

A Man Like None Other

Novel Chapter 21 – 25

Chapter 21

David frowned: "I'm really the owner here, I have the key to the house inside!"

David said and took out the key!

This key was given to David by Ruben. The key was inlaid with the golden Pine logo. It was very delicate, and the authenticity of the key could be seen at a glance.

The security guard took the key and looked at David again: "Say, where did this key come from, this is the key to the hilltop villa in Pine, this villa is the most expensive, it was bought by Master Su, why? Maybe it's in your hands?"

When David heard it, he was stunned. He didn't expect that the villa that Ruben gave him was the most expensive one in Pine Bay. This gift is really not small!

"This is what Mr. Su gave me.

"

David said truthfully.

"Nonsense, I think if you definitely stole this, or picked it up, how could it be given to you!"

The security guard shouted loudly, then waved his hand, and four or five security guards surrounded him.

"Take care of them, I'll call!"

The security guard gave an order just now, and then hurriedly left with the car key!

Seeing this, Chen Baoguo hurriedly pulled Barbara out of the taxi, and the taxi driver was also frightened, put down David's things, and drove away!

"David, what's wrong? What happened?"

Barbara couldn't see it, so she could only ask suspiciously.

"Mom, it's alright, we'll go in after a while, it's just a routine inspection, the security of Pine Bay is very strict.

"

David comforted Barbara!

"Of course, this is the best villa area in Horendel. Mom can smell the fragrance of flowers here!"

Barbara looked excited!

Chen Baoguo looked at David angrily. Now they were stopped and surrounded by security. Obviously something went wrong. He didn't believe that David would have a friend who would lend him a house in Pine Bay. .

At this moment, a black Mercedes-Benz slowly stopped in front of David and them.

"Hey, isn't this David? How did your family come here? With so many things, wouldn't it be moving to Pine Bay?"

The door opened, and Fu Wei stepped down from the co-pilot, looking at David with a sarcastic expression!

Then Delia and Jiang Wenjing also got out of the car!

The three of them jokingly looked at David's family. They also came to Pine Bay, mainly because Delia wanted to show off the wedding room Jordan bought in Pine Bay, so they brought Fu Wei and Jiang Wenjing here!

As a result, we happened to encounter such a scene, and the three of them just happened to watch the excitement!

David glanced at the three people coldly and ignored them!

"How is this going?"

Delia asked a security guard.

The security guard didn't dare to offend Delia when he saw that Delia was dressed beautifully and was driving a Mercedes-Benz, and said in a low voice, "Miss, these people said they were the owners of Pine Bay, and they even took out the keys to the villa inside. Our captain suspects that. That key was picked up or stolen by them, so I went to check.

"

As soon as the security guard's words came out, the three of Delia burst into laughter, out of breath!

"Hahaha, David, you are such a goddamn talent. Take the villa key and come running and say that you are the owner. Are you stupid yourself, or are you treating others as a fool?"

Fu Wei smiled, his eyes full of ridicule.

"Do you know how much the villa here costs? Can you afford it? With your old road sweeper, you won't be able to buy a villa here for a hundred years!"

Jiang Wenjing couldn't help laughing.

"Hurry up and drive these people away, especially this guy. He is a reform-through-labor prisoner and was released today. If you let him in, it will affect the reputation of the community!"

Delia pointed at David and said.

Chapter 22

When several security guards heard this, they all became nervous and took out their batons. If David was really a prisoner of reform through labor who had just been released, the owners of the community would definitely feel uncomfortable when they found out. .

"David, why don't you get out of here with your blind mother and your street sweeper, do you really need the security guard to leave?"

Fu Wei looked at David with a sneer.

"What did you say?"

David clenched his fists tightly when he heard Fu Wei talking about his parents.

"Why, you still want to hit me?" Fu Wei was not afraid at all, he couldn't help laughing, and walked up to David: "I know you studied in prison twice, but do you know what this place is? Do you dare Do you want to do it? Believe it or not, I am sending you in!"

Fu Wei looked arrogant and pushed David fiercely!

"David, let's go, let's go..."

Barbara took David's arm and said in a pleading voice.

