

A Man Like None Other

Novel

Chapter 191

Jordan faced David, the chills spread all over his body in an instant, the whole person was like falling into an ice cave!

"Chen...David...you...don't come here, you have abolished so many people in the Chilong Gang, and the Chilong Gang will definitely not let you go..."

At this time, Jordan was still threatening David with the Chilong Gang!

"Do you think I'll be afraid of the Chilong Gang?" David walked up to Jordan with a sneer on his face: "I'm giving you a chance, you can continue to call people from the Chilong Gang, but this time you can Call some experts..."

Jordan looked at David with doubts in his eyes, but he still slowly took out his phone!

Seeing that David didn't stop him, Jordan called Liao Feixiong!

"Young Master Xiao, it's over so soon, do you want to send the final payment?"

Liao Feixiong asked excitedly after the phone call.

"Brother Xiong, your people have been abolished, you are not an opponent at all, and the members of your Chilong Gang are too bad..."

Jordan was very dissatisfied and complained that even David couldn't deal with thirty people!

As soon as Liao Feixiong heard it, he stood up with a rub: "What did you say? All my people have been abolished?"

"No, everyone with broken arms and legs is crying. If you don't believe me, just listen..."

Jordan said, and put the phone close to the Chilong Gang members lying on the ground!

The tragic shouting made Liao Feixiong suddenly furious!

"Paralyzed, whoever dares to touch our Chilong Gang, tell me the address, and I'll go over right away..."

Liao Feixiong yelled!

After telling the address, Jordan hung up the phone, and then looked at David proudly and said, "David, you have completely angered the Chilong Gang, Brother Xiong will be here soon, don't leave if you can, take a look. Can you still be so arrogant..."

David raised the corner of his mouth: "I told you to give you a chance, I will give it, I will wait here..."

David found a place and sat down without any signs of trying to escape!

Seeing that David really didn't escape, Jordan's eyes became more and more cruel, as long as Liao Feixiong came, David would definitely die!

About ten minutes later, a number of cars came quickly, and then Liao Feixiong and his men got out of the car!

"Hahaha, David, you are dead, Brother Xiong is here..."

Seeing Liao Feixiong coming, Jordan laughed proudly, and then hurried up to meet him!

Liao Feixiong got out of the car and looked at the mourning of his subordinates all over the ground, and immediately became furious: "Who?

Liao Feixiong's roar resounded for hundreds of meters in a radius, Jordan shivered with fright when he heard Liao Feixiong's roar!

"it's me..."

David got up slowly and walked towards Liao Feixiong!

When Liao Feixiong saw David's face clearly, he was immediately stunned, so scared that he dared to say a word!

"Brother Xiong, it's this kid who beat up these people from your Chilong Gang, you can't let him go..."

When Jordan saw that David dared to admit it, he immediately said excitedly!

But who knows, just after Jordan finished speaking, Liao Feixiong walked quickly to David, and said with a respectful look: "It turned out to be Mr. Chen, I'm really sorry, I really didn't know it was you..."

Jordan saw that Liao Feixiong actually apologized to David with a respectful attitude, the whole person was so stupid, his eyes were about to pop out!

"Brother Xiong, what are you doing? Why are you apologizing to him? He's just a prisoner who just got out of prison. You don't need to be afraid of him..."

Jordan said with a puzzled face!

"Shut up..." Liao Feixiong turned around and slapped Jordande on the face.

Chapter 192

Liao Feixiong continued to face David: "Mr. Chen, I really don't know that Jordan is going to deal with you. If you know, I won't take any money you give me. I also hope that Mr. Chen will have a lot of money, please forgive us. once!"

But before David could speak, Jordan yelled like crazy: "Why, why is this? Your dignified Chilong Gang is so afraid of a labor prisoner, and you still call yourself the biggest in Horendel. Gang..."

Jordan couldn't understand why Liao Feixiong was so afraid of David, and what was so scary about David? Can't you just hit some? There are hundreds of people in the Chilong Gang. If David can fight, can he beat hundreds of people?

"What did you say? It's not your turn for the Chilong Gang to point and tell. Believe it or not, I can kill you now?"

Liao Feixiong turned around and looked at Jordan coldly!

Feeling the murderous aura on Liao Feixiong, Jordan instantly closed his mouth!

But at this moment, the mountain suddenly shook, and then a group of black people rushed towards here!

There are hundreds of people with weapons in their hands, and the movement is like an earthquake!

