## Novel

### Chapter 341

No matter how tired he is outside, as soon as he gets home, David feels very comfortable, especially when he eats the food made by his mother.

Although he knew that Chen Baoguo and Barbara were not his biological parents, David didn't feel anything, nor did he feel estranged from his parents!

"mom?"

David changed his shoes and saw that no one answered, so he shouted, but no one answered.

"Where did you go? Did you go out again?"

David nagging, walked to the restaurant, but saw a piece of paper on the table!

When David picked it up, it turned out to be a letter from Barbara to David.

David: I went back to my hometown with your dad to live for a while. You have been busy outside every day recently, but you should also pay attention to your health. There is something I prepared in the refrigerator. If you want to eat it, you can heat it yourself. In addition, Sonya is a good girl. But you can't let others down, otherwise my dad and I won't be able to spare you! We are not at home during this time, you can take Sonya to the house and take care of your life, so that mom can rest assured, and mom wants to hold her grandson, you can do it yourself!

Looking at Barbara's letter to him, David laughed. He knew that his parents' purpose of returning to the old house was to let him take Sonya over to live with him. It's embarrassing to be anonymous!

David put away the letter, thinking about whether his parents should go to live in his hometown, but now he has offended many people, and if his parents live in Horendel, what danger will there be!

David took out some food from the refrigerator and ate it as he warmed it up!

After eating, David took out the jade pendant from the Wei family. The jade pendant is dark green and the surface is very smooth. At a glance, you can see that the texture is very good.

After playing carefully for a while, David suddenly bit his finger and dripped a drop of blood on the jade pendant, which was soon absorbed by the jade pendant!

Seeing this scene, the corner of David's mouth raised a smile, his eyes closed slightly, his hands were holding the jade pendant tightly, and a faint golden light emerged from David's hand!

David let go of his hand suddenly, and the jade pendant wrapped in golden light was suspended in mid-air, and above the jade pendant, a black streak kept running around!

Behind this black, there is a blood-red color chasing after, the whole jade pendant is like a competition field, this black and red two colors are constantly chasing!

"break..."

Suddenly, David opened his eyes, and a ray of light erupted in his eyes, directly shining on the jade pendant!

pat...

The jade pendant suddenly disappeared from the golden light, fell from mid-air to the ground, and fell directly into two halves!

And after the jade pendant fell into two halves, a black-red blood flowed out from it.

David picked up the two halves of the jade pendant, wiped the blood on it, and muttered to himself, "What a good thing!"

Holding the two halves of the jade pendant, David directly injected spiritual power into the two halves of the jade pendant, and then found a red rope to tie the knot!

"With this jade pendant, if Sonya is in danger, I will be able to know it immediately, and I will be able to resist a single injury for her!"

David smiled lightly and called Sonya!

These things let David know that no matter how strong he is, he is still incapable of being cloned.

With this jade pendant, there is his blood essence and spiritual power in it. Now the jade pendant is divided into two parts. Even if he and Sonya are not together, as long as the two wear the jade pendant, they can sense each other. As long as Sonya is in danger, David will know it immediately.

"Why, you missed me just after being separated for a long time?"

Sonya answered David's phone and said with something in her mouth.

## Chapter 342

"Stop being narcissistic, who misses you, I have something for you, come to Pinerest Villa!"

David said stubbornly.

In fact, they miss each other in their hearts, even if they are separated for a minute.

"Hmph, just be stubborn and give me something? Won't you come to my house and give it to me?"

Sonya smiled lightly.

"This thing has to come over in person, come quickly!"

After David finished speaking, he hung up the phone without waiting for Sonya to speak!

In fact, David called Sonya over for his own purpose. He wanted Sonya to know that his parents were not at home, and then left Sonya to live with him!

"Hmph, this guy dares to hang up on me!"

Sonya pouted, got up, changed her clothes, and drove towards the Pine Mountain Villa!

After arriving at the place, Sonya packed up and walked in with a smile on her face, because she knew that David was with her parents, and when she met David's parents, Sonya had to smile and speak respectfully!

But when Sonya walked into the villa, she found that there was no one in the living room, only David walked out of the kitchen.

Sonya looked up and down again, and seemed to be looking for the traces of David's parents!

If David's parents are at home, Sonya can't be too casual!

