

# A Man Like None Other Novel

## Chapter 1051

"Okay, tell me where the people are, we'll go over now..."

The Four Heroes of Nanshan got up, ready to do it now!

"I'll send someone to take you there!"

After Jin Fusheng finished speaking, he clapped his palms, and the man in the suit just walked in right away!

"You took the four heroes of Nanshan to kill those people, remember to confirm..."

Jin Fusheng said to the man in the suit.

The man in the suit nodded, and then said to the Nanshan Four Heroes: "Four, let's go..."

The man in the suit took the four heroes of Nanshan to David's room!

"Four people, there is a man and a woman in this room, and there are two more rooms in front of them. There are people guarding the door of the rooms. You can kill whichever you want first. There are four men and two women in total, and there is no one else on this cruise ship! "

The man in the suit said to the Four Heroes of Nanshan.

The eldest of the Four Heroes of Nanshan looked at the door in front of him and said to the others, "Let's start from here first..."

After a few people agreed, they slowly opened the door!

In this room, David followed Gu Linger. At this moment, both of them were lying on the bed motionless.

Gu Linger was blocked by David's body in the bed, while David was lying on the outside of the bed.

"The third, you killed these two people. Recently, I found out that you have begun to show kindness. The one who drove us into this business was afraid of showing kindness, you know?"

The boss looked at the third and said.

The third nodded, took out a knife, and then clenched his teeth and slashed at David.

clang...

A metal collision sounded, followed by a burst of fire from the knife in the third child's hand.

This time, the four of them were dumbfounded, and the third child stared at the knife in his hand and widened his eyes, his eyes full of disbelief!

I saw that sharp big knife, at this time, there was a gap.

"This...is this a fcuking dummy?"

The third child wanted to go up and check to see if David was a dummy.

But before the third child moved, David murmured and turned over!

This time, all four of them were startled, and they stepped back again and again!

The four of them breathed a sigh of relief when they found that David was not awake!

"The third one, you are such a fcuking waste, what kind of broken knife are you using?"

The boss scolded the third child!

The third child is also aggrieved. His knife is forged with high-quality steel. It is extremely hard. I just don't know how this happened today!

"Second child, you do it..."

The eldest said to the eldest.

The second child nodded and pulled out his two axes from his waist. Under the moonlight, the axes braved the cold air.

I saw the second child sighed, and then the two axes began to emit a trace of energy, and then the two axes went down and slashed at David!

This time, if it were an ordinary person, it would be cut into three sections, but strange things happened again.

I saw the second child's double axe chopped on David, and there was no blood splashing scene, but the second child's hands were numb, as if the two axe were chopped on the steel plate!

wow...

Immediately afterwards, cracks appeared in the double axe, and in the end, they all shattered into pieces, and only the two axe handles were still in the hands of the second child!

"This, this..."

The second child looked at the only ax handle left in his hand, and was speechless for a while.

Several other people also grew their mouths and looked at the scene in front of them in shock!

"It's broken, let's go..."

After a while, the boss reacted, and after his face changed, he greeted the others and was about to run away!

"It's all here, why don't you say hello before leaving!"

Just as the four of them were about to turn around and escape, David's voice suddenly came from behind!

Immediately after that, there was a huge coercive force, instantly pressing on the heads of the four people!

## **Chapter 1052**

The four of them knelt on the ground with a thud, unable to lift their heads!

Feeling this huge coercion, the four of them were already scared to pee, and the expressions on their faces were extremely frightened!

They have never felt such coercion, so they simply don't know what kind of strength can make such a terrifying coercion.

"Who asked you to kill me?"

At this time, David slowly got up, looked down at the four heroes of Nanshan who were kneeling on the ground and asked.

The four people trembled, but none of them spoke!

Doing their business is all about loyalty, and you can't betray your employer!

Although David's strength scares them, they can't betray their promises!

Seeing that the four people didn't speak, David's mouth raised slightly: "It's still four strong bones, I want to see how hard your bones are..."

As David said, he just waved his hand!

shuh...

A golden light flashed, and I saw that the third child of the Four Heroes of Nanshan was chopped off with both hands!

The bloody severed hand fell to the ground, and blood spurted out!

"Ah... woo woo..."

The third child screamed in pain, but as soon as he made a sound, he was slapped by David, and saw that he dislocated his chin and could not make a sound.

Seeing David's ruthless means, cold sweat broke out on the foreheads of the other people!

"My friend, this is the fault of the four of our brothers. As long as you raise your hands and let our four brothers go, our Nanshan Four Heroes will never trouble you from now on, and we will also protect you in the Nanhua area in the future. safe and sound..."