Looking at these people who suddenly appeared, Liao Feixiong was a little stupid, and Jordan was also stunned. He didn't understand who these people suddenly appeared!

But soon, they saw clearly that Lin Tianhu was leading the hundreds of people, which meant that these people were all from Juyitang!

When Liao Feixiong saw Lin Tianhu coming, his face became extremely ugly, while that Jordan stood dumbfounded and watched Lin Tianhu lead people past him!

“Protect Mr. Chen, no one is allowed to let go...”

Lin Tianhu shouted angrily!

“Yes...”

The hundreds of gangs in Juyitang roared angrily, and then blocked the entire road!

“Mr. Chen, are you alright?”

Lin Tianhu hurriedly walked over to David and asked.

“Do you think anything will happen to me?” David smiled slightly!

Dong Lei was stupid, he never thought that Lin Tianhu brought so many people to protect David, and Lin Tianhu’s attitude towards David was so respectful!

One is the Chilong Gang and the other is Juyitang, but they are the biggest gangs in Horendel, but at this time, both gangs are respectful to David!

“Liao Feixiong, you Chilong Gang dare to attack Mr. Chen, believe it or not, I will destroy you now?”

Lin Tianhu looked at Liao Feixiong angrily and said.

Liao Feixiong's face was full of dissatisfaction, but he knew that this was not the time to be a hero, and the gang leader Feng Sihai had not returned, so they could only swallow their anger temporarily!

"This is a misunderstanding, all caused by that Jordan..."

Liao Feixiong explained!

When Lin Tianhu heard this, he looked directly at Jordan who was not far away. Jordan trembled when he saw Lin Tianhu looking at him.

Lin Tianhu walked quickly to Jordan, slapped Jordan fiercely and said, "You still dare to do something to Mr. Chen, believe it or not, I will kill you now and destroy your Xiao family..."

Lin Tianhu is not bragging, with the strength of Juyitang, he can really destroy the Xiao family!

"Lin Tianhu, our Xiao family is kind to you, but you actually helped others and beat me?"

Jordan was going crazy right now, his brain was already stimulated!

"If it wasn't for your Xiao family's kindness to me, do you think you could still stand here?"

Lin Tianhu looked at Jordan coldly and said!

Jordan didn't dare to look directly into Lin Tianhu's eyes. He couldn't understand why these people were so respectful to David!

"Mr. Chen..."

At this moment, Gu Wentian and Tang Long also hurried over!

Seeing that David was fine, Gu Wentian let out a long sigh this time and said, "I heard that Mr. Chen was asked for trouble by the Chilong Gang, so I rushed over immediately, just as long as Mr. Chen is fine... .."

Chapter 193

Gu Wentian had just arrived, when Ruben and Sonya also hurried over behind him.

As soon as Sonya arrived, she nervously checked David's body, for fear that David would be injured!

Seeing that everyone with heads and faces in Horendel came, Liao Feixiong didn't dare to breathe anymore, and he hated that Jordan for a long time in his heart!

At this time, Jordan was completely dumbfounded. It would be okay to say that one Liao Feixiong and one Lin Tianhu were respectful to David. After all, these people are all gang forces, and they are more martial. Seeing David's strength and showing respect can be justified. !

But this Gu Wentian is a retired member. It can be said that Lin Tianhu and Liao Feixiong are not the same people. Although Gu Wentian has retired, his weight in Horendel is still very heavy. Otherwise, Gu Wentian will hold a show. At the banquet, almost all the rich businessmen in Horendel went to the banquet!

Now that Gu Wentian is so respectful to David, this is a bit unreasonable, and it makes Jordan feel even more stunned!

"This... what's going on? Didn't David have been dumped by Sonya? Didn't he move out of the Pinerest Villa? He has already become a salesperson, how could Sonya treat David like this? nervous?"

Delia hid behind Jordan, looking at everything in front of her, her whole face was dazed!

When Sonya heard Delia's words, she walked over with a full face and slapped Delia when she went up. Delia didn't dare to fight back when she was slapped, and Jordan was even more motionless. At this time, where is Jordan? Dare to move!

"b!tch, it's fortunate that you left David, otherwise you will only embarrass David with your appearance. It seems that God is fair, and let you b!tches make up a pair..."

Sonya said to Delia with contempt on her face!

Delia and Jordan blushed when they were told, but no one dared to fight back!

"Mr. Chen, how do you deal with these two?"

Lin Tianhu pointed at Jordan and Delia, and asked David.

