

Madam's 2251

Chapter 2251 If That Person From the Ye Family Doesn't Let Go, Who Dares to Let Her Go On Medical Parole

It would take about 10 hours to fly to Beijing from the independent continent.

Qiao Nian replied to Feng Yu and the rest as she got on the plane. She then asked for an eye mask and pulled down the window shutter to sleep.

She did not like to fly. Fortunately, she did not sleep well last night, so she could use this time to catch up on sleep.

At the same time, in a certain prison in Beijing.

"Madam, take a rest." The Jiang Family's driver advised a noble lady at the side. The noble lady was wearing a mink coat and looked especially outstanding.

However, she was frowning and kept looking inside, looking uneasy.

The chauffeur tried to persuade her, but she did not seem to hear him.

Finally, someone walked out with a shackled girl. Tang Wanru suddenly dashed after them.

"Xianrou!"

The girl looked up. Her face under her messy hair was no longer as radiant as before. She looked as old and haggard as a woman in her thirties. Her cheekbones were so thin that her bones were protruding, making her look exceptionally ugly. Compared to her past high-spirited self, her looks had plummeted.

Tang Wanru looked at her skinny daughter, who seemed to be hanging on by her last breath. Her instantly turned red. Wiping her tears, she actually did not dare to go forward to acknowledge her. "Xianrou, are... are you alright?"

Jiang Xianrou's empty gaze finally focused on her, as if she had recognized her. The corners of her mouth twitched as she mocked, her voice was as hoarse and unpleasant as a broken gong. "Do you think I'm alright?"

Burned by her resentful gaze, Tang Wanru avoided her gaze and said to the person who brought her out, "Captain Liu, about medical parole I mentioned to you before. You..."

The Jiang Family had some face in Beijing.

Especially in the past half a year, everyone in Beijing knew that the Jiang Family's lost daughter, found in Rao City, had hooked up with the Ye family.

The Jiang Family's status also rose.

Now, everyone would give the Jiang Family some face.

Tang Wanru was naturally the same.

However, this time, just as Tang Wanru started speaking, the other party revealed a troubled expression. He immediately interrupted her, "Madam Jiang, you also know that Young Master Ye personally intervened in your daughter's case. The Ye family is keeping a close eye on her. Who would dare to help you? I don't have the guts... Don't even think about getting medical parole. It's impossible."

The other party turned to look at the extremely haggard Jiang Xianrou and continued, "However, Miss Jiang is so sick. Out of humanitarianism, we will definitely bring her to the hospital for treatment. This is already the limit of what I can help you with. Any more... I can't do anything."

Tang Wanru's heart tightened. She clenched her bag tightly, knowing that the other party was telling the truth.

As long as Ye Wangchuan did not relent, Jiang Xianrou would never relent, who seemed to be hanging on by her last breath. Her eyes instantly turned red. Wiping be able to get medical parole!magic

However, to make Ye Wangchuan relent, she had to make Qiao Nian relent.

How could that scourge, Qiao Nian, let her daughter off?

Tang Wanru could not ask further in front of Jiang Xianrou. After all, her daughter had been relying on the hope of getting medical parole to survive.

Jiang Xianrou would not be able to hold on once she knew it was impossible for her to get medical parole.

Jiang Xianrou was brought into a special police car by two prison guards. Tang Wanru took a deep breath and also got into the car, asking the chauffeur to follow behind them...

Chapter 2252 Qiao Nian Is Coming Back?

Prisons would not refuse to treat prisoners, but they were treated in specialized hospitals and needed specialized people to accompany them.

Jiang Xianrou was indeed very sick this time. Otherwise, she would not have had the chance to come out to see a doctor.

The doctor examined her and determined that she had moderate and above respiratory dysfunction caused by bronchial, lung, and pleural diseases. It was considered a more serious respiratory disease.

This disease had already fulfilled the requirement of medical parole.

The nurse gave Jiang Xianrou an IV drip after a series of checkups. Finally catching her breath, she sat on the chair with her eyes closed.

Halfway through, Tang Wanru went to look for Captain Liu to discuss the medical parole. However, Captain Liu's attitude was firm.

If the Ye family did not agree, he would not dare to help them.

Tang Wanru was forced to give up for now and return. Seeing her daughter's haggard face with her eyes closed, she stood at the side and opened her mouth, but she could not make a sound.