The eldest of the Nanshan Four Heroes followed David and said.

"By you? Keep me safe?"

David couldn't help sneering, and then the coercion on his body soared again, and several people were not even qualified to kneel, and fell directly to the ground.

"Kid, let us go, or you can't live without Nanhua City, if you have the seeds, you can sign up..."

The second of the Nanshan Four Heroes, who was lying on the ground, roared with wide eyes.

"Hey, it seems that you still want to take revenge on me..."

David smiled: "What can I do if I tell you my name, listen carefully, my name is David Chen, if you want to take revenge on me, I will be waiting at any time, but do you still have any revenge? Almost, but not necessarily..."

After David finished speaking, the coercive force disappeared, replaced by Ling Lie's killing intent!

"David?"

When the four heroes of Nanshan heard this, they were all stunned, their eyes widened and their jaws dropped.

"You... you are the David who killed Ichiro Watanabe and accepted the challenge of the Dragon family in the martial arts forum?"

The eldest of the Nanshan Four Heroes asked in shock.

"You know me?"

David did not expect that in the small Nanhua City, some people knew about him!

Hearing David admit it, the four of them turned pale with fright.

"Mr. Chen, how can we not know your name? Please forgive us. It was Jin Fusheng who brought us here. We are only doing things with money. Please forgive me..."

The four of them kowtowed to David desperately, and the second of the Nanshan Four Heroes kowtowed the heaviest, no longer arrogant.

"Why did he kill us?"

David asked.

The boss shook his head: "Mr. Chen, we don't know either. This guy often commits murder and stealing. Maybe you have valuable things on your body, and Jin Fusheng takes a fancy to them."

As soon as David heard it, he immediately understood that Jin Fusheng must have murdered because of the auction of the antiques.

That's why he kindly sent them back on a cruise ship!

It happened to be on the cruise ship, and then thrown into the sea, no one knew it! !

## **Chapter 1053**

David glanced at the Nanshan Four Heroes, and then said, "Go away, don't let me see you..."

When the four heroes of Nanshan heard this, David let them go, kowtowed, and hurriedly got up and ran out!

David lay back again, and now he wants to see what else is going on behind Jin Fusheng!

And the four heroes of Nanshan who escaped, all of them were full of anger at this moment!

Especially the third one, looking at his broken arms, gritted his teeth: "Paralyzed Jin Fusheng, isn't this fcuking asking us to die? This old thing caused me to lose my hands, I must not leave him alone..."

"Yes, we can't let this old thing go and almost let him kill..."

The second child was full of murderous aura.

After listening to the boss, he nodded: "Go, even if we don't kill this old thing, we have to clean him up..."

Nanshan Four Heroes said, and walked towards Jin Fusheng's room aggressively!

Jin Fusheng is humming a little song at this time, waiting for the good news of the four heroes of Nanshan!

At this time, the door was kicked open, and the four heroes of Nanshan walked in aggressively!

Jin Fusheng was stunned when he saw that the four heroes of Nanshan came back so quickly, then got up and smiled and said, "I didn't expect the four to be resolved so quickly??"

"I'll deal with your mother..."

The second of the Nanshan Four Heroes, with a hot temper, slapped Jin Fusheng directly.

Jin Fusheng was also a grandmaster, so he hurriedly retreated to hide.

"What are you doing?"

Jin Fusheng asked with a puzzled look.

“What? You fcuking almost killed us, look at my third brother’s hand...”

The eldest of the Nanshan Four Heroes was also angry, and directly pulled the eldest over!

When Jin Fusheng saw the broken arm of the third child, he was stunned.

“This... what the h3ll is going on here?”

Jin Fusheng also didn’t understand how things became like this.

“What’s the matter?” The boss stared at him: “The person you fcuking asked us to kill was Wu Zong, it was Wu Zong... I fcuked your grandma, you asked us to kill Wu Zong, isn’t this fcuking asking me to kill him? ”

The old-fashioned mouth is full of foul language, and I can’t wait to swallow that Jin Fusheng alive!

When Jin Fusheng heard this, he was completely frightened!

Wu Zong?

In their eyes, this is a fairy-like existence. He actually has the intention of killing a Wuzong. Isn’t this fcuking courting death?

But Jin Fusheng didn’t feel that among these people, who has the strength of Wuzong? The two older ones are just ordinary people. As for the young man and woman, even if they cultivated from their mother’s womb, it is impossible to reach the strength of Wuzong. .

