

## MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 805

'The more he looked, the more he felt that something was wrong. He glanced at the man swaying in front of him a few more times and suddenly said faintly, "Master Wang, why do I feel that after you returned this time, your eyes are filled with spring? Don't tell me you..." Did something good happen?

He recalled the scene he had accidentally peeked at that time and recalled a certain someone's undisguised feelings for Qiao Nian. His heart suddenly skipped a beat.

A thought surfaced in his mind.

Jiang Li subconsciously refused to admit it. He then observed the man who had been smiling since he returned. He looked like a blooming flower.

'The uneasiness in his heart grew stronger.

Damn, no way?

"Don't tell me you..." He really couldn't say it.

He was a beast in human clothing!

What a refined scum!

Nian Nian was only 18 years old. She was still in high school!

Didn't he freaking promise him that he would wait until Qiao Nian went to university???

Ye Wangchuan had been in a good mood for two consecutive days. Hearing this, he looked at him with deep eyes. Like Jiang Li had said, he looked like a man in love. The corners of his eyes were filled with arrogance.

"What?"

His voice was originally the low-pitched type. When he was in a good mood or spoke in a low voice, it was low, charming, and provocative.

"\_" Jiang Li had been friends with him for many years. Seeing his reaction and the happy expression on his face, his heart fell. His throat felt like it was blocked by cotton, and he was speechless. "Don't tell me you and Nian Nian..."

He didn't manage to finish his sentence.

He was afraid that if he asked, his legs would be broken by Master Wang.

“Huh?” Ye Wangchuan was especially patient today. He placed his jacket on the sofa and walked over with his long legs. He picked up the mineral water bottle on the table and greeted him casually. His usual long-windedness couldn’t be seen. He would have given him a back view and ignored him. Instead, he was extremely easygoing today.

“What are you trying to ask?”

“L..” The more easygoing he was, the colder Jiang Li’s heart became.

He was in a dilemma.

Suddenly, Ye Wangchuan’s phone rang. The man put down the bottle before opening the cap, turned around, and picked up the phone.

He lowered his eyes and looked at the caller ID.

It was a Rao City number.

He had saved the caller ID.

It was Chen Yuan!

“Who is it? Why is he calling at this time?” Gu San vaguely saw the caller ID on his phone, but he did not see the caller ID clearly. He knew that Ye Wangchuan rarely gave others caller ID. Usually, the caller ID was someone important, so he didn’t think about someone from Rao City. “Master Wang, is it a call from Beijing? Is it from Eldest Lady?”

He thought that Ye Lan had called to ask if they had arrived at Rao City.

Unexpectedly, Ye Wangchuan raised his eyebrows and ignored him. He walked to the side and picked up the call. “Hello, is anything the matter?”

Chen Yuan and Qiao Nian were close, so his attitude when he spoke to him was very gentle.

At least, it was a gentleness that many in Beijing could not enjoy!

After all, the Ye family wasn’t to be trifled with. Even Wei Ling’s mother, Wei Ying, was afraid of him. He had the right to be domineering anywhere.

“Sister Nian is in trouble!”

Chen Yuan didn’t waste his breath and explained briefly about his call with Qiao Nian. In the end, he couldn’t hide his worry. “I think Sister Nian is in trouble. I heard from that person that she offended someone. He even asked Sister Nian to keep her eyes wide open in the future. He sounded like a gangster...”

He was quite anxious, and his voice was heated. "Sister Nian is usually very low-profile.. How did she provoke these people?"
