

A Man Like None Other Novel

Chapter 1001

Looking at the eyes of the members of the Guardian Pavilion, David suddenly seemed to know what he was talking about, and then looked at Sonya and Gu Linger who were still satisfied, and hurriedly shouted at the members of the Guardian Pavilion: "Hey, Not what you think, not what you think..."

The member of the Guardian Pavilion has long since disappeared.

"How can you two talk nonsense!"

David's head was stunned for a while, and he only realized it now. What Sonya and Gu Linger said just now was too easy to misunderstand when others heard it.

"What are we talking about?"

Sonya and Gu Linger also looked at David dumbfounded.

"Hey, don't say it, Pavilion Master Zhao has something to do with me, I'll go over there..."

David sighed and turned to look for Zao Wou-Ki.

He knew that these guys from the Dharma Protector Pavilion would definitely be talking about him behind his back...

"Linger, what did we say?"

Sonya watched David leave, but didn't react.

"I didn't say anything, it seemed like I said something that was very comfortable last night, and I didn't say anything!"

Gu Linger didn't understand either.

But soon the two of them were stunned, and then their faces turned red.

The two of them stayed in the room with David all night, alone, what could they do?

And the two of them are still in front of others, saying that they were comfortable last night, which must be misunderstood. Who would have thought that they were cultivating last night.

Sonya and Gu Linger ran back to the room shyly, and they probably didn't dare to come out to meet people.

David went to the hall of the Guardian Pavilion and found that Zao Wou-Ki was waiting for him, and there was another person sitting beside Zao Wou-Ki, who was Zhu Zhishan, the leader of the Kyoto Martial Arts Alliance.

David saw that Zhu Zhishan was also there, and knew that it must be because of the trial. After all, the trial was organized by the Martial Arts Alliance. He beat Guo Wei and almost disfigured Long Xiao. As the leader of the alliance, Zhu Zhi It is impossible not to find the mountain.

"Mr. Chen, I wish the leader said that I have something to talk about with you..."

Seeing David coming, Zao Wou-Ki hurriedly stood up and said.

"I wish the ally..."

David nodded towards Zhu Zhishan.

Zhu Zhishan sat on the chair with a slight forehead, which was regarded as a return gift.

David looked at Zhu Zhishan's aloof appearance, his heart burst into flames, he grabbed a chair and sat down.

The actions of these people in the Kyoto Martial Arts Alliance have long made David ashamed.

"David, as an instructor of the Dharma Protector Pavilion, it is your honor to be able to give you a chance to try. You should be extremely rare. I didn't expect you to break the rules, not only killing the Xuanyuan family and the Thunder Gate. The people who beat up Long Xiao and Guo Wei, are you not taking our Martial Arts Alliance in your eyes?"

Zhu Zhishan looked at David, his obsidian-like eyes exuded a cold and fierce light, which brought an infinite sense of oppression.

It's just that David didn't care, and the corner of his mouth raised slightly: "You martial arts alliance still have the face to say the word rules? In this trial, you are partial to the Long family and condone other sects and families to trouble me, I will hit them! "

"Hmph, at such a young age, so arrogant!"

Zhu Zhishan snorted coldly, then slapped his palm on the table, and the cold breath on his body pressed directly towards David.

Whoa, whoa...

David felt like a mountain was pressing down on him, and the chair under him suddenly shattered.

David gritted his teeth and held on to this breath, and the cold sweat on his forehead instantly flowed out.

Zhu Zhishan's strength is still above that of Guo Wei, and David's current strength is not enough to resist Zhu Zhishan.

"I wish the alliance leader, if you have something to say, you are open to Mr. Chen in the Protector Pavilion. If I report to Mr. Shi, you can't explain it, right?"

Seeing that David couldn't take it anymore, Zao Wou-Ki hurriedly threatened Zhu Zhishan.

Chapter 1002

Hearing Zao Wuji say this, Zhu Zhishan took back his breath and looked at David coldly: "David, for the sake of Mr. Shi, I can spare you this time, but you are in the tomb of the ancient tomb. The painting I got from the book must be handed over..."

"I got it. Why should I give it to you? If you have the ability, kill me today. I can't give you that painting."

David knew the value of that painting, how could it be given to Zhu Zhishan.