Most likely it was the middle-aged man and woman, but Jin Fusheng didn’t feel Wu Zong’s breath from Lin Tianhu and Chi Feng.

“Which one of these people is a strong Wuzong?”

Jin Fusheng asked suspiciously.

"Stupid, which one do you say, of course it's Mr. David Chen, the youngest man..."

The boss yelled angrily.

"Mr. David Chen?" Jin Fusheng frowned slightly, then his eyes widened suddenly, he took a deep breath and said, "The one who killed Ichiro Watanabe at the international competition?"

"Nonsense, it's not him or who!"

The boss glared at Jin Fusheng.

This time, Jin Fusheng was completely dumbfounded, standing on the spot like a puppet.

"I... I really didn't know he was Mr. Chen..."

At this moment, Jin Fusheng regretted dying in his heart.

You must know that there is David among these people. If you give him a hundred courage, he will not dare to make up his mind, and he will serve him respectfully.

Snapped!

The second child directly slapped Jin Fusheng, but this time Jin Fusheng did not hide!

"It's over if you don't know, let me tell you, we have already told you about it, and if you dared to offend Mr. Chen, you really have eaten the guts of a bear's heart and a leopard. Besides, Mr. Chen is a person from the Dharma Protector Pavilion in the capital, and he deserves credit. Just wait for the whole door to be killed..."

The d!ck is roaring!

## Chapter 1054

Jin Fusheng was so frightened that he slumped on the ground and urinated.

If David wants to kill him, it's just a matter of waving his hands, let alone killing him, even if he destroys the foundation he has built over the years, it's just a matter of words!

"It's over... it's over... I'm done..."

Jin Fusheng fell into a sluggishness, muttering like a fool.

Seeing Jin Fusheng like that, the second child kicked him again!

"Second, okay, let's go, let Mr. Chen see that we can't go anymore!"

Nanshan Four Heroes shouted to stop the second child, and then several people jumped out of the window and landed steadily on the boat below!

"boss..."

At this time, the man in the suit walked in, saw Jin Fusheng sitting on the ground, and hurriedly helped Jin Fusheng up.

"Quick, call everyone on the boat to come over, hurry up..."

Jin Fusheng yelled at the man in the suit.

The man in the suit looked bewildered, but he hurriedly gathered everyone as he was told.

Then Jin Fusheng took everyone and knelt directly at the door of David's room.

Some people didn't know why, and kept standing, bewildered.

"Every fucking kneel down for me, no one is allowed to make a sound, disturbing Mr. Chen's sleep, I want your lives..."

When Jin Fusheng said a word, everyone was so frightened that they hurriedly knelt down, and no one dared to make a sound!

After more than two hours, it was dawn outside, and the cruise ship began to whistle and slowly approached the port!

Gu Wentian and Ruben got up first. When they came out, they found Jin Fusheng kneeling in the corridor with a group of people.

This time, Gu Wentian and Ruben were a little confused.

"Boss Jin, what are you doing?"

Gu Wentian asked.

"Ancient, I am guilty, and I am making amends to Mr. Chen."

Jin Fusheng said with a face of remorse.

"Guilty? What's the matter? Just say something!"

Gu Wentian wanted to help Jin Fusheng up, but without seeing David's face, Jin Fusheng didn't dare to get up.

At this moment, David opened the door and came out. David was not surprised at all when Jin Fusheng led someone to kneel in the corridor.

David's hearing is extraordinary now, so David can hear all the movements in the corridor at night!

Seeing David coming out, Jin Fusheng immediately climbed over.

"Mr. Chen, I was wrong, I beg Mr. Chen to forgive me..."

Jin Fusheng knelt in front of David, crying bitterly, his whole body trembling with fear.

Now as long as David is unhappy, Jin Fusheng will lose his life immediately, not to mention his life, maybe his family will suffer.

"David, what's going on?"

Gu Wentian and Ruben asked strangely.

"Let him speak for himself!" David looked at Jin Fusheng and said with a faint smile, "Are you wrong? What do you mean? Where are you wrong?"

"I...I..." Jin Fusheng raised his head to look at Gu Wentian, and finally said ashamedly, "I shouldn't take advantage of my own interests and want to keep those antiques that were auctioned off as my own. You guys are killing me... I'm damn, I'm damn..."

As he said that, Jin Fusheng slapped himself on the face, it was a loud noise, and the attack was very ruthless, and soon his face became swollen.

When Gu Wentian heard this, he looked at Jin Fusheng in disbelief. He didn't expect that Jin Fusheng would kill himself and others for those antiques.

