

A Man Like None Other

Novel Chapter 06 – 10

Chapter 6

When he saw David's figure appear, Ruben instantly became excited and ran directly towards David.

"Little brother, you are finally here, please come in quickly..."

Ruben took David's hand, and he finally breathed a sigh of relief.

"Mr. Su, since I promised you, I will definitely come."

David knew that Ruben was afraid of letting him go.

Ruben showed a hint of embarrassment and could only smile: "Little brother, please, please..."

Ruben kept his posture very low, which made people who came to the hotel guessed David's identity after seeing it.

Then Sonya saw that David's back was upright, while her father was low and low, and she was instantly furious:

"What's the matter with you boy? My dad has been waiting for you at the door for more than half an hour,"

"And you look at my dad's The complexion is obviously getting more and more worse, will you treat the disease?"

Sonya had a deep opinion on David. At first, David controlled Ruben's condition. Sonya was also surprised, thinking that David really had two strokes.

But it didn't take long, Ruben's original rosy face became more and more ugly, which made Sonya think that David was a liar, maybe he was cheating money.

"Sonya, don't be ridiculous, hurry up and apologize to the little brother..."

Ruben's face turned cold and he roared at Sonya.

"I'm not going to apologize to him. Look at his hair, he hasn't grown all of his hair, what kind of genius doctor could he be? I think he's a big liar..."

Sonya looked at David coldly. She felt that the reason why Ruben did not go to the doctor was because of David.

Seeing that Sonya was disobedient, Ruben's face instantly flushed with anger, and his breathing began to become rapid.

"Cough cough cough..."

Ruben wanted to say something, but without saying a word, he began to cough violently!

"dad..."

Sonya rushed over and supported Ruben!

And Ruben coughed out a mouthful of black blood, which frightened Sonya so much that her face changed.

Seeing the black blood that Ruben coughed up, David's brows instantly wrinkled.

It seems that Ruben's injury is more serious than he imagined. David doesn't know how Ruben can survive such a serious injury up to now.

"Hurry up and help your dad to the room..."

David said to Sonya, who had already panicked.

But Sonya was stunned and didn't move, because she didn't trust David very much!

Seeing that Sonya didn't move, David frowned and said sternly, "Do you want to watch your father die?"

Sonya was yelled at by David, and then she supported Ruben and walked into a box of the hotel!

After entering the box, David called Ruben's pulse, and his expression became solemn.

Just when David was about to treat Ruben, the box door was suddenly pushed open, and a doctor wearing glasses and a white coat walked in.

"Doctor Sun, hurry up, look at my dad, he just vomited blood!"

After Sonya saw the person who came, she seemed to have caught a life-saving straw.

"What? Let me see..."

Dr. Sun was startled and hurriedly opened the medicine box!

"Get out of the way..."

Sonya pushed David aside, then supported Ruben and said to Dr. Sun,

"Doctor Sun, my father's illness treatment depends on you, you must save him!"

At this time, Ruben was almost in a coma, and his breathing became very weak.

"Don't worry, Miss Su, I will do my best!"

Dr. Sun said, and began to take the pulse of Ruben!

As the pulse time got longer and longer, Dr. Sun's brows became deeper and deeper.

Sonya looked at Dr. Sun's appearance with a worried face and did not dare to say anything.

"Ms. Su, he ha injured the spleen and lungs, causing hidden diseases. This accumulated chronic disease must be managed slowly, but someone forcibly stimulated Mr. Su's immunity."

"Although it seems to be effective for the time being, but This has aggravated President Su's condition, and I'm afraid that President Su is now in danger."

"Before me, who actually treated President Su?"

Dr. Sun said solemnly.

When Sonya heard this, she was instantly furious, and looked directly at David, who had just treated her father.

At that time, as Dr. Sun said, her father's condition improved a lot, but didn't expect it. This killed his own father.

"You liar, if my father has three strengths and two weaknesses, I will never spare you!"

Sonya yelled at David, her face full of anger, if it wasn't because she couldn't get away from supporting Ruben, it is estimated that Sonya would have done something to David!

"Why do you call me a liar? What did I lie to your family for? If it weren't for me, your father would have been a corpse by now. It's unreasonable!"

David snorted coldly, disgusting Sonya very much, a girl's family, just open her mouth and shut her mouth is a liar, how can there be a little girl's tenderness!