Seeing Lin Tianhu ask such a question, Jordan and Delia's legs suddenly softened, and they almost knelt on the ground. In this situation, David said a word, their lives would be lost!

"I beg Mr. Chen to be merciful, forgive me this time..."

Before David could speak, Xiao Yan rushed over, disregarding his identity, and knelt down in front of David!

The Xiao family has good strength, but at this time, they are facing the most powerful people in Horendel. No matter who stands up, they can make their Xiao family go bankrupt. At this time, Xiao Yan has no choice but to kneel!

Otherwise, Jordan's life may not be guaranteed, and the foundation of the Xiao family may also be buried here!

"Dad...you...you...this is..."

Jordan was surprised when he saw that his father knelt down directly to David in front of everyone!

After all, the Xiao family is a wealthy family. As the head of the Xiao family, Xiao Yan actually knelt down to such a young man as David!

"You ba5tard, don't come over and kneel down for me..."

Xiao Yan pulled Jordan hard, and then slapped him fiercely and said!

The father and son of the Xiao family knelt in front of David, and now behind them, Delia stared blankly at everything in front of her. She couldn't believe what she saw would be true, she dared not and couldn't believe it...

"b!tch, it's all because of you that you killed my son, you haven't kneeled down yet..."

Xiao Yan got up and kicked Delia fiercely, kicking Delia directly to the ground, causing Delia to kneel down too!

Seeing Xiao Yan's low-lying and desperately begging for mercy, the corner of David's mouth slightly raised!

"Let's go..."

David walked away, and Lin Tianhu and Gu Wentian also took people away!

Liao Feixiong didn't dare to stay any longer, and took all his injured members away. In the end, the father and son of the Xiao family and Delia were left kneeling on the ground!

Chapter 194

"Why? Why is this? What's so great about David..."

Jordan roared desperately, he couldn't understand, isn't David a labor prisoner, why so many people praise him and respect him!

Snapped!

Xiao Yan gave Jordan another slap, making Jordan shut his mouth instantly!

"I tell you, from now on, you are not allowed to provoke that David, you have to respect him when you see him, I know you hate him in your heart, but it's not too late for a man to take revenge for ten years, when you don't have the strength to deal with him, You'd better put away your dignity, or you will be in trouble..."

Xiao Yan got up and reprimanded Jordan with a serious face!

Jordan's eyes flickered with coldness, he nodded slightly, he would not let David go, but when he did not have the strength to deal with David, he would temporarily put away his edge.

Otherwise, with the few people who came today, it would be easy for any of them to deal with their Xiao family. If several families unite, their Xiao family will die without a place to die!

Seeing that Jordan understood his words, Xiao Yan sighed and patted Jordan's shoulder lightly: "Let's go, I hope you can grow up this time..."

"Brother Lei, Brother Lei..."

Seeing that Jordan was going to leave with Xiao Yan, Delia hurriedly hugged Jordan's leg!

She only has Jordan now. For Jordan, she offended David. If Jordan doesn't care about her now, what will she do in the future?

Jordan looked at Delia with some reluctance in his eyes!

"Go away..." Xiao Yan, who was on the side, kicked Delia fiercely: "b!tch, I have long thought that you are a bum..."

Originally, Xiao Yan didn't quite agree with Jordan and Delia's marriage. After all, the two were not in the same league, but Jordan insisted on marrying Delia, and Xiao Yan had no choice!

Now because of Delia, such a thing happened, how could Xiao Yan agree to Jordan and Delia being together again!

Xiao Yan and Jordan left, Delia lay on the ground and cried bitterly!

On the other side, David sat in Sonya's car on the way home, and asked curiously, "How did you know that Chilong helped me trouble you?"

David was very surprised, how did Gu Wentian, Lin Tianhu, and Sonya know that they were here.

"It was my uncle and aunt who called me. After I found out, I immediately asked my dad to contact Lin Tianhu and Gu..."

Sonya replied!

"My parents called?"

David was slightly taken aback!

But soon he figured it out, it must be Sun Xiaomeng who notified his parents, and then his parents were desperate, so they contacted Sonya. After all, in their impression, a rich girl like Sonya must be very powerful. !

When Sonya saw David at the gate of the community, she left without getting off the bus. After all, David's parents may still have some misunderstandings about Sonya!

After David got out of the car, he just took two steps and found that Wang Hanhan was looking at him secretly behind a big tree!

