

MADAM'S IDENTITIES SHOCKS THE ENTIRE CITY AGAIN Chapter 997

“You think I did it, so you want to take revenge on me?” She paused for a second and sneered. “You can’t change the fact that you were kidnapped!”

Still feeling that this was not enough to vent her anger, she looked up and revealed a fair and gentle face, smiling slightly and looking gentle and harmless, and said softly, “Qiao Nian, you were kidnapped in the past. Now that everyone knows that, how good is that? Everyone will ‘pity’ you and look at you with ‘sympathy’ in the future...”

Ye Wangchuan narrowed his eyes. He couldn’t be bothered to care about Shen Jingyan’s tricks. However, his expression changed slightly this time. He took a step forward without a trace and used his broad back to block the girl’s lonely figure. His eyes were extremely cold as they landed on the smug Qiao Chen. He only said, “If you say another word, do you believe I’ll make you disappear from this world forever?”

Qiao Chen wanted to retaliate indignantly, but when she met his cold eyes, she shivered and did not dare to speak.

She believed that this man was telling the truth.

However, she was indignant.

Qiao Chen bit her lip tightly, her eyes filled with unwillingness.

She could clearly go to the top overseas music school to further her studies relying on Steven’s connections. She would start afresh overseas.

But Qiao Nian had ruined it all.

How could she be willing?!

Qiao Nian was only in a daze for a short while before she returned to her senses. Her eyes regained their clarity as she looked at the determined figure in front of her. Her eyes warmed, and the ice in her heart instantly melted.

She walked over from behind Ye Wangchuan. She had narrow shoulders and long legs, and her aura was very imposing. She lowered her eyes and said calmly and arrogantly, “Qiao Chen, do you know that you’re suspected of committing a crime?”

Qiao Chen’s eyes flickered. “...I don’t know what you’re talking about.”

Every time she encountered a situation that was unfavorable to her, she would always use this as an excuse. Qiao Nian smiled and explained it to her cynically and coldly lest she continued to play innocent!

“Those who maliciously peep at, take photos, eavesdrop, and spread other people’s privacy will be detained for five days or less or fined for less than 500 yuan. Those with a more serious case will be detained for more than five days and less than ten days. They can also be fined less than 500 yuan.”

Hearing that she was only going to be detained for a few days, Qiao Chen became less afraid even though she looked nervous.

“If you fabricate facts and slander others, it will have a bad effect. The other party can sue you for slander. You will be sentenced to jail, detention, or control for less than three years.”

Qiao Chen’s heart, which had just relaxed, suddenly beat rapidly again. She looked up with a face pale, bit her lips again, and lowered her eyelashes gently. Then, she smiled slightly. “You don’t have to scare me. I didn’t do anything, and you don’t have evidence to prove what I did.”

First High School had deleted the original thread on the forum. She had long removed herself from this matter. It wasn’t so easy for Qiao Nian to bite her!

Qiao Chen composed herself, and her shoulders relaxed again.

Unexpectedly, the next sentence sent her into an icehouse.

“Is the evidence you’re talking about the post on the school forum?” Qiao Nian casually crossed her hands. “I can recover it.”

Towards Qiao Chen’s stubborn character, she couldn’t be bothered to argue with her. She turned around and asked the man beside her lightly, “Do you have a laptop? Lend it to me.”

Ye Wangchuan raised his eyebrows and shouted, “Gu San!”

The man guarding the door reacted quickly and immediately said, “Got it, Master Wang. Miss Qiao, wait a minute. I’ll get a laptop immediately.”
