

A Man Like None Other

Novel

Chapter 91

Sure enough, seeing Wang Hanhan and David's intimate actions, many men were instantly disheartened, and Cui Zhiyuan also looked at David with jealousy in his eyes!

David introduced Wang Hanhan one by one. When introducing Dao Sun Xiaomeng, David said: "This is Uncle Sun's daughter Sun Xiaomeng. Her father and my father are comrades in arms..."

When Wang Hanhan heard it, he immediately understood that Chen Baoguo wanted to ask someone to find a job at that time, and it should be Sun Xiaomeng's father!

So Wang Hanhan enthusiastically stepped forward and took Sun Xiaomeng's hand: "Sister Xiaomeng is so beautiful, I have heard Brother David and Uncle Chen mention you for a long time, but I have never seen it..."

Wang Hanhan's enthusiasm also made Sun Xiaomeng smile: "Sister Hanhan, you are also pretty..."

"This is Zhang Tongjian, we are in the same group..."

David pointed to the corner, Zhang Tongjian with glasses said.

"Hello..." Wang Hanhan smiled and stretched out her hand!

"Hello, hello..." Zhang Tongjian's face flushed instantly, and he gently shook hands with Wang Hanhan.

Seeing Zhang Tongjian like that made everyone burst into laughter!

Soon, everyone became acquainted and began to sing and drink, and everyone began to attack David one after another, toasting David one by one!

Seeing this, Wang Hanhan stood in front of David: "You toast like this, Brother David will be drunk in a while, I will drink with you..."

Wang Hanhan took a glass of beer and drank it!

Wang Hanhan took the lead for David. Of course, these men would not refuse. In their opinion, Wang Hanhan can get away with just two bottles of beer!

But soon, these people knew that they were wrong, how outrageous they were!

I saw Wang Hanhan drinking with everyone, but he didn't even look like he was about to get drunk, and his face didn't even change!

This time, everyone was dumbfounded, even David looked at Wang Hanhan in disbelief!

No one could have imagined that a girl who looked so weak could actually drink so much. At this time, there were more than 30 empty bottles at Wang Hanhan's feet!

Wang Hanhan was fine, while the others were all blushing, and some people were crooked.

"Okay, let's sing, don't drink all the time..."

Seeing this, Cui Zhiyuan could only stop everyone from drinking. If he was drinking, Wang Hanhan would be fine, and it is estimated that everyone else would be drunk!

"Sister Hanhan, you can drink too much..."

Sun Xiaomeng said to Wang Hanhan with envy and surprise in her eyes.

Wang Hanhan smiled: "I don't have anything else, I just can drink..."

"Sister, you are too good. If I have your drinker and drink in the future, I see who dares to compete with me..."

Wang Lanlan also sat with Wang Hanhan and said with admiration.

"Sister Lan Lan, you can also practice this amount of alcohol. I'll teach you another day, just for the name of the two of us, it's just fate..."

Wang Hanhan said with a smile.

I have to say that Wang Hanhan is really good at communication. It didn't take long for the three women to become good friends who can talk about everything!

"Sister, you said that you are good-looking and have a good temper. Why do you like David? When I look at David, he looks like a big tail, which is annoying..."

Wang Lanlan also drank some wine and said to Wang Hanhan without shyness.

David sits by himself, doesn't sing, doesn't drink, and occasionally says a few words to Zhang Tongjian, it really seems a little out of place!

"Sister Lanlan, in fact, Brother David is a good person. We have been together since we were young. Maybe you are not familiar with him..."

Wang Hanhan wasn't angry either, just explained lightly!

Seeing Wang Hanhan say this, Wang Lanlan couldn't help belittling David, so she picked up the microphone and said, "Let's go, let's sing a song..."

Chapter 92

Wang Hanhan not only looks good, but also sings first-class, her voice is no different from the original singer!

This time, it made many men jealous of David, especially Cui Zhiyuan, who looked at Wang Hanhan with more and more hot eyes, but Sun Xiaomeng was present, and he didn't show too much enthusiasm!

With Wang Hanhan's singing, the atmosphere in the entire private room almost reached its peak, and everyone was dizzy and jumping.

Zhang Tongjian was also poured a few cups. At this time, his face was red and he stood up and jumped along with him!

Only David sat alone in the corner, watching quietly.

Just when everyone was having a good time, the door of the private room was suddenly pushed open, and a bald middle-aged man walked in with a glass of wine, followed by two bodyguards in suits behind the middle-aged man!

Seeing that someone suddenly broke in, everyone stopped and looked at it in confusion. Wang Hanhan also put down the microphone in his hand!

The middle-aged man's eyes were a little blurry, his face was flushed, and he was obviously drinking too much. After breaking in, he glanced at the people in the private room, and raised his mouth: "It turned out to be a bunch of raw melon eggs, who just sang it. It's pretty good, I'll sing two songs in the private room with me..."