At this moment, Jiang Xianrou seemed to sense her presence. A glimmer of hope appeared in her eyes as she said with difficulty, "Mom, did you ask when I can be released on medical parole?"

Tang Wanru had informed her early in the morning that she would help her think of a solution this time.

However, things were much more difficult than she had imagined. Facing her daughter's expectations, she said with an obscure expression, "Xianrou, wait a little longer. Mom will think of a way..."

Jiang Xianrou was originally filled with hope, but now she understood that her hopes had been dashed. Her expression instantly turned ferocious as she covered her head in pain. "Think of a way. Think of a way. I can't even go out in this state? I can't go out for the rest of my life!"

Tang Wanru quickly pulled her hands away to prevent her from hurting herself. "Don't be anxious. Mom will think of a way. Give me more time. I'll definitely think of a way to protect you..."

At this moment, Tang Wanru's cell phone rang.

She looked at the screen and saw that it was Jiang Zongnan. She had no choice but to pick up the call. Her voice was a little anxious. "Hello? Yes, I'm not at home."

She did not dare to say that she was seeing Jiang Xianrou again. So, she lied. "I'm at the beauty salon. I'll go back later."

Jiang Xianrou knew that her father was extremely disappointed in her because of what had happened previously. She held back from making a sound as she bit her lip and only listened.

"What?"

Tang Wanru suddenly said loudly, "She's coming back? When? I'm not going."

Jiang Xianrou's heart skipped a beat. She had a faint guess as to who the person her mother was talking about was-Qiao Nian.

Soon, Tang Wanru hung up. Her expression was a little ugly.

Jiang Xianrou stared at her and asked, "Qiao Nian is coming back? Didn't she apply for annual leave and go to Rao City?"

Since when did Qing University give annual leave so casually?

Liang Conglin was biased towards Qiao Nian and actually allowed her to take a year off from school.

The Chinese Medicine Faculty was also weak. No one dared to say anything, including Mr. Huang and Nie Mi. The two of them indirectly agreed to Qiao Nian's request to take a break from school.

Jiang Xianrou's heart was filled with resentment and injustice.

"Your father said that she was coming back today and would arrive later. He asked me to go eat with them, but I didn't agree." Tang Wanru didn't dare to provoke her and quickly changed the topic. "Don't worry about this. You have to take care of your health now..."

Jiang Xianrou could guess who was accompanying Qiao Nian back. As long as that person's shadow appeared in her mind, her heart ached so much that she could not breathe... Thinking of how she had fallen into this state, that she was not even allowed to seek medical parole, she suddenly pulled a long face and then turned calm the next moment.magic

Expressionless, she said, "I want to go to the washroom."

Chapter 2253 Sister Nian: This License Plate Matches You Well

The plane landed at the Beijing International Airport at five in the afternoon.

Qiao Nian and the others got their luggage a few minutes after getting off the plane.

Qin Si was in high spirits as he dragged his suitcase and quickly walked in front, saying, "Sister Qiao, my car is outside. Come with me. I'll tell the chauffeur to send you back first."

Qiao Nian looked in the direction he was pointing and saw a black SUV parked outside the terminal.

This group of people in Beijing was all like this.

The car was low-key, an inconspicuous model.

Be it Qin Si or Ye Wangchuan, they would not get themselves a coupe worth millions. However, they were more interested in Phaeton, Land Rover, and other models.

Qin Si's car was a black Land Rover.

The top price was about two million yuan.

However, the license plate number was arrogant.

Ye Wangchuan was "Beijing 666888".

Qin Si did not get 666888, but he did get a serial number.

Qiao Nian estimated that the value of his license plate was comparable to the car's price. It could even be more expensive.

"222?" She narrowed her eyes and pulled down her hoodie. Her exquisite eyebrows looked sloppy as she raised her chin slightly.

Qin Si scratched his head. "What 222?"

He followed the girl's gaze and instantly turned green. Then, he explained anxiously with a red face, "Damn, you're talking about the license plate number! Master Wang asked me to get that one. I didn't have this license plate number originally. My number was even more awesome than his. I just lost to him in mahjong, so he asked me to change to this."

Qiao Nian did not wait for him to finish explaining. She nodded seriously. "Actually, this license plate number suits you quite well."

A car follows its owner.

