

Madam's 2601

Chapter 2601 They don't know that I'm going to the Privy Council?

Ji Ziyin thought she was courting the hidden family.

However, her behavior fell into the eyes of the older generation of Ji's family who knew what was going on back then, like a dog wagging its tail and begging for pity.

Lose all the face of the Ji family!

Ji Ziyin used to be the leader of the younger generation that Ji Lingfeng focused on training, even if she is now expelled from the training list, she is still a member of the Ji family.

Ji Lingfeng couldn't take care of her before, now...

"If she insists on staying in country m, you tell her that she will never have to come back." Ji Lingfeng said coldly with sharp eyes.

He Lin saw that he was angry and quickly recovered: "Yes, patriarch."

"Go."

Ji Lingfeng raised his hand, his face full of exhaustion.

He Lin didn't dare to stay, so he bent over and left the office lightly.

The man sat behind the desk, slowly opened the drawer, pulled out the old photo from inside, and quietly looked at the girl in the photo who seemed to be immortal.

His fingertips rubbed the girl's smiling face, and whispered: "...Xiaoqing."

The girl in the photo still smiles brightly and has tenacious vitality.

Such a person passed away early.

Ji Lingfeng had a painful expression on his face, his fingers clenched into fists, and he slowly bowed his head: "I'm sorry."

A hot tear fell on the face of the girl in the photo.

Ji Lingfeng seems to have committed a serious crime, scrambling to wipe off the tears on the photos.

The person in the old yellowed photo looks five-pointed to Qiao Nian, the facial features are not as delicate and flamboyant as Qiao Nian, but the extremely black and bright eyes are exactly the same as if they were carved out of a mold!

is the season.

*

"He Lin told me that the patriarch has given you an ultimatum." Ji Xiao's tone on the phone was very irritable: "The patriarch said that if you don't come back, you don't have to come back."

Ji Ziyin stood on the top-floor balcony of the hotel in M country and looked at the bright lights outside, with a hint of disdain on the corner of her mouth: "You didn't tell him that I was going to enter the Privy Council soon?"

"I said it!"

When Ji Xiao mentioned this, he was a little exasperated: "I hinted to him, but I don't know if he understands it or not. Anyway, his attitude is very tough."

Ji Ziyin's expression of self-satisfaction with raising ambitions froze on her face, she frowned slightly, in disbelief: "Did you say it?"

impossible.

If she can enter the Privy Council, shouldn't the Ji family take her back into their hands?

How could the Ji family have this attitude?

Ji Xiao didn't want to tell her too much: "I also contacted a few elders in the clan, and they didn't want to help when they heard that you didn't come back in country m."

This time even Ji Hongyuan refused to come forward to find Ji Lingfeng.

Ji Xiao himself was confused by the second monk himself and could not understand the reason.

He could only ask Ji Ziyin to come back quickly: "Think about it for yourself!"

Ji Ziyin hung up the phone, people have become hesitant.

at this time.

The man in black stood behind her at some point, and when he saw her standing there without moving for a long time, he called out to her: "What are you doing here? Why don't you go in?"

Ji Ziyin turned her head sharply, startled.

She saw the shadow beside the Queen, her tense nerves relaxed a little, she immediately hid her phone, and changed the subject: "My family called me and asked me when I would go back."

Shadow glanced at her coldly.

Ji Ziyin wore a champagne-colored dress today to outline a good figure.

Under her light makeup, her long black hair is casually tied into a single ponytail, which is loose and naturally draped over her shoulders, elegant and fashionable.

Chapter 2602 The hidden family is not so united

Shadow took a glance away from the woman, holding the red wine, and reminded her coldly: "The elders of the Privy Council are waiting for you, do you still want to know them?"

Ji Ziyin pursed her lips, her eyes twinkling.

When she raised her head again, she had already made a decision: "The Queen personally connected me, how can I live up to the Queen's kindness."

Shadow pulled the corner of his mouth, covering up the disdain in his eyes, and opened his legs: "Well, let's go."

He walked ahead.

Ji Ziyin took the opportunity to send a message to Ji Xiao and asked him to delay for two more days, saying that she was ill and could not go back for the time being.

She saw that the message was successfully sent on the screen of her mobile phone, Ji Ziyin narrowed her eyes and strode into the arena behind the shadow.

This time it was a reception hosted by the Queen herself, and many members of the upper-class family from the Hidden Family were here.