"Don't look, my parents are back home, not here!"

David looked at Sonya like that and smiled slightly.

"Huh..." Sonya breathed a sigh of relief upon hearing this.

It's not that David's parents are not easy to get along with, it's just that in front of the elders, Sonya always has to pay attention to not leave a bad impression on others!

"You're brave enough to hang up on me!" Sonya saw that David's parents were not at home, so she let go of herself, and stepped forward and said to David's ear.

"Hey!" David snorted and hurriedly apologized: "I was wrong, I was wrong, I will never hang up your phone again.

"

Seeing David admit his mistake, Sonya released her hand: "What do you want to give me?"

David took out the jade pendant: "You put this on your body, and if you have something to do, I will know as soon as possible!"

Sonya took the jade pendant, looked left and right, and said in surprise, "Why is it half? What about the other half?"

"Fool, of course the other half is here with me!" David took out his other half, and followed Sonya's pair, and it became a complete jade pendant. When the two jade pendants were put together, it could be seen that A touch of golden light continued to flicker outwards.

"You have a conscience!" Sonya smiled, brought the jade pendant to her body, and continued: "Uncle and aunt are not at home, who will cook for you?"

"You, didn't I call you here!" David smiled badly.

Sonya rolled her eyes at David: "I don't care about you, we are married or not, and I'm not your girlfriend, why should I cook for you!"

"You took my jade pendant. This is our token of love. You are my girlfriend now. Besides, I asked you to take care of me. It's not what I said, it's what my mother said!"

After David finished speaking, he showed Sonya the letter from Barbara!

When Sonya saw the end, Barbara said that she wanted to hug her grandson, her face turned red, and she returned the letter to David: "Since it was said by my aunt, then I will take care of you here for a few days, but We can agree, one person, one room, you can't do bad things at night!"

"Don't worry, do you think I'm someone who does bad things!" David felt happy when Sonya agreed to stay!

At this time, David and Sonya were together, just a young man in love. How could he tell that he was someone who would kill without blinking and kill decisively.

In the evening, David sat on the sofa and slowly absorbed the spiritual energy of heaven and earth. Although the spiritual energy is very thin, it is better than nothing. It is impossible to always have rare medicinal materials for him to cultivate!

## Chapter 343

As for Sonya, she was holding her mobile phone and cooking while searching. As the richest woman, where did Sonya cook for herself, but for David, Sonya was still learning and doing it, and her forehead was full of sweat!

Looking at Sonya's busy figure in the kitchen, David's eyes are full of love!

Just then, David's cell phone rang suddenly.

David answered the phone, it was Gu Wentian who called!

"Mr. Chen, do you have time now? Pavilion Master Li of the Provincial City Hufa Pavilion wants to see you!"

Gu Wentian asked carefully.

"Master of the Protector Pavilion? What do you see me doing?"

David frowned slightly.

"I don't know either. He held a banquet at the Regal Hotel. I hope you can attend!"

Gu Wentian didn't know what David was doing in the provincial capital, he just passed the word on his behalf, he didn't know what to do!

"Okay, I'll be there right away!"

David nodded and hung up the phone!

After hanging up the phone, David got up and walked into the kitchen, telling Sonya not to cook!

As soon as he walked into the kitchen, he saw a black smoke rising up. David hurriedly stepped forward and took the pot off the stove.

"Ah, what's the matter?"

Sonya was a little overwhelmed when she saw black smoke coming from the pot!

When David opened it, he found that the rice in the pot was already mushy, and it was pitch black!

When Sonya saw it, she looked at David like a little girl who did something wrong and said, "I, I forgot to add water!"

David smiled: "Okay, we won't cook, let's go out to eat, someone will treat you!"

"Who treats you?" Sonya asked.

"The phone call from Gu said that Li Ge, the chief of the provincial capital's law-enforcement pavilion, met me and held a banquet at the Regal Hotel!"

David said truthfully.

"The patriarch of the Protectorate Pavilion sees you?" Sonya frowned, and suddenly her eyes widened: "Could it be because you killed the Wei family in the provincial capital?"

After Sonya said this, David suddenly realized, then nodded and said, "It's possible!"

After all, David didn't know the pavilion owner of the Dharma Protector, so it must be something that the other party wanted to see him by name.

"Then...then let's not go!"