Originally, Gu Wentian still trusted Jin Fusheng, but now it seems that he is too credulous.

"Ancient, how do you see this matter?"

David did not call the shots, but left the matter to Gu Wentian.

Hearing David say this, Jin Fusheng hurriedly turned his head and crawled towards Gu Wentian!

"Ancient, please forgive me, I still have a lot of antiques in my house, I can choose at random, I guarantee you like..."

Jin Fusheng knew that Gu Wentian liked antiques, so he courted Gu Wentian like this.

## Chapter 1055

Gu Wentian's eyes lit up when he heard it, and then he said, "David, since Boss Jin admits his mistake, then forget it. After all, he hasn't done anything to us yet..."

Gu Wentian didn't know that someone had already done it last night, but he just hadn't gone to his room yet!

"Since the ancients said so, then forget it..."

Of course, David wanted to give Gu Wentian a face. On the other hand, David did not kill Jin Fusheng in order to know some news from this guy in the future!

If you go to the sea to salvage sunken ships all the year round, you will definitely be able to find treasures. If there are magic tools and the like, David can still be useful!

"Thank you, thank you Mr. Chen for not killing..."

Jin Fusheng kowtowed repeatedly to thank him, and then led someone to escort David and the others off the boat!

David wanted to take Gu Linger to Yaoshen Valley, so when he got off the boat, he asked Jin Fusheng to help find a car and head towards Yaoshen Valley!

As for Gu Wentian and Ruben, they are protected by Lin Tianhu and Chifeng, so Jin Fusheng is not an opponent, and after this incident, it is impossible for Jin Fusheng to have an idea against Gu Wentian!

David and Gu Linger rushed to Yaoshen Valley. Five days had passed by now, and there were only two days left before the time to follow Long Xiaobi.

"David, what happened to Ling'er?"

Long Wu, who has been living in seclusion in Yaoshen Valley, saw David carrying Gu Linger back to Yaoshen Valley, so he asked with concern.

"Uncle Long, Ling'er has been poisoned by someone else. I can't find it out, so I want Elder Xu and the others to check it too..."

David explained.

Hearing that David was coming, Xiaolan and Wu Meier also ran over. When they saw Gu Linger unconscious, the two girls were also worried!

"Valley Master..."

Xu Changsheng came in a hurry with several other elders!

"Elder Xu, look, what kind of poison is in Ling'er, she has been in a coma..."

Seeing Xu Changsheng and the others coming, David hurriedly said.

Xu Changsheng nodded, and then began to investigate, but unfortunately, several elders searched all over again, but did not find any poison in Gu Linger!

"Gu master, the poison in this girl Ling'er is so strange that there is no sign of poisoning at all. Could it be other reasons, not poisoning?"

Xu Changsheng asked with a frown.

"No, it was said by the person who poisoned me. The poison was given to me and Ling'er together, but I am invulnerable to all poisons."

David shook his head.

Xu Changsheng frowned deeper: "This is strange, why can't we detect it, we can't detect any poison in it, and we can't detoxify it, or else give Linger girl a detox pill to try first, it won't work. If so, we'll have to examine it carefully..."

"Okay, Elder Xu, Ling'er will be handed over to you first, don't let her have an accident, I still have something to do, and I have to rush back to the capital. When I return, I can't find out the reason, then I will bring it with me. Zhu Ling'er went to find the person who poisoned herself..."

David is going back to Kyoto to follow Long Xiaobi!

Now that he has the power of a dragon, he has absolute confidence in dealing with Long Xiao.

When he defeated Long Xiao, he took Linger to find the Northwest King Gu Kaiyuan to settle accounts.

"Don't worry, Gu Master, although we can't find any poison in Miss Ling'er, but Miss Ling'er's breath is stable and there will be no danger to her life!"

Xu Changsheng said.

Hearing what Xu Changsheng said, David was relieved, just when David was about to turn around and leave, Long Wu caught up with him and said to David, "David, are you rushing back to follow that Long Xiaobi? "

"Uncle Long, you know that too?" David was a little strange. Long Wu was in Yaoshen Valley, so he didn't know what was going on outside.

"Of course I know, now the whole martial arts world is buzzing, you must be careful, the Long family has an artifact, I heard that it was left over from a

previous transformation, and it is extremely powerful. I think this time Long Xiao will definitely take that. The artifact was taken out for use."

Long Wu warned David.

## Chapter 1056

"What artifact?"

David asked.

Long Wu shook his head: "How would I know, this is the secret of the Long family, not many people know about it, but you should be careful..."

David nodded: "Don't worry, Uncle Long, I will be careful!"