Just as silly. magic

"What do you mean..." Qin Si did not understand at first, but he was not stupid. His mind raced, and in the blink of an eye, he understood what Qiao Nian meant. He grew depressed.

He stared at the girl with a hurt expression, then said after some time, "Sister Qiao, you've been with Master Wang for too long. You've been led astray by him!"

His Sister Qiao was so cool in the past. Even if he was silly, Sister Qiao could not be bothered with him.

Now, she said the same things as Master Wang... What a dog.

Heartbroken, Qin Si finally thought of Gu San and the others. He turned around and looked back. "Why isn't Master Wang here yet? They're walking too slowly."

Qiao Nian also turned around to look.

Gu San was a few steps away from them. Behind him, an outstanding man slowly walked over. He was on a call.

Qiao Nian was too far away to see his expression clearly.

However, she could sense that he was in a bad mood.

...

A few meters away.

Ye Wangchuan listened as Cai Gang spoke. "Young Master Ye, Jiang Xianrou ran away."

Previously at the Rao City police station, because he had chosen the right side to stand on after Wei Ling and Shen Jingyan framed Qiao Nian, Cai Gang was transferred to Beijing not long after. Now, he had achieved a meteoric rise and almost touched the fringe of the Beijing circle.

Cai Gang was smart and understood why he was lucky.

He knew that the Ye family's young master was not the kind of person who liked to listen to nonsense. Thus, he tried his best to explain the matter simply.

"A month ago, Jiang Xianrou showed symptoms of breathing difficulties and hemoptysis. She went to the doctor but did not get better.

"This morning, her mother and a few prison guards brought her to a special hospital for a checkup. Who knew that she would escape after going to the bathroom?"

Chapter 2254 You Don't Look Good. Did Something Happen?

His voice was weak, and he seemed to be lacking confidence. "...We've already sent more people to look for her, but we haven't found her yet."

Ye Wangchuan had been in a good mood since he got off the plane. Now, his expression was slightly restrained, and his smile was nowhere to be seen. "She ran away? You haven't caught her yet? Heh, you're quite efficient. You can even lose sight of a whole person."

"Young Master Ye, I'm sorry." Cai Gang was so frightened that cold sweat broke out on his back.

Ye Wangchuan raised his eyebrows and saw Qiao Nian and Qin Si waiting for him. Suppressing his displeasure, he walked forward as he said, "I don't want your apology." magic

"I'm sorry."

Ye Wangchuan's eyebrows twitched. The people waiting for him were not far away. He pursed his thin lips and said, "Check the surveillance footage."

"Go get all the surveillance footage at the intersection near the hospital. If you still can't find her, go look at the surveillance footage of the nearby shops."

"It's impossible for her to disappear after running out of the hospital. We must at least be able to find in which direction she ran."

Cai Gang was quite capable.

He immediately said, "Alright, I'll immediately get someone to check the surveillance footage."

Ye Wangchuan stopped him before he hung up. "Wait."

Cai Gang immediately replied, "Young Master Ye, what's wrong?"

Ye Wangchuan frowned and said with a deep gaze, "Keep a close eye on Tang Wanru."

"... Yes."

They questioned Tang Wanru the moment Jiang Xianrou ran away, but she did not seem to have expected her daughter to run away.

"Find a few more people to keep an eye on Jiang Zongnan's family." Ye Wangchuan's voice was calm, and a murderous glint flashed across his eyes. "She can't take hardship. She will definitely find someone to help her. There are only a few people she can find. Find someone to keep an eye on them."

Cai Gang instantly understood what he meant and replied calmly, "Young Master Ye, I understand. I'll immediately set up a control."

Ye Wangchuan hung up.

He happened to walk up to Qin Si and Qiao Nian.

Seeing that he was on the phone the entire way, Qin Si asked, "Master Wang, who were you speaking with? Your expression is so dark."

Gu San vaguely heard something, but he did not dare to spill the beans. He only stole a glance at the man and then silently retracted his gaze. He looked down and did not speak nonsense at all.

Qiao Nian was also looking at him.

Ye Wangchuan took the girl's bag and twisted it, then said casually, "No one. Let's go."

"Oh." Seeing that he did not say or ask further, Qin Si pulled his suitcase out and called the chauffeur to come help carry his things.

They walked out of the terminal.