In the cocktail party, the table is staggered, the clothes are fragrant and the temples are beautiful, and the air is filled with the elegant and cheerful music of the violin. Ji Ziyin came in behind the shadow, attracting the attention of many people from the hidden family...

She raised her neck slightly, like an elegant high-class person, and under the introduction of the shadow, she began to get to know the circles that she had not been able to reach one by one.

in the corner of the crowd.

Yu Xinlan was much quieter around her.

The Yu family was hit hard this time, and she didn't know how long she could stay in the circle of the hidden family. She was able to come this time because of the light of the M royal family, and was brought by John to the reception.

But even so, everyone is a human being, and no one wants to pull her at this time. They can't hide from her like a plague god.

There is no one around Yu Xinlan, and compared to Ji Ziyin, she can be regarded as extremely desolate.

If this kind of situation was put before the Yu family fell, Yu Xinlan would not be able to accept it, and there was no way she could continue to stay here.

However, this time, I don't know if it was too much of a blow to her, but she calmly accepted the huge gap in front of her.

Just standing in the corner, shaking the red wine glass in his hand, watching Ji Ziyin's bright moment with a cold eye.

John noticed that she was in the corner, talked to the people around him, and walked forward with a glass of wine: "Why don't you meet a few people?"

The Yu family is related to them, and the royal family of M did not participate in Yu Qingliu's plan, but the Yu family was defeated, and they did not fall into the trap.

When Yu Xinlan saw her uncle came back, her oval face finally got a little emotional. She raised her eyelashes and lowered her eyes and said softly, "Even if I go, people won't be willing to pay attention to me. I don't need to embarrass others and myself."

"Don't think so." John sighed, just about to comfort her.

Yu Xinlan raised her head and smiled at him, much more mature and stable than before: "People say that the hidden family is a whole, and now I see the hidden family as such."

"Everyone is united for interests! If one day the interests change, these people will also change, so only one's own strength is the last word."

John was about to frown to keep her from talking nonsense.

Yu Xinlan drank the wine in her hand, put down the glass, and said to him freely, "Uncle, thank you for bringing me here, but it's unnecessary."

"I go first."

After she finished speaking, she walked away without looking back.

Yu Xinlan's dashing back shows no attachment to the hidden family circle at all.

John stood there watching her leave, finally shook his head, looked at Ji Ziyin who was following behind the shadow, and pursed his lips.

Ji Ziyin stepped on the Yu family to ascend, but the Yu family was defeated.

This is the wrong person.

Chapter 2603 The arrogant master was almost dug into a corner

For more than a week, Qiao Nian spent his time in the First Research Institute looking for clues about the USB flash drive password that he had thought of before.

News of her return also spread throughout the institute.

Shen Qingfeng sent her a message and asked her to come out for a gathering.

Xue Zhu also madly called and said she wanted to invite her to dinner.

Qiao Nian thought that he hadn't seen them for a long time, so he took the time to go out at noon.

The Chinese restaurant ordered by Xue Zhu.

A small box for twenty people.

Qiao Nian didn't arrive at the place to eat until twelve o'clock in the afternoon when she was looking for something. As soon as she entered, she found that Shen Qingfeng, Xue Zhu and others were the exceptions.

Xu Yi and Han Cheng were also there.

There is also Mrs. Shen.

As soon as Mrs. Shen saw her, she hurriedly got up and greeted her to come and sit: "Miss Qiao, come quickly, sit here."

Qiao Nian paused, then walked over to greet her politely, then pulled out the chair beside her and sat down.

Shen Qingfeng saw that everyone had arrived, so he let the waiter serve the dishes.

It's been a long time since everyone got together, and there was a lot of chatting from all over the world.

Old Mrs. Shen liked her very much and took care of Qiao Nian the whole time, serving her vegetables or occasionally saying a few words to her.

Qiao Nian doesn't talk much, he basically eats with his head down, or he listens to other people's words and rarely answers them himself.

But Mrs. Shen is an elder, and when an old man talks to her, she always answers patiently.

A meal took nearly an hour.

Everyone has almost eaten.

Qiao Nian also put down his chopsticks long ago and took a sip of tea from time to time to keep himself healthy.

At this moment, her phone lit up.

Qiao Nian put down the teacup and picked up the phone to look at it.

【Y: Where? 】

【Y: Shall we eat together at noon? I'll pick you up. 】

Qiao Nian looked at the time a little closer.