Sonya's face flashed worry!

"Don't worry, it's alright..."

David comforted Sonya.

At that time, David destroyed and lost the surveillance video recorder, in order to solve unnecessary troubles in the future.

After changing their clothes, David and Sonya came to the Regal Hotel together, but what surprised David was that there were other people

attending the banquet, not just David, it seemed that the other party was not for the Wei family Things come to him!

Ruben, Ling Zhenchuan, and other Horendel bigwigs are all there. After all, Pavilion Master Li is from the provincial capital, and Horendel and these people want to have a relationship!

After all, these people are familiar with David, and they greeted David one after another, and David returned one by one!

At this time, in the corner, Gu Linger in uniform was paying attention to everyone's every move, but when Gu Linger saw Sonya, her whole face was slightly startled!

She walked over quickly, a little surprised: "Sonya, why are you here?"

"Linger, why are you here?" Sonya looked at Gu Linger in surprise, and then looked at Gu Linger's uniform: "Not bad, you turned out to be a detective, you look so handsome in this dress !"

"I'm here with our Pavilion Master Li!" Gu Linger finished speaking, looked at David and asked Sonya, "Who is he from you?"

Sonya glanced at David and saw the jade pendant on her body, and then said, "His name is David Chen, he is my boyfriend!"

Now that David has sent a token of love, even if the two have officially established their relationship, Sonya can also introduce it to others.

## Chapter 344

"David?" Gu Ling'er was stunned for a moment, then she said in surprise, "Is he your boyfriend?"

"Ah, what's wrong?" Sonya asked suspiciously when she saw Gu Linger's expression.

"Linger, this is Mr. Chen. You called me and asked about Mr. Chen. See you now!"

At this moment, Gu Wentian walked over and said with a smile on his face.

"Grandpa, why didn't you follow me at the time? Is this David Sonya's boyfriend?"

Gu Ling'er frowned slightly and seemed to complain a little.

"You didn't ask, besides, Grandpa doesn't know if Miss Su and Mr. Chen have established a relationship, so you can't talk nonsense.

Gu Wentian looked helpless, and then asked strangely, "How did you meet Miss Su?" "

"Grandpa, Sonya and I are college classmates, of course we know each other!" Gu Linger replied.

At this time, Sonya looked at Gu Linger in shock: "Linger, Gu is your grandfather? Why didn't you mention it when you were in school?"

Gu Wentian used to be an official in the provincial capital. Anyone with such a grandfather would have to show off in school, but Sonya had never heard Gu Linger mention it!

"I don't want others to know my background, and I just want to rely on my own efforts to make some achievements, and I don't want to rely on family connections and help!"

Gu Linger explained.

"Ling'er is just too strong, she doesn't want to depend on her family for anything..." Gu Wentian's tone was a little distressed.

David glanced at Gu Linger more, and still admired Gu Linger a little bit. Now many young people are living by gnawing their old age, and there are too few girls like Gu Linger.

"Grandpa, you see that I don't rely on my family now, don't I have a good life? You don't have to worry about it!"

Gu Linger said with a slight smile.

"Yes, it's pretty good now, follow Li Ge's lead and strive to take his place in the future!" Gu Wentian smiled and said, "Okay, let's chat with you young people, I'll go say hello to others! "

Gu Wentian left, David and the others found a place to sit down, Gu Linger always looked at David, as if he had something to say, but he never said anything!

"Sonya, come here!"

At this time, Ruben waved to Sonya not far away, as if to ask Sonya to meet a few people in the past!

Sonya got up and said apologetically to Gu Linger: "Linger, wait for me first, I'll be back soon!"

"Well, you go!" Gu Linger nodded!

Sonya walked back, only David and Gu Linger were left. At this time, David slowly opened his mouth and said, "Miss Gu, just ask what you want to ask?"

Gu Ling'er was stunned for a moment, but she still asked, "Did you do the Wei family's affairs?"

"Yes!" David answered happily without any concealment!

David's happy admission was beyond Gu Linger's expectations, and Gu Linger suddenly didn't know what to say.

Seeing that Gu Linger didn't speak, David continued: "You guys are holding such a banquet mainly for me, right?"

"Not bad!" Seeing David being so cheerful, Gu Linger nodded, "We're going to take you back to the provincial capital.

