

## Madam's 2261

Chapter 2261 - 2261 Sister Nian: I'm Here

"This..." The medical personnel looked at each other. No one knew who to listen to in the current situation.

Old Master Jiang seemed to be extremely disappointed in her. He kept his eyes closed, looking like he was at Jiang Xianrou's mercy. He had long gotten over life and death.

The more he acted like this, the more Jiang Xianrou's hands trembled. She bit her lip and looked at the old man, then lowered her voice and said, "Grandpa, do you think I don't dare to do anything to you?"

Old Master Jiang still ignored her. magic

"I'm at my wits' end!"

Old Master Jiang still did not open his eyes to look at her.

"I've told you before that I'm already at my wits' end. Don't force me!" Jiang Xianrou gritted her teeth in hatred. The knife cut a bloody mark on the old man's neck as she pressed against it, scaring the doctors and nurses into a cold sweat. They all wanted to stop her crazy behavior.

"Miss Jiang!"

"Jiang Xianrou, don't be like this!"

Jiang Xianrou looked at them. This time, there was a hint of ruthlessness in her eyes as she threatened fiercely, "I'll give you another 10 minutes. Call Qiao Nian immediately! My patience is limited! Don't force me!"

In order to prove that she could do it, she pressed the knife in harder, and the bloodstain on Old Master Jiang's neck became more and more obvious.

The medical staff were so frightened that their faces turned pale.

Someone could not hold it in anymore. "What should we do now? Should we call her? Old Master Jiang doesn't want us to do it. Will Old Master Jiang be angry later?"

"It's too late to call the police."

Everyone looked at each other. No one dared to bear the consequences.

Jiang Xianrou had been looking at the time. Seeing that no one was moving, she was angry and crazy. She held Old Master Jiang hostage and urged again, "I want to see Qiao Nian!"

Things were about to develop in an unpredictable direction.

Then, a girl's cold voice came from behind them—

"I'm here."

Everyone turned around.

The girl was wearing a sweater and hoodie as usual as she walked in Jiang Xianrou's direction coolly. Her dark eyes were casual but hid a sharpness, as if she was staring at a top hunter who was courting death.

"Didn't you want to see me? I'm here."

Qiao Nian walked forward step by step, and everyone subconsciously made way.

Old Master Jiang, who had been closing his eyes and ignoring Jiang Xianrou, suddenly opened his eyes. His eyelids trembled as he said sternly, "Nian Nian, go back!"

“Jiang Xianrou, the person you’re looking for is me. Let him go. I’m here.” Qiao Nian did not look at him. Her gaze kept landing on Jiang Xianrou, but she still did not stop. She took step after step forward.

Jiang Xianrou stood tall. The moment she saw the girl, her eyes were filled with madness. She immediately sneered and held Old Master Jiang hostage as she retreated. “Qiao Nian, do you think I’m stupid? If I let Grandpa go, would you still listen to me obediently?”

She thrust the knife inward. “Stop right there!” she snapped.

“If you take another step forward, I won’t stand on ceremony.”

The bloodstain on Old Master Jiang’s neck was even more obvious, looking especially eye-catching.

Qiao Nian’s eyes suddenly turned cold. She immediately stopped in her tracks and stood rooted to the ground. She opened her hands and gestured for her to stop walking forward. “I’m not going forward. Stop the knife.”

Chapter 2262 - 2262 Jiang Xianrou, Are You Still Human?

Jiang Xianrou looked at the girl who did not dare to disobey her. She couldn’t help but raise her head and laugh arrogantly, her face full of mockery. “Aren’t you powerful? Isn’t everyone supporting you? Why? Do you not even have the courage to take a step forward now?”

“Qiao Nian, you’re just so-so!”

Jiang Li’s handsome face was ashen. He clenched his fists and walked forward. “Jiang Xianrou, what’s wrong with you? Let Grandpa go immediately! Otherwise...”

“I told you to stay!” Jiang Xianrou pulled Old Master Jiang back again. The cold knife pressed down again and she stared at Jiang Li mockingly, as if she was looking at an enemy. “She doesn’t even dare to walk forward, but you still dare to come over.”

Jiang Li was so angry that his temples throbbed. He wanted to rush over and slap her.