She has been eating at this point for more than a week, so she leaned back on the chair and replied to the news.

Old Mrs. Shen looked at the girl's delicate profile, and then looked at her grandson. She looked back regretfully and asked the girl, "Miss Qiao, do you have a boyfriend?"

She has seen Ye Wangchuan several times.

She lived a few decades so that she could not see the relationship between the two.

It's just that Qiao Nian is too good, she is somewhat selfish and wants to fight for her grandson.

Even if Shen Qingfeng didn't mean that, what if...

In case Qiao Nian is a little interesting, wouldn't the Shen family be soaring into the sky.

Qiao Nian just finished replying to Ye Wuchuan's news, and when she heard her talking in his ear, he slowly raised his eyelids and looked over: "Huh?"

She had just finished eating, her brain hadn't worked very much, and she was in a comfortable and relaxed stage, so she didn't understand what Mrs. Shen was saying to herself.

Old Mrs. Shen mistakenly thought that she was not in a very serious relationship with Ye Wuchuan, so she came to the spirit: "I think Miss Qiao's age should not be determined yet..."

She was only halfway through.

Qiao Nian's phone rang.

She said to Mrs. Shen, "I'm sorry, I'm going out to answer the phone."

Old Mrs. Shen herself was full of things she wanted to say, but it was hard to say, so she nodded and said lovingly, "Well, go get busy."

Qiao Nian pulled out the chair, got up and went outside to answer the phone.

Old Mrs. Shen looked at her back, and then looked at her grandson, who only knew how to eat, and silently held back the thought that had just arisen.

Forget it, it's pretty good now, she's not a person who does too many pictures, so she can't do anything too sloppy.

*

Outside, Qiao Nian leaned on the edge of the corridor to call Ye Yichuan: "Well, I'm eating at a Chinese restaurant near the institute."

She raised her eyes and looked outside, and reported a detailed address.

Chapter 2604 You don't need to rob at all

Yeliang River is nearby and will be here soon.

He was wearing a light-colored shirt and slacks, his legs were straight and long, and he had an outstanding temperament. When he walked into the Chinese restaurant, he attracted a lot of attention from the opposite sex.

Ye Wangchuan saw the girl waiting for him at the entrance of the private room at a glance, walked straight over, handed the girl a glass of shasha lemon ice, lowered his eyes, and slightly hooked his thin lips: "Have you finished eating?"

Qiao Nian bit the mouth of the plastic straw, raised his eyebrows, and raised his chin: "It's almost over."

She returned the drink to him first: "Help me get it."

Ye Wangchuan naturally held it for her.

Qiao Nian opened the door and said to him, "Wait for me, I'll tell them."

...

When she pushed open the door, everyone inside saw the man standing outside.

Xue Zhu bumped Xu Yi with her elbow, and asked him to look in a low voice: "Qiao Nian's boyfriend is here, just outside."

Xu Yi put down his chopsticks, wiped his mouth, and replied coldly, "Oh."

"What's your reaction?" Xue Zhu glanced at him, seeing that Xu Yi still had the face of Wannian Ice, she herself was defeated, and she shook her head and said, "Forget it, I'm too brainless, and I actually gossip with you. ."

She just had sharp ears, and when she heard the old lady Shen's words that she wanted to connect Sister Nian and Shen Qingfeng, 10,000 grass and mud horses galloped through her heart.

In the blink of an eye, my boyfriend came.

Xue Zhu's eyes were bright as she watched the excitement, and she hurriedly looked in the direction of the old lady Shen.

Qiao Nian walked back to his place, picked up his bag, and said to the person at the table, "Eat slowly, my friend will come to pick him up, take a step first."

Cao Yanhua sat with his back to the door, so he didn't see anyone outside, and got up to hold him back: "We're done eating, I'll take it off for you."

Mrs. Shen didn't sit with her back to the door, so when she saw Ye Wuchuan standing outside the door, she was suddenly embarrassed.

got up and said, "Yeah, we've finished eating too."

Everyone basically had almost eaten, and they mainly sat here chatting. Qiao Nian was leaving, and they had no desire to stay.

Everyone was ready to leave.

Shen Qingfeng made an appointment, he went to pay the bill himself.

Cao Yanhua originally wanted to **** the bill from him, but he didn't rob him, so he let him pay the bill, and he was embarrassed to touch his nose: "I am the oldest among you, how can I be so embarrassed to ask you to pay. I will invite you to eat another one next time. Pause."

