

## Madness 423

Son In Law Madness Chapter 423

The Meeting To Divide Pollerton Lilith shook her head. "Beats me. We don't know where the radiation is coming from." "Alright.

Top brass has ordered for us to place Chiliad Avion on lockdown.

There are only seven or eight people who know about Lord Campbell, so they must be contained in the laboratory!" Ryan said as he walked off.

scope of his business and didn't dare make any moves until Tristan returned. The Yund family, the Wheeler family, the Freedman clan, the Campbell clan, the Winston family, the Wilson family, Silas, and Akio had all entered Pollerton and set their sights on the reclamation area. As if that wasn't bad enough,

his presence alone gave those around

was seated at the table with an old man standing behind

he recognized the old man. That's the former top assassin! He's made it into the top hundred among the assassins overseas! The third guy at the table was Holton. Despite looking no more than thirty with his red suit and friendly smile, he was one of the three Lords of Underground. Standing behind him was a beautiful woman

helped Holton become one of the Lords of Underground. Not only was she able to handle things with great finesse, but she was also a

family, which