Qiao Nian walked beside him for a while before suddenly looking at him. She pursed her lips and asked in a low voice, "You didn't look too good just now. Did something happen?"

"Yes." Ye Wangchuan did not tell Qin Si, but he did not hide it from her. "There was an issue."

Qiao Nian glanced at him and asked slowly, "What is it?"

Her eyebrows were outstanding and eye-catching. She was even more eye-catching at the Beijing International Airport than at the airport of the independent continent. Ye Wangchuan held her hand and looked ahead. "I'll tell you when we get back."

Qiao Nian's attention was shifted to his hand. She lowered her eyebrows, her dark eyes probing, but she did not ask further. "Alright."

They walked out of the terminal together.

The chauffeur helped Qin Si and Gu San put their luggage away. The group got into the car and went to Rhine.

Chapter 2255 Qiao Nian... Is Back Today?

At the same time, Jiang Zongnan had already received the news that Tang Wanru was temporarily detained at the police station.

He paused the company meeting and rushed home. He first made a call.

"...Captain Bo, she doesn't know anything. There must be a misunderstanding."

The person on the other end of the call said something.

Jiang Zongnan's expression instantly became ugly, and he did not speak for a long time. In the end, he asked dejectedly, "Really, is there no other way?"

A minute later.

Jiang Zongnan sighed. "I know. Sorry to trouble you."

He immediately hung up and walked into the living room.

Jiang Yao and Jiang Li were both there.

The atmosphere in the villa was heavy.

Jiang Yao and Jiang Li rushed back after receiving Jiang Zongnan's call. Jiang Li also pushed aside a magazine shoot and did not even rest as he rushed over.

The two of them did not speak after returning and just sat on the sofa.

As Jiang Zongnan arrived, they stood up at the same time.

Jiang Yao asked anxiously, "Dad, how is it?"

Jiang Li asked, "What did Uncle Bo say?"

"Captain Bo said that she's an important witness. The police won't let her go until they find Xianrou."

Jiang Zongnan walked to the water dispenser and took a glass of water, but he could not drink it for a long time. "... Your mother probably won't be back tonight."

Jiang Yao took a deep breath and frowned. "I'll call a friend to ask for help."

"Stop." Jiang Li's handsome face looked more mature and was no longer as impetuous as before.

He looked at Jiang Yao and said coldly, "Who can you ask for help? Dad must have asked everyone you can find. If there was a way, he would have bailed her out long ago! Do you need to look for them?"

Jiang Zongnan was silent.

On the way back from the company, he had already made a call, wanting to bail Tang Wanru out first. However, the situation was more serious than he had imagined.

Jiang Xianrou ran away with Tang Wanru around, so she was also suspected.

With the Jiang Family's status in Beijing, logically speaking, they could temporarily vouch for her, but... this matter involved the Ye family.

Jiang Zongnan's face was not enough.

No one in Beijing dared to offend the Ye family!

Tang Wanru was destined to spend the night at the police station.

If it was in the past, Jiang Yao would have gone to the police station with a lawyer to go through the bail procedure. But he did not act impulsively this time. magic

"Qiao Nian is coming back today, right? She..." Jiang Yao just started...

Jiang Li reacted quickly. "Don't drag her into this! What does Jiang Xianrou's trouble have to do with Nian Nian? That's enough!"

Jiang Yao was at a loss for words. He paused and then said awkwardly, "I didn't mean that. I just remember that she plays the computer very well, so I wanted to ask her for help."

In the past, he might have called Qiao Nian boldly. Now that Jiang Yao had experienced some things and was much more mature, he knew well that Qiao Nian could not ignore him.

Moreover, he was too ashamed to make this call.

It was not like Jiang Li had misunderstood and thought that he would plead with Qiao Nian to bail her out.

Jiang Li frowned and said impatiently, "This has nothing to do with Nian Nian. Don't involve her. Things wouldn't have come to this point if Mom didn't go to the prison to see Xianrou." Jiang Li waved his hand, frustrated. "To put it bluntly, Xianrou didn't even think about what responsibility Mom would have to bear before she ran away... She's as selfish as ever. She only cares about herself!"

Chapter 2256 I Still Have to Eat With Sister Nian in the Imperial Mansion Tonight

Jiang Xianrou would not do such a thing if she had any scruples about Tang Wanru. However, she still did it. It could be seen what a selfish person she was.