"There is also the matter of fighting with the Martial Dao Alliance. You should try to keep a low profile. The background of the Martial Dao Alliance is not what you see in front of you, so don't be arrogant..."

Long Wusheng was afraid that David was young and vigorous, and kept exhorting him.

It's just that Long Wu still doesn't know that Sonya was captured by the Martial Arts Alliance. If he did, he wouldn't know what to think!

David didn't tell Long Wu, after all, Long Wu stayed with Sonya for a while, and the two also had a deep relationship, and Long Wu passed on all his skills to Sonya and Gu Linger. In Long Wu's eyes, early He has already regarded Sonya and Gu Linger as his own children!

If you tell Long Wu now that Sonya was captured by the Martial Arts Alliance and raised like a guinea pig, Long Wu will probably be furious.

"I know!"

David nodded, then turned and left!

Looking at David's back, Long Wu sighed softly, then whistled, and then a white pigeon fell on Long Wu's shoulder.

Long Wu took out a written note, tied it to the pigeon's leg, and released it...

...

David rushed to the capital non-stop, and when he arrived at the Dharma Protector Pavilion, there was only one day left until the day when he followed Long Xiaobi!

Seeing David coming back, Zao Wou-Ki hurriedly stepped forward and said with a guilt expression: "Mr. Chen, have you seen Miss Gu? She secretly followed you, I didn't stop her..."

"I see, she's in Yaoshen Valley now, it's all right!" David patted Zao Wou-Ki on the shoulder, and then asked, "George Zhao, has there been any movement in Kyoto during the few days I've been away?"

Zhao Wuji shook his head: "No, both the Martial Arts Alliance and the Long Family are quite calm, but I heard that Long Xiao's master, Master Dingchan, went down the mountain to give instructions to Long Xiao. This kid's strength has grown rapidly in the past few days. progress, so Mr. Chen, you have to be careful..."

David just smiled lightly. Long Xiao's strength has grown rapidly in the past few days, and his own strength is not the same. David has obtained the power of the dragon, and now he has the power to fight against the peak of Wuzong.

"Mr. Chen, there is one more thing, but you don't have to worry too much..."

Zao Wou-Ki suddenly said again.

"What's the matter?" David asked.

"The Watanabe family of the island country has said that they will send five eighth-rank Martial Sects to come to Daxia to assassinate you and avenge that Watanabe Ichiro, but Mr. Chen don't have to be nervous, Mr. Shi has already ordered, and sent people to block at the border. It is impossible for these people to enter the territory of Daxia."

Zhao Wuji said.

David nodded. He was not worried at all. If only five rank eight Martial Sects could sneak into the capital of Daxia, then the entire border of Daxia would be too lax, and the defense of the entire capital would be too rubbish.

But David knew that things would never be so simple. The Watanabe family was not stupid enough to send someone to assassinate them, and they even brazenly shouted. Isn't this telling the other party where they are?

The reason why the Watanabe family did this is that these five eighth-rank Martial Sects are just a cover, and the real killer doesn't know where it is!

"George Zhao, there is still one day left, I need to retreat, so I have nothing to do, try not to disturb me..."

David has obtained the power of the dragon, and he has not yet practiced in retreat. He wants to see if he can break through a few realms with the powerful power of the dragon!

"Don't worry, Mr. Chen, I will protect you personally..."

Zhao Wuji said.

David returned to his room and took out the map of 90,000 miles of mountains and rivers. A divine sense entered the map, and his body began to be slowly wrapped in a faint white mist.

David only felt a tumult in his dantian, and then from Longjing, a domineering aura quickly scurried in his body, and all the spiritual energy in David's body was sucked away by this domineering aura.

.....

## Chapter 1057

Dragon family!

Long Jingguo and Master Dingchan are drinking tea and chatting!

Long Xiao was standing beside him. At this moment, Long Xiao actually exuded an aura that was close to the peak of Wuzong!

"Hahaha, I'm so grateful to Master Dingchan. I didn't expect that Xiaoer's strength has grown so rapidly in just a few days, and she will soon reach the peak of Wuzong. As long as she defeats David, Xiaoer will definitely be promoted before the end of the year. The peak of Wuzong, then he is the youngest peak of Wuzong in Kyoto..."

Long Jingguo was full of joy and laughed.

"Long Patriarch, this is also because Long Xiao's talent is good, and he is still very good. I believe that with his talent, it will not take long to reach the half-step Marquis realm, and then break through the Dao Marquis, you Long Family I am afraid that my position in Kyoto will increase by another step..."