"

David glanced at all the people at the scene. There were no more than ten people in the Law Enforcement Pavilion, and they were all ordinary detectives, and there were no masters.

"Just because of you, if I don't agree, can you take me back?"

David smiled lightly, but there was no hostility in his tone.

Gu Ling'er was silent for a while, she knew very well in her heart that it would be difficult to bring David back to those who were able to exterminate dozens of people in the Wei family!

"Whether I can or not, I have to try it. This is my duty!"

Gu Linger said firmly.

## Chapter 345

David smiled slightly, picked up a cup of tea and drank it slowly, without talking!

"What are you two talking about?" At this moment, Sonya came back!

"Oh, nothing to talk about!" Gu Linger said quickly.

It can be seen that Gu Linger doesn't want Sonya to know about this!

"David, Gu asked you to come over, and I happened to follow Ling'er to talk about the past!"

Sonya patted David on the shoulder and said.

"Oh!" David nodded, stood up, and looked at where Gu Wentian was!

At this time, Gu Wentian was sitting with a middle-aged man at a table with no one else on the table.

After David walked over, Gu Wentian hurriedly introduced to David: "Mr. Chen, this is Li Shouyi, the pavilion master of the provincial capital's law-enforcement pavilion!"

"Master Li!" David shouted politely!

Li Shouyi nodded and waved his hand to signal David to sit down!

"Mr. Chen, Pavilion Master Li just asked me about your situation for a long time, and I appreciate you very much!"

As soon as he sat down, Gu Wentian said with a smile.

David raised the corner of his mouth slightly and sneered: "If you want to arrest me, you can come directly. It's a waste to engage in such a grand scene!"

As soon as David's words came out, Gu Wentian was stunned, and Li Shouyi was also stunned. He didn't expect David to know.

"Mr. Chen, what does this mean?"

Gu Wentian asked with a puzzled face.

"I destroyed the Wei family, they are here to make a fortune for the Wei family!"

David said lightly.

It seems that destroying the Wei family is nothing more than a trivial matter in David's opinion!

"You really killed the Wei family?"

When Li Shouyi saw that David had admitted it directly, his face froze.

"That's right, I killed him. If you let me know that someone in the Wei family is still alive, I'll kill him!"

David replied calmly.

"Since you admit it, this matter is easy to handle. After this meal, just follow me obediently!"

Li Shouyi suddenly burst out with an aura, covering David by the way!

As the pavilion master of the Dharma Protector Pavilion, his strength is of course not too bad!

David sneered, his eyes full of disdain: "Just because of you?"

Suddenly, David's body trembled slightly, and a majestic and turbulent momentum instantly overwhelmed Li Shouyi's momentum. The raging killing intent was rising in David's body. Trembling, full of surprise!

"Mr. Chen calm down!" Gu Wentian finally understood now, and hurriedly persuaded David, then looked at Li Shouyi and said, "Li Shouyi, if you are here to arrest Mr. Chen, then you should leave quickly, you don't have to. If you

can't take Mr. Chen, and the Wei family has done absolutely bad things, they should have died a long time ago!"

"Ancient..." Li Shouyi looked at Gu Wentian with a puzzled face.

Although he is the pavilion owner of the Protectorate Pavilion, Li Shouyi does not dare to be disrespectful to Gu Wentian, because he was the pavilion owner who was picked up by Gu Wentian back then. Otherwise, how could Gu Linger, a detective, always follow Li Shouyi's side of Woolen cloth!

Gu Wentian started talking to Li Shouyi about Wei Tao's kidnapping of Sonya, as well as Wei Kun'an bringing someone to Horendel to kill David. As for what happened in Yuncheng, Gu Wentian didn't know, so he did I didn't follow Li Shouyi.

After listening to Li Shouyi, he was silent, and the atmosphere became a little awkward for a while.

On the other side, Sonya and Gu Linger were chatting happily.

"Sonya, how long have you known David?"

Gu Linger suddenly asked Sonya.

"Two months, it's not a long time!" Sonya thought for a while and said.

"Two months? You are boyfriend and girlfriend? Do you know David? Do you know who he is?"

Gu Linger got excited when she heard that Sonya had only known David for two months.

# Chapter 346

Seeing Gu Linger's sudden excitement, Sonya said with a strange face: "What's wrong? David is very good, I know him, I have met his parents.