However, his arm was grabbed by the girl.

Qiao Nian shook her head.

Even if Jiang Li was ten thousand times angry, he could only endure it for now. When he looked at Jiang Xianrou again, he was completely disappointed. "Aren't you letting Grandpa down by doing this? You're the only girl in the family. Grandpa raised you and treated you better than Jiang Yao and me.

"You've had everything you wanted since you were young. When has the family ever mistreated you? Even if Dad and Mom don't let you buy things, Grandpa always buys them for you in private. You wanted to enter Qing University's Liang Lu's team, and Grandpa found a connection for you... Jiang Xianrou, what are you doing now? Are you still human?"

Jiang Zongnan was speechless.

He was embarrassed and wished he could stuff his daughter back into her mother's womb and educate her again. His elegant face was gloomy as he tried to persuade Jiang Xianrou. "Xianrou, let go of your grandfather. Stop fooling around. Everything can be turned back. If you continue like this, you won't be able to turn back!"

As a son, he could not forgive his daughter for what she was doing.

As a father, he hoped that his daughter would repent and at least have a chance to change her self-confidence.magic

He knew Qiao Nian too well.

If Jiang Xianrou did not mess with Old Master Jiang and Jiang Li, Qiao Nian could not be bothered to argue with her.

However, once Jiang Xianrou crossed the line, the consequences would be unimaginable.

He was too ashamed to beg Qiao Nian.

Even Jiang Yao berated in a low voice, "Xianrou, let him go!"

Jiang Xianrou looked at her family members who were looking at her in shock and disappointment, asking her to let him go again and again.

It was as if a huge rock was pressing down on her heart. She was angry and dissatisfied and looked like she was about to go crazy.

At this moment, Qiao Nian interrupted everyone and looked at her calmly. "It's impossible for you to hold Old Master hostage just to see me. You must have other requests. Tell me, what do you want? I'll try my best to satisfy you. The premise is that you don't hurt Grandpa."

"I'll stop hurting him just because you say so? Why should I listen to you?!" Jiang Xianrou thought that she had the say, and her attitude was unyielding.

Qiao Nian only glanced at her indifferently. She only calmly explained a fact. "Jiang Xianrou, you should know very well that if you touch Grandpa, you won't be able to leave the sanatorium today. Don't cross my bottom line."

Jiang Xianrou was extremely humiliated and dissatisfied, but in the face of the girl's calm words, she could not find any words to counterattack.

Qiao Nian was right.

She did not dare to touch Old Master Jiang.

It was not because she cared about family, but because she knew Qiao Nian's personality as well as her father's.

If she did not touch the Old Master today, she might still have a way out. However, if she endangered the Old Master's life, Qiao Nian would kill her on the spot.

Chapter 2263 I Want to Go Overseas and 30 Million Yuan

Even if Jiang Xianrou was about to go crazy, she did not dare to cross this line.

Hence, from the beginning to the end, she only dared to put on a show for Qiao Nian, not daring to really hurt Old Master Jiang.

"I want flight tickets and 30 million yuan."

"You can't get on the plane," Qiao Nian said calmly as she looked at her with her dark eyes.

Jiang Xianrou hated her calmness. She gritted her teeth and sneered. "What are you pretending for? Young Master Ye is here. It's easy for me to go overseas."

Her gaze landed on the young man supporting Jiang Zongjin again. Suddenly revealing a sad expression, she asked in a low voice, "We grew up together. I always thought that I was your special person. I thought that in the end, you would like me. Until she came. I just want to ask you, what do you like about her?"

Jiang Xianrou's eyes were filled with jealousy and hatred as she indignantly asked, "Her face?"

In her eyes, Qiao Nian was nothing compared to her other than her face.

She was a well-bred young lady nurtured by the Jiang Family. What about Qiao Nian? She was just a bumpkin from the countryside. She was arrogant and had a bad temper.

She did not understand why Ye Wangchuan, who had grown up in Beijing, would like such a person.

"What else does she have besides her face? She's not suitable for you or the Ye family! You'll be dragged down by her sooner or later!"

Ye Wangchuan looked at her in surprise, as if he did not expect Jiang Xianrou to ask him. Then, he looked at the surly and cold girl not too far from him and retracted his gaze. Returning to Jiang Xianrou, he replied nobly and lazily, "I'm more than willing."