She was afraid that David was causing trouble. She had to know that David had just been released today and had a criminal record. If she was sent in again because of a fight, Barbara would really not have the courage to live!

At this time, Chen Baoguo's face was blue with anger, and he glared at David and said, "If you don't take your things and go back, you will be embarrassed..."

Chen Baoguo began to pack his things and was about to walk back with his back, he really couldn't afford to lose this man!

"Hahaha, hurry up, let me see you, I will definitely avenge the revenge of that slap!"

Fu Wei scolded David fiercely.

"Okay, hurry up and get in the car. Talking to this kind of person will lose your identity!"

Delia called out to Fu Wei, then the three of them got into the car and drove directly into the Pinerest Villa Area!

"Mom, wait a minute, this villa is really lent to me by a friend!"

David persuaded Barbara not to worry!

"Wait for what? Waiting for a while to be embarrassed and beaten out?"

Chen Baoguo shouted at David.

David opened his mouth to refute and wanted to quarrel with his father, but looking at his father's white hair, David's words came to his mouth and he swallowed them back.

At this moment, the security captain with the key ran back in a hurry, and after seeing David, he immediately flattered: "Mr. Chen, I'm really sorry, we made a mistake, damn it, now we send you up!"

After finishing speaking, the security captain yelled at the security guards with batons: "Don't put away the sticks, go drive, and take Mr. Chen's family in!"

"Oh!" Several security guards nodded hurriedly, then drove to a car, loaded things into the car, and sent David's family into Pine Bay!

In the car, Chen Baoguo's face changed and changed. He wanted to talk to David, but he didn't know what to say!

"David, I didn't expect it to be true, what kind of friend are you, who dares to lend you such a villa!"

Barbara was sitting in the car, smelling the fragrance of the flowers in the Pinerest Villa area, not to mention her excitement!

"Mom, if you have a chance, I'll let you meet my friend!"

David knew that Barbara was curious, so he planned to find an opportunity for Sonya to meet his parents.

In front of a villa halfway up the mountain in Pine Bay, Delia's car stopped, and all three got out of the car!

"Delia, you are so lucky, this villa is so luxurious, and with this scenery, if I had a house like this, I would be willing to live ten years less!"

Jiang Wenjing looked at the villa in front of her with envy in her eyes.

"What's the matter? This Pinerest Villa, but the more expensive it is, the more expensive it is. The most expensive one is the villa on the roof, and I don't know that it was bought by the big guy!"

Delia said, looking towards the direction of the top of the mountain!

Chapter 23

At this moment, a car passed in front of them, the window was open, David's face was exposed, with a sneer on his face, he was looking at the three of Delia.

"David, isn't the man in the car David?"

Fu Wei was the first to spot David and shouted loudly.

Delia and Jiang Wenjing also discovered David at this time. Seeing the sneer on David's face, Delia was furious!

"How did this guy get in? Are these security guards trash?"

Delia roared!

"Could this guy really be the owner? Didn't you see that the driver was also a security guard and sent them in!"

Jiang Wenjing frowned, looking puzzled.

"They are still driving up the mountain, are their villas still up there?"

Fu Wei also raised his head, watching the vehicle drive farther and farther, higher and higher!

"Impossible, it is absolutely impossible for David to buy a house here. I know the details of his family best!"

Delia vehemently denied that, she knew that David could not have the money to buy a house here!

"Will it be given to him by the Su family? I remember that Mr. Su said that David seemed to save his life!"

Jiang Wenjing analyzed it carefully.

"It's possible!" Fu Wei nodded: "This guy didn't know what kind of sh!t he had, but he saved Mr. Su's life. Otherwise, David would definitely die at the Regal Hotel today!"

Delia gritted her teeth, then opened the car door and said, "Follow up and have a look!"

Delia must check to see if David really has a house in this Pine Bay.

Delia's Mercedes-Benz followed, watching David and the others driving all the way to the top of the mountain!

"This... This David's house is not the most expensive one on the top of the mountain, right?"

Jiang Wenjing looked at the car in front of him driving all the way to the top of the mountain, and said in shock.

"How is it possible that the house on the top of the mountain is worth at least 100 million. Even if David's family is sold, he can't afford it. Even if it is given by the Su family, it is impossible to be generous enough to give away a house worth 100 million!"