Shen Qingfeng swiped the card, but he gave him a round of it generously: "Senior Brother Cao, don't be polite to me."

When he saw the old lady Shen coming out, he smiled, pointed to the old lady Shen and said, "In terms of age, you don't seem to be the oldest one today."

Cao Yanhua was silenced by him, so he didn't show any courtesy to him, and reached out and patted him on the shoulder.

Qiao Nian waited for them to figure it out before preparing to leave with Ye Wangchuan.

Before the two of them left, Ye Wuchuan also specifically said hello to the eldest old lady Shen, and then left politely.

The distance between the two of them gradually narrowed and they walked side by side, and they seemed to be a good match for each other.

"Let's go too." Cao Yanhua watched Qiao Nian leave and said to Han Cheng.

They also waved goodbye to the crowd.

In the blink of an eye, there were only ten groups of people left at the entrance of the hotel, including Mrs. Shen.

Xue Zhu and Xu Yi also said goodbye to them.

Soon only Shen Qingfeng helped the old lady Shen down the steps, ready to send her back first: "Grandma, walk slowly."

Chapter 2605 Sister Nian is determined to attend Ji Lingfeng's birthday party

Old Mrs. Shen had something on her mind and asked him absentmindedly, "Do you know the background of Miss Qiao's boyfriend?"

"I don't know." Shen Qingfeng didn't care much about these matters, and only said: "I think he was able to call Lao Zhong last time. The background should not be simple."

After all, Qiao Nian's background is not simple.

The love between the big guy and the big guy.

What a normal thing.

"Oh."

Old Mrs. Shen responded, and then looked at her grandson, who simply didn't think about it, and completely rested her mind.

*

On the other side, Ye Wangchuan walked in front and opened the passenger's door for the girl: "Get in the car."

Qiao Nian threw the bag up first, then bent over and got into the car.

He closed the car door, then went around to the other side to get in the car, returned the drink to the girl, fastened his seat belt, and asked, "Are you going to the research institute this afternoon?"

Qiao Nian took a sip of the sand ice, opened the car window and put his arms up, and responded calmly: "Well, I haven't found what I want, so I have to keep looking for it, it should be there First Institute."

"I'll take you there in the afternoon." Ye Wuchuan didn't ask what she was looking for, and his deep eyes were like a prairie fire: "First, have a meal with me."

He thought Qiao Nian didn't eat, so he refused Qin Si's invitation to go out to eat and ran out to pick up people, but Qiao Nian and his friends all ate.

He was the only one who hadn't eaten yet.

Qiao Nian glanced at him slantingly, reached out and pulled the cap to cover his beautiful eyes, and leaned back lazily: "I can do it."

"Just in time for me to go shopping and buy a gift."

Since she knew that Ji Lingfeng had contributed to her smooth departure from country M, Qiao Nian couldn't pretend not to know.

She has never liked to owe favors.

Especially the favor of the Ji family.

So this favor must be repaid.

Ye Wangchuan turned the head of the car, the black cross-country drove smoothly on the road, and the scenery on both sides retreated at a constant speed.

Qiao Nian told him about He Lin's contact with her and his guesses. At the end, he said succinctly: "He told me that the time will be on the weekend, and I will eat at the Intercontinental Hotel on the weekend, and I haven't had time to prepare. Gift."

His arms are on the reverse plate, and a white wrist is exposed from the cuffs, slender and well-proportioned with clear bones: "What are you going to buy?"

"I have not decided yet."

Qiao Nianzheng is worried about this.

Ji Lingfeng is not short of money.

She is also not good at giving things like diamonds.

So what gift she gave became a problem, which is why Qiao Nian planned to drop by the shopping mall in Independent Island today.

Ye Wangchuan didn't ask much, and drove the car faster: "I'll accompany you to see it later."

"OK."

Qiao Nian agreed very quickly.

...

In the afternoon, she accompanied Ye Wangchuan to have a light meal, and then went for a walk around.

After walking around, Qiao Nian didn't see any gifts that he had given, just as Feng Yu was looking for her, she went back to the institute first.

Feng Yu was also looking for her for Ji Lingfeng's birthday banquet. He heard from He Lin that Qiao Nian would also go, so he called Qiao Nian to ask her about her situation.

"You...really going?" Feng Yu looked at the girl who was called back by him, but couldn't recover for a long time, frowned, and said, "Didn't you and Ji's family have not reconciled until now? I thought you..."