Seeing that David had discovered him, Wang Hanhan wanted to run away, but was stopped by David.

"Hanhan, it's so late, what are you doing here?"

David asked strangely.

"Oh, it's nothing, I just finished eating, I came down for a walk, you go back quickly, Uncle Chen and the others are still worried about you..."

After Wang Hanhan finished speaking, he hurried away!

"What's wrong with this girl?" David looked at Wang Hanhan's back, shook his head, and walked quickly towards the house!

At this time, at David's house, Barbara was wiping away tears, Chen Baoguo was smoking a cigarette with a sad face, Sun Fuhai and Sun Xiaomeng were there, and Wang Changfeng was also comforting Barbara!

"Barbara, don't worry, David will be fine, maybe he will be back soon!"

Although Wang Changfeng was comforting Barbara, his face was also full of worry.

Chapter 195

"Dad, Mom, I'm back..."

Just as Wang Changfeng finished speaking, he heard David shout!

When everyone heard that David was back, they all got up and went out!

When David saw so many people coming to his house, he couldn't help but be stunned!

"David, are you alright..."

Barbara pounced on it, groping with both hands, trying to see if David was injured!

"Mom, I'm fine, it's fine, I'm just hungry, I haven't eaten yet!"

David said with a smile.

"It's alright, it's alright, Mom will prepare a meal for you..."

Barbara looked happy.

"Barbara, I'll go with you..." Wang Changfeng helped Barbara into the kitchen!

"Uncle Sun..." David shouted at Sun Fuhai!

"David, are you really okay?" Sun Fuhai looked at David: "As soon as Xiaomeng came back and said, I felt bad, because I knew that the Porsche was the car of the eldest young master of the Xiao family. Jordan has a holiday again, he will definitely not forgive you lightly, but unfortunately no one I know dares to offend the Xiao family, so I can only be anxious..."

"Uncle Sun, it's really okay, didn't you see that I'm fine, thank you Uncle Sun for worrying..."

David is still very grateful to Sun Fuhai for worrying about him so much!

"Since it's okay, it's getting late, we're leaving..."

After Sun Fuhai finished speaking, he left with Sun Xiaomeng.

Although Sun Xiaomeng didn't speak, David could see the worry about him in Sun Xiaomeng's eyes!

David rested after eating, and Wang Changfeng also rested for a while and left!

The next day, David went to Pine Bay to practice for another day. Although the progress was not great, it was better than nothing!

Going to work on Monday, David just arrived at the sales department and found that the atmosphere in the sales department was a bit wrong!

"Every Monday, President Xing will hold a meeting for us. Why is there no news today?"

"Yeah, I've been here for three years, and I've never missed a meeting. What happened today?"

"Mr. Xing won't be sick, right?"

Everyone in the sales department was whispering.

"Okay, don't talk nonsense, I'll know what's going on when Zhiyuan comes back!"

Sun Xiaomeng said to everyone!

Soon, Cui Zhiyuan came back with a document in his hand!

"Manager Cui, what's the matter with President Xing?"

"Yeah, I don't seem to see him at work today!"

"On Friday, I heard that President Xing left before get off work..."

Everyone asked Cui Zhiyuan.

"Mr. Xing was fired and has left the company..."

Cui Zhiyuan said a little dejectedly.

After all, after working with Xing Jun for many years, Cui Zhiyuan did not curry favor with Xing Jun. He also hoped that with the contract signed by David, he would be able to climb to the position of purchasing manager. When Xing Jun was fired, his hopes were dashed!

"Ah? Why? Then who will be the general manager of the company?"

"It was too sudden, and I didn't get any news!"

"That's right, as soon as Mr. Xing leaves, if someone else is sent, we are afraid that we will suffer!"

"The three fires of the new official's appointment, let's wait for the fire!"

Everyone, you are talking about me!

"Shut up for me!" Cui Zhiyuan shouted angrily, he was already depressed enough, these guys were still chattering!

Everyone shut up and looked at Cui Zhiyuan quietly!

"No matter who is the general manager, our sales department must be of one mind. Only in this way will no one dare to bully us..."

Cui Zhiyuan was afraid that the new general manager would dispose of him, so he wanted to draw these people from the sales department together in advance!

"Yes, we listen to Manager Cui and advance and retreat together..."

“Whatever Manager Cui tells us to fight, we only listen to Manager Cui alone!”

“Don’t worry, Manager Cui, we only listen to you...”