No matter how well Tang Wanru treated her, she could still leave without any psychological burden at this critical moment.

Jiang Zongnan's mood was equally heavy. He thought for a moment and stopped Jiang Yao, then said, "Don't make a fuss."

Jiang Yao looked at him. He did not expect his father to say that.

Jiang Zongnan had something on his mind, and his expression worsened. He pursed his lips and said, "Your grandfather doesn't know about this yet. If you blow it up, I wonder how angry the Old Master will be if he finds out.

"Your grandfather's health isn't good. He can't take any more torture."

"I know." Jiang Yao pinched his palm. He was not worried about Jiang Xianrou. He was more worried about his mother in the police station. "But Mom..."

"She's just a suspect. This has nothing to do with her. The police won't make things difficult for her. They just can't let her go home for now."

Jiang Zongnan gradually calmed down, and his elegant face regained a little color. "The police will naturally let her come back when we find your sister."

"I understand," Jiang Yao replied.

He had no better solution. He was no longer in Tian Chen.

Among the people he got to know all these years, only Xu Jishen could help. However, the matter became tricky when it involved Qiao Nian.

Jiang Yao knew this.

Secondly, he was only worried that his mother would freeze to death after spending the night in the police station. As for Jiang Xianrou... Ever since the last time, his love for her had faded a lot.

This time, Jiang Xianrou ran away without a care. Like Jiang Li, Jiang Yao did not agree with her actions, so he did not want to care about her.

"Dad, are we still meeting with Qiao Nian tonight?" Jiang Yao asked what he was most concerned about.

Jiang Zongnan patted his shoulder and retracted his hand. His expression softened slightly as he said, "Your grandfather is going. If we don't go, he will definitely guess that something happened. We have to go. Besides, it's not easy for Nian Nian to come back. I haven't seen her in a long time."

Jiang Zongnan instructed worriedly, "Be careful when you get there. Don't let it slip. Let's pretend that nothing happened. Don't mention it in front of your grandfather and Nian Nian, understand?"

Jiang Yao nodded and agreed.

Jiang Zongnan said the same thing to Jiang Li. The latter bent down and picked up the sunglasses and mask on the sofa, then said with a straight face, "I know. I won't let it slip. You guys also take care. It's not easy for Nian Nian to come back. At least, don't make her unable to eat well because of this."

Jiang Xianrou had caused so much trouble, and Nian Nian had endured it on account of him and the Old Master until Jiang Xianrou made an unforgivable mistake in the end.

She deserved it.

He only hoped that he could at least let Qiao Nian have a peaceful meal this time.

Jiang Yao and his father had better not mention it at the dining table, lest they make Qiao Nian unable to eat peacefully.

Jiang Zongnan's face turned green. "I already told you not to say it. Would I mention it myself?"

"Weren't you like this in the past? You always spoke up for them in the end." Jiang Li did not look at their expressions. He picked up his things and walked out. "I'm leaving. See you at the Imperial Mansion tonight."

Jiang Zongnan and Jiang Yao were silent as they watched him leave the house without looking back. They did not stop him in the end.

Chapter 2257 Master Wang Is Secretly Seducing People Again

Meanwhile, in Rhine.

Qiao Nian went upstairs to take a shower and change her clothes as soon as she arrived.

Coming back downstairs, she walked to the fridge, opened the door, and took out a bottle of Evian. Before she could unscrew the lid, she received a call from Yuan Yongqin.

Qiao Nian walked to the sofa in the living room and put down the bottle, then picked up the call. "Hello, Aunt Yuan. What's wrong?"

"I heard you're back?" Yuan Yongqin's voice was as capable as ever, with the demeanor of a career woman.

Qiao Nian sat down and replied casually, "Yes, I just arrived."

"How long do you plan to stay this time?" Yuan Yongqin smiled. "Also, when are you free to eat with me?"

Qiao Nian rested one leg on the coffee table. Her legs, wrapped in jeans, were straight and long, giving off a cynical aura.

"The shortest would be a week, the longest a month. It depends." Holding her cell phone in one hand, she lowered her eyelashes slightly to cover her beautiful eyes, her tone casual. "Let's do it on the weekend. Or I'll see if I'm free in a few days. I'll call you in advance."