"you..."

Sonya was furious, but she couldn't quarrel with David at this time. It was the most important thing to save her father first.

"Doctor Sun, please, think of a solution quickly, please..."

Sonya was about to cry in a hurry.

Dr. Sun opened the medicine box, took out a black pill and stuffed it into Ruben's mouth, and then took out a pack of silver needles. In Ruben's sink, Tianhai, and the feet were punctured in several acupoints!

"You are not saving people by doing this, you are harming people..."

David looked at Dr. Sun's acupuncture and said calmly.

Dr. Sun frowned: "What do you mean? Are you questioning me? Could it be that you can't do acupuncture?"

Acupuncture is traditional medicine. It is not like Western medicine. You can become proficient in three or five years of study.

Acupuncture and moxibustion in traditional medicine may be difficult to get started without taking ten or eight years.

It may take decades to master it. I have studied all my life, but I dare not say that I am proficient!

But David looked at the age of only about 20. Even if he learned acupuncture from his mother's womb, how could he be so smart?

Chapter 7

"What nonsense are you talking about? I don't need you here, get out of here..."

Sonya was afraid that David would influence Dr. Sun to see a doctor, so she roared angrily.

"Okay, this is what you told me to get out of, I'm sitting in the corridor outside, and within five minutes, you'll beg me to come back.

"

After David finished speaking, he opened the box door and walked out.

When David walked back, no one cared about him. Then Dr. Sun began to carefully acupuncture Ruben, and soon he was sweating profusely!

After the last needle was pierced, Ruben woke up and slowly opened his eyes!

"Dad, my dad is awake, Dr. Sun, my dad is awake, it's great..."

Seeing Ruben awake, Sonya shouted happily, her eyes filled with tears!

She was really scared just now, afraid that her father would never wake up again.

When Dr. Sun saw that Ruben was awake, he also let out a long sigh of relief. In fact, he was not sure!

But when Sonya and Dr. Sun both breathed a sigh of relief, Ruben, who had already opened his eyes, suddenly trembled violently, his expression was very painful, they were in difficulty with each other, and the whole face turned purple!

"Dad...Dad..." Sonya shouted loudly, looking at Dr. Sun in a panic, "Doctor Sun, what's going on?"

At this time, Dr. Sun was also a little flustered, and seemed at a loss: "I... I don't know, how can this happen, how can this happen..."

"Who are you asking? You're a doctor!"

Sonya was in a hurry and shouted at Dr. Sun.

At this time, Ruben's shaking became smaller and smaller, and finally there was no movement, and he couldn't even detect his breathing.

This time, Dr. Sun panicked even more. If Ruben had any good or bad, he probably wouldn't think about it.

"Dad, don't scare me, don't scare me..."

Sonya cried.

"Miss Su, let's send President Su to the hospital, I have no choice!"

Dr. Sun said anxiously.

The reason why he chose to send Ruben to the hospital at this time was simply to avoid responsibility. If Ruben died in the hospital, it had nothing to do with him.

"Do you think I'm stupid? Can my dad still go to the hospital in this situation? Hurry up and save my dad. If you can't save my dad, don't live anymore..."

Sonya had lost her mind at this time, and said with anger in her eyes.

The Su family is the richest man in Jiangcheng. It is not a simple matter to deal with a little doctor.

This time, Dr. Sun was frightened, but he had no choice. Just when he was anxious, he suddenly thought of David, and Dr. Sun hurriedly said:

“Miss Su, the young man who just went out, maybe he really There is a way, I see that guy has two strokes!”

When Dr. Sun said this, Sonya also thought of David, but just now that Dr. Sun looked down on David, but now he praised him, he just wanted David to come over and help him beat the thunder!

As long as David starts to heal, even if Ruben is dead, he will not be able to find his responsibility. It is the responsibility of David alone.

Sonya hesitated, and finally put Ruben on the chair and rushed out of the private room!

At this time, David was sitting on a chair in the corridor, and he knew that Sonya would definitely come out to find him.

Seeing that David hadn't left, Sonya hurried over, but just as she was about to open her mouth, she suddenly found that she didn't even know David's name.

“Please, please save my father...”

Sonya looked embarrassed and begged to David.

David slowly raised his head to look at Sonya, but Sonya didn't dare to look directly into David's eyes. She scolded David just now, but now she came to beg David!