Hot blood rushed to Jiang Xianrou's throat, and her eyes instantly turned red. She was indignant and angry, but she could not say a word in the face of this sentence.

Since he was already willing, what else could she say?

Even if she said a thousand bad things about Qiao Nian, Ye Wangchuan's "more than willing" was enough to send her into the abyss.

Jiang Xianrou's eyes became colder and colder. She looked in the girl's direction and asked without hesitation, "Qiao Nian, I want the money and to go overseas. Can you do it?" magic

"Okay."

The girl agreed readily.

"But you have to let him go."

Jiang Xianrou did not trust her upon seeing her straightforwardness. Jiang Xianrou gritted her teeth and looked around, then asked, "Why should I believe that you will abide by the agreement? What if I let him go and you play tricks again?"

Qiao Nian knew that she would say this because of her paranoia, so she took a step forward frankly and said, "I'll replace Old Master as your hostage."

"Nian Nian!" Old Master Jiang's blood pressure rose, and it became difficult for him to breathe. He gripped his chest tightly and gritted his teeth. "Are you trying to anger me to death? I..."

He wished he could die immediately and not implicate his little granddaughter.

Jiang Zongnan and Jiang Zongjin were also shocked.

Jiang Zongnan's elegant face heated up, and he tried to persuade her. "Nian Nian, I'll talk to her nicely. Don't be rash."

Jiang Zongjin said to Jiang Xianrou without thinking, "Don't listen to her. I'll do it. I'll be your hostage."

Jiang Li cursed and trembled in anger.

Jiang Yao was also extremely disappointed. "How did you become like this!"

Jiang Xianrou did not care about anything else. She stared at the girl with her almond-shaped eyes and said, "Alright, come here. But you must transfer the money first."

Chapter 2264 Jiang Xianrou Is Courting Death to the End

She reported a bank account that Tang Wanru had opened for her overseas in her early years.

Without another word, Qiao Nian took out her cell phone and lowered her head to transfer a sum of money to her. After transferring it, she even showed Jiang Xianrou her phone screen.

"The money you asked for is transferred."

Jiang Xianrou could not be bothered to determine if Qiao Nian had really transferred the money to her. Anyway, she saw the transfer record and concluded she should have transferred it.

She gave the girl a dark smile. "Come here. Throw everything out of your pockets first. Don't bring anything else with you."

Qiao Nian followed her instructions and threw her cell phone, keychain, and some trinkets on the ground. Then, she walked in Jiang Xianrou and Old Master Jiang's direction.

Ye Wangchuan's eyes darkened. He knew what she wanted to do.

He pressed a hand on the agitated Jiang Zongjin's shoulder and said in a low voice, "Uncle, don't be anxious. She's not an impulsive person. She should have her own thoughts."

Jiang Zongjin agreed, but his heart was pounding.

Old Master Jiang's heart broke as he watched Qiao Nian walk towards him step by step. Tears streamed down his face as he asked her to go back. "Didn't I tell you not to care about me?"

"Nian Nian, listen to me and go back.

"Grandpa is already old. I'm fine.

"Jiang Zongjin, what are you doing? Pull her back!"

Jiang Xianrou listened as Old Master Jiang only cared about Qiao Nian the entire time. He would always only care about Qiao Nian. She looked at the arrogant girl with a sinister smile.

"Come here."

As she asked the girl to come over, she looked like she wanted to push Old Master Jiang out and let him go.

Then, just as she was about to grab Qiao Nian with one hand, she took the opportunity to stab Old Master Jiang's arm with the other.

"Grandpa!"

"Dad!"

Everyone was stunned by Jiang Xianrou's sudden action. In shock, Jiang Zongjin, Jiang Zongnan, Jiang Li, and the others wanted to rush over, but it was clearly too late.

Jiang Xianrou made up her mind to injure Old Master Jiang first. Only when Old Master Jiang was injured and no one could free up their hands could she successfully take Qiao Nian to the airport and leave the country.

She had thought about it from the beginning. If she did not want Old Master Jiang's life, she would stab him in the chest or arm.