The words of the middle-aged people made everyone look at each other in dismay, and no one dared to make a sound. It was obvious that these middle-aged people were not ordinary people, and their group were just wage earners, but no one dared to mess with them. !

Seeing that no one was talking, the middle-aged man turned his attention to Wang Hanhan, Wang Lanlan followed the three girls Sun Xiaomeng, because only the three of them had the microphone in their hands!

“The three chicks are all good, take the three of them to my private room...”

As the middle-aged man spoke, he took out a stack of hundred-yuan bills from his pocket and threw them at the three girls. The two bodyguards behind him walked over!

This frightened the three of them, and they were so frightened that they retreated again and again, and Cui Zhiyuan stepped forward with a somewhat ugly face and stood in front of him!

Now there is only his high status here. If he doesn't show up at this time, he will be laughed at, not to mention that Sun Xiaomeng is still his girlfriend!

How can I watch my girlfriend being taken away, but I am indifferent!

“This gentleman, who are you? We are just here to sing and relax. The three of them are our friends, not accompanying singers!”

Cui Zhiyuan said to the middle-aged man.

“It doesn't matter if I sing with you. I give you money. Don't you feel ashamed when you come to this kind of place and only dare to order beer? Let the three little girls sing for me, and I will order you a few bottles of Lafite... ..”

The middle-aged man stepped forward and patted Cui Zhiyuan's face.

The actions of the middle-aged man can be described as not very harmful and highly insulting. This is to treat Cui Zhiyuan as a little boy!

Cui Zhiyuan got angry and pushed the middle-aged man away, almost preventing him from falling down!

As soon as he pushed it away, Cui Zhiyuan regretted it. He didn't know who the other party was.

"Damn, push me?" The middle-aged man said angrily, "Beat him for me..."

After that, the two bodyguards rushed towards Cui Zhiyuan, which scared Cui Zhiyuan enough!

When they saw that the other party was about to make a move, the others didn't care about being afraid, and grabbed the wine bottle and stood with Cui Zhiyuan. After all, Cui Zhiyuan was their manager, and now is the time to show their loyalty!

There are only three people on the other side. With so many of them together, they will definitely be able to beat each other!

When the two bodyguards saw this, they were all stunned for a moment. They didn't expect that this group of young people was actually quite united, and the two bodyguards didn't dare to do anything for a while!

At this moment, Cui Zhiyuan was very happy. Seeing that the two bodyguards did not dare to do anything, he immediately stepped forward and kicked one of them: "Get out of here now, and I'll just pretend that this never happened!"

Chapter 93

When the bald middle-aged man saw this, his eyes narrowed slightly, but when he looked at the crowd, they were all stunned. Wait for me, report your name if you have the ability, and see if I won't kill you..."

"My name is Cui Zhiyuan, and I'm waiting for you here. Do you think my brothers are vegetarians?"

At this moment, Cui Zhiyuan felt like a big man on the Tao, and that feeling was refreshing!

"Good, good, good..."

The middle-aged man said three good words in a row, turned around and left with two bodyguards!

After the middle-aged man left, Cui Zhiyuan felt very happy. He had never felt this way before.

"Manager Cui is too good. With that kick just now, the other party didn't even dare to give a f.art!"

"Manager Cui was like that just now. Those who didn't know it thought it was the eldest brother on the road!"

"Manager Cui is awesome, I doubt whether Manager Cui has ever been on the road..."

A group of people touted Cui Zhiyuan one after another, which made Cui Zhiyuan go to heaven!

Cui Zhiyuan was proud in his heart, but he pretended to be lighthearted and said: "It's all up to everyone to support me, since the brothers are interesting enough, I can't be stingy today, Cui Zhiyuan, this time I will serve a few bottles of Lafite, how many brothers try it all..."

"Brilliant..."

"Long live Manager Cui..."

When everyone heard Lafite, they all shouted excitedly. You must know that migrant workers like them rarely drink this kind of wine!

“Zhiyuan, let’s go. If the other party really asks someone to come, it will be troublesome...”

Sun Xiaomeng persuaded Cui Zhiyuan.

At this time, Cui Zhiyuan used his drunkenness and so many people to support him, how could he be afraid of the bald middle-aged man.

“Don’t worry, Xiaomeng, with me here, you don’t have to be afraid...”

Cui Zhiyuan patted his chest and said.

“Manager Cui, I heard that this KTV is the store of Juyitang, which is run by Lin Tianhu. We just had a fight, will it be...”

An employee said cautiously.

“I’m afraid, I know Lin Tianhu very well, don’t worry!”

Cui Zhiyuan waved his hand and said cooingly.