"Hmph, you are also worthy of a map of 90,000 miles of mountains and rivers. If something like that is in your hands, it's a waste..."

Zhu Zhishan snorted angrily: "Now you hand over the 90,000-mile map of mountains and rivers, I can let go of what happened in the past, and I can help you suppress the matter of you killing the eldest masters of the Xuanyuan family and the Pilimen. "

"If you want me to give you the map of 90,000 miles of mountains and rivers, stop dreaming, unless you kill me now and take it from me..."

David looked at Zhu Zhishan with a sneer, this guy obviously came here today on the 90,000-mile mountain and river map.

Zhu Zhishan's face was ashen, he gritted his teeth and said fiercely: "Don't think I dare not kill you..."

A terrifying aura emanated from Zhu Zhishan's body again.

"I wish the alliance leader, if you do it in the Dharma Protector Pavilion, would you like me to call Mr. Shi?"

Zao Wou-Ki took out his cell phone, ready to make a call!

Zhu Zhishan glared at Zao Wuji, and then said angrily, "Let's wait and see..."

Zhu Zhishan left angrily.

After Zhu Zhishan left, Zao Wuji breathed a sigh of relief, his back was already soaked.

Where does he have Mr. Shi's phone number? If Zhu Zhishan really does it, Zao Wou-Ki can't do anything about it.

"Mr. Chen, it seems that you are going to leave the capital temporarily and find a place to hide for a while. These guys from the Martial Arts Alliance can do anything. Although Mr. Shi is behind you to support you, it is inevitable that they will not secretly attack you. start..."

Zao Wou-Ki knew that it would be very dangerous for David to stay in Kyoto.

"I also have this intention. I plan to leave the capital for a period of time and cultivate for a while!"

David has not practiced properly in this period of time. Now that he has a map of 90,000 miles of mountains and rivers, he does not need to worry about the

lack of spiritual energy, so he must hurry up to practice and rescue his mother from the Long family as soon as possible.

"It's not too late. I'll send someone to drive you out of the city, Mr. Chen. There are people from the Protectorate Pavilion, and those people don't dare to make a bad move. If they dare to kill the official people, they can't explain it."

Zao Wou-Ki planned to send someone to directly send David and Sonya out of the capital city.

But at this moment, a member of Shadowless Villa was covered in blood and hurried over.

"Mr. Chen, Mr. Chen..."

Then the members of Shadowless Villa shouted in the Dharma Protector Pavilion.

David hurriedly flashed out of the hall, and after seeing the member of the Shadowless Mountain Villa covered in scars, David frowned and said, "What happened?"

"Mr. Chen, Pilimen and Xuanyuan's family jointly attacked Wuying Mountain Villa. This time, we made a ruthless attack. Many of us died.

After the member of Shadowless Villa finished speaking, he immediately fainted.

When David heard this, a monstrous killing intent erupted from his body, and then he looked at Zao Wuji and said, "Pavillion Zhao, help me take care of him..."

After David finished speaking, his figure disappeared in a flash, and he hurried towards Wuying Villa.

Zao Wou-Ki wanted to say something, but he didn't have time, and David disappeared!

Zao Wou-Ki could only send someone to take the members of Wuying Mountain Villa away for treatment, and hurried to tell Sonya and Gu Linger.

Chapter 1003

Inside the Shadowless Villa!

There are corpses and blood everywhere, and the bloody smell spreads hundreds of meters!

The two teams of Xuanyuan's family and Perak's gate surrounded Wuying Mountain Villa.

At this moment, there are only a dozen or so people around Zhao Ligu and Zhao Chuang, and the huge Shadowless Villa is about to be destroyed.

"Zhao Ligu, you and I have known each other for decades, but it's a pity that you are with the wrong person. The owner of your dignified Shadowless Villa actually followed the boy David. Don't blame us today!"

Xuanyuanyan held a long sword and glared at Zhao Ligu.

Xuanyuanyan became furious when he knew that his son was killed by David and died tragically in the ancient tomb. However, David's people were in the Guardian Pavilion, and their Xuanyuan family did not dare to openly go to the Guardian Pavilion to get people, not to mention that there was Mr. Shi behind David. .

