

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 863

He didn't know, neither did Qiao Nian.

But to her, whether it was the school promotion banquet or the engagement banquet, it was just a matter of having a meal with everyone.

She had no intention of staying in the Jiang Residence.

She just wanted to go over for a meal beforehand.

She had no objections if the elders wanted to have it earlier.

Jiang Li pondered for a moment. He still didn't know why his grandfather was so anxious. He couldn't help but say to the two of them, "I'll call and ask."

He hurried out.

Gu San was very perceptive. He immediately found a reason and followed him out.

In an instant, only Qiao Nian and Ye Wangchuan were left in the living room.

Ye Wangchuan looked at the girl lying lazily on the sofa with a cold expression. He smiled and asked in a hoarse voice, "Will you die if you stop acting cool?"

Qiao Nian didn't even move her eyebrows. She looked in his direction and remained unmoved. She said tiredly, "Ah, she used my things, and now she's telling me that even if a thunderstorm hits her, she'll treat it as mere mud and not yield. If that's not acting cool, what is it? I'm just asking sincerely. I don't mean anything else."

"...You're asking her 'sincerely'. I supposed she'll be stunned for a while and won't be replying to you soon."

Ye Wangchuan was telling the truth. If Qiao Chen replied at this time, it would be akin to asking Qiao Nian to slap her. Only a fool would reply.

Qiao Nian picked up the water bottle on the table, unscrewed the cap, and took a sip. Her lips were beautiful, and the color was lustrous. Drinking the water would attract more attention.

Ye Wangchuan's eyes darkened when he saw this. He suddenly walked over and blocked the girl.

He put her arms around her neck and her eyes glistened. "Speaking of which, the college entrance examination results are out too. Didn't you say that you would give me an answer?"

Qiao Nian didn't expect him to mention this and was silent for a moment.

Seeing that she was silent, Ye Wangchuan asked in a teasing tone, "You haven't decided yet?"

Seeing that he was getting closer and closer, Qiao Nian knew that she wouldn't be able to pass the test if she didn't give him a definite answer today. She said, "...It's not that I haven't thought about it."

Her phone lit up.

Seeing that her attention was on the phone, Ye Wangchuan narrowed his eyes and almost threw her phone away.

However, Young Master Ye still restrained himself and waited for her to answer the call.

Since he had already waited for so long, a call wouldn't make a difference.

Qiao Nian was actually quite frustrated from the pressure, so when her phone rang, she heaved a sigh of relief. Seeing the caller ID, she became annoyed again.

She wouldn't answer this call at any other time.

However, there was a wolf in front and a tiger in the back. Taking the call would at least allow her to consider for a few more minutes.

She picked up the call slowly.

"Hello."

"Qiao Nian, what tricks did you use to make Zhui Guang stand up for you? Don't think I don't know. You must have instigated Zhui Guang to reply to me on Weibo, right? You're always targeting me. Is there a point?"

Qiao Chen's voice was filled with anger, unwillingness, and frustration.

"Are you that jealous of me? You're so jealous that you want to ruin my reputation."

Initially, Qiao Nian was still thinking about Ye Wangchuan's question and was a little distracted. Hearing her angry questioning, she curled her lips and said disdainfully, "I'm jealous of you? Qiao Chen, you've got it wrong." "You know very well whether you're jealous of me or not! Ever since we were young, I've been better than you and was pampered at home. I know you've always been unhappy, but at that time, you still didn't know that you weren't Father and Mother's biological child. You always gave in to me and pretended to be non-competitive so that you could get Father and Mother's love. In the end, no one loved you, Qiao Nian. No one loved you!"