When Sun Xiaomeng heard that it was Lin Tianhu’s store, she immediately relaxed and said, “Since it’s Lord Tiger’s store, it’s easy to handle, Zhiyuan is very familiar with Lord Tiger, and my company’s external account is just a word from Zhiyuan, Tiger Lord helped to come up!”

Sun Xiaomeng’s words immediately made everyone look at Cui Zhiyuan with admiration. It would be awesome to know the underground emperor in Horendel, but he could show off for a lifetime!

“Manager Cui is so secretive, he actually knows him even with Master Tiger!”

"Since we know Tiger Master, then we are still afraid of a ball. If the other party dares to come, he will cry and call his mother..."

"Let's drink, with Manager Cui here, who dares to provoke us..."

Hearing that Cui Zhiyuan knew Lin Tianhu, these guys became even more reckless!

David sat in the corner, the corner of his mouth was slightly raised, and he smiled faintly!

It seems that this Cui Zhiyuan doesn't suffer, and he always lives in his dreams!

"Why are you smiling, you still have a smile on your face, that old guy was going to take us away just now, you were so frightened, Wang Hanhan is your girlfriend, you can't even protect your own girlfriend, what kind of man are you? Laugh out loud!"

Seeing David sitting in the corner laughing, Wang Lanlan immediately rebuked with dissatisfaction!

"Yes, is he still a man? His girlfriend was about to be taken away, and he turned a blind eye..."

"If Manager Cui hadn't come forward, you would have been cuckolded today!"

"And this Zhang Tongjian, who doesn't dare to move while sitting, has no backbone at all!"

Everyone began to criticize David and Zhang Tongjian one after another. After all, they just sat there and didn't move!

Chapter 94

David knew that he didn't have to move, and that Zhang Tongjian was really too scared to move!

"Okay, ignore these two cowards, go out and ask for Lafite, let's drink..."

Cui Zhiyuan waved his hand and said!

Soon someone went out to ask for a drink, while others gave David and Zhang Tongjian a cold look, and no one paid any attention to them!

...

At this time, in the office of the general manager of Dynasty KTV, the bald middle-aged man was inside with two bodyguards.

The office decoration is very luxurious. Behind a desk that is more than three meters long sits a man in a Chinese tunic suit. Behind the man stands a girl, wearing a cheongsam, the hem of which is opened to the waist, revealing fair skin and a face. With thick makeup on it, he is pressing his head for the man in the tunic suit!

This man in Zhongshan suit is Hou Chunlei, the KTV manager of the Dynasty, and he is also Lin Tianhu's right-hand man, otherwise Lin Tianhu would not have handed over this KTV to him!

"Boss Qian, what made you angrily find me here?"

Hou Chunlei half-squinted his eyes and asked lightly.

"Manager Hou, your Dynasty KTV is too messy. Just now, a bunch of Lengtouqing actually beat my people, and now there are clear footprints on my people!"

The bald money boss pointed to one of his bodyguards and said!

There is also a clearly visible footprint on the bodyguard's belly!

"Is there such a thing?" Hou Chunlei opened his eyes and sat up straight:
"Who is the other party? Did Chilong help?"

In Hou Chunlei's view, only the guys from the Chilong Gang dare to make trouble here!

"It doesn't look like it, it's just a bunch of young people. I heard that some girls in their private room sang well, and I wanted to take them to my private room to sing two songs, but I didn't expect these guys to dare to do it.

Boss Qian's eyes flashed with chills, and he gritted his teeth and said, "I see that this is Lord Tiger's place, so I came over and told Manager Hou. If Manager Hou doesn't care, then I will find someone myself. Manager, don't blame me! "

"It's just a bunch of little boys, why is Boss Qian angry? I'll send someone to follow Boss Qian..."

Hou Chunlei said, and shouted towards the door: "Binzi..."

At this time, a man with a fierce face and tattoos on his arms walked in!

"Brother Hou..." Na Binzi shouted respectfully!

"Someone was making trouble at KTV just now. You can follow Boss Qian to see if you don't kill anyone. Recently, Lord Tiger has spoken, let's keep a low profile!"

Hou Chunlei ordered to that Binzi!

"I know Brother Hou..."

Binzi nodded.

“Manager Hou, thank you very much!” Boss Qian bowed his hands to Hou Chunlei!

“Boss Qian is being polite. If you are angry with me, of course I have to take care of it. In the future, Boss Qian will just take care of my business...”

Hou Chunlei smiled lightly.

Soon, Boss Qian took Binzi to the private room where David and the others were, followed by more than a dozen KTV thugs!

In the private room at this time, Cui Zhiyuan and the others were drinking Lafite, all of them flushed and shouting excitedly, when suddenly the door was kicked open!