However, the revenge of killing his son had to be avenged. Xuanyuanyan found the Martial Arts Alliance and wanted Zhu Zhishan to be the master!

Cheng Zhichang, the master of Perak Gate, had the same idea. His only son, Cheng Kun, was killed by David. Cheng Zhichang found the Martial Arts Alliance right away, and now they all want an explanation.

The old fox Zhu Zhishan, after first appeasing the two families, found David and asked for a map of 90,000 miles of mountains and rivers, but after being flatly rejected by David, he directly encouraged the two families to attack Wuying Mountain Villa.

Chapter 1004

Zhu Zhishan knew that David would never sit idly by when Wuying Villa was killed. The sects and families in Kyoto were all under the control of Zhu Zhishan. Wuying Villa and David were so close, and Zhu Zhishan would not. would not know.

"Xuanyuanyan, stop talking nonsense. If you want to kill or slash, just come here, I'm afraid you won't succeed!"

Zhao Liguó looked at each other, not afraid at all!

"Zhao Liguó, you are not afraid of death, isn't your son also afraid? Now you only need to call that David and coax him here, and we can spare your life..."

Cheng Zhichang's face was gloomy and he said, "What we want to kill is only David, and we don't want your father and son's lives!"

"Don't think about it, I won't call, and even if I trick Mr. Chen, you guys are definitely not opponents..."

Zhao Liguó has absolute confidence in David's strength.

"Hmph, with the strength of my two families, I still can't kill a David. You think of David too high..."

Cheng Zhichang snorted coldly.

Now, neither Cheng Zhichang nor Xuanyuan Yan have murdered Zhao Ligu, just waiting for David to come, they want to kill David.

Even if Mr. Shi said something before, but they didn't care about it. If they didn't get revenge for killing their son, how could the two of them still mix in the capital, and how could they mix in the martial arts world?

What's more, there is a martial arts alliance behind them. Zhu Zhishan promised them that he would help the two to block Mr. Shi's anger and intercede for the two of them.

"It's not that I think too much of Mr. Chen, it's that you bastards are too incompetent..."

Zhao Ligu narrowed his eyes slightly.

"Damn, say one more word..."

Cheng Zhichang was furious, and the atmosphere at the scene became more tense.

I saw Cheng Zhichang's qi burst out, and a tyrannical aura condensed on his palm.

"I'll kill you first, and let you see who is the waste..."

Cheng Zhichang shouted angrily, and then slapped Zhao Ligu with his palm.

Xuanyuan Yan on the side wanted to stop him, but he didn't stop him at all.

"come on..."

Although Zhao Ligu was injured at the moment, he was not afraid at all, and greeted him with a palm.

boom!

There was a huge collision sound, and the surrounding air became distorted!

At this moment, Zhao Liguó's figure flew out, and a mouthful of blood spurted out!

Zhao Liguó's strength was originally stronger than this Cheng Zhichang, but Zhao Liguó is now seriously injured, his energy is almost exhausted, how can he resist Cheng Zhichang's palm!

"Dad..." Zhao Chuang hurriedly stepped forward to help Zhao Liguó up, and then looked at Cheng Zhichang with anger in his eyes!

Chapter 1005

Bringing out the Dragon Slaying Sword, David is about to start a killing spree!

boom!

With a loud bang, golden rays of light instantly exploded in the crowd!

At this moment, David is like a judge in hell, using the Dragon Slaying Sword in his hand to judge the life and death of these people in front of him!

Whether it was the Xuanyuan family or the people from the Thunder Gate, they were all under the sword's edge, and they became shredded meat.

Everyone from the two families was frightened, and kept running out, no matter how Cheng Zhichang and Xuanyuanyan shouted, it would be of no avail!

Scared, these people are really scared!

"David, you are courting death..."

Cheng Zhichang watched his disciples die tragically one by one and directly blocked David.

David ignored Cheng Zhichang, and swung the Dragon Slaying Sword in his hand, and the huge sword qi was wrapped in flaming flames and came directly towards Cheng Zhichang.

Cheng Zhichang was startled, and hurriedly rolled on the spot to avoid the blow, but at this moment, David's sword cut out a deep ravine on the ground.

The slightly embarrassed Cheng Zhichang got up immediately, but just got up, David's figure was already in front of him.