He thought that Qiao Nian would definitely not go to such an occasion, let alone a gift.

"Because of some personal reasons." Qiao Nian didn't give him an accurate answer, but only vaguely mentioned: "He helped me in country m."

Chapter 2606 Ji Ziyin is coming back

"What?!" Feng Yu was taken aback.

He got up and paced back and forth in the office. After walking for two laps, he stopped in front of the girl and looked at the girl with a dignified expression: "Then are you sure you want to go this weekend?"

Qiao Nian still decides whether to go or not.

If she doesn't go, let Feng Yu bring the gift there.

But seeing Feng Yu's expectant gaze, she thought about it and said, "It should be."

Feng Yu breathed a sigh of relief and smiled: "Then you will come with me when the time comes, and I will go too, we happen to have a company."

"Okay." Qiao Nian had no opinion.

Feng Yu came to her just to ask her about this. Now that he has asked clearly, it is not good for him to keep Qiao Nian in the office.

But before he spoke, he remembered one more thing: "By the way, did you know that Ji Ziyin was coming back?"

"Huh?" Qiao Nian was about to leave, raising his eyebrows when he heard the words, showing little interest.

Feng Yu knew from her appearance that she might not pay attention to this news and said, "Ji Ziyin is coming back."

"She went to country M with you and you. She was brought there by Yu Qingliu, and it seemed that she wanted to introduce her to the hidden family."

The Yu family has fallen like a meteor in just half a month, which is quite embarrassing.

Feng Yu looked at the girl, didn't mention the troubles of the Yu family, only said: "I heard from Martin that Ji Ziyin has been in the M country for more than a week this week, and was honored by the M royal family as a guest."

"...Looks like she was officially accepted by the Hidden Family's circle." He observed the changes in the girl's expression.

Who knew that the girl casually pulled the corner of her mouth, outlined a rebellious arc, put one hand in her pocket and prepared to go: "People's prejudice is like a mountain, it's not so easy to move away!"

"They despise outsiders in their bones, so how could they just accept an outsider."

Acceptance is just for outsiders to see.

Only a fool will believe it.

Qiao Nian lowered her eyes and thought about Ji Ziyin, she couldn't help but smile again: "She... Maybe she will believe it."

After all, Ji Ziyin tried her best to squeeze into a circle that did not belong to her.

She has always been striving for things that are not hers.

For example, the status of Ji's family.

For example, the results of the research institute.

For example, she relies on a stolen notebook.

Qiao Nian is not interested in her affairs: "She will not have good results if she continues like this."

"I think so too." Feng Yu nodded in agreement, which he shared with Qiao Nian.

A person can climb up without relying on himself. No matter how high he climbs, he is a castle in the air. Sooner or later, he will fall down.

The higher you climb, the harder you fall.

"But the news of her friendship with the Hidden Family has already spread, and many forces in the Independent Continent want to curry favor with her again."

"She has raised her eyebrows this time."

"I heard... The Chamber of Commerce Alliance and the Lu family have a good relationship with her again, and I will go to a reception banquet for her tomorrow."

Ji Ziyin made a big joke because of the weapons dealer David.

The Chamber of Commerce Alliance immediately drew a line with her.

On the other side, the old lady Lu was so angry when she received the wind, she once said that she wanted Ji Ziyin to look good.

In the blink of an eye, the attitudes of the two forces changed again.

The Lu family's face is quite ugly this time.

The old lady Lu was about to curry favor with Ji Ziyin, and many forces in the Independent Continent were watching their jokes.

"She also sent me a message about Gu Hengbo, saying that the last time Gu Hengbo was expelled from the First Research Institute was too hasty, and asked me to reconsider that matter."

Chapter 2607 Mrs. Lu touched a grey nose

Feng Yu sneered when he said it: "She probably thought that the First Research Institute would also beg to curry favor with her."

Qiao Nian patiently listened to him, put up his legs, and said, "Just ignore her."

Feng Yu saw that she really didn't take Ji Ziyin to heart, so she didn't mention it anymore. She waved her hand and let her go out: "I came to you to ask you about your meal, so you can go and do it first."

Qiao Nian looked at the time, it was three o'clock.

She didn't waste any more time, she told Feng Yu and left the office.

*

Next day.

Ji Ziyin arrived at Independence Island by ten o'clock in the morning.

Mrs. Lu asked Lu Yiming to pick up the plane with her at nine o'clock: "You hurry up and pack up, we are almost leaving."

