

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 792

Qiao Chen's thoughts were suddenly pulled back. She returned to her senses and looked at Wei Ling. She pursed her lips and said, "I saw a familiar face."

"Who is it?"

Qiao Chen's eyes flickered, and she only said after a long time, "Qiao Nian."

a

"I think I saw her enter the Imperial Mansion with a man." Qiao Chen placed her hand on the door and looked up. The manager and the couple who had gotten out of the car had already entered. She couldn't see their figures at all. Hesitating for a moment, she added in a low voice, "I don't know if I saw

wrongly..."

"You must have seen wrongly!" As soon as she finished speaking, Wei Ling interrupted her casually. "I think you're just too busy recently. You're so tired that you're hallucinating, Qiao Nian definitely won't appear at such an occasion. I already told you, the people who booked the Imperial Mansion today

are either wealthy or noble. How could she know these people? Hurry up and get into the car. Mr. Steven is still waiting for us. Don't delay!"

"Qiao Chen pursed her lips and finally looked in the direction of the Imperial Mansion. She retracted her gaze and said softly, "That's true."

She stopped thinking about it and got into the car.

In the Imperial Mansion.

"The manager gently led the two of them through the long corridor and stopped outside a private room. He said softly, "Master Wang, Old Master Ye and the others are already inside."

"Okay, I understand. I'll go in myself. Go busy yourself first." Ye Wangchuan's eyes were outstanding. He looked especially outstanding today, and he was also in a good mood.

"OK

Before leaving, the manager secretly glanced in Qiao Nian's direction and then quickly retracted his gaze. As if he was afraid of being discovered, he ran away quickly and disappeared.

Qiao Nian was originally playing with her phone, but his glance earlier was quite obvious.

After replying, Qiao Nian raised her eyes and stuffed her phone back into her pocket. She whispered to the man beside her, "Your grandfather and the others are here?"

“think so.”

“Then let’s go in.”

“Wait.” Ye Wangchuan naturally pulled her back. He lowered his head and raised his hand to brush her hair that was hanging down her forehead. His gaze was as gentle as the galaxy. “Your hair is a little messy. I’ll help you push it away.”

His fingers were a little rough. It was unknown if his fingertips had touched the girl’s fair forehead on purpose or accidentally. After a while, he moved them away like a dragonfly touching the water.

She did not resist.

This time, she did not frown.

Ye Wangchuan smiled and felt even happier. He lowered his arm to his side, looking lazy and casual. “We’re about to enter. Are you nervous?”

“Huh?” Qiao Nian did not notice his small movements. It was also possible that he had been doing small movements non-stop recently, so she was already used to it. She didn’t notice anything wrong and was instead quite interested in his questions. She raised her eyes and asked in a wild manner, “Why

should I be nervous?”

Ye Wangchuan was speechless.

Seeing that he was speechless by her question, Qiao Nian walked in front with a devilish gaze and said lazily, “Aren’t you always around?”

“since you’re here, I don’t think I need to be nervous.”

The girl’s voice was slightly hoarse, and it was obvious that she was teasing him. However, Ye Wangchuan’s heart softened for no reason. He opened the door for her and whispered, “That’s true.”

Qiao Nian felt his breath brush past her ear. Before she could recover from his words, she was already looking into the eyes of the people in the private room.

Ye Qichen reacted the fastest. Noticing the person at the door, he immediately threw down his chopsticks and shouted excitedly, “Sister!”