Fu Wei couldn't believe it.

But soon, the car in front really reached the top of the mountain, but Delia and their Mercedes-Benz were stopped!

"Hello lady, you can't go forward because it's a private place!"

A security guard stopped Delia's car!

David had already discovered that Delia and the others were following, and seeing that they were stopped, a sneer appeared on David's face!

After reaching the top of the mountain, the entire top of the mountain is surrounded by clouds and mist, like a fairyland!

Chen Baoguo and David were stunned by this scene, Barbara couldn't see it, but she felt the fresh air around her, and her face was full of intoxication!

Several security guards moved David and his things into the house, and the security captain apologized to David again before leaving!

"Mom, you and my dad will live here in the future. The air here is very good and suitable for you to recuperate!"

David took Barbara's hand and walked towards the villa!

When Chen Baoguo entered the villa, he was stunned. He had never seen such a magnificent appearance in his life!

At this time, Chen Baoguo opened his mouth. He wanted to apologize to David. After all, he had misunderstood, but no matter how hard he tried, Chen Baoguo couldn't say anything.

After walking around the house, David said, "Dad, Mom, I'll take you outside for a walk and get to know the road. Don't get lost by then!"

"Alright, alright, tell mom about it. Although mom can't see it, she can feel it!"

Barbara's face was full of wrinkles when she smiled!

"Mom, don't worry, I will definitely heal your eyes!"

David took his parents out of the villa and admired the view from the top of the mountain!

Chapter 24

While introducing Barbara, David felt a trace of freshness from nature, which was also mixed with aura!

To know that David cultivates, all he needs is aura. The aura here is obviously much richer than the one below, which is more helpful for David to practice!

"This is really a good place to practice!"

David couldn't help sighing!

"What did you say?" Barbara asked.

"Oh, nothing, I said this is a really good place to retire!"

David smiled faintly!

When they turned to the road where they came, they found that the three of Delia had not left. At this time, the three of them saw David appear, and all focused their attention on David.

David looked at Delia and the others with a sneer, a few people were separated by a gate in the middle, but this gate became a symbol of two identities!

David looked down at the three with disdain in his eyes.

Looking at David like that, Delia gritted her teeth in anger. She couldn't understand how this David became the owner of the hilltop villa.

"David, your friend is really good. I'm willing to lend you such a nice villa. When you have time, ask your friend to have a meal together!"

Barbara didn't know that Delia was right in front of her, so she said to David.

"Okay!" David nodded.

"Damn, it turned out to be borrowed, I thought it was his!"

When Delia heard this, she felt a lot of joy in her heart!

"I asked a friend to ask, this villa belongs to the Su family, it seems that David borrowed it to pretend to be coercive!"

Fu Wei took the mobile phone and looked at the information above and said.

"This guy saved that Ruben's life. This is the plan to eat on the Su family for a lifetime. He even borrowed the villa to pretend to be a force!"

Jiang Wenjing sneered.

All three looked at David with contempt, and no longer had the dwarf-headed feeling just now!

"Even if I borrowed the villa, I'm better than you. If you have the ability, come up!"

David listened to the sour mockery of the three, and hooked his hands towards the three!

"David, don't be complacent, I don't believe the Su family will protect you for the rest of your life!"

Delia spat fiercely and turned away!

They didn't like the way they looked up at David like this.

"David, don't have any contact with that Delia in the future. That kind of woman is a snake and scorpion. Anyone who gets close will be bitten!"

After Barbara heard Delia's voice, she persuaded David.

"Mom, I see, let's go around!"

David supported Barbara and continued to turn around, and Chen Baoguo followed behind with his hands behind his back!

After I was tired from shopping, I went back to the villa to rest. At this time, a red Porsche stopped at the entrance of the villa!

David saw that it was Sonya who was here!

"Miss Su, why are you here?"

David asked in surprise.

"Don't always call me from Miss Su, Miss Su, I have a name, just call me Sonya!"

Sonya said to David, "I heard that the security guard here called and said that they suspected that you had stolen the keys and stopped you. I was afraid of some misunderstanding, so I rushed over!"