Everyone in the sales department expressed their allegiance to Cui Zhiyuan!

Chapter 196

David snorted coldly at this time, which made Cui Zhiyuan feel very uncomfortable!

“David, what do you mean?” Cui Zhiyuan asked.

“It doesn’t make any sense. You want to treat the company as your own home? You are just a small department manager, and you dare to form a gang?”

David said with disdain!

“It’s true that I’m a small department manager, but I’m also your immediate boss. I now announce that you have been fired...”

Cui Zhiyuan said with a gloomy expression!

There used to be that Xing Jun, who wanted David to work in the company, and then found an opportunity to humiliate David. Now that Xing Jun has been fired, Cui Zhiyuan has no scruples!

“Why did you fire me?” David asked coldly.

“Why? Just because I am your boss, in the sales department, I will fire anyone I want. Don’t you have a mansion? You don’t need to experience life here, you can leave now...”

Cui Zhiyuan doesn't want David to stay here, because David is a ticking time bomb, disturbing his entire sales department!

"Zhiyuan, how can you say that David also signed Tianmei's contract, can you..."

At this time, Sun Xiaomeng spoke up, she wanted to plead for David!

"Shut up for me!" Cui Zhiyuan yelled at Sun Xiaomeng, "I see if you like this kid? You actually plead for him? The day before yesterday, you even prepared a dinner party for him for him. Pushed it, we didn't even discuss the marriage, did you fcuking like him..."

Cui Zhiyuan roared with a flushed face, which made Sun Xiaomeng instantly embarrassed.

"You... what nonsense are you talking about?" Sun Xiaomeng explained vigorously: "It was because David was in danger at that time, I went to tell his family where he went, where did you think of going..."

"Stop talking nonsense, I must fire him today, and no one will stop me..."

Cui Zhiyuan's eyes were wide open, like a mad lion!

David also knew at this time, why Cui Zhiyuan was suddenly abnormal today, it turned out to be because Sun Xiaomeng didn't go to the dinner because of himself!

Everyone in the sales department watched silently, no one would intercede for David, even Zhang Tongjian, who was in the same group with David at the beginning, was silent!

Wang Lanlan's face is gloating. She is not gloating about David being fired, but because Cui Zhiyuan quarreled with Sun Xiaomeng. If the two separated, she would have a chance to stay with Cui Zhiyuan in an open and honest way!

In fact, the two of them have secretly engaged in it several times, all of which were initiated by Wang Lanlan, and Wang Lanlan is Sun Xiaomeng's best friend. Every time there is something, the three of them go together, also to be able to follow Cui Zhiyuan to have more. Opportunity to get in touch!

Now that Cui Zhiyuan has a rift with Sun Xiaomeng, Wang Lanlan is already excited!

"Manager Cui, you..."

"Shut up for me, and if you don't want to do it, get out of here..."

Wang Hanhan wanted to plead for David, but Cui Zhiyuan scolded him back as soon as he said the words!

David looked at Cui Zhiyuan coldly, and his eyes became more and more cold: "You are not qualified to fire me, but to be fired, I think it is you..."

"What?" Cui Zhiyuan was stunned for a moment, then burst out laughing: "David, can you stop bragging all the time? I am the biggest in the sales department, I will fire anyone I want, unless you are not an employee of my sales department. It's a pity that you are now, so you have to obey my arrangements, and you still want to fire me? You don't follow your own virtues..."

"I know what I am like, but unfortunately you can't see yourself clearly. Soon you will know who was fired..."

After David finished speaking, he sat directly back to his workstation!

Chapter 197

Seeing that David still dared to sit back, Cui Zhiyuan immediately roared, "David, are you shameless, do you still want to stay in the sales department and not leave?"

"This is the first time I see an employee who has been fired and still doesn't leave. How shameless are you?"

Wang Lanlan said with a sneer.

"That's right, hurry up and don't mess up our sales department!"

"Dignified gentlemen, can't you find a job? Why don't you go?"

"It's really a long experience, and there are such skinny people!"

Everyone in the sales department also mocked David, and they used this to curry favor with Cui Zhiyuan!

"Don't worry, I won't rely on the sales department..."

David packed up his things and walked straight out!

"Brother David..."

Seeing that David was really going, Wang Hanhan hurriedly chased after him.

Although Wang Hanhan was naturally angry with David for the past two days, she still couldn't bear to see that David was really fired!

"Brother David, if you really leave, I won't be here anymore. This broken company has nothing to do!"