Cheng Zhichang was shocked and his figure suddenly retreated, but it was still too late!

David slapped the past, directly swiping Cheng Zhichang's body in the air several times, and half of his face was sunken.

Cheng Zhichang's body fell heavily to the ground, and this scene made Xuanyuanyan look stupid.

Although Cheng Zhichang's strength is slightly worse than his own, it is not too much worse. Now that Cheng Zhichang is in front of David, he has no power to fight back.

In this way, Xuanyuanyan could never be David's opponent.

"This son is too evil, how long has it been, and his strength has become so terrifying..."

Xuanyuanyan began to feel a little fear in his heart. Not long ago, he played against David and let David escape. At that time, David was not his opponent at all!

But now Xuanyuan Yan is not sure if he can pass the three moves under David.

Cheng Zhichang climbed up with difficulty, half of his face sunken, and he became like a ghost, very terrifying.

"Xuanyuanyan, this kid is too powerful, let's join forces..."

Cheng Zhichang asked Xuanyuanyan to join forces against David.

Xuanyuanyan moved, but he quickly retreated towards the outside of the Shadowless Villa. He knew that his life was important. As for joining forces with Cheng Zhichang, he would not do such a stupid thing!

Cheng Zhichang saw that Xuanyuanyan turned his head and ran away, he was a fool and was stunned on the spot!

"Xuanyuanyan, you are paralyzed..."

Cheng Zhichang reacted and yelled at Xuanyuanyan!

But soon, Cheng Zhichang couldn't scold, because the Dragon Slaying Sword in David's hand was slashed with one sword!

The terrifying sword qi shocked Cheng Zhichang all over. When he turned his head, he found that the flickering sword qi was already in front of him, and he couldn't dodge if he wanted to.

This sword cut off Cheng Zhichang's head directly, and the huge impact made Cheng Zhichang's head fly out instantly.

Gululu...

The head actually rolled down to the feet of Xuanyuanyan who was running away, which shocked Xuanyuanyan.

Looking at Cheng Zhichang's head, Xuanyuan Yan's speed instantly increased a bit.

A terrifying atmosphere spread, many disciples of Perak Sect fled in all directions, and even their sect master was beheaded by a sword, what use would they be left behind!

“Want to go?”

David looked at the direction Xuanyuanyan fled, and jumped up!

Along the way, David killed anyone he saw. Anyway, these people were from the Pilimen and Xuanyuan’s family, they should all be damned...

In an instant, there were corpses everywhere on the hillside on the side of Shadowless Villa, and the two great sect families were killed by David and fled.

“Brother, then...then David has caught up...”

Xuanyuanrong glanced back, and when he saw David, who was like a killing god, was chasing after him, he was almost scared to pee.

He didn’t speak just now, watching David’s slaughter and Cheng Zhichang’s head, Xuanyuan Rong’s legs softened.

Chapter 1006

Xuanyuan Yan turned his head and saw David slaughtered all the way. Many of the Xuanyuan family’s children were almost slaughtered. He suddenly stopped and said loudly, “All the Xuanyuan family’s children are not allowed to run away, stay with me. Come down and kill this David...”

Xuanyuanyan shouted angrily, causing many of the Xuanyuan family’s children to stop, especially some elder-level Wuzong masters, all surrounding Xuanyuanyan.

I saw David's Dragon Slaying Sword in his hand, and the sword's energy was like a storm, beheading many of the Xuanyuan family's children under the sword.

David's whole body was extremely dazzling with golden rays of light, with scales all over his body, and he was wearing it like armor.

Stepping on the corpse, David was like a god of death, and he was in front of Xuanyuan Yan in an instant.

Looking at David's appearance, Xuanyuanyan's face was very ugly.

Even though he was surrounded by several Wuzong guards, Xuanyuan Yan was still frightened.

But at this time he can't run anymore, he can only fight to the death!

Taking a deep breath, holding back the fear in his heart, Xuanyuan Yan said coldly: "David, you kill my son, kill my Xuanyuan family children, today I will fight you to the death..."

David's face was cold, and he said slowly: "You are not worthy of a decisive battle with me, I can kill you with just one sword..."