"

"What do you know? He's a murderer, do you know? He wiped out the Wei family, and the method was too cruel..."

Gu Linger couldn't help but told the truth, but when she said it, she regretted it a little. After all, it was not good for Sonya to know this kind of thing.

Originally, she thought that Sonya would be surprised when she found out, but who knew that Sonya didn't have a surprised expression, but nodded and said, "I know, he did that for me!"

"For you?" Gu Ling'er was puzzled.

Sonya told Gu Linger what she had experienced, including what happened in Yuncheng this time.

"This Wei Tao is simply inferior to a beast, damn it..."

After Gu Ling'er heard this, she slammed her fist on the table angrily!

"Linger, you...you came to Horendel this time, wouldn't it be to catch David?"

Sonyadddenly reacted and asked Gu Linger.

"me..."

Gu Linger spoke for a while, not knowing how to answer Sonya!

"Ling'er, if you arrested David, don't blame me for not recognizing you as a classmate, not to mention that the ancient life was saved by David, you can't take revenge for your kindness!"

Sonya's face became a little gloomy!

"What? Then David saved my grandfather?"

Gu Linger suddenly exclaimed, she never knew about it.

"Of course, if you don't believe me, go ask the ancients, but I don't know the specifics!"

Sonya only heard David mention it occasionally, but Sonya didn't know what was going on!

Gu Linger felt a wave in her heart, if David really saved her grandfather, how could she do anything to David?

Gu Linger got up and walked towards Gu Wentian, Sonya hurriedly followed behind!

The arrival of Gu Linger and Sonya broke the awkward atmosphere between David and the others.

"Linger, what are you doing here?" Gu Wentian asked when he saw Gu Linger and Sonya coming.

"Grandpa, did David save your life?"

Gu Linger asked directly.

"Of course, Mr. Chen not only saved me, he also saved Mayor Ling, and even hundreds of thousands of people in Horendel!"

Gu Wentian knew that David helped Ling Zhenchuan get rid of the control of those Hong Kong businessmen, that's why he said that.

"Ancient, what the hell is going on?"

Li Shouyi was startled and felt that Gu Wentian was talking too much. He even saved hundreds of thousands of people in Horendel?

"Let Mayor Ling tell you about this matter!" After Gu Wentian finished speaking, he sent someone to invite Ling Zhenchuan over!

After Ling Zhenchuan arrived, he knew what Gu Wentian meant, so he told David about helping him!

This can make Li Shouyi and Gu Linger stunned for a while. After all, this kind of miraculous thing is not seen with one's own eyes, who can easily believe it.

But they couldn't believe what Ling Zhenchuan said. After all, Ling Zhenchuan couldn't lie.

After a long time, Li Shouyi sighed and said: "Ancient, even if we don't catch David, the Jiang family will not let him go, and those who are involved with David are afraid that they will follow unlucky, then Jiang Zhengzhong But the one who made the message is going to kill David's family!"

As soon as Li Shouyi finished speaking, everyone fell silent. The Jiang family, the provincial capital, is well-known far and wide. No one does not know the Jiang family. The owner of the family, Jiang Zhengzhong, is a master of internal strength, and his strength is extraordinary. Now Jiang Zhengzhong has spoken out in person, I'm afraid this is going to be bad.

"Then can we go? Go far, to a place where the Jiang family can't find it..."

Sonya asked worriedly.

# Chapter 347

It seems that she has also heard of the name of the Jiang family, and she has fear in her heart!

Li Shouyi shook his head: "It's not that easy. Although Jiang Zhengzhong gave us the Dharma Protector Pavilion for three days, I know that he has already sent people to guard the intersections of Horendel. He can't trust our Dharma Protector Pavilion!"

"This... what to do with this?" Sonya panicked!

Gu Wentian and Ling Zhenchuan both had ugly expressions on their faces. After all, David saved their lives, but now, they can't help at all. Even the Wei family can ignore them, let alone. Speaking of the Jiang family, they are not even qualified to talk to the head of the Jiang family.

If Gu Wentian hadn't retreated, he might have been able to say a few words with the Jiang family, and the tea would be cold by now!

"I'll go to the provincial capital with you!" David said suddenly.

