

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 832

Qiao Nian stared at his smooth jaw and almost bit him. Her eyes were extremely dry. She forced herself to close her eyes and suppress the urge in her heart. She then reached out and pushed him. "Move aside, I'm going up. Aunt Chen is still waiting for me."

Ye Wangchuan did not move. His chest was as hard as metal, and he still did not move an inch.

"So impartial?"

Master Wang had always been noble and proud. At this moment, his eyes were filled with desire, and he became gentle.

A gentle man was the most lethal!

Especially when a man who was usually not gentle suddenly became gentle, that gentleness was what was most captivating.

Qiao Nian's eyes flickered as she reminded him in a low voice, "Didn't we agree to talk about it after my college entrance examination?"

Ye Wangchuan was quite calm. He tilted his head back and said shamelessly, "Yes, I can't wait."

Qiao Nian was speechless.

At this moment, Qiao Nian's phone rang again.

This time, it was not a message. It was a call.

She heaved a sigh of relief and picked up her phone. She immediately calmed down and picked up the call, placing the phone by her ear.

"Hello, Aunt Chen."

Regret flashed across Ye Wangchuan's eyes when he heard Aunt Chen's name. He sat back down naturally and raised his wrist to look at the time.

She heard the girl say casually, "Yes, I've walked past the traffic light. I'll be right there. Sure, I'll go up in five minutes."

Five minutes.

He raised his eyebrows and said nothing.

Qiao Nian hung up the phone and turned back. Not looking as flustered, she said naturally, "I'm going up. Aunt Chen's dishes are ready."

Ye Wangchuan unlocked the door. Before Qiao Nian got out, she heard the man's deep and casual voice ask her, "What do you want to do about Zhou Wei?"

"Yes?"

Qiao Nian was stunned for a moment. She thought for a moment and said, "Deal with it however you want. Let's go through the legal procedures and see how it goes."

Ye Wangchuan rolled down the window and placed his arm on it. He chuckled softly, his eyes filled with adoration. "Alright, I'll do as you say. You don't have to worry about this matter. I'll see to it."

Zhou Wei had touched his reverse scale this time. Be it Zhou Wei or the Zhou family behind her, he did not plan to let them go.

Zhou Wei was bound to go to jail.

As for the Zhou family... Zhou Hengfeng was too jumpy. Zhou Wei did something wrong, but he still dared to look for people to plead with. From what Qin Si said, Zhou Hengfeng still wanted to investigate Qiao Nian in private.

He narrowed his eyes. He didn't think that a small fry like Zhou Hengfeng could find anything. He was not worthy of investigating Qiao Nian.

He looked up and said to the girl in front of him, "Go up. Text me after dinner. I'll pick you up."

"No need. I'll take a taxi..."

Before Qiao Nian could finish, he said forcefully, "I'm worried that you'll come back alone. That's all. Send me a message after you're done. If you don't want me to pick you up, I can get Gu San to come."

Qiao Nian could not out-talk him. She frowned and said, "Alright."

Her phone rang again.

Qiao Nian picked it up and glanced at the screen. She said to the man in the car, "I'm done talking to you. I'm going up." "Okay."

Ye Wangchuan watched as the girl entered the district and disappeared down the path. The car did not leave.