"Alright." Yuan Yongqin also knew that she had just returned and would definitely gather with her family. She probably would not have time to come out for the next few days. Qiao Nian had also agreed to ask her out later, so she agreed readily.

Taking this opportunity, Yuan Yongqin told Qiao Nian about some new development projects and income from Cheng Feng Corporation over the past month.

Qiao Nian listened casually and did not take it to heart. "Aunt Yuan, just make the arrangements."

"You still don't care about your shares. You won't even know if I cheat you later," Yuan Yongqin said. magic

She treated Qiao Nian as her daughter. How could she bear to cheat her of her money?

After saying a few words, she recalled the news her assistant had told her in the afternoon. Her tone instantly became serious. "By the way, have you heard about it?"

Qiao Nian was waiting for Ye Wangchuan to come out and tell her what had happened at the airport, so she was a little distracted. "Yes? What is it?"

"You don't know?"

Yuan Yongqin continued, "Jiang Xianrou ran away this morning while getting checked at the hospital. They haven't found her yet."

Just as Yuan Yongqin finished speaking, someone's door upstairs opened.

Also having taken a shower, the man was wearing home clothes as he walked down the stairs. His short black hair was still dripping along his exquisite jawline, making him look especially sexy.

Qiao Nian's gaze lingered on him for a moment before she pulled her attention back to the call.

Yuan Yongqin reminded her worriedly, "Jiang Xianrou is very hostile to you. She might look for you after escaping this time. Be careful."

Still worried, she pondered for a moment and then said, "Do you want me to arrange for a few bodyguards to follow you?"

Cheng Feng Corporation was a large corporation, after all. It had its own security system.

Yuan Yongqin wanted to find a few bodyguards to protect Qiao Nian. To her, it was something that could be done with just a few words.

She was just worried that with Qiao Nian's personality, she would refuse.

Sure enough.

Not long after she finished speaking, the girl faintly said, "There's no need. I can handle it myself."

Since she could not dissuade her, Yuan Yongqin told her to be careful when she went out these few days before hanging up.

Chapter 2258 Sister Nian: Please Control Yourself, Young Master Ye

Qiao Nian put down her phone.

At this moment, Ye Wangchuan had already come down. He walked to the girl and unscrewed the bottle for her, then handed it over. "What time are we going to the Imperial Mansion tonight?"

Qiao Nian slowly took the bottle from him, still immersed in what Yuan Yongqin told her. Not even looking up, she lazily replied, "Six-thirty."

Previously, she was not sure what time she would arrive, so she made an appointment with Old Master Jiang at seven in the evening. It was just right for them to go half an hour early.

Ye Wangchuan nodded as he looked at the girl. His voice was slightly hoarse as he asked, "Should I buy a gift for Grandpa?"

Qiao Nian looked up at him in confusion.

Ye Wangchuan's eyes seemed to be filled with smoke. They were beautiful and bright, and there was a smile on his thin lips. "After all, it's not easy for an ugly daughter-in-law to meet her in-laws. I think I should perform. Goddess Qiao, will you accompany me to pick a gift later?"

Qiao Nian was speechless.

Ye Wangchuan pushed her hair away from her brow bone. In a good mood, he teased, "Or are you planning to be irresponsible and abandon me?"

His cold fingers brushed past the girl's eyebrows.

A spark on his fingertip seemed to ignite, like a prairie fire.

Qiao Nian felt a surge of heat in her heart. She tilted her neck and avoided his hand, then replied in a slightly hoarse voice, "I never said I wasn't responsible."

"Then... Goddess Qiao, will you accompany me to pick a gift for Grandpa later?" Ye Wangchuan smiled and pushed his luck.

Qiao Nian looked up at him quickly. "You..."

Ye Wangchuan generously let her look.

Qiao Nian stared at him for a while before looking away, then, "I'm still a year away from turning 20."

She had already celebrated her 19th birthday. She was still a year away from 20.

Ye Wangchuan calculated this day in his heart every day. Of course, he knew what she was talking about. He raised his eyebrows slightly. "I know."

Qiao Nian stood up and walked past him with the water bottle. Her lazy voice floated in the air after she calmed down. "You said that you would wait for a year. I'll have to trouble Young Master Ye to control himself this year and not harass me."