While speaking, the breath on David's body erupted again, and the endless spiritual power instantly blew a hurricane. After feeling the breath on David's body, Xuanyuan Yan and the other Xuanyuan disciples were shocked.

"David, we can actually talk..."

Xuanyuanyan looked at David's tyrannical aura and wanted to compromise.

"Talking about your mother..."

David cursed angrily and slashed out with a sword.

Xuanyuan Yan felt this terrifying sword energy, and did not dare to resist, and hurriedly avoided it.

But even though Xuanyuanyan tried his best to dodge, the huge sword energy still slashed Xuanyuanyan's body out of wounds, and blood flowed out.

Looking at the wounds on his body, Xuanyuan Yan frowned tightly.

"David, you... What kind of strength are you? Why is this sword so powerful?"

Xuanyuanyan looked at David in shock. In Xuanyuanyan's view, David's strength was about to catch up with the strength of Wuzong's peak.

But David looked at the fact that he was just entering Wuzong for the first time.

Xuanyuanyan has never seen a leapfrog murderer. Many talented warriors can challenge opponents one or two levels higher than him, but like David, it is very rare to directly cross a big realm. , Xuanyuan Yan had never seen it before.

"You don't need to worry about my strength, as long as you know, you can see your son right away!"

David said with a cold expression.

"Hmph, you don't have to be too arrogant, do you think I only have these strengths?"

Xuanyuan Yan snorted coldly.

"What kind of skill do you have, just use it!"

David looked at Xuanyuan Yan coldly, his eyes were like looking at a dying person.

Looking at David's eyes, Xuanyuan Yan knew that he had no way out, and after retreating, he shouted: "Arrangement..."

Hearing Xuanyuan Yan's order, the four martial sects of Xuanyuan's family took out a dagger at the same time and slammed it on the ground, and then four rays of light never shot out of the dagger!

Along with the four rays of light, an air of majesty quickly spread out.

The terrifying coercion contained endless killing intent, and soon formed a huge magic circle, wrapping David and Xuanyuan in it.

David looked at the formation that gradually formed, and the corners of his mouth raised in disdain.

The last time Xuanyuan Yan dealt with him, he had used such a magic circle, and now he still wanted to do it again.

"Don't you have something new? The last time your magic circle didn't help me, this time it's useless to me!"

David looked at Xuanyuan and sneered.

Chapter 1007

Xuanyuan Yan's eyes narrowed: "You underestimate this formation too much. The last time I let you escape because of my carelessness, I will never let you go this time."

"Really, then I really want to try it!" David raised his eyebrows.

"Then I will fulfill you..."

After Xuanyuan Yan finished speaking, he shouted: "Sacrificial formation..."

As Xuanyuan Yan's voice fell, the four Xuanyuan family's Wu Zong glanced at each other, and then suddenly grabbed the dagger on the ground, only to see the four Wu Zong's energy, which was quickly passing, was absorbed by the formation.

And all the energy absorbed by the formation went to Xuanyuanyan's body, and this formation seemed to have become a part of Xuanyuanyan's body.

Soon, the four Xuanyuan clan's Wu Zong fell to the ground, their bodies seemed to have been taken from their flesh and blood and became a mummified corpse.

"Hahaha...I want to see if you are crazy now..."

Xuanyuan Yan laughed loudly, and then slapped it out with a palm, and a terrifying breath burst out!

boom!

The huge force directly bombarded David's body. David was like a kite with a broken string, and was instantly knocked out.

The golden scales on David's body actually fell a lot under this palm!

"Hmph, I said, in this formation, I am the master..."

Seeing David being slapped by himself, Xuanyuan Yan said very proudly.

He has now absorbed the energy of the four Wu Zongs, and now Xuanyuanyan's strength is comparable to the peak of Wu Zong.

"Master?" David got up slowly, the scales that fell on his body began to grow again, and the golden light on his body was still shining brightly.

Seeing that David was all right, Xuanyuan Yan was instantly shocked.

"You...how could you still stand up?"

Xuanyuanyan's face changed greatly. His palm, but the strength of the five Wu Zongs, had not yet killed David.

"I'll show you what the real master is..."

David raised the Dragon Slaying Sword high, and the flames rising from the Dragon Slaying Sword made the radius of hundreds of meters become extremely hot.