Master Dingchan smiled slightly.

"Hahaha, thanks to the training of Master Dingchan..."

Don't mention how happy Long Jingguo is at this moment. If Long Xiao can really break through the realm of Wuhou, then their Long family will have the

youngest Wuhou in the martial arts world of Kyoto, and even the entire Chinese martial arts world!

With Long Xiao's age, given time, the entire martial arts world will be led by their dragon family!

"Now that Long Xiao's strength is great, it should be no problem to deal with David, and this old man should go back."

Master Dingchan got up and prepared to leave!

At this moment, Guo Wei walked in from the outside, and said solemnly: "Don't underestimate that David, Long Xiao's strength is growing, then David is not idle..."

Seeing Guo Wei coming uninvited, Long Jingguo was very puzzled, and immediately got up and said, "Director Guo, what do you say?"

"Hmph, then David is not idle, how much can his strength increase in such a short time? You must know that Long Xiao has all my inheritance, and I also used a secret technique to let him break through in such a short time..."

Master Ding Chan snorted coldly.

"Master Dingchan, I didn't deny what you meant, don't misunderstand..." Guo Wei saw that Master Dingchan was angry, and hurriedly explained: "We got the news, then David may have some adventures in the past few days, but the specific What it is, we don't have the exact information yet, but it's better to be careful."

"Now it's not just Long Xiao following David's competition, Long Xiao represents our entire martial arts alliance. If David dares to openly provoke our martial arts alliance, then he will lose face in front of all martial arts colleagues..."

"Director Guo, don't worry, Xiao'er will definitely win. At that time, I will let him carry the artifact of my Long family's ancestry with him. Even if David is the peak of Wuzong now, he is not Xiaoer's opponent..."

Long Jingguo looked confident.

"That's good, but don't lose people at that time!"

Guo Wei nodded.

"Hmph, you guys underestimate my disciples too much. After this competition, I will take Long Xiao back to the mountain. After the end of the year, I will let him challenge you as an alliance director. Then I will see you as an alliance director, yes Not my disciple's opponent..."

Master Dingchan said angrily.

Master Dingchan's words made Guo Wei's face suddenly become unnatural.

After all, I am also the director of the Martial Arts Alliance. Although this Master Dingchan does not belong to the Martial Arts Alliance, I can always give myself a bit of a thin face, but this Master Dingchan doesn't seem to despise Guo Wei at all!

"Master Dingchan, I admit that your strength is very strong. With Long Xiao's talent, it is not impossible to reach the peak of Wuzong before the end of the year, but there is one thing you should know, the realm of the peak of Wuzong is also divided into high and low. I have been practicing at the peak of Wuzong for many years, whether it is combat skills or adaptability, it is not something that a newcomer to the peak of Wuzong can compare."

Guo Wei's face was also cold.

"Then the end of the year will be better than one..."

Master Ding Chan left with a flick of his sleeves!

Guo Wei was also displeased and broke up...

## Chapter 1058

Law Enforcement Pavilion!

David's body began to flash a faint golden light, and then there was an aura that looked like a dragon to the naked eye.

At this moment, David's eyes are closed, desperately suppressing and guiding the power of the dragon. Although he has the power of the dragon, the power of the dragon seems to be out of his control, so he must tame the power of the dragon now. !

The power of the dragon was running around in David's body, and the spiritual energy absorbed by David was sucked away by the power of the dragon. The power is inhaled into the dantian for refining!

But the power of the dragon seems to be conscious, desperately resisting the suction in David's dantian, like an urchin, not obedient at all!

Just when David felt that his dantian was weak, suddenly the Taipei ring in his hand flickered.

The rays of light were shining, and the power of the dragon was irradiated by this light, and instantly became extremely well-behaved. Without waiting for David to react, he plunged directly into David's dantian!

Concentrating on the heart, David's dantian began to refine the power of the dragon, and then David felt like he was sitting on a rocket!

One after another barrier was easily smashed by the power of the dragon. David never imagined that the breakthrough could still be like this!

When the early morning sun shone into the room, David slowly opened his eyes!

David felt the breath in his body in disbelief. In just one day, David actually directly crossed the five realms of golden elixir. At this time, the golden elixir in David's body was obviously much larger!

At this moment, David's aura, under the impression of outsiders, is undoubtedly the peak of Wuzong!

dong dong dong ...

At this moment, there was a knock on the door, followed by Zao Wou-Ki shouting: "Mr. Chen, today is the day of Bi Lei..."

"I know!"

David got up and opened the door!