Ye Wangchuan looked at her back as she went to the kitchen to get milk. He did not come back to his senses for a long time. When he lowered his head, a faint smile split on his face. His doting expression was simply...

He had never thought that his actions would be classified as... harassment!

In the past, he had never thought that he would harass others.

However... His gaze landed on the girl's red earlobes. Although she was walking quickly and her back view was cool, he seemed to understand something...

He tried his best not to look stupid with a smile. "I'll go find Gu San."

The people in the kitchen seemed to ignore him.

Ye Wangchuan smiled and calmly went to get Gu San to prepare the car.

* * *

Before Qiao Nian and the others went to the Imperial Mansion, they went to the mall to buy some gifts for Old Master Jiang.

Qiao Nian also bought things for Ye Maoshan and Ye Lan.

There was also Yuan Yongqin and Nie Mi.

Gu San was burdened with seven to eight bags. Fortunately, the car was parked outside. He placed everything in the trunk and only placed the gifts that Ye Wangchuan wanted to give Old Master Jiang and Jiang Zongjin in the front seat.

Half an hour later.

The car arrived at the Imperial Mansion.

It was exactly 6:40 PM. magic

The private room that Jiang Zongjin had booked was in the Hibiscus Hall.

The private room was already filled with people when Qiao Nian arrived.

Jiang Zongjin, Jiang Zongnan, Jiang Yao, and Jiang Li were all there, except for Tang Wanru.

Old Master Jiang had not arrived yet.

Chapter 2259 Old Master Jiang Is Still Not Here at the Arranged Time

"Nian Nian." As soon as he saw the girl, Jiang Zongjin was the first to stand up and walk over quickly. Holding the girl's hand, his eyes felt hot, and he resisted the urge to cry. He said softly, "Why did you lose weight? Did you not rest well in Rao City? By the way, is your Uncle Chen feeling better? I called Chen Yuan previously and said that I would visit you. He said that you were very busy, so I didn't disturb you. Who knew that you would lose so much weight? If I had known, I would definitely have gone over to accompany you."

Qiao Nian gently patted his hand and lowered her eyes. "I'm fine. Uncle Chen is much better."

"That's good." Jiang Zongjin looked at her deeply again, as if he could not get enough of her. Only then did he notice Ye Wangchuan behind Qiao Nian.

The man was handsome and had an extraordinary aura.

As he stood there, his aura suppressed everyone in the private room.

"Young Master Ye." Jiang Zongjin knew about his relationship with his daughter. He nodded politely and greeted him.

Ye Wangchuan was lazy and casual to the others, but his attitude towards Jiang Zongjin was extremely respectful. He immediately greeted him. "Uncle, you can call me Xiao Ye."

Jiang Zongjin looked at him and then at his daughter. He felt a little uncomfortable but could not say anything.

Sigh, his precious girl had only been found recently.

No matter how much he admired the young man, Jiang Zongjin really did not want to be his "uncle" when he thought about how his daughter would be taken away by him in less than two years.

Fortunately, Jiang Li was observant. He smiled and said, "Uncle, Master Wang, sit down first."

Jiang Zongjin asked Qiao Nian to sit beside him. Ye Wangchuan, who had a high EQ, chose to sit opposite Qiao Nian.

"Old Master Jiang isn't here yet? Do you want me to get someone to pick him up?"

Jiang Zongnan and Jiang Yao did not speak much the entire time. It was mainly because of Ye Wangchuan's aura and Jiang Xianrou's matter that they were too embarrassed to speak.

Until Ye Wangchuan mentioned Old Master Jiang.

Jiang Zongnan added, "I just called him. He has to take his blood pressure at 6:30. He should be on his way now."

Old Master Jiang's health was not good, and his high blood pressure was especially serious. Otherwise, he would not have been so angry with Jiang Xianrou that he almost had a brain hemorrhage.

Fortunately, Qiao Nian was around at that time.

Ye Wangchuan only responded indifferently and had no intention of continuing the conversation.

The treatment was completely different from the way he treated Jiang Zongjin.

Jiang Zongnan's face heated up. He knew why Ye Wangchuan had such an attitude towards him, so he did not ask for a rebuff.

Jiang Li saw his father's awkward situation. After all, he was his father. He could not bear to see him like this, so he tried to smooth things over and found a few topics to include Jiang Zongnan.