She did not even feel that there was anything wrong with her actions. In her eyes, everything she did was to save herself. Even if Old Master Jiang would be injured because of this, she felt that there was no other way. It was a temporary measure.

In any case, it was not fatal. magic

Qiao Nian's medical skills were brilliant, and she knew so many people. Old Master Jiang's life would not be in danger.

Jiang Xianrou attacked quickly and ruthlessly without any hesitation.

No one could react in time.

Qiao Nian reacted the fastest. The moment the knife landed, she pushed Old Master Jiang away and whispered, "Be careful!"

Because she pushed Old Master Jiang away first, she did not have time to dodge the knife. Almost instantly, Jiang Xianrou stabbed the girl's right shoulder, and blood flowed.

"Nian Nian!" Old Master Jiang shouted when he saw this scene.

Jiang Xianrou was also stunned. However, under the stimulation, she instinctively drew her knife and was about to stab Old Master Jiang, who was not pushed far away.

This time, Qiao Nian reacted quickly and grabbed her knife.

The blade was extremely sharp.

No one expected her to dare to catch it with her bare hands!

The girl's right palm was immediately cut, and blood flowed down her wrist...

Chapter 2265 Sister Nian Kicked the Scum to the Point of Vomiting Blood

Her palm felt like it was being torn apart by the blade. Qiao Nian did not make a sound as she held the blade tightly.

Jiang Xianrou tried her best to pull the knife out.

Bright red blood dripped onto the ground drop by drop, as if striking everyone's heart. Everyone was stunned by this scene.

"Nian Nian." Old Master Jiang's eyes widened, and his blood pressure soared. His vision darkened, and he vomited a mouthful of blood.

Jiang Xianrou became more and more anxious and flustered. She threatened with a pale face, "Qiao Nian, don't force me."

She ruthlessly pulled the knife with all her might.

The girl's eyes turned cold, and she executed an extremely clean roundhouse kick, sending Jiang Xianrou flying to the ground.

"Oh." Jiang Xianrou felt her vision go black, and her chest hurt. Under extreme pain, she spat out a mouthful of blood, and her front teeth were about to fall out.

No matter how angry Jiang Zongnan was at her, he could not help but exclaim when he saw this scene. "Xianrou!"

He was about to step forward when Jiang Li grabbed him. His face was as black as the bottom of a pot as he stared into his eyes with his dark eyes and said coldly, "Dad, you won't still protect her at this time, right?"

Jiang Zongnan was too ashamed to look at him. His elegant face was red and swollen.

Jiang Li let go and stopped looking at him.

Jiang Zongnan did not dare to go over. He stood rooted to the ground, not knowing whether to advance or retreat.

Qiao Nian ignored Jiang Xianrou after kicking her away. She quickly walked over to support Old Master Jiang and patted his back. "... Grandpa, are you alright?"

Old Master Jiang was already speechless. He only held her wrist tightly, his eyes red.

Qiao Nian knew what he wanted to say. She looked at her right hand casually and comforted him. "I'm fine. Don't worry about me."

She was always like this. No matter what happened, she would always stand in front alone and never complain about being tired.

However, the blood on the girl's shoulder had already drenched her clothes, and her palm was still bleeding. She had bled so much, so how could it not hurt?

However, Qiao Nian seemed to sense his gaze. She hid her injury and said, "I'll bring you to the hospital for a checkup."

Old Master Jiang's tears fell like rain. His heart ached so much that he wished that he was the one who was injured. He grabbed her hand tightly, but his throat was so dry that he could not speak.

...

On the other side.

Jiang Xianrou caught her breath.

In her blurry vision, she saw a girl helping the old man leave. magic

Jiang Xianrou panicked and sized up her surroundings, wanting to find something that could allow her to keep them hostage. Otherwise, she would be finished.

Under extreme panic and fear, the way she looked at the girl was no longer the same as before. Instead, it had become a stubborn hatred and madness.

Just as everyone thought that this matter was over...

Jiang Xianrou, who had been kicked to the ground by Qiao Nian, suddenly stood up fiercely. She bent down, picked up a stool, and rushed towards the girl, shouting, "Qiao Nian, die!"

"Nian Nian!"

"Qiao Nian!"

Jiang Yao exclaimed.