Zao Wou-Ki felt the aura on David's body and was stunned all of a sudden!

"Mr. Chen, you...you've changed too much..."

Zao Wou-Ki's strength is too low, so he can't accurately feel David's current strength, but he can clearly feel that the aura of David a day ago and now has changed tremendously!

Seeing Zhao Wuji's surprised appearance, David smiled lightly. He himself did not expect that the power of the dragon would be so powerful!

"Let's go..."

After David finished speaking, he went straight to the Bi Lei venue!

At this moment, countless vehicles have already arrived outside the venue specially set up by the Martial Arts Alliance for Bi Lei!

Not only in the martial arts world of Kyoto, but also warriors from other places came to watch the fun!

Someone even opened a bet outside the venue and started betting on David and Long Xiao!

"Come and buy, come and buy, buy Long Gongzi's one loses one, buy David's one loses ten..."

In a loudspeaker, the odds are constantly playing!

This is no wonder, after all, Long Xiao has been famous in the martial arts world for many years, but he is the most talented person in the younger generation, and he is also the teacher of Master Ding Chan. In addition, the resources of the Long family are not comparable to ordinary families, so many people think that the dragon Xiao will win!

"I will sell Long Gongzi to win..."

"I sold Long Gongzi to win..."

Almost everyone is buying Long Xiaosheng, and there are very few people who are optimistic about David!

"The people who are paralyzed are a bunch of things that look down on people. After a while, Big Brother Chen will beat that Long Xiao into a dead dog. Let's see if they still buy that Long Xiaosheng..."

At this time, Zhao Chuang, who had already arrived at the scene, gritted his teeth and cursed!

"Chuang'er, go buy Mr. Chen Sheng!"

Zhao Liguó said to Zhao Chuang.

# Chapter 1059

When Zhao Chuang heard this, he immediately nodded happily, and hurriedly ran over: "I bought Brother Chen to win, 100 million..."

Zhao Chuang shouted, attracting a lot of people to look at him, and some people even ridiculed Zhao Chuang for being an idiot!

"I bought Mr. Chen to win, 10 billion..."

Just then, another young man stepped forward, and a single bet was 10 billion!

This person is Bai Zhantang of the Bai family, and now the Bai family has been mixed with David, so of course the Bai family will be present in this competition!

Not only the Bai family, but Yaoshengu also sent people, because Elder Xu and the others wanted to treat Gu Linger, so this time it was Yu Dong who led the team.

Seeing that Yaoshengu has come, many people are talking about it.

"Why is Yaoshengu here? You must know that people in Yaoshengu don't like to join in the fun!"

"Who said it wasn't, but this time the Yaoshen Valley seems to be coming from some juniors, not even an elder!"

"Could it be that the official invited Yaoshengu to come? After all, David is also a member of the Dharma Protector Pavilion. He was injured by the time, and there are people from Yaoshengu to help heal!"

Just when everyone was whispering, Yu Dong walked to the gambling table and said loudly: "My Medicine God Valley, betting on Mr. Chen to win, 50 billion..."

wow...

Yu Dong's words caused an instant uproar on the scene.

Yaoshengu's martial arts power ranking is not strong, but it is one of the best in terms of medical skills. Many aristocratic sects can buy medicine pills in Yaoshengu, so Yaoshengu's economic strength must be particularly strong, which is understandable!

But this Yu Dong bought David directly, and remanded 50 billion yuan. Many people began to speculate, what is the relationship between this Yaoshengu and David!

David is now the owner of Yaoshen Valley, and not many people know about it, not even the Long Family and the Martial Arts Alliance!

"What's going on with this Yaoshengu? Don't you know that David provoked my Martial Arts Alliance?"

Zhu Zhishan sat on the high platform, and saw that Yaoshengu actually bet David to win, and paid back the bet of 50 billion, his face was gloomy.

"I don't know either, but recently Yaoshengu seems to have cut off the cooperation with all the aristocratic sects in our martial arts alliance, but the Bai family and Wuying Villa who followed David together have obtained a lot of medicinal pills from Yaoshengu... .."

Guo Wei said aside.

Zhu Zhishan's eyes narrowed slightly: "This David must die today, otherwise the world of martial arts in Kyoto will really change..."

Zhu Zhishan felt a trace of danger!

"Don't worry, lord, then David is definitely not Long Xiao's opponent, but I found that Long Jingguo doesn't seem to want David to die, and I don't know why..."

Guo Wei said suspiciously.

"For whatever reason, go and inform Long Jingguo that David must die today..."

Killing intent flashed in Zhu Zhishan's eyes: "Have the four elders all arrived? Don't make trouble then!"