Wang Hanhan doesn't want to do it anymore!

"Don't be silly, I didn't say I wanted to leave, I just left the sales department. Just do your job well. The company is a good company, but Cui Zhiyuan is too bad!"

David smiled slightly!

"So, are you going to another department?" Wang Hanhan was taken aback!

"That's right!" David nodded!

Wang Hanhan didn't say anything when he saw that David was only mobilizing the lower department!

"David, do you want me to find a new job for you?"

Sun Xiaomeng walked over and said.

"No, thank you!" After David finished speaking, he left immediately!

Seeing David finally leaving, Cui Zhiyuan let out a heavy sigh. After a while, no one in the sales department dared to oppose him. After David came, he went against him everywhere, and he was still not obedient. Cui Zhiyuan wanted to put him drive away!

"Let's all continue to work, don't discuss the general manager's affairs, no matter who the headquarters sends over, as long as our sales department is dedicated, there will be no problem!"

Cui Zhiyuan walked back in David and said to everyone in the sales department!

Everyone went back to work, but after a short time, the general manager's secretary came to the sales department!

"Manager Cui, Su Dong is here and asked everyone to go to the conference room for a meeting, saying that there is something to announce..."

The secretary said to Cui Zhiyuan.

"Secretary Li, is it because of the appointment?" Cui Zhiyuan hurriedly asked with a smile on his face.

"It should be!" Secretary Li nodded.

"Does Secretary Li know that the person brought by Su Dong is a man or a woman, and what is their identity?"

Cui Zhiyuan wants to know the situation in advance!

"I didn't bring anyone, just Su Dong came by himself!" Secretary Li said!

"Didn't you bring anyone?" Cui Zhiyuan was taken aback for a moment, and then he asked, "Isn't it an appointment? Isn't it dispatched from the headquarters?"

"No, he was promoted directly from the company. Su Dong didn't bring anyone from the headquarters. Manager Cui, hurry up and get ready and bring someone over!"

Secretary Li left after speaking!

Confused, Cui Zhiyuan walked out of the office with a frown, and said to everyone in the sales department, "All stop what you are doing, let's go to the conference room for a meeting..."

"Manager Cui, is it a matter of appointing a general manager?" someone asked.

"Well, Director Su is here because of this!"

Cui Zhiyuan nodded.

"Does Manager Cui know who was appointed this time? Is it a man or a woman?"

Wang Lanlan hurriedly asked.

"It wasn't sent from the headquarters, it was said to be promoted from within the company..."

Cui Zhiyuan said!

In a word, everyone was stunned for a moment, and then they analyzed: "Who is qualified to be the general manager of the company?"

"I think Manager Cui is qualified. Our sales department just signed the big order of Tianmei. It is impossible for the headquarters not to know!"

"I also think that Manager Cui is the most qualified. To know that the general manager must understand the product and understand the sales. There is no more suitable manager than Cui!"

"Manager Cui, if you become the general manager, you can't forget us..."

A group of people surrounded Cui Zhiyuan one after another, and said Cui Zhiyuan as if he was the general manager soon!

Chapter 198

Cui Zhiyuan felt very comfortable listening to it himself, with a smug look on his face.

"Don't worry, I really want to be the general manager, and the salary of the sales department will definitely be improved..."

Cui Zhiyuan waved his hand and said.

"Long live Manager Cui..."

"Manager Cui is great, the position of this general manager must belong to Manager Cui!"

“Manager Cui became the general manager. The position of sales manager must be Xiaomeng. Congratulations to Xiaomeng!”

Someone started to congratulate Sun Xiaomeng!

After all, Cui Zhiyuan and Sun Xiaomeng are lovers, Cui Zhiyuan became the general manager, and Sun Xiaomeng’s position as a sales manager will definitely not be able to escape!

Everyone congratulated Sun Xiaomeng, and Wang Lanlan was also happy, pretending to congratulate Sun Xiaomeng, but she was already jealous!

“Okay, it hasn’t been announced yet, don’t make a fuss, let’s go to the meeting!”

Cui Zhiyuan urged!

Soon, Cui Zhiyuan led everyone from the sales department towards the conference room!

Just after Cui Zhiyuan walked into the conference room with everyone from the sales department, he saw that David was actually inside. He saw David holding a tissue, wiped the chair of the main seat, and sat directly on it!

“David?” Seeing David, Cui Zhiyuan said with surprise: “Why are you here? Who told you to come? Didn’t he let you go?”