From the corner of her eye, Qiao Nian also saw Jiang Xianrou dragging a chair in her direction. The chair was raised from the back of her head.

Her eyes turned cold as she calculated in her mind how to protect Old Master Jiang and deal with the crazy Jiang Xianrou.

Chapter 2266 Master Wang Finally Made a Move

?

At this critical moment.

No one noticed when Ye Wangchuan's eyes darkened. His thin lips were pursed into a line, and his jawline was tense. He raised his hand and made a downward gesture. "Go."

The others did not understand what was going on.

Then, a muffled, silenced gunshot sounded.

A blood-colored flower bloomed on Jiang Xianrou's chest. She seemed to be in disbelief, and her movements froze as her eyes widened.

Then, she slowly fell to the ground in the next second.

There was a loud bang.

No one expected this to happen. Jiang Li did not react for a moment, then he subconsciously turned to look in Ye Wangchuan's direction.

However, the usually noble and lazy young man, often with a lazy smile on his lips, was exuding a murderous aura.

Jiang Li's heart skipped a beat. He instinctively looked away and clenched his fists, already understanding what was going on.

Master Wang had long set up snipers around them.

However, because his grandfather and uncle were both around, he did not want his elders to be agitated, so he did not do anything.

However, Jiang Xianrou was too confident.

She actually took the opportunity to hurt Qiao Nian.

Her crazy actions were also the reason why Ye Wangchuan no longer cared about the Jiang Family's reputation. After all, in Master Wang's eyes, their entire family was probably not as important as Nian Nian.

Master Wang tolerated Jiang Xianrou only to give Nian Nian face.

"Xianrou!" Jiang Zongnan recovered from his initial shock and realized what had happened, then he rushed over recklessly. magic

Jiang Xianrou was already lying in a pool of blood. It was unknown if she was dead or alive.

Jiang Yao also walked over quickly.

However, halfway there, he stopped and looked at the girl beside him. He pursed his lips and said, "Bring Grandpa to the hospital first."

Qiao Nian did not seem to expect Jiang Yao to show concern for the Old Master. She raised her eyebrows and nodded.

Seeing that her right hand was still bleeding, Jiang Yao was silent for a moment before saying, "And your hand. Hurry up and go to the hospital to check it out."

Qiao Nian was even more surprised. This time, she did not answer. She only glanced at him before retracting her gaze. "My hand is fine."

Jiang Yao nodded. It was unknown if he believed her or not. He murmured as he brushed past the girl, "Qiao Nian, I'm sorry about Xianrou."

He did not seem to be good at apologizing. He spoke quickly and left quickly. In the blink of an eye, he was at Jiang Xianrou's side like Jiang Zongnan.

Qiao Nian retracted her gaze and casually helped Old Master Jiang out, whispering, "Jiang Xianrou probably isn't dead."

Jiang Weishang tried his best to stand still and not lean fully on the girl. He was slightly stunned upon hearing this. His heart ached when he realized why Qiao Nian said that. He caressed the girl's hair and said in a low voice, "She was wrong. Whether she's dead or alive, it's the consequences of her actions. You don't have to take it to heart."

Qiao Nian was prepared to accept Old Master Jiang's reprimand. She did not expect the old man to say this to her.

She stopped in her tracks, and her gaze became darker and warmer. She nodded and did not say anything else as she helped the old man out. "I'll take you to the hospital."

"Gu San," Ye Wangchuan called.

Gu San appeared from nowhere with a wooden, serious expression. "Master Wang, what are your orders?"

"Stay behind and deal with the aftermath." Ye Wangchuan looked in Jiang Zongnan's direction.

Chapter 2267 Master Wang's Heartwarming "I'll Carry Grandpa to the Hospital"

"Yes." Gu San understood and quickly made a call to make arrangements.

Ye Wangchuan did not even look at the chaotic scene. He walked straight over and bent down to say to the girl, "Come, I'll carry Grandpa to the hospital."

Qiao Nian looked at his broad back and hesitated.

However, Ye Wangchuan was very calm. "Are you able to carry Old Master Jiang? His blood pressure is too high. It'll be faster if I carry him."

Qiao Nian's right shoulder was still in pain. Without any hesitation, she let Ye Wangchuan carry the Old Master. Then, the two of them walked out together.