"Don't worry, the leader of the alliance, the four elders are already in place, and hundreds of martial sects have been dispatched around. If any sect family dares to make trouble, there will never be good results!"

After Guo Wei finished speaking, he said with some embarrassment: "Leader, we are not afraid of trouble with those sect families. What we are afraid of is official intervention. If Mr. Shi comes to protect David, we will not be able to handle it!"

"Mr. Shi has other matters, and he won't come. The matter of the assassin sent by the Watanabe family from the island country, Mr. Shi will deal with it himself and will not come here."

The corner of Zhu Zhishan's mouth slightly raised.

"That's the best, it seems that David will die today!" Guo Wei nodded.

...

In front of the gaming table at the entrance of the venue, more and more people gathered, and the 50 billion bet in Yaoshengu stimulated everyone's nerves!

However, most of them are still betting on Long Xiaosheng. After all, Long Xiao's strength is obvious to all!

## Chapter 1060

"Today is really lively. I, Dong Jiahao, also came to make a bet. I bet Brother Chen to win, 20 billion..."

Dong Jiahao also brought people from the Dong family. This time, Dong Jiahao brought two masters with the peak strength of Wuzong. It can be seen that the strength of the Dong family is not small.

The appearance of Dong Jiahao made many people very surprised. They didn't understand the relationship between Dong Jiahao and David. How could they bet on David's victory?

Seeing Dong Jiahao's appearance, Guo Wei's face changed. During the trial, Dong Jiahao helped David everywhere, and now he has brought two masters from the peak of Wuzong. I don't know what will happen to today's competition.

"Long Xiao is here..."

At this moment, someone shouted, and then saw Long Xiao walking slowly along with Long Jingguo!

There are also several dragon masters behind them!

At this time, Long Xiao looked arrogant, his eyes glanced at everyone, his face was full of confidence!

Seeing Long Xiao coming, many people followed Long Xiao to say hello, but Long Xiao didn't say a word!

Someone felt the aura emanating from Long Xiao's body, and couldn't help but exclaimed: "Oh my god, the aura on Young Master Long now has the strength of the peak of Wuzong, so David seems to be defeated!"

"It's only been a few days, and Young Master Long's strength has improved too fast!"

"With time, I am afraid that Young Master Long will become the youngest peak of Wuzong."

A group of people touted Long Xiao, and more people increased their bets one after another, betting that Long Xiao would win!

Seeing this scene, Long Xiao had a smug look on his face, he was deliberately exuding aura.

"Patriarch Long..."

At this time, Guo Wei came forward and said hello!

"Director Guo, I see that there are a lot of people from the Martial Dao Alliance around the venue. Even the four elders have been dispatched. Are you afraid that someone will cause trouble?"

Long Jingguo asked with a faint smile.

Guo Wei was stunned for a moment. He didn't expect Long Jingguo to observe so carefully. He had to know that these people who were arranged were mixed in the crowd and were not exposed, but he didn't want to be seen directly by Long Jingguo.

"Our alliance leader is just afraid of making trouble. If something happens, we can't explain it to Mr. Shi..."

Guo Wei explained.

"Hahaha, I wish the leader of the alliance is really careful, but in the entire capital, who would dare to make trouble again on such an occasion, isn't that courting death!"

Long Jingguo laughed.

"Long Patriarch, we can't underestimate that David too much now. Now this David has his own power in Kyoto!"

Yan Su with Guo Wei's face: "So the leader of the alliance was afraid that David would cause a storm, so he planned to use this competition to directly let Young Master Long kill him..."

Long Jingguo was stunned for a moment, but quickly recovered: "Director Guo, you can tell Alliance Leader Zhu, and let him rest assured that David can't cause any trouble in Kyoto. In the arena, let Xiaoer abolish him and let that David has become a cripple!"

"Patriarch Long, could it be that you have a deal with David? Why don't you want that David to die every time?"

Guo Wei was very puzzled.

"Director Guo, what kind of deal can we have? I'm just afraid that Xiaoer kills David. When Mr. Shi is to blame, won't my Long family become a scapegoat? If you want David to die, your Martial Arts Alliance will send someone to take action. That's it..."

After Long Jingguo finished speaking, he left with Long Xiao.

Guo Wei looked at Long Jingguo's back and gritted his teeth: "Bah, what..."

Guo Wei, as the director of the Martial Arts Alliance, although his position is not low, in the eyes of many big sects, Guo Wei does not have much prestige and strength.

Soon, basically all the people are here, just waiting for David!