“You believe that I can save your father, that I am not a liar?”

David asked.

Sonya didn't speak, she didn't know how to answer, because at this moment Sonya didn't fully trust David, she just didn't do it, she was just a dead horse as a living horse doctor!

Looking at Sonya's appearance, David smiled, and instead of embarrassing her, he got up and walked towards the private room.

Sonya hurriedly followed behind, while that Doctor Sun was sweating profusely and was anxiously walking in the private room!

Seeing David coming, Dr. Sun seemed to see a savior. No matter whether David could cure Ruben or not, as long as David took action, his own responsibility would be released.

"Little brother, it was my fault just now, please save President Su quickly!"

Dr. Sun also put down his worth and begged David to say.

Compared with his own net worth and life, saying a few good things is nothing!

David glanced at Ruben and sighed softly: "It seems that I can only fight..."

After David finished speaking, he looked at Dr. Sun and asked, "Do you still have silver needles?"

"Yes, in the medicine cabinet!"

Dr. Sun hurriedly took out a package of silver needles and handed it to David!

"Not enough!" David shook his head.

"Not enough?" Dr. Sun was stunned: "There are more than thirty silver needles in this pack, isn't it enough?"

In acupuncture and moxibustion, it is quite remarkable to be able to apply a dozen needles.

Even the president of the Chinese Medicine Association, who is known as a genius doctor, can only apply more than 20 needles. More than 30 silver needles are enough!

"Not enough, I need a lot of silver needles!" David said.

"How much?"

Doctor Sun asked carefully.

"Nine nine eighty one!"

When David's voice fell, Dr. Sun was stunned, and the whole person was stunned!

After a while, Dr. Sun's eyes showed a hint of panic, but he didn't say anything, and took out all the silver needles from the medicine box!

David took the silver needle and placed Ruben's body flat on the ground. Then he waved his hands, and the silver needle kept piercing into Ruben's body!

David's forehead began to sweat, and the whole person looked very tired, and his clothes were soaked!

When the last silver needle pierced into Ruben's body, David let out a long sigh, and the whole person seemed to have collapsed and sat directly on the ground.

During this period, Sonya kept watching anxiously. She didn't know anything about acupuncture and wanted to ask, but she was afraid of disturbing David.

But at this time, Dr. Sun was already stunned on the spot, and his mouth was wide enough to fit an egg.

After a while, Dr. Sun changed from shock to excitement, and knelt in front of David with a thud!

Dr. Sun's sudden action shocked David and Sonya!

Chapter 8

"Divine Doctor, please accept me as a disciple!"

Dr. Sun said, kowtow to David!

David opened his mouth, but found that he had no strength at all, and Sonya looked at Dr. Sun in shock: "Dr. Sun, what's wrong with you? My dad isn't awake yet?"

Sonya didn't understand, her father hadn't woken up yet, why did Doctor Sun call David a genius doctor!

"Miss Su doesn't know anything. The genius doctor just used a nine-turn revitalizing needle. Even the dead can be healed. President Su will definitely be fine!"

Dr. Sun explained to Sonya.

"so smart?"

Sonya looked at David in disbelief. If what Dr. Sun said was true, then David could really be called a genius doctor.

"I didn't expect you to know about the Jiuzhuan revival needle!"

David took a deep breath and said in surprise.

This nine-turn revival needle is an ancient acupuncture method that has been lost for a long time. It was learned by David from Ervin. He did not understand how Dr. Sun knew it.

"The genius doctor, I am Karl Sun, vice president of the Horendel traditional Medicine Association."

"I once saw this acupuncture method in an ancient book, but I didn't expect to see the genius doctor administering acupuncture today, and asked the genius doctor to accept me as a disciple."

With that said, Karl started to kowtow to David.

David was a little overwhelmed by Karl's behavior. At this moment, a few coughs sounded, and Ruben woke up!

"Dad!" Sonya reacted, and hurriedly stepped forward to help Ruben up, but David grabbed her, "Miss Su, you can't move now, wait until I take out the silver needle from your father's body!"

David took Sonya's thin hand, which was soft and warm in his hand, which made David's heart agitate, and Sonya seemed to feel the temperature of David's hand, and her face flushed, "It's hard work! "

David hurriedly let go of Sonya, set his mind, and waved his hands gently in front of Ruben, eighty-one silver needles, the coefficient was sucked into David's palm!