Everyone in the sanatorium was stunned when they saw this.

Young Master Ye... squatted down to carry the Old Master.

Even if this person was Old Master Jiang, it was too... unbelievable.

However, they did not have much energy to be surprised, because soon, the police finally arrived.

"Assistant Gu." Cai Gang arrived with his men and met up with Gu San. He greeted him and immediately looked around. He was puzzled upon not seeing Qiao Nian and Ye Wangchuan and asked, "Where's Young Master Ye?"

Gu San did not expect Qiao Nian to call the police before coming and tell them in advance that Jiang Xianrou was there.

He briefly told Cai Gang what happened, then added, "Master Wang went to the hospital."

"Who's injured?" Cai Gang was shocked and had a bad feeling.

It was as he had guessed.

Gu San bluntly said, "Miss Qiao is slightly injured, and Old Master Jiang's condition isn't good."

High blood pressure seemed to be an ordinary illness, but at Old Master Jiang's age, it would become a serious illness if he was not careful.

Old Master Jiang could not even stand previously. It could be seen how high his blood pressure was.

Gu San glanced at Jiang Zongnan, who was still trying to call the doctor. His face grew cold. "I'll leave Jiang Xianrou to you. You know how to deal with her, right?"

Jiang Xianrou had caused such a huge commotion. Even if her bullet wound was not fatal, Jiang Xianrou would never have a chance to make a comeback in her life. magic

Cai Gang understood and instructed someone to take Jiang Xianrou away.

He was quite efficient.

Jiang Xianrou was dragged away like a dead pig.

Jiang Zongnan's and Jiang Yao's expressions were not good.

Especially Jiang Zongnan. He watched anxiously as the bloodied Jiang Xianrou was taken away. Unable to hold it in anymore, he looked at Cai Gang and whispered, "Officer Cai, Xianrou's condition is not good. Can we get a doctor to stop her bleeding first? If her wound is not dealt with in time..."

Cai Gang did not expect him to still not understand the situation. Turning to him and looking at his elegant and anxious face, he did not give him any face as he said unhurriedly, "CEO Jiang, you know very well what your daughter has done. We're also doing things according to the rules. If you're not satisfied,

you can find a lawyer to negotiate with us. As for the doctor, we need to bring her back first. Otherwise, who knows if she'll... take the opportunity to escape again?"

Jiang Zongnan's face ashened, but he could not refute it.

"Young Master Ye..."

"It's better if you don't mention him. Young Master Ye has already given you face. Otherwise, Jiang Xianrou should have been killed on the spot." Cai Gang interrupted him.

For Qiao Nian's sake, before leaving, he politely reminded the dazed Jiang Zongnan. "Captain Liu has already been punished by the higher-ups. I advise CEO Jiang not to think of looking for him again."

Chapter 2268 Jiang Xianrou Can't Make a Comeback This Time!

"Jiang Xianrou escaped from prison and attempted murder this time. By law or by reason, she can't escape punishment.

"...One last piece of advice, President Jiang. Don't unnecessarily 'work hard' anymore."

Cai Gang then left in a hurry.

He wanted to bring Jiang Xianrou back first and then quickly go to the hospital to visit Qiao Nian.

As for Jiang Zongnan... he didn't want to bother with such a person.

However, he could not stand it when Jiang Zongnan still showed concern for Jiang Xianrou's life and death.

Cai Gang left.

The medical staff also began to clean up the mess.

Jiang Zongnan was dazed for a long time.

Jiang Yao only placed his hand on his shoulder and did not comfort him.

Jiang Zongjin hurriedly followed the doctor to get Old Master Jiang's medical record and bring it to the hospital. Jiang Li quickly followed. "Uncle, I'll go with you."

Jiang Zongjin was cold towards the clueless family, but his heart softened towards Jiang Li. He nodded and said, "Let's go."

Jiang Li ignored his father and brother, took his car keys, and followed his uncle to the hospital.

\* \* \*

The Jiang family.

Tang Wanru staggered home half a day later.

She had not slept the entire night. There were deep dark circles under her eyes, and she looked haggard and much older.

Because she had just returned and did not know what happened outside, she felt extremely uneasy. After rushing home, she went straight to the living room to look for her husband.