“This is not your home, and this is not the sales department, so you are in charge?”

David smiled lightly!

“David, do you know where this place is? And do you know who it is when you sit down? You’re just courting death...”

Wang Lanlan said with a sneer when she saw that David was actually sitting in the chairman's seat!

"Brother David, you...what are you doing here? Could it be that you have been transferred to logistics?"

Wang Hanhan saw that David was cleaning the tables and chairs just now, and thought that David had become a logistics cleaner!

"David, this is the chairman's seat, even the general manager is not qualified to sit, you hurry up..."

Sun Xiaomeng winked at David.

If David is discovered, I am afraid he will be kicked out immediately!

"This is my position, why should I get up?"

David said indifferently!

"Haha, David, can you stop bragging? This is the chairman's position. Now Chairman Su is in the company. If she sees it, you will die..."

Cui Zhiyuan said with a big smile!

"Manager Cui, although you fired David, the personnel department has not filed it yet. Now David is still in our sales department. If he is discovered by the chairman and the chairman is angry, will it implicate you?"

Someone reminded Cui Zhiyuan!

This time, Cui Zhiyuan panicked. Although he fired David, only the sales department knew about it, and he had not gone through the personnel department. If David really messed up here, the final punishment would be their sales department.

Thinking of this, Cui Zhiyuan's face became more and more ugly, his eyes stared at David and said: "David, get up for me now and get out, this is not a place for you to stay, I know what your kid thinks, do you want to? Taking advantage of this opportunity, and then making trouble here and ruining the reputation of our sales department?"

When everyone heard it, they all accused David. If the chairman punished their sales department, none of them would be able to run away!

"David, hurry up, don't make a stinky fish fill the pot!"

"I really didn't expect you to be this kind of person, with enough scheming, to take revenge on us in this way!"

"We all kick him out, if he doesn't leave, we'll throw him out..."

Everyone in the sales department shouted around David!

However, David was still sitting in the chairman's seat as if nothing was happening, and had no intention of getting up.

Chapter 199

"David, if you're not going out, can I call someone to do it?"

Seeing that David had no intention of moving, Cui Zhiyuan roared with anger!

"If you dare to do something to me, then please..."

David smiled coldly!

Cui Zhiyuan was completely angry, and he didn't care about anything anymore. He said to the people in the sales department, "You guys take David out to me and throw it out. You're just a rogue, something..."

When everyone in the sales department heard this, they moved towards David together, intending to carry David out!

“Stop it, stop it all...”

Sun Xiaomeng shouted loudly!

Wang Hanhan is also on the side desperately preventing everyone from doing anything to David!

“Xiaomeng, what are you doing?” Cui Zhiyuan frowned!

“Zhiyuan, I advise David to go out and don’t do anything. If Su Dong sees this, we will all be scolded...”

Sun Xiaomeng said to Cui Zhiyuan!

Cui Zhiyuan was right when he thought about it. If he made a mess in the conference room, if Su Dong knew about it, he would definitely be scolded!

“That’s fine, let him get out of here, or just throw him out of the window...”

Cui Zhiyuan nodded!

Sun Xiaomeng looked at David and said helplessly: “David, you better go, staying here will only make you more humiliated, if Su Dong sees you sitting here, he will definitely ask the security to beat you up. go out...”

“She won’t...” David shook his head!

“David, you have seen Su Dong, don’t look at Su Dong as a girl, she is very angry, I kindly advise you, if you listen, then treat me as not saying anything!”

Sun Xiaomeng was also a little angry when she saw that David was not good enough!

“Brother David, you’d better go, it’s useless to sit here...”

Wang Hanhan also persuaded David!

“It’s not that I don’t leave. If I leave, no one will open this meeting today, and you will all be punished...”

David smiled slightly!

“David, you are so shameless, who do you think you are? No one will hold the meeting after you leave? You still can’t preside over this meeting today?”

When Wang Lanlan heard David’s words, she was so disgusted that she almost vomited!

Others also looked at David with contempt, even a shameless person would not say such a thing!

“David, do you want shame? I’ve never seen you such a shameless, bragging person...”

Cui Zhiyuan attacked David with vicious language!

Sun Xiaomeng was also very angry at this time, and glared at David: “David, I’m asking you, are you going to leave?”

“Brother David, let’s go, let’s go quickly...”

Wang Hanhan pulled David’s sleeve!