"That's it!"

David returned the silver needle to Karl and said to Sonya.

At this moment, Sonya didn't dare to have the slightest suspicion of David, and after expressing her thanks, she stepped forward to support Ruben, and tears of excitement were about to flow out.

"Dad, how are you feeling?"

Sonya asked while supporting Ruben.

"I'm fine, I'm fine!"

Ruben smiled slightly, but when he saw Karl kneeling on the ground, he asked in confusion, "What's going on?"

Sonya could only talk about David's use of the nine-turn revival needle to save him. When Ruben heard it, he was immediately surprised.

He felt that David could see the illness in his body, and it should have been two strokes, but he didn't expect it to be so powerful that even Karl, the vice president of the Chinese Medicine Association, had to kneel down to apprentice!

"Little brother, this is the second time you have rescued me. From now on, you are the great benefactor of my Su family. As long as you say a word, Su can do it, and I will never refuse!"

Ruben said excitedly.

"Mr. Su is very polite. It's just a little effort. Besides, you have done good deeds for a long time. This is also your blessing!"

David said lightly, but then the conversation changed: "Although I temporarily saved your life with the nine-turn revival needle, if you don't cure your disease, you won't be able to live for three months at most!"

Hearing what David said, Ruben knelt in front of David with a thud: "Please save my life, sir, I am willing to pay my life's money!"

Ruben was frightened, and instead of calling David his little brother, he changed his name to Mr. Chen. He was really afraid that David would not save him.

In order to survive, he is willing to give all his family wealth to David. As the richest man in Horendel, Ruben has a lot of assets. Now he wants to give all of it to David. I am afraid that everyone who sees it will be envious.

"Mr. Su doesn't have to be like this. Since I meet you, I will naturally save you. It's just that I still need some rare medicinal materials, so I need you to prepare the medicinal materials!"

David has no money to buy medicine for Ruben, and the medicinal materials he needs are all invaluable, and most people are really poorly prepared!

"Sir, just say what you need!" Ruben nodded quickly, and then said to Sonya: "Sonya, prepare a pen and paper to record it!"

When Ruben suddenly changed his name to Mr. Chen, he felt uncomfortable, so he said, "Mr. Su, my name is David Chen, you can just call him by his first name!"

"How can that be, Mr. Chen is my savior, and my Su family will never forget it!"

Seeing Ruben's stubbornness, David did not insist, but wrote a full prescription with pen and paper and gave it to Sonya!

"Mr. Su, most of the medicines on this list are what you need, but a small part is for my mother. My mother is blind. If you want to cure it, you also need some medicines!"

David followed Ruben truthfully.

David's mother, Barbara's eye disease, was blinded because she cried for too long. It is not difficult for David to cure it!

It's just that with his current ability, it is still difficult to prepare medicinal materials for treatment, so he simply asked the Su family to prepare together.

But there are two things, David worried that the Su family would not be able to find them, one of which is a brush with a certain spirituality, such as those used by writers for a long time, which have spirituality.

Or a brush made of spiritual animal hair can also be used, these spiritual brushes are just one of them!

It is also necessary to use cinnabar. Although cinnabar is very common now, the cinnabar that David needs to use is made of lobular red sandalwood or old sandalwood that is more than 100 years old. With the spiritual brush, you only need to tap a few points on Barbara's eyes. After that, you can basically see things.

Although David also wrote these two things on the list, he did not expect the Su family to find these two things. These two things can be met but not sought after, and only those who understand can tell the difference!

Chapter 9

"Mr. Chen, you can say whatever you want. As long as I can do it, I will never refuse!"

Ruben said quickly.

"Mr. Chen, what is the use of the brush and cinnabar on your list?"

At this time, Sonya asked.

After all, writing brushes and cinnabar are not like things that can be used to treat diseases, and these two things are all over the street!

"Sonya, since Mr. Chen wrote it, it makes sense, so don't talk too much!"

Ruben glared at Sonya and said.

"It's okay!" David smiled: "These two are also used for healing, but these two are not ordinary brushes and cinnabars, they need spiritual brushes and cinnabars!"

"With spirituality?" Sonya was blinded this time!

Ruben was also confused, they didn't understand what was spiritual at all.