Lu Yiming was still wearing home clothes, and he didn't want to change. He stretched out his hand to hold his eyebrows, and said to his grandma very irritably, "I will not go."

"Aren't you and Ji Ziyin good friends? What's wrong with you going to pick up the plane?" Mrs. Lu was not satisfied with his attitude and urged him to change clothes: "Besides, didn't you still have a good impression of her before?"

"Grandma!"

Lu Yiming stopped her with a frown, and said very solemnly, "I already have a fiancée, don't say this outside in the future, those are all over."

"Why are you so dead-headed." Madam Lu was so angry that she felt that he was not enlightened. Ji Ziyin is not what it used to be now, of course she now agrees that the two have something to do.

Lu Yiming didn't want to argue with her, so he went back to his room and changed into some casual clothes.

They arrived at the airport at 9:50.

Mrs. Lu specially called Ji Xiao and asked Ji Ziyin if the plane arrived.

Lu Yiming was absent-minded and unwilling to cooperate with her.

Until Mrs. Lu's complexion changed slightly, her expression became ugly, and she said, "You said she's gone? You didn't tell me before."

Ji Xiao apologized politely: "I'm sorry, Mrs. Lu, I just found out that she went home directly."

"..." Madam Lu hung up the phone with a livid face.

Lu Yiming tilted his head and asked her, "What's wrong?"

The old lady Lu's lips moved, and she couldn't say what she ran to pick up the plane, and put her hot face on her cold buttocks.

She was only annoyed in her heart that Ji Ziyin didn't give face to the Lu family, but she couldn't do anything about her.

*

at the same time.

Ji Ziyin's car has arrived outside Ji's old house. The driver parked the car and turned back to the people in the back row and said, "Miss, we're here."

Ji Ziyin just answered Ji Xiao's call, she didn't take the matter of Mrs. Lu's wasteful trip to heart, she just said, "Don't worry about her, I told you, she's just a piece of shit."

Ji Xiao is not at ease: "There is Lu Zhi behind the Lu family..."

"Lu Zhi has long ignored them." Ji Ziyin just finished speaking, but lowered her voice and hooked her lips with satisfaction: "Even if Lu Zhi still takes care of them, I don't have to be afraid now."

she said and saw that she had reached the place.

Ji Ziyin didn't want to waste time with him, so she said, "I'm here, go see the patriarch first, and hang up."

Ji Xiao didn't have time to speak, so she hung up the phone, opened the door and got off, ready to go in to find Ji Lingfeng.

She came back a few days late this time against Ji Lingfeng's warning, and since He Lin didn't find her again, she wasn't too worried about Ji's side.

But when she comes back this time, she still has to do her best.

So she came back as soon as possible and told Ji Lingfeng.

Chapter 2608 Ji Ziyin had a closed door

Ji Ziyin took off her sunglasses, stepped forward, and prepared to go in.

The bodyguard at the door blocked her way: "Sorry, you can't go in."

When Ji Ziyin heard this, the smile on the corner of her mouth froze slightly, she squinted at him, her pale face turned cold: "Do you know who I am?"

The bodyguard stood in front of her like a big mountain, motionless: "Sorry, no matter who you are, you can't go in without Emperor Ji's order!"

Ji Ziyin's eyes were cold and the corners of her mouth were tight. She didn't want to conflict with him here, so she simply walked away and made a phone call.

She looked for He Lin first.

Ji Ziyin dug out He Lin's phone number and called.

"beep."

After a few beeps, no one answered.

She suppressed her anger, hung up the phone and called again. It was the same situation as before, He Lin didn't answer.

She's more than half of her anger now, and she begins to realize that something is wrong.

Ji Ziyin made three calls to He Lin, but He Lin didn't answer.

She frowned, dug out Ji Xiao's phone and called again.

"Hello." Ji Xiao picked it up in seconds, and immediately asked her, "Didn't you say you were going to see the patriarch, why do you have time to call me?"

Ji Ziyin looked at Ji Lingfeng's bodyguard who was blocking the door like an iron tower, holding a sigh of relief in her heart, she had already walked back.

She opened the car door with one hand and spoke to Ji Xiao with a sullen face: "Did the patriarch mention me recently?"

"Huh?" Ji Xiao didn't understand the meaning of his call: "Mention about you? What did you mention you for? Did you make the patriarch angry?"

Ji Ziyin sat back in the car: "The patriarch never mentioned me?"