Seeing that Sonya came here specially for this matter, David said with gratitude: "It's alright, the misunderstanding has been explained clearly, but there is something I need your help!"

"What's the matter, tell me!" Sonya nodded.

"I told my parents that the house was borrowed. You just happened to be here, so go in and help me deal with it, and say that you lent me the house. I don't want my parents to know about many things!"

David said in a low voice.

"It's easy to do!"

Sonya smiled slightly and thought about walking inside the villa, but just after taking two steps, Sonya suddenly turned her head to look at David: "Do you think I am meeting my parents?"

"Uh..."

David was at a loss for words and was stunned on the spot!

Chapter 25

"Just kidding with you, it scared you!"

Sonya smiled and walked into the villa!

David gave a wry smile and followed suit. In fact, after Sonya just said what she said to her parents, David's heart really throbbed!

He is just an ordinary person who can't be more ordinary, and Sonya is the eldest miss of the Su family. The difference between the two's identities is too great, so David is a little scared!

"Dad, Mom, this is the friend I told you to lend me a house, Sonya!"

Entering the villa, David followed Chen Baoguo and Barbara to introduce.

As soon as they heard that this house belonged to someone else, Barbara and Chen Baoguo who were sitting on the sofa hurriedly stood up!

"Hello uncle, hello auntie, I came in a hurry, and I didn't buy any gifts for the two of you!"

Sonya said very politely.

"Miss Su is very kind. You can lend such a nice house to my family David. Our family doesn't know what to say. If it weren't for you, I'm afraid we would never be able to live in such a nice house in our lifetime!"

Barbara looked humble. After speaking, she pushed Chen Baoguo next to her: "Old man, hurry up and pour tea for Miss Su!"

"Oh!"

Chen Baoguo nodded hurriedly!

Chen Baoguo looked stupid just now. He really didn't expect David to have such a beautiful friend, and looking at Sonya's dress and temperament, she must be the daughter of a big family and a wealthy family, otherwise it would be impossible to buy Pine. villa!

If Chen Baoguo were to know that Sonya was the daughter of Ruben, the richest man in Horendel, he would be shocked!

"Uncle, don't be busy, I'll do it myself!"

Sonya hurried up to meet her and poured herself a cup of tea!

And then poured a cup of red jujube tea for Chen Baoguo and Barbara!

This is Sonya's home, of course she knows where things are!

"Uncle, auntie, this is red jujube tea. It has a faint sweet taste, but it is very effective in lowering lipids and blood pressure. It is suitable for your elderly to drink!"

Sonya put the tea in front of Chen Baoguo and Barbara!

"Miss Su is too polite, although I can't see it, but I can tell from the voice that Miss Su is a beautiful woman with a kind heart. If anyone can marry Miss Su, it will be a blessing in eight lifetimes. !"

Barbara said something in her words.

No matter what Sonya's identity is, to be able to lend such an expensive villa to David, it proves that he doesn't hate David, and even has a good impression of David, otherwise, who would be an ordinary friend who would lend such an expensive villa!

So Barbara thought about what Sonya said, let's see what Sonya means!

"Auntie, how can I be as good as you say, in fact, I have a bad temper, and David thought I was bad, and even yelled at me!"

How could Sonya not understand the meaning of Barbara's words, so she smiled and said half-jokingly.

"Really?" Barbara was stunned, and immediately waved to Sonya: "Miss Su, you come to me, in fact, my family David is usually quite honest, but sometimes he looks like a stubborn donkey, that's up to his father, If he dares to yell at you, tell me, and I will teach him a lesson for you!"

When Sonya heard this, she giggled: "Like a stubborn donkey?"

While laughing, Sonya did not forget to look at David, making David look embarrassed!

"Mom, don't talk nonsense, people are still busy and don't have time to sit and chat with you!"

David was planning to let Sonya leave, otherwise, he might not know what else Barbara could say!

"It's okay, I like chatting with Auntie!"

Sonya actually sat next to Barbara!

This time, Barbara couldn't close her mouth with a smile, grabbed Sonya's hand, and the two started chatting for more than two hours, until it was dark, and Sonya left!