Jiang Zongnan and Jiang Yao both went to the hospital, but Jiang Zongjin's attitude towards them was cold. He was basically unwelcoming.

In addition, many people from the Ye family were also in the hospital.

Jiang Zongnan and Jiang Yao returned dejectedly.

Neither of them was sleepy, and they didn't know what to talk about. Thus, they sat on the sofa in the living room without saying a word.

Tang Wanru saw this scene the moment she returned. Her heart skipped a beat, and she instinctively asked, "Where's Xianrou?"

Jiang Zongnan and Jiang Yao's eyes trembled when they heard Jiang Xianrou's name. Jiang Yao lowered his eyelids as if he was interested in talking.

"Have you found Xianrou?" Tang Wanru did not notice it. She bent down to pick up a glass of water and took a sip, then turned back and asked, "They let me go. Is it because they've found Xianrou?"

Previously, she was about to leave, but the police held her back.

Now that she got back, Tang Wanru vaguely felt that they had found her daughter.

Jiang Zongnan's voice was hoarse as he sighed and said, "Just pretend that you don't have this daughter in the future."

Tang Wanru was stunned.

Jiang Yao simply told her what happened that night, including Jiang Xianrou being shot and then being taken away. In addition, Cai Gang's words, Jiang Xianrou's escape from prison and attempted murder.

Tang Wanru's vision darkened. The cup in her hand fell to the ground and shattered.

She barely managed to stabilize herself. Her first reaction was to retort loudly, "Impossible! Xianrou would never do such a thing! There must be a misunderstanding!"

"Is it Qiao Nian?"

"Is she trying to frame Xianrou?"

Tang Wanru's eyes were unfocused as she pushed the blame onto someone else and picked up her bag. "She must have provoked Xianrou, that's why Xianrou did something stupid. I'm going to look for Dad and let him make the decision. I want Dad to be fair."

She was anxious to leave, but upon mention of the Old Master, Jiang Zongnan was furious and shouted sternly, "Stop!"

Chapter 2269 He Already Told Me It's Useless to Find Connections!

How could Tang Wanru stand still?

She understood the seriousness of the matter too well.

Jiang Xianrou would be finished if Old Master Jiang refused to plead for her daughter.

It was completely over.

Therefore, Tang Wanru refused to listen to Jiang Zongnan and insisted on going to the hospital.

Seeing his daughter like this and his wife like that, Jiang Zongnan could no longer control the guilt in his heart when he thought of his pale father lying on the hospital bed.

"I said stop!"

He grabbed Tang Wanru's hand and slapped her.

Tang Wanru was stunned. She covered her cheek as tears streamed down her face. Biting her lip fiercely, she still wanted to go to the hospital.

Jiang Zongnan's palm trembled. He closed his eyes, his elegant face ashen. He did not stop her and only said loudly, "Go. Go!"

"The hospital is filled with the Ye family now. Try and see if you can go in and see Dad!

"If you don't go, Nian Nian might not remember what Xianrou did. If you go, you can remind her that Xianrou held her grandfather hostage.

"Go!

"I won't stop you."

Tang Wanru's legs went weak and she could no longer stand. She looked at the angry and disappointed Jiang Zongnan with tears streaming down her face. "Then what about Xianrou? She's your daughter, the daughter you raised for more than 20 years. Are you just going to watch her die?" magic

Jiang Zongnan looked at her with bloodshot eyes. "Then what do you think I can do?

"With the Ye family stepping in, what else do you think I can do?"

Tang Wanru's lips trembled. "Think of something."

Jiang Zongnan's elegant face was ashen as he said in a low voice, "... Even Cai Gang told me not to look for connections anymore! It's useless. No one in Beijing dares to help Jiang Xianrou... What do you think I can do?"

"..."

Then Jiang Xianrou would definitely die this time!

Tang Wanru instantly lost all her strength. She could no longer hold herself up. She sat on the ground, covered her face, and cried.

This time, Jiang Zongnan only quietly watched. He recalled the attitude of everyone who rushed to the hospital with Jiang Yao previously. He waved his hand dejectedly, not in the mood to comfort his crying wife.

Tang Wanru stopped crying after a while. She raised her head and looked at the middle-aged man with red eyes. Her voice was hoarse from crying as she begged softly, "Zongnan, can you call Dad?"

