

Wei Lou placed his hands behind his head in a sloppy manner. He looked past Wei Ying and the others and raised his thin lips. “She’s here.”

She’s here?

Everyone followed his gaze.

The girl who had walked in with the butler of the Wei family walked in slowly. She was wearing a black sweater and a cap. Probably because the weather was cold, she had even pulled the cap of her hoodie over it. Her hands were in her pockets, and there was an earpiece wire stuffed into her ears along the cap. She was wearing a pair of canvas shoes and was walking steadily but casually.

Qin Si’s first impression was that she was young!

When Jiang Xianrou told him that Wei Lou had found a miracle doctor who had come all the way to the city, the image that appeared in his mind was that of an old man in his 80s. He was skinny and wore a Chinese tunic suit, just like the image of the martial arts doctor on television.

However, when they really saw this “divine doctor” from Rao City, not to mention the older generation, even he, a young man who bragged about his new era, could not accept it.

He looked at the girl walking in curiously.

How old was this girl?

She looked like she was not even 20 years old.

Mr. Huang became the honorary president of the Medical Association at 68 years old. When Liang Lu entered the Medical Association at 35 years old, she was regarded as a miracle by the Chinese medical community.

This ‘divine doctor’ was at most 18 or 19 years old...

Qin Si’s lips curled into an amused smile. Previously, he did not think that Wei Lou would be deceived. However, he now agreed with Jiang Xianrou’s point of view. Wei Lou might have been deceived this time!

The female cheat was quite pretty.

Qin Si's gaze swept across the girl's long and straight legs wrapped in her jeans. Then, it swept across the cold profile under the brim of her hat. He clicked his tongue and realized that this type seemed to be the type that Young Master Wang liked!

It was the best of this kind!

He was wondering if he should take out his phone and secretly take a photo to send to the group when he heard Jiang Xianrou's despondent voice. "Qiao Nian?"

Zhang Yang, who had been watching the show, turned to ask her, "Miss Jiang, do you know her?"

"..." A complicated expression appeared on Jiang Xianrou's face. She clenched her fists and looked at the girl who was gradually approaching. She lowered her voice and said, "Yes, she's my cousin."

She really did not want to admit that she had such a cousin! She didn't understand why Qiao Nian would come with the Wei family's butler. She added in frustration, "She's ignorant and incompetent. She just fought someone some time ago. I don't know why she came here again."

Qin Si turned his head to look at the girl she said was "ignorant and incompetent." Her wild and unruly aura was indeed a little uneducated!

"What is she doing here..." Jiang Xianrou stomped her feet in frustration. She didn't want to have anything to do with Qiao Nian at the moment and did not want to stand out.

...

Everyone gradually returned to their senses.

Whispers began to sound in the courtyard.

"Is she the miracle doctor that Young Master Wei said came all the way here? She's so young. Did she graduate from high school? What kind of medical skills does she have? Isn't this ridiculous?"

"Didn't you see that Professional Liang's face has turned green? Young Master Wei insisted on saying that this young girl is better. It's too humiliating. No matter what, Liang Lu is someone who entered the International Medical Association. If they were to compare, she would be at Mr. Huang's level. This... is a little too much."

"I don't think she even memorized all the ABCDs. She's too ridiculous."