Seeing the aura erupting from David's body, Xuanyuan Yan secretly let out a bad cry, and had an ominous premonition in his heart.

"I don't believe it anymore!"

Xuanyuan Yan raised his hands high, and the entire array began to shake violently. Then, in the mid-air of the array, black clouds continued to gather, and lightning flashed from time to time in the dark clouds!

"Lightning strikes..."

Xuanyuanyan shouted loudly, this day's lightning strike was the strongest strike of this array!

But after this blow, the magic circle will disappear instantly!

If this blow could not kill David, then Xuanyuan Yan would not have the slightest trump card and support.

A bolt of lightning flashed across the air, and then it slashed directly towards David!

"Look at me breaking your magic circle..."

The Dragon Slaying Sword in David's hand was raised high, and the thunder struck directly on David's Dragon Slaying Sword!

At this moment, David is like a god, guiding Tianlei with the Dragon Slaying Sword in his hand.

"break..."

David's eyes widened, and he suddenly slashed with a sword.

boom!

This sword, as if the thunder was rolling, the vast sword energy actually slashed directly to the black cloud in the air!

Two huge forces collided together, emitting a dazzling light!

After the rays of light dissipated, the black clouds in the mid-air had disappeared, and the magic circle shrouded in the surroundings had long since disappeared!

"how so?"

Xuanyuan Yan was shocked. This was the strongest blow of the magic circle, and this magic circle was left by their ancestors of the Xuanyuan family.

Xuanyuanyan hurriedly looked towards the four short swords on the ground. Seeing this, Xuanyuanyan's heart was instantly ashes!

I saw that the four short swords had become fragmented, and it was impossible to form a magic circle!

This time, Xuanyuan Yan was dumbfounded, completely dumbfounded.

Chapter 1008

"Hurry up and stop him..."

Xuanyuan Yan shouted loudly, and he himself took the opportunity to escape!

But at this time, the Xuanyuan family's many children, dead and wounded, have long since disappeared. There were originally several Wuzong guards by Xuanyuan Yan's side, but now the Xuanyuan family's last trump card formation can't help David, The rest had already run away.

"Did you run away?"

The Dragon Slaying Sword in David's hand seemed to be infused with the power of thunder and lightning. On Xuanyuan Yan's way of escaping, thunder kept rolling down, blocking Xuanyuan Yan's escape.

"Your Xuanyuan family is just like this. In the future, there will be no Xuanyuan family in the Kyoto martial arts world."

David looked at Xuanyuan Yan coldly, with strong killing intent flashing in his eyes.

Xuanyuan Yan knew that he had no hope of escaping. Looking at the corpses all over the ground and the few people around him, he knew that the Xuanyuan family was over.

He never thought that a David, a David who he used to look down on, would kill their two great sect families by himself today.

"David, I was wrong, I know I was wrong, our Xuanyuan family is willing to obey your instructions and your dispatch in the future!"

Xuanyuan Yan bowed his head, and the dignified Xuanyuan clan head was forced to bow his head to a young man in his early twenties.

At this moment, what kind of face, what kind of reputation, is not important to Xuanyuan Yan, the important thing is life, life is only once, and Xuanyuan Yan

knows that as long as the green hills are kept, he will not worry about no firewood.

It's just that David will give him a chance to live, then I don't know.

"I will kill you now, and I can also hold all the forces of your Xuanyuan family."

David's eyes were cold, he would not let Xuanyuan Yan go.

David's voice fell, and the Dragon Slaying Sword in his hand was raised high.

Looking at the Dragon Slaying Sword in David's hand, Xuanyuanyan's eyes were full of fear, but he did not move. He had completely lost his confidence, because he knew that even if he avoided it, the result would still be the same.

"stop..."

Just when David was about to kill Xuanyuan Yan with a sword, he suddenly shouted.

Immediately afterwards, an extremely sharp energy attacked David.

The Dragon Slaying Sword in David's hand swung vigorously, and a sword energy quickly greeted him.

boom...

A violent explosion sounded, and the surrounding area instantly stirred up smoke and dust.

David's body involuntarily took a few steps back, the hand holding the Dragon Sword was shaking slightly, and there was blood donation overflowing from the tiger's mouth.