The driver saw with his own eyes that she was stopped by the Ji family and not allowed to enter, and Ji Ziyin was on the phone again, he didn't dare to ask a word, and honestly lowered his sense of existence.

Ji Xiao is very sure: "No."

"Since He Lin asked me to look for you last time, he hasn't looked for me since!"

"He Lin has been the right-hand man of the patriarch for so many years. He never looked for me. The patriarch must have never mentioned you."

Ji Ziyin pursed the corners of her mouth, becoming more and more unclear about the situation in front of her.

It is said that even the Chamber of Commerce Alliance and the Lu family know that she is regarded as a guest in the hidden family, and she is in the limelight. It makes no sense that the Ji family does not know about her in country m...

But everyone is extremely cold towards her!

This is the exact opposite of what she imagined her to be back in.

"...Impossible." Ji Ziyin couldn't understand which link went wrong.

Ji Xiao realized later: "Did you encounter anything when you went to see the patriarch?"

Ji Ziyin is no longer the her she used to be. She now has the support of the hidden family behind her, and she speaks a lot with a lot of stubbornness: "No, I'll just ask you."

She lowered her eyes and didn't plan to tell Ji Xiao that she was stopped outside, but instead remembered: "By the way, tomorrow is the patriarch's birthday?"

"Yeah." Ji Xiao relies on her now, so naturally he won't hide it from her: "Saturday, on the first floor of the InterContinental Hotel, He Lin has already told the hotel that the Ji family on the first floor of the hotel will take care of the birthday party tomorrow. "

"Are you going?" He finally reacted quickly.

Ji Ziyin rolled up the car window and put on sunglasses to cover the coldness in her apricot eyes: "Come and pick me up, I'll go with you."

She has a strong sixth sense.

If she goes there alone tomorrow, she may continue to be stopped at the door like today.

Ji Ziyin hung up Ji Xiao's phone, pursed her lips, thought for a moment, and said to the driver, "Don't go back first, I'll go see the people from the Chamber of Commerce Union."

Chapter 2609 Sister Nian is invincible

"Good." The driver turned the car around as she asked.

The blue Bugatti drove away slowly, leaving only one taillight.

The bodyguard at the door saw the car driving away, stared at it, and went in to report to He Lin with a blank face.

**

evening.

Qiao Nian came back from the research institute, went upstairs after having dinner with Qin Si and the others.

The first thing she did when she went back to the room was to take a shower.

The sound of water rushing.

Less than half an hour later, the girl opened the bathroom door and came out, drying her hair outside, putting on a clean T-shirt, and walking back to the room carelessly.

Her house is very clean.

Basically, I don't have much of my own.

A black schoolbag was left on the sofa, and there were some electronic products and a few books on the desk, including two notebooks with black covers.

There is a silver USB flash drive next to the computer on the other desk, which is Ji Qing's USB flash drive that she brought out from the Ji family's punishment hall, and she put it there carelessly.

Qiao Nian didn't go straight to open the laptop, but went to the water dispenser to pick up a glass of water.

She took advantage of the situation to pick up the mobile phone that was thrown on the bed, and relied on the water dispenser to scan the information.

Except Zhou Zhou sent her a few messages.

There is also news from the Red Alliance.

【Slim waist control: Successfully completed the task, I am back to Beijing to be a teacher~ Boss remember to send red envelopes in the group! 】

Qiao Nian couldn't help raising the corners of his mouth.

She lowered her head and leaned on the side, sent a few big red envelopes to the group, then closed the group message, and turned out the slim waist-controlled WeChat Aite.

【Go grab it. 】

She closed the page of Slim Waist Control and found that there were still people looking for her on WeChat.

Qiao Nian's eyes touched the ID of the person who was looking for her, the corner of his mouth narrowed in a smile, and the light in his eyes dimmed.

She clicked on Lu Zhi's dialog box.

"Have you been to Independence Island?" This was the news more than a week ago.

Then three days ago.

"Why didn't you get back to me?"

Qiao Nian looked down, and yesterday he also sent a message to himself, as if nothing had happened:
"You forgot to promise me to like the circle of friends, you haven't liked me for more than a week, don't forget already."

Then an hour ago, Lu Zhigang sent a message.

"Did I do something wrong?"

"..." Qiao Nian looked at his last message, didn't move for a long time, and didn't know how to respond to him.

The light in the room shone on her body, and the misty outline of the girl's excessively cold figure.