Seeing that both of them were blinded, David explained: "All things in the world are born and die, and everything has spirituality, even the dead things that people see in the world, such as the table and chairs here, are all There can be spirituality, but that requires particularly harsh conditions and opportunities!"

"Just like this chair I made, if I sit on this chair to practice the exercises for ten years, fifty years, or even a hundred years, this chair will gradually become spiritual.

"

David was afraid that the two of them would not understand, so he could only follow the two of them in a very popular way.

"Oh, I see!" Sonya suddenly exclaimed in surprise, "Mr. Chen's meaning is just like it was played on TV, a tree in the fairy cave can become spiritual over time, and even transform into a human form! "

"Sonya, don't talk nonsense!" Ruben was speechless after listening to Sonya's explanation.

In his opinion, there are no gods in this world, what a century it is!

"Miss Su's explanation is right, that's what it means..."

David smiled slightly.

David didn't believe it before, but after following Ervin for three years, he realized that there were too many things in this world that he didn't know.

Just like the condensing heart technique that the Ervin passed on to him, it is a method of cultivating immortals.

Ruben smiled awkwardly. I didn't expect that Sonya really explained it correctly. If someone said something about spirituality, immortals, etc., Ruben would definitely sneer, but when David said it, it made Ruben a little shaken!

David and Ruben were talking, without even looking at Karl, who was kneeling on the ground.

Although Karl is not particularly bad, it is difficult to take responsibility.

David didn't want to accept him, and without the permission of the old master, David Nor will they accept apprentices casually!

After talking for about ten minutes, David also knew how Ruben was injured.

It turned out that when Ruben was young, he was slapped by a business competitor, because there was no trauma, and he was fine after the examination. So he doesn't care!

But it didn't take long for Ruben to feel that his body was getting weaker and weaker, and he often had difficulty breathing.

However, Ruben was afraid that his family would be worried, so he kept it a secret, which is why Sonya didn't know her father had a hidden illness.

David understood as soon as he heard it, the person who injured Ruben must be a warrior, a warrior who has cultivated inner strength,

It seems that he is going to kill Ruben, but Ruben is rich and buys it with heavy gold. Tonic can only last until now. If he hadn't met himself, Ruben would not have survived at all.

"I beg Mr. Chen to accept me as a disciple..."

Karl, who was kneeling on the ground, shouted again.

At this time, his legs were already numb, accompanied by pain, making Karl very uncomfortable now.

David glanced at Karl: "Get up, I won't accept apprentices, but if you don't understand something, I can give you pointers!"

David saw that Karl had been kneeling for so long, and he was sincere, so he agreed to give him instructions, but David would never accept an apprentice.

Seeing David say this, Karl was overjoyed and thanked him repeatedly: "Thank you, Mr. Chen, thank you, Mr. Chen..."

Karl stood up slowly, but his legs were numb and painful, making him unable to stand at all!

Seeing Karl's situation, David stretched out his hand and tapped on Karl's leg. The pain and numbness disappeared instantly, which shocked Karl!

"Mr. Su, there are still parents at home. I'm going back. After the medicinal materials are ready, you can call me!"

David slowly got up and said.

David's mother was still at home alone, which made him very uneasy.

"Mr. Chen, where do you live now?"

Ruben asked.

"What's wrong with living in Xingfuli Community?"

David said strangely.

"Oh, it's nothing, I just have a house that has been idle and useless, so I will give it to Mr. Chen. That place is also very suitable for recuperation. I hope it will be useful to Mr. Chen!"

Ruben said, and took out a key from his pocket!

"Then thank you, Mr. Su!"

David wanted to refuse. He did not seek medical treatment for Ruben, but he thought that his parents lived in that dilapidated house, and he wanted to earn money to buy a house.

He was afraid that it would take a while, so he agreed.

But when the key was handed over to David, he was stunned. This was the key to the Pinerest Villa.

Chapter 10

The Pinerest Villa District is the best community in Horendel. The whole community is built on the only mountain in Horendel. The scenery in the community is pleasant and the air quality is particularly good!

The people who can live here are either rich or expensive, and they are all upper-class people. Ordinary people, let alone living in the community, can't even pay the property fee!

"Mr. Su, this... this house is too expensive, you should take it back!"

David hurriedly returned the key.

"Mr. Chen, don't shirk. Does it mean that my life is not worth a house?"

Ruben smiled slightly.

When Ruben said this, David could only accept it, and Ruben took out a bank card and gave it to David, with ten million in it.