Everyone looked at David, and Sonya said anxiously: "You can't go, I won't let you go, and you don't even know what kind of existence the Jiang family is!"

"Mr. Chen, the strength of the Jiang family is not comparable to that of the Wei family. The Wei family is able to show off its power in the provincial capital. Speaking of which, it all depends on the support of the Jiang family. The Wei family is at best a business family, and the Jiang family is a martial arts family. Jiang Zhengzhong is even more powerful as a master of internal strength, it is unfathomable, you can't go!"

Gu Wentian still knew the Jiang family relatively well, so he persuaded David.

David smiled lightly: "The Wei family is destroyed, I don't mind destroying a Jiang family!"

"Young man, you are too crazy, haven't you heard that Mu Xiu will be destroyed by Lin Feng? The Jiang family has a foundation of hundreds of years, how can you destroy it if you say it is destroyed.

"

A bit of disdain flashed in Li Shouyi's eyes.

At first, when he heard that David had rescued Gu Wentian and Ling Zhenchuan, Li Shouyi had some good feelings and admiration for David!

But David's words made him feel disgusted immediately, thinking that David was too arrogant at such a young age!

David smiled coldly: "Can we destroy the Jiang family, time will prove everything!"

"Okay, then let time tell. Since you promised to go back to the provincial capital with us, we will leave tomorrow. I can guarantee that no one will do anything to you on the way to the provincial capital!"

Li Shouyi was still in embarrassment. After all, David saved Gu Wentian and Ling Zhenchuan. Now that David is a hero, Li Shouyi doesn't need to be embarrassed.

"Okay!" David nodded!

This meal, David ate it easily, but Sonya had no appetite and couldn't eat a single bite. She tried to persuade David many times, but she didn't say it. She knew David's temperament and decided what to do. , no one can say anything.

After dinner, in order to prevent David from escaping in the middle of the night, Li Shouyi asked Gu Linger to go home with David and Sonya. Gu Linger was Sonya's classmate and friend, so it was not inconvenient to live together, and it was only for one night. thing!

Back at the Pine Mountain Villa, Sonya's mood has not been very good, and Gu Linger's identity does not know how to persuade Sonya, neither of them speaks, the atmosphere is a bit depressing!

David made two cups of coffee, and then brought it to Sonya and Gu Linger, the whole person seemed to be fine!

"What are you doing so unhappy, and it's not parting from life and death, maybe I'll go to the provincial capital for a few days and come back!"

Seeing Sonya like that, David smiled.

"David, you really can't listen to me once, let's not go to the provincial capital, if it really doesn't work, we will stay in Horendel. If the Jiang family comes to Horendel to ask for trouble, we can still fight. If you go to the provincial capital, then Don't sheep go into tiger's mouth?"

Sonya followed David pleadingly.

"Do you think I can still go?"

David smiled slightly and glanced at Gu Linger!

## Chapter 348

Sonya also looked at Gu Linger. After all, Gu Linger came to see David here, just to prevent David from running away or hiding.

Gu Linger felt Sonya's gaze, her face was embarrassed, she held David's coffee in her hand, bit her lip and said, "I... I sleep very hard, and I won't wake up if there is any movement at night!"

Gu Linger's meaning is obvious, this is telling David and Sonya that they can escape at night while she is sleeping!

Seeing Gu Linger like that, David suddenly smiled: "Miss Gu is telling me that I can escape at night, right?"

"I... I didn't say that!" Gu Ling'er glared at David fiercely, his eyes were full of blame, how could David say it directly.

"David, don't talk nonsense, Linger didn't say that!"

Sonya also knew that Gu Linger was helping them, so she glared at David and said.

"Hahaha..." David suddenly laughed: "The two of you haven't seen each other for many years, so let's have a good reminiscence, I don't have to worry about my affairs, I haven't married such a beautiful daughter-in-law yet, how can I die?!"

David held Sonya's chin with one hand, and suddenly kissed Sonya's face!

Sonya blushed immediately, but Gu Linger was still there, so David dared to kiss her.

"David, you big villain..."

Sonya pouted angrily on purpose, but her heart had already blossomed with joy!

Gu Linger rolled his eyes helplessly, this bowl of dog food was a little caught off guard, but it was this time, David was still thinking about making a fool of himself, Gu Linger quite admired David's mentality.