David's face became extremely dignified. The strength of the energy just now exceeded David's imagination. People who can emit such energy must at least have the strength of the peak of Wuzong.

"who?"

David looked ahead cautiously.

A person slowly walked out of the smoke, and when David saw the person coming, his face became even more solemn.

This person is none other than Guo Wei who was beaten up by David in the ancient tomb.

"David, we meet again."

Guo Wei looked at David coldly, with murderous intent flashing in his eyes.

"Director Guo, save me, save me..."

Seeing Guo Wei appear, Xuanyuan Yan immediately shouted excitedly.

When Guo Wei came, he knew that he was saved.

Xuanyuanrong was also very excited, and hurriedly stepped forward to support Xuanyuanyan and walked towards Guo Wei.

"I am here, but I can't save you..."

David saw that Xuanyuan Yan and Xuanyuan Rong wanted to hide behind Guo Wei, and immediately lashed out with a sword.

The sword qi drew a gully on the ground and went directly towards Xuanyuanyan.

Seeing this, Xuanyuan Yan suddenly blocked Xuanyuan Rong behind him, jumped up with strength, and fell to Guo Wei's side.

And that Xuanyuanrong looked at his elder brother in shock, he never thought that Xuanyuanyan would abandon himself when he was dying

Chapter 1009

They were brothers, and they were abandoned like that.

Soon, the sword energy penetrated Xuanyuan Rong's body, directly splitting Xuanyuan Rong's body into two halves, and blood splattered everywhere.

Seeing his brother's tragic state, Xuanyuan Yan didn't feel the slightest sadness, but hid behind Guo Wei: "Director Guo, save me, please save me..."

Guo Wei ignored Xuanyuanyan, but looked at David with a gloomy face: "David, you dare to slaughter me in the martial arts circle of Kyoto in front of me, and you don't take me as an alliance director seriously. already."

After Guo Wei finished speaking, he slapped David with a palm, and smashed David with terrifying energy, directly knocking David out.

The golden light on David's body instantly dimmed a lot, and blood began to flow from the corner of his mouth.

Slowly getting up, David knew that there was still a certain distance between himself and Guo Wei. This Guo Wei deserved to be the peak of Wuzong's strength.

"Director Guo, kill him, this kid not only destroyed my Xuanyuan family, but also destroyed the Perak Gate. If this son is left, it will be a big problem in the future!"

Xuanyuan Yan instigated Guo Wei to kill David.

"Shut up!" Guo Wei glanced back at Xuanyuanyan, so frightened that Xuanyuanyan didn't dare to speak any more.

"David, no matter the humiliation in the ancient tomb, I will find you to return it today..."

The clothes on Guo Wei's body began to move without wind, and then the whole person disappeared out of thin air.

The next second, Guo Wei appeared above David's head.

At this moment, Guo Wei turned into a ray of light, like a shining meteor, smashing down towards David ruthlessly.

Cracks appeared on the ground under David's feet. As Guo Wei kept approaching, the pressure increased, and David's legs were forcibly pressed into the ground.

"Holy Light Fist..."

Guo Wei shouted, and the golden light became even more dazzling.

Seeing this scene, Xuanyuan Yan's face suddenly showed excitement.

"Hahaha, David, this time you are dead. This is one of Director Guo's ultimate moves, the Holy Light Fist. No one can resist this punch. I want to watch you get smashed into flesh."

Xuanyuan Yan couldn't even mention how happy he was at this time.

David ignored him, but put away the Dragon Slaying Sword, and the spiritual power in his body continued to gather on his right fist. David's fist was also flickering with golden light, and it became more and more prosperous, as if suddenly there was another one. A little sun.

boom!

David punched it out, and the same stream of light went towards Guo Wei.

Immediately following a huge collision, the bright golden light eclipsed the sun in the sky.

A shock wave, from top to bottom, still hit David fiercely.

David's body was like a tree trunk, which was directly smashed into the ground, and a large pit with a diameter of nearly five meters appeared on the ground under David's feet!

With this tight fist, the armor-like scales on David's body fell off and disappeared, and finally revealed strong and strong muscles!

David's muscles exude a faint golden light, which is emitted by David's body itself, without any spiritual force!