Jiang Zongnan had already walked back to the sofa and sat down. He was extremely dispirited. Now, he looked at her and frowned.

Tang Wanru knew what he wanted to say and whimpered. "Xianrou, what about Xianrou? She's only in her twenties. She's still so young. You can't leave her alone.

"She's your most beloved daughter. You've doted on her for more than 20 years. She'll die if you don't save her."

She begged bitterly, "Zongnan, can you just call Dad?"

The veins on the back of Jiang Zongnan's hand bulged. After a long time, he closed his eyes and sighed. "Dad is still at the hospital. I don't have the courage to face."

Tang Wanru was about to speak when he picked up his phone and said, "I'll call Nian Nian."

Tang Wanru was not satisfied with this outcome.

Qiao Nian's personality was like a wolf cub. Jiang Xianrou had almost taken the old man's life this time. With Qiao Nian's personality, she would definitely not let it go just because of a call from Jiang Zongnan.

Chapter 2270 A Slap in the Face. Does Jiang Zongnan Know That Jiang Xianrou Is Not His Biological Child?

Only if Old Master Jiang was willing to be soft-hearted and plead for Jiang Xianrou would there still be room for negotiation.

However, Jiang Zongnan did not give her a chance to continue. "Let me tell you first. It's best if Nian Nian is willing to let Xianrou off. If she's unwilling, don't pester her anymore."

Tang Wanru was indignant. "Then Xianrou..."

Jiang Zongnan said sternly, "I won't call her if you don't agree."

Tang Wanru was like a deflated ball. Slumping to the ground silently, she reluctantly nodded.

Jiang Yao watched as his father called Qiao Nian.

A few seconds later.

The other end picked up.

"Hey." The voice was cold, as if it was a stranger.

Jiang Zongnan's heart was in turmoil. After a moment of silence, he said with difficulty, "Nian Nian, is your hand alright?"

Qiao Nian did not answer him.

With his heart in his throat, Jiang Zongnan said slowly and with difficulty, "I'm sorry. I know I shouldn't be mentioning this at this time, but regarding Xianrou, can you..."

The girl's indifferent voice interrupted him before he could finish speaking. "Tang Wanru asked you to call me? Get her on the phone."

Jiang Zongnan felt ashamed to be seen through. After hesitating for a moment, he handed the phone to his wife. "Nian Nian asked me to hand you the phone." magic

Tang Wanru took it. Her grip on the cell phone tightened, and a trace of hatred flashed across her eyes. However, she had a favor to ask of Qiao Nian now and did not dare to act out. Her tone was careful as she asked in a low voice, "Nian Nian, can you forgive Xianrou? Isn't Dad fine? Can you forgive her? She's still so young. On account of your grandfather and Second Uncle, you..."

In the hospital.

Qiao Nian had just come out of Old Master Jiang's ward and had yet to bandage her wound.

The wounds on her right shoulder and palm had scabbed over slightly and were no longer bleeding, but they still looked bad.

Qiao Nian only treated her injuries briefly. Before she could go to the doctor, she received a call from Jiang Zongnan.

Ye Wangchuan also came out of Old Master Jiang's ward. Seeing her on a call, he walked over and asked in a low voice, "Who is it?"

The girl only raised her eyebrows emotionlessly. When she heard what Tang Wanru said, she turned sideways, narrowed her eyes, and said casually, "Does Jiang Zongnan know that Jiang Xianrou is not his biological daughter?"

She did not address him as Second Uncle.

Her tone was very cold.

It was as if Jiang Zongnan was no different from a stranger to her.

Tang Wanru fell silent.

Qiao Nian ignored her and said concisely, "You told me yourself that Jiang Xianrou is not a member of the Jiang Family. So what right do you have to say these words to me now?"

"I don't care if your family is willing to be cuckolded, but she tried to hurt my grandfather, so I can't tolerate her anymore.

"I won't give her a second chance."

Ye Wangchuan was a little surprised to hear that Jiang Xianrou was not a child of the Jiang family, but did not pay much attention to it.

He waited for the girl to hang up, as if he had not heard the secret. He only said gently, "Let's bandage your wounds. The doctor is waiting inside."