At this moment, a figure suddenly rushed into the villa in a hurry, and then anxiously walked to David and said: "Mr. Chen, I heard that the people from the provincial capital's law-enforcement pavilion want to arrest you to the provincial capital? You must not go. , I have gathered all the brothers, and thousands of brothers have blocked all intersections, if the people from the Dharma Protector Pavilion dare to take you away, I will let them not get out of Horendel!"

The person who came was Lin Tianhu. Because Lin Tianhu was injured, David asked him to recuperate, so he didn't tell him about it, but I don't know who actually notified Lin Tianhu!

Lin Tianhu's words made Gu Linger's face look very ugly. Isn't this slapping the face of the Protector Pavilion in front of her?

But Gu Linger didn't dare to say anything. After all, Lin Tianhu's words about thousands of brothers scared her. If the other party really had thousands of people, then the dozen or so people from the Dharma Protector Pavilion would not even want to go back. .

David smiled lightly, patted Lin Tianhu on the shoulder and said, "Go back, I will go back after a walk around the provincial capital, and save that there are always people thinking about my family!"

Lin Tianhu glanced at Sonya and Gu Linger, and then pulled David aside: "Palace Master, if you insist on going to the provincial capital, you can go to a few gangs in the provincial capital, maybe the provincial capital also has our Dragon Sect. The entrance of the hall!"

There is no connection between the thirteen hall entrances of Taipei Hall, so Lin Tianhu does not know where the other hall entrances are, nor does he know the people of other hall entrances, but the hall owners of other hall entrances must know the Taipei in David's hand. Ling Ring, as long as the provincial capital has the entrance of the Dragon Sect, it will be much more convenient for David to go to the provincial capital when he has something to do.

"Okay, I'll go around at that time!" David nodded: "Go back and rest, although your injury is not serious, but you need to rest more, wait for me to come back from the provincial capital, and then give it to you. Refining an elixir will increase your strength one step further!"

"Thank you, Hall Master!" Lin Tianhu said with a look of joy: "If anything happens, let me know at any time, and I'll take my brother to the provincial capital right away!"

## Chapter 349

After sending Lin Tianhu away, David looked at the Taipei ring in his hand, and couldn't help but smile bitterly. The Ervin gave this thing to himself, but he didn't say anything. Where did he go to find these halls? But not every time is as lucky as meeting Lin Tianhu.

The next morning, David and Gu Linger set off. After following Li Shouyi's round, in order to prevent Jiang's family from attacking halfway, Li Shouyi asked Gu Linger and David to disguise themselves, and then went to the provincial capital!

On the other hand, Li Shouyi himself took the people back with a swagger, so that he could attract the attention of the Jiang family!

Gu Linger drove the car and took David all the way to the provincial capital without any danger, and there was no danger on the way.

"Miss Gu, it's already noon. Since you're on your site, you should also do your best as a landlord and invite me to dinner!"

David sat in the co-pilot and smiled at Gu Linger.

"You are about to die, and you still want to eat!"

Gu Linger said helplessly.

"Even if you die, you have to be a full-fledged ghost. In life, everyone will die, it's just sooner or later, why should you care so much!"

David's smiling expression made Gu Linger's tense mood a lot easier.

"Seeing that you saved my grandfather, I will treat you to a meal, but we can't go to the big restaurant, we can only go to eat snacks, so as not to be discovered by the Jiang family!"

"No problem, just eat special snacks!" David didn't choose, he can eat anything!

Gu Linger took David to park the car in a parking lot, and then walked to a small alley. This alley was filled with shops selling specialty snacks. features!

"Take you to eat the donkey meat fire in the provincial capital. The donkey meat fire in your Horendel is not authentic. When the time comes, I will add some sausage and braised pork to the fire to keep your fragrant oil!"

As soon as he entered the alley, Gu Linger excitedly followed David's introduction.

It seems that every girl is a foodie, as long as she goes to this kind of place, she will become very excited!

When David and Gu Linger had just walked a few steps, they were directly stopped by three strong men!

David was taken aback, looked at the three people, and found that he didn't know each other at all.

"Are you David?" A strong man with black hair on his chest asked David.

Judging from the figure and physique of this strong man, it is obvious that he has practiced hard qigong.

David did not answer him, but glanced at Gu Linger beside him.