She lowered her head and didn't move for a long time.

After , the coldness in his eyes was restrained, and he turned off Lu Zhi's avatar and stopped looking at it.

at the same time.

Qiao Nian's phone vibrated.

She looked at the latest news, it was Guan Yan.

Guan Yan just finished grabbing the red envelopes in the group.

She was lucky, she took the biggest one, and she was so angry that her waist was slender and wow wow.

She herself came to Qiao Nian without any psychological pressure.

Qiao Nian picked up her phone, took the mug and walked towards the desk, hooked the chair with his feet and sat down: "Speak."

"Boss, are you in a bad mood? Who messed you up?" Guan Yan made two jokes and cut to the chase: "The guy David said that the things you want have been shipped to Independence Island. I just sent them to Independence Island. Someone to pick it up, when will it be delivered to where you live?"

Qiao Nian heard that the things had arrived, and then he remembered the things he asked her to help transport: "So fast?"

"Daji's waterway." Guan Yan mentioned this and said with a smile on his face: "You know our waterway is invincible."

Chapter 2610 looks like an ordinary express box

f Continent forces, they are the best at water transportation.

None of the dungeons have an advantage over them.

So the waterway they go every time they deliver.

Speed is fast and steady.

"sun, what time do you think it's convenient? I'll send it to you." She waved one of her subordinates to go out first, and went to the window to call Qiao Nian.

Qiao Nian opened the laptop, rested his elbows on the table, raised his eyelids, and said lazily, "Send it to me when you get it, I'll use it tomorrow."

Guan Yan looked at the time on his watch, made an estimate, and said to her, "Okay, I'll deliver it before ten o'clock."

Qiao Nian: "Hang up."

She put her phone aside, opened the app, and began to focus fully on her computer.

It was nine fifty in the blink of an eye.

Guan Yan personally drove over to deliver the goods.

She knocked on the door of the villa and greeted the man who opened the door: "I'm looking for Sun, is she there?"

Gu San hasn't had time to answer.

Qin Si in heard the voice and came: "...Why are you here?"

What he meant was, why didn't Guan Yan come over and tell him.

Who knew that Guan Yan calmly walked in sideways: "I'm sorry, I didn't come to you."

Qin Si followed: "Are you looking for Sister Qiao?"

He stopped playing games and said anxiously, "I'll go up and call her."

Guan Yan saw him running up to look for someone, and when he saw the man who came out of the study to get a drink, he greeted politely, "Mr. Ye."

Ye Wangchuan took out a bottle of mineral water from the refrigerator, and when he saw her, he remembered who it was, and nodded: "Looking for Niannian?"

Guan Yan raised the cardboard box in his hand and said, "I'm here to deliver something to Sun."

Ye Wangchuan saw what she was holding and basically guessed that what she brought should be a birthday present prepared by Qiao Nian for Ji Lingfeng.

So he came over with the water and asked in a very gentlemanly manner: "Do you want me to call her for you?"

Guan Yan had a good impression of him, her beautiful eyes blinked, and she said politely, "No need, Qin Si called for me last time."

She is just being scheming, not morally corrupt.

Friends' men can't touch this, she knows very well.

And she has been entangled by someone recently, and she has plans to close her heart. As for whether she will be together after her heart is closed... Guan Yan is still not sure if she can give up the joy of traveling south and north, and concentrate on staying in one place.

After she politely declined Ye Wuchuan, she found a place in the living room to sit down and wait for Qiao Nian to come down.

Gu San made her a cup of coffee and put it down.

Ye Wangchuan accompanied her in a master-like manner and waited for Qiao Nian to come out.

Qiao Nian came downstairs soon.

She saw Guan Yan sitting in the living room with Ye Wuchuan present, so she walked over: "Have you got the thing?"

Guan Yan handed her the half-meter-high box: "Hey, this, I'll send it to you as soon as I get it."

The carton is packed tightly, from the outside it looks like an ordinary courier, and I don't know what is inside.

Qiao Nian didn't open it, so he said to her, "How do you go later?"

Guan Yan smiled and said, "The driver is waiting for me outside. I'm just here to deliver things to you. The things are delivered, and I'm going to go back to sleep."

Qiao Nian was about to say, "I'll take you out."

Qin Si stopped her: "I'll come, I'll come."

Guan Yan gave him a sideways glance, but he had no objection. He nodded slightly and said to Qiao Nian, "Sun, I'll go back first."