David knew that he couldn't escape, so he could only put the bank card in his pocket!

Just when David was about to leave, there was a burst of noise from downstairs, it was very loud!

David frowned slightly!

Seeing David frowning, Ruben immediately called the hotel manager over.

"What's going on? It's so noisy?"

Ruben asked.

"Mr. Su, Young Master Xiao of the Xiao family is getting married today, and the wedding banquet will be held in the banquet hall on the second floor, that's why it's so noisy!"

The manager hurriedly explained to Ruben.

When Ruben heard this, he gave up. After all, his hotel is open for business, and when people get married, it is inevitable to make some noise!

"Mr. Su, farewell!"

David bowed his hands to Ruben and walked out of the private room!

Just after David went downstairs, he met Jordan and walked into the hotel with his bride Delia in his arms!

After seeing David, Jordan was stunned for a moment, but then laughed:
"David, I didn't expect you to come to our wedding, do you want to eat and drink?"

David glanced at Jordan coldly, did not speak, turned to one side and wanted to leave!

"Don't go!" Jordan blocked David's way, and said mockingly: "Look at your ex-girlfriend, isn't she beautiful now? Don't you have anything to tell her?"

Jordan is deliberately making David embarrassed!

"Brother Lei, ignore him, the time is coming!"

Delia, who was in Jordan's arms, didn't even look at David, she said to Jordan.

"Jordan, don't pay attention to this rubbish, you can't miss the hour, you go to the hall, I'll drive this rubbish away!"

Ethel urged Jordan, then looked at David and said, "Have you finished this guy? You even chased after you to the hotel, just like your toad, can my daughter like you? Take a photo of yourself, get out of here, don't think about making trouble here!"

Jia Meimei's words are bitter and mean, and it can be said that every word is punishing!

The relatives and friends around them whispered one by one, watching David keep sneering!

At this time, David was like a clown jumping off the beam, and was laughed at by everyone!

"One day, you will all kneel at my feet and beg me!"

David suppressed the anger in his heart, pushed Jordan away, and walked out!

"Stop him!" Jordan frowned: "Today, if you want to participate, you have to participate, and if you don't want to participate, you have to participate. I will let you, a waste, watch your girlfriend marry me!"

As soon as Jordan spoke, the bald people immediately stopped David. They were beaten at David's house, and they still had grievances in their hearts. Now they just want to take revenge on David!

Seeing the bald-headed people holding him viciously, David slowly turned his head to look at Jordan: "Are you sure you want me to attend your wedding?"

"Yes, I just let you watch it with your own eyes. I want you to know that if you dare to fight with me, you are not worthy..."

Jordan sneered.

"Well, if I were to attend, your wedding wouldn't be held!"

After David finished speaking, he turned around and walked into the wedding banquet hall on the second floor. There are more than 100 tables in this hall!

"Hahaha, I want to see how you made my wedding fail!" Jordan laughed, he didn't believe David's threat at all, but in order to prevent David from making trouble and disturbing everyone's Yaxing, Jordan faced that The bald head said: "Bald head, bring a few more people and follow that David for me. If he dares to come back, immediately arrest him for me!"

"Young Master Xiao, don't worry, this matter is left to me!"

The bald head nodded, and there were a few cold rays in his eyes. He was just about to seek revenge on David!

In the marriage hall, David found a corner and sat down. The people who can attend the Xiao family's son's wedding are either rich or expensive.

Therefore, the appearance of David caused many guests in the hall to cast a strange look. At such a luxurious wedding scene, an ordinary young man suddenly appeared, which seemed out of place!

But soon, David's identity was spread among the many guests, and this time, there were more eyes on David, most of them were mocking and mocking, and some were sympathetic!

It's just that David didn't care about these eyes, sitting alone in the corner, eating the dried fruit on the table, without a trace of expression on his face!

The bald head is with a dozen people, standing behind David and staring closely. As long as David dares to make a change, he will shoot without hesitation!

"Hey, isn't this David? When did you get out of prison?"

A sarcastic voice sounded, David looked up, and found a woman dressed in enchanting, heavy makeup walking towards David, with a young man following the woman!

The woman's voice instantly attracted the attention of the surrounding guests. At first, they only thought that David was the ex-boyfriend of the bride, and they came to see his girlfriend for the last time. of interest.