At this time, Gu Ling'er frowned tightly, took a step forward to block David and said, "Who are you? It doesn't matter if he is what David does?"

The brawny man looked at Gu Linger and said, "Little girl, escape from me. It's none of your business here. I'm Ye Yong from Tiemen Pavilion. Today I'm going to kill David and avenge my senior brother!"

With that said, Ye Yong was about to attack David, but Gu Linger shouted angrily: "Stop it for me, I'm from the Dharma Protector Pavilion, how dare you act in front of me?"

"What about the people in the Protector Pavilion? If you don't let go, I'll beat you up!"

That Ye Yong had a gloomy face, who cares who Gu Linger is from the Dharma Protector Pavilion.

"you..."

Gu Linger was instantly furious. When he was in Horendel, Lin Tianhu looked down on them at the Dharma Protector Pavilion, but when he arrived at the provincial capital's own territory, he was even looked down upon, and Gu Linger felt too embarrassed!

However, before Gu Linger could speak, Ye Yong threw his fist out. Despite his sturdy body, Ye Yong was very fast.

Gu Ling'er's punch was not small, and it hit Ye Yong's body with a dull sound!

Gu Ling'er was shocked. Looking at Ye Yong again, she didn't even have the slightest influence. Her punch just now didn't seem to have any effect at all!

"He's practicing hard qigong, how could your tickle punch make him lose his ability to move!"

David had long seen the doubts in Gu Linger's eyes, so he explained!

When Gu Linger heard this, her face suddenly became extremely ugly. She hurriedly grabbed Ye Yong's wrist with one hand, and then twisted it hard, trying to let Ye Yong release herself, but no matter how hard she tried, she was simply shaken. Not even Ye Yong!

"Go away!"

Ye Yong was furious and directly threw Gu Linger out!

"what..."

Gu Linger screamed, and the whole person slammed into a wall!

If it hits the wall, even if it doesn't die, it will break a few bones!

Seeing that Gu Linger was about to collide, David suddenly jumped forward, grabbed Gu Linger's body, and suddenly pulled Gu Linger into his arms!

David hugged Gu Linger and fell steadily to the ground.

Gu Ling'er let out a long sigh of relief, but when she felt the temperature on David's body, she immediately woke up and said with a blushing face, "Put me down!"

David hurriedly put Gu Linger down, and said with an embarrassed expression, "I didn't mean to take advantage of you!"

Gu Linger knew that David didn't do it on purpose, he just wanted to save himself, but men and women couldn't accept it, let alone in front of so many people, being hugged by David, Gu Linger was still blushing!

"Boy, go to the underworld and flirt again!"

Ye Yong shouted angrily and punched David with a punch!

David dodged sideways, but Ye Yong's fist quickly waved over!

David just dodged and didn't fight back, then glanced at Gu Linger and said, "I'm fighting back now, is it self-defense?"

Gu Ling'er was already full of anger at this time. Hearing David's question, he immediately said, "It's self-defense, kill him..."

"No problem!" David raised the corner of his mouth, he was waiting for Gu Linger's words!

Looking at Ye Yong's angry look, David instantly made the spiritual energy in his dantian flow, and then gathered it on his fist.

David's fist began to emit a faint mist, and then wrapped the whole fist!

"this..."

Seeing the light mist on David's fist, Ye Yong acted very cautiously and solemnly for a while!

"Silly big man, why don't you dare to do it, if you don't do it, then I will come first!"

David smiled playfully, the whole person suddenly jumped up, and jumped directly over Ye Yong's head!

Ye Yong's face changed, he hurriedly turned around, and waved his hand at the back, which was a punch, but it was too late. At this time, David had already punched Ye Yong in the back!

Ding Ding Deng

Ye Yong ran a few steps forward and almost fell to the ground, which relieved the strength of David's fist, but even so, he still felt his internal organs churning.

Taking a deep breath, Ye Yong forcibly suppressed the blood that was about to spew out, and then stared at David with an extremely ugly face: "Boy, if I don't kill you today, I, Ye Yong, have no face to go back to the Iron Gate Pavilion!"

After Ye Yong finished speaking, his body suddenly swelled up, and then he could see a faint light all over his body. Because it was daytime, the light was not very obvious, but a general outline could be seen, and the light was like a big bell. , cover Ye Yong's whole body in it!