At this moment, the door of the conference room was suddenly pushed open, and Sonya walked in with the other executives of the company!

Seeing Sonya arrived, everyone was startled.

Then Cui Zhiyuan was even more stunned, and his face changed greatly, because at this time David was still sitting in the chairman's position!

"What's the fuss about?"

Sonya heard the chaos in the conference room outside, so she asked aloud.

When Sonya asked this question, Cui Zhiyuan was suddenly full of despair!

I'm done thinking!

He didn't know how to explain it. Now that David is sitting in the chairman's position, and he is still in his sales department, how can he explain it?

Could it be that there is something wrong with David's brain?

"Manager Cui, what's going on?"

Seeing that no one answered Sonya's words, Secretary Li glared at Cui Zhiyuan and asked.

"Oh, Director Su, a person in our sales department suddenly lost his mind. He was making a lot of noise in the conference room. I was going to send someone out to take him out to the hospital to see his brain!"

Cui Zhiyuan quickly made up a lie!

"Broken brain?" Sonya frowned slightly: "Who's brain is broken?"

Chapter 200

"It's him, it's that David, who suddenly became crazy, just stupid, and actually sat in the chairman's seat..."

Cui Zhiyuan pointed to David, who was the chairman.

Sonya looked at David and saw David grinning at herself!

"You say he's out of his mind? Stupid?"

Sonya looked at Cui Zhiyuan and asked.

"Yes, I was going to fire him just now, maybe I couldn't stand the stimulation, and suddenly my brain was broken..."

Cui Zhiyuan nodded!

But Cui Zhiyuan's words just landed, and Sonya slapped Cui Zhiyuan's face fiercely!

"I think your brain is broken, right?"

After Sonya finished speaking, she walked towards David and sat next to David!

This time, everyone was stunned, and looked at David and Sonya in unison!

Cui Zhiyuan is even more confused!

"Let me introduce to you, this is Chairman Chen of the company. In the future, I will give him the position of chairman. I hope you can create greater glories under the leadership of Chairman Chen..."

Sonya pointed at David and said!

Chairman Chen?

This time, everyone was startled, and then they looked at David dumbfounded, and everyone in the sales department was dumbfounded!

Then Cui Zhiyuan's eyes were about to pop out, seeing David looking at him with a smile, his legs softened, and he fell directly to the ground!

Wang Lanlan was so frightened that her face was instantly pale, and her mouth was so wide that she couldn't speak!

Sun Xiaomeng looked at David, motionless like a statue!

But Wang Hanhan's eyes suddenly became wet at this time, she finally knew who the woman who drove David to pick up was the Chairman Su in front of her!

Thinking about the gap between himself and others, Wang Hanhan felt a pain in his heart like a needle pierced.

Wang Hanhan began to laugh at herself, laughing at herself for being stupid. She even thought about being a boyfriend and girlfriend with David!

Recalling that David helped her settle the loan, recalling that David easily asked for money back from the company, and easily won Tianmei's contract, Wang Hanhan understood everything!

Compared with the surprise, shock and remorse of everyone in the sales department, other senior executives of the company applauded one after another, welcoming David to take office!

Zhang Tongjian in the corner was clenching his fists tightly at this time. He regretted and really wanted to give himself two punches. If he could insist on standing on David's side and insist on following David's group, would he be right now? Just grabbed a great opportunity?

But there is no if in the world, if you miss the opportunity, you will miss it forever!

"David, don't you have a few words with everyone?"

Sonya looked at David and smiled slightly!

Everyone in the company looked at Sonya's look at David and knew what their relationship was.

"There's nothing to talk about. The rest of the company's departments are business as usual, let's go back to work, and the sales department can stay..."

After David finished speaking, all the other departments left!

"Just wait and see, the sales department is going to be unlucky!"

"I know that Cui Zhiyuan has been targeting the current Director Chen, but I didn't expect that he has a relationship, and going to the sales department is to experience life.

"

"The sales department is about to have a major earthquake, and it is estimated that many people will be fired..."

Cui Zhiyuan, Wang Lanlan, and the rest of the sales department all trembled slightly as they listened to the discussions of other departments!

Cui Zhiyuan's face was already ashen at this time, he knew that he was finished, completely finished...

And Sun Xiaomeng looked at David with a complicated expression, she didn't know what David would do to her!

After all, she didn't target David less in the beginning!

However, many people in the sales department turned their eyes to Wang Hanhan for help. After all, it was good to follow David here, and only Wang Hanhan!