The private room was lively. Everyone tacitly did not mention Jiang Xianrou, as if no such person existed.

It was almost 6:50 PM.

The waiter knocked on the door and entered, then asked politely, "Mr. Jiang, there are still 10 minutes before the dishes you reserved. Can we serve the dishes now?" magic

Only now did Jiang Zongjin notice the time. He raised his hand and looked at his watch. Frowning, he asked, "Strange, why isn't your grandfather here yet?"

The sanatorium was not far from the Imperial Mansion. It was only about 10 minutes by car. This was also why Qiao Nian chose this place.

Qiao Nian's expression changed slightly and she stood up. "I'll call him."

Chapter 2260 I'll Say It Again, Call Qiao Nian Right Now

She had just gotten up and had yet to pick up the cell phone on the table when Ye Wangchuan's phone rang.

He stood up first, picked up his phone, and said to everyone at the table, "Sorry, I have to take this call."

Then, not going far, he picked up the call in a corner of the private room.

In less than a minute.

His expression darkened as he put down his phone and walked towards Qiao Nian. He said in a low voice, "Something happened. Jiang Xianrou kidnapped Old Master Jiang."

"What?!" Jiang Zongnan lost his composure and knocked over the cup of water as he stood up.

Jiang Yao was also shocked.

Jiang Li cursed and picked up his jacket. "I'll go find her."

Qiao Nian was calmer. She looked up with an expressionless face, but her dark eyes were extremely surly. "Heh, I think the person she wants to meet is me."

Seeing her reaction, Ye Wangchuan knew that Jiang Xianrou had courted death this time. He made arrangements without hesitation. "I'll tell Gu San to get the car."

"Mm."

Qiao Nian responded. Then, she walked out to make a call.

...

In the sanatorium in Beijing.

Old Master Jiang looked extremely happy in his Chinese suit. However, at this moment, he closed his eyes slightly, as if he did not want to speak. His expression also showed a little disappointment.

At the same time, the staff of the sanatorium surrounded Jiang Xianrou, trying their best to comfort the girl who was on the verge of collapse.

"Miss Jiang, don't be like this. Let's talk things out. Put down the knife first."

"Old Master Jiang is not in good health. You'll scare him like this."

"Miss Jiang..." magic

Jiang Xianrou was in an extremely bad mood. She had been hiding for the entire day, making her highly tense. At this moment, her eyes were red as she waved the knife and shouted at the top of her lungs, "Don't come!"

Jiang Weishang's attending doctor was afraid that she would accidentally hurt the old man, so he could only ask everyone to retreat for fear of harming the elderly. He advised her softly, "Miss Jiang, calm down. You can tell me if you have any requests. As long as you don't hurt Old Master Jiang."

Jiang Xianrou gripped the knife tightly. Her eyes were sinister as she screamed, "I want to see Qiao Nian. Call her."

At this moment, the old man suddenly opened his eyes and called out to the nurse who was about to make a call, "You're not allowed to call her!"

Jiang Xianrou seemed to be in disbelief. She bit her pale lips tightly and stared at Old Master Jiang with her red eyes. She could not hide her anger and disappointment. "Grandpa!"

"If you want to do anything, come at me. I'm already old and should have left long ago. Don't think about threatening Nian Nian through me." Old Master Jiang's hair was white, but his voice was loud and powerful. He said firmly, "It's also my fault that you were raised like this. If you're indignant, you can look for me. I'll accept it."

Jiang Xianrou was shocked and angry. Seeing that the nurse was obedient and did not dare to call Qiao Nian, she gritted her teeth and threatened, "Grandpa, I'm already at my wits' end. If I don't resist now, I'll die in prison."

"You're still defending her even now. She's your granddaughter, but what about me?! I even followed you since I was young and grew up by your side. What about her? You've only acknowledged her for a short period of time, but you only have eyes for her. Is it fair to me?"

Old Master Jiang did not seem to want to answer her question. He closed his eyes tiredly and said, "I've already said that if you're dissatisfied, come at me. I'm already half-buried in the ground. It doesn't matter if it's for the next few days. Don't implicate your sister."

"At this point, you're still protecting her even at the expense of your life." Jiang Xianrou was furious. She glared at the medical staff with red eyes and became agitated again. "I'll say it again. Call Qiao Nian! Otherwise, I can't guarantee what I'll do!"