At this moment, David's internal organs were constantly rolling, and blood was flowing out of his nose and mouth, and even blood was flowing out of his ears.

"David, your body is stronger than I thought..."

Guo Wei stood with his hands behind his back, stood on the edge of the big pit, looked down at David, and said indifferently.

David did not speak, but looked up at Guo Wei with scarlet eyes.

The Heart Condensation Art on the body is running frantically, constantly repairing the injured internal organs.

"He'll give it to you!!"

Guo Wei turned to look at Xuanyuan Yan and said.

Xuanyuan Yan was overjoyed, and hurriedly followed Guo Wei to thank him:
"Thank you, Director Guo..."

Chapter 1010

After speaking, Xuanyuan Yan jumped into the big pit and looked at David coldly: "David, Feng Shui takes turns, is it my turn now?"

After that, Xuanyuanyan's body also began to flash golden light, and there was a mark on Xuanyuanyan's eyebrows that kept flashing.

"You turned out to be an evil repairer?" David frowned.

Xuanyuan Yan remained silent and said with a sneer, "Today I will use my indestructible golden body to collide with you well, and then use all the energy in your body for my use!"

After speaking, Xuanyuan Yan went directly to David.

David's eyes narrowed, a golden light flashed across his palm, and he slapped it fiercely at Xuanyuanyan.

Although David was injured, he would never sit still!

What's more, this Xuanyuan Yan actually revealed the nature of an evil cultivator. He never expected that the head of the Xuanyuan family in the dignified capital of the martial arts world would be an evil cultivator, practicing evil exercises!

What made David even more incomprehensible was that Guo Wei, the director of the Martial Arts Alliance, was standing not far away, and he didn't even care that Xuanyuan Yan was an evil cultivator.

You must know that at the beginning of the establishment of the Martial Arts Alliance, it was their mission to eliminate demons and defend the Dao, and to

eliminate the evil cultivators in the martial arts world, but now it seems that this martial arts alliance also seems to have an unspeakable secret.

Xuanyuanyan dodged David's palm, followed by a huge palm that slapped David's back fiercely, causing David to fall forward!

Just as David got up, Xuanyuanyan's blow struck again, this time Xuanyuanyan kicked, causing the faint golden light on David's body to disappear instantly.

"David, this is not a bad golden body, I will also, so I know where its weaknesses are..."

Seeing the golden light disappearing from David's body, Xuanyuan Yan laughed proudly.

Then Xuanyuanyan pressed David's head with one hand, the mark on his forehead began to flash quickly, a huge suction entered David's body, and began to continuously absorb the spiritual power in David's body.

Feeling the intrusion from the outside world, the Concentration Secret Art in David's body began to run wildly.

Just when Xuanyuanyan was full of excitement, thinking that he could absorb David's energy, he suddenly found that the energy in his body was running towards David's body involuntarily.

This time, Xuanyuan Yan was a little panicked and wanted to take his hand away, but no matter how hard he tried, his palm seemed to be stuck, and he couldn't take it away at all!

At this moment, David's body was like a bottomless pit, constantly absorbing the energy in Xuanyuan Yan's body, and he needed the original surging energy in his body, which soon became like a trickling stream.

Xuanyuan Yan's body was also shrinking rapidly, and he soon turned into an old-fashioned look.

Xuanyuan Yan widened his eyes, looked at David in disbelief, opened his mouth, but found that he couldn't say a word.

Soon, Xuanyuanyan's energy disappeared, and along with the disappearance of energy, Xuanyuanyan's breathing also stopped, until the moment Xuanyuanyan lost consciousness, his eyes were still looking at David in shock.

David absorbed Xuanyuan Yan's energy and began to transform it into spiritual energy. The golden light that disappeared from his body slowly began to appear again.

Guo Wei, who was on the side, saw that he had not moved for a long time, so he walked over and looked into the deep pit.

But when Guo Wei just probed, a stream of light flashed, Guo Wei hurried back, and then he saw David standing in front of him with golden light all over his body, and in the deep pit, only Xuanyuan Yan's dry body was left.

"You're actually an evil cultivator?"

Guo Wei glanced at it and immediately knew what was going on.

Xuanyuan Yan's tragic state was obviously caused by someone absorbing the energy in his body.