Everyone was stunned. When they saw that it was the bald middle-aged man who brought them back, they all showed panic on their faces. After all, there were more than a dozen people behind the other party this time, and they all looked fierce!

“Boss Qian, who moved the hand just now?”

Binzi asked Boss Qian.

Boss Qian kept saying to Cui Zhiyuan, “It’s him, this kid beat me up!”

Binzi glanced at Cui Zhiyuan, then glanced around, and immediately knew that these people were ordinary people, not just on the road.

“You just beat up Boss Qian’s person?” Binzi asked indifferently as he walked up to Cui Zhiyuan.

Seeing Binzi's face and the tattoos on his body, Cui Zhiyuan was a little scared, but with the strength of the wine, Cui Zhiyuan nodded: "Yes, I beat him, they bullied my girlfriend!"

Chapter 95

Binzi saw that Cui Zhiyuan actually admitted it directly, but he was a little surprised. He looked Cui Zhiyuan up and down and said, "You have the talent, you dare to act, and I will not embarrass you. Now go to your knees and apologize to Boss Qian. Today It's over..."

When he heard that he was asked to kneel, Cui Zhiyuan would agree, shook his head and said, "Let me kneel for him, that's impossible, it's him who provokes us first!"

When Binzi saw Cui Zhiyuan's rejection, his face suddenly turned cold: "No one dares to reject my words!"

With that said, Na Binzi suddenly shot, grabbed Cui Zhiyuan's collar directly, and lifted Cui Zhiyuan up!

When the others saw this, although they wanted to go up and help Cui Zhiyuan, they were all cowardly when they saw the dozen or so thugs who were staring at Boss Qian behind him!

"Zhiyuan..." Sun Xiaomeng saw that the other party actually made a move, and immediately shouted and rushed over: "Let him go, my father is Sun Fuhai, and we are the employees of the Su family's heart..."

Sun Xiaomeng tried hard to break Binzi's hand, but no matter how hard she tried, Binzi didn't move at all!

At this moment, Cui Zhiyuan's face turned red, his breathing began to be difficult, his eyes were wide open, and his mouth was wide open...

The fear of death haunts him constantly!

Seeing Cui Zhiyuan like this, Sun Xiaomeng was very anxious, and continued to shout, "This is Lord Tiger's territory. You are in Tiger Lord's territory. Tiger Lord will never let you go. He knows Tiger Tiger..."

As soon as Sun Xiaomeng's voice fell, Binzi's expression changed slightly, his brows furrowed, and his hand was released.

"Cough cough cough..."

After Cui Zhiyuan was released, he coughed hard and gasped for breath!

"Zhi Yuan, are you alright?" Sun Xiaomeng asked with concern.

Others saw that Binzi heard Tiger Lord, and immediately let go, thinking that Binzi was very afraid of Lin Tianhu, so they shouted: "Our Manager Cui and Tiger Lord are very familiar, you dare to touch him, Tiger Lord. I can't forgive you..."

"Let me tell you, if our manager Cui said a word, then Lin Tianhu should be obedient!"

"Just yesterday, our manager Cui only made a phone call, and then Lin Tianhu went to help and ask for the account right away. If you messed with Manager Cui, just wait to die..."

Those people in the sales department under Cui Zhiyuan, knowing that the other party was afraid of Lin Tianhu, started shouting one by one, blowing Cui Zhiyuan into the sky!

After David in the corner heard this, the corner of his mouth couldn't help but lift slightly, these ignorant guys, the more he said this, the more he pushed Cui Zhiyuan towards the brink of death!

When Cui Zhiyuan heard that these guys were touting him indiscriminately, he was so frightened that he could not wait to scold these guys fiercely!

Listening to everyone's words, Binzi's face became more and more ugly, and the killing intent in his eyes became more and more intense!

Although Hou Chunlei told him not to kill people, but these guys were bluffing outside in the name of Lord Tiger, how could he bear it!

Seeing Binzi's face getting more and more ugly, Cui Zhiyuan's group thought they were afraid, and they all became proud!

"You know what you're afraid of? Get out now, if we call Lord Tiger, none of you will be able to leave..."

Sun Xiaomeng also followed Binzi with a proud face.

"Shut up, shut the fuck up..."

Cui Zhiyuan yelled at Sun Xiaomeng!

Only he himself knew that he didn't know Lin Tianhu at all, and he hadn't even seen Lin Tianhu.

Seeing Cui Zhiyuan yelling at him suddenly, Sun Xiaomeng was stunned, wondering what happened to Cui Zhiyuan, but he didn't dare to speak!

"You know Tiger Master?" Binzi asked Cui Zhiyuan gloomily for a moment.

Cui Zhiyuan is now being held up by everyone, and there is no way to do it. If he admits that he does not know him at this time, he will be laughed at by everyone.
