## Novel

### Chapter 1591

"It's time to force that David to show up, I don't believe that David would die so easily..."

In the hall of the Long family, Long Xiao said with a cold glow in his eyes.

Now the martial arts world in Kyoto is basically controlled by the Long family. Long Xiao now dreams that David will show up, and then kill David.

"How do we force him? Are we going to push his mother out and force him to show up?"

Long Jingguo asked in confusion.

He didn't know how to force David!

But there is one thing, if Long Ruotong is brought out, the entire martial arts world will know that Long Ruotong is still alive and imprisoned for more than 20 years.

And the secrets that the Long family wants to know may also be known in advance by others!

"No, isn't David the owner of Medicine God Valley, then we will start with Medicine God Valley..."

The corner of Long Xiao's mouth raised slightly: "I don't believe it, if David is threatened with the entire Yaoshen Valley, he can still hide..."

"Xiao'er, the medicine refining technique of the Medicine God Valley is truly unmatched. If we destroy the Medicine God Valley, who will we go to to refine the medicine pills in the future?"

Long Jingguo asked with a slight frown.

The strength of Yaoshengu is not strong, but relying on the invincible medicine refining technique, no sect family dares to use Yaoshengu easily.

"Who said that I want to destroy Yaoshengu? We can arrest all the people in Yaoshengu and let them only serve our Long Family, and we can also use this to force David to show up. Wouldn't it be better to have the best of both worlds?"

Long Xiao smiled coldly.

"Then I'll take someone there myself..."

Long Jingguo said.

Long Xiao waved his hand: "How can such a trivial matter be used by you!"

After speaking, Long Xiao said to a one-eyed middle-aged man sitting in the hall, "One-eyed dragon, take someone there and bring back the pharmacist in Medicine God Valley, and kill everyone else..."

The one-eyed dragon stood up, nodded and said, "As ordered..."

The aura on this one-eyed dragon is also very tyrannical, and it has reached the realm of the late Wuhou!

And in the Long family, there are quite a few such masters, many of whom came here after hearing that Long Xiao broke through Wuhou and suffered a thunder calamity recently.

It is very difficult to know the breakthrough of such a big realm, so they all hope to learn something from Long Xiao!

The one-eyed dragon took dozens of people and headed for the Medicine God Valley!

At this time, David was sitting with Long Wu on the top of a hill not far from Yaoshen Valley!

During this time, David always likes to sit here with Long Wu, listening to Long Wu talk about his mother.

“Uncle Long, didn’t my mother ever tell you about my father?”

David now wants to know who his father is!

Many people called him the son of the dragon more than once, and even the Huli Daxian said that he was the real body of a golden dragon!

Could it be that his father is a dragon?

Long Wu shook his head: “The eldest miss has never mentioned it, maybe she doesn’t want to mention it...”

David stopped talking, looking into the distance, in the vast world, David felt that he was as small as a speck of dust!

Just when David followed Long Wu on the top of the mountain, the one-eyed dragon had already surrounded the entire Yaoshen Valley.

Such a big movement instantly drew out Elder Xu and the four wicked men!

When they saw these dozens of people, their faces were all ugly!

These people are very powerful, and everyone exudes a terrifying breath!

The one-eyed dragon grinned as he looked at the people who were pouring out.

"I didn't expect that there are so many idle people waiting in Yaoshen Valley..."

"I'm going to take all Yaoshengu pharmacists today. All Yaoshengu pharmacists will stand aside for me so as not to hurt you."

"Others had better surrender, or shoot to kill..."

The one-eyed dragon exudes the breath of the late Marquis in his body, and his eyes swept across the crowd!

## Chapter 1592

Everyone was suppressed by this terrifying breath, and their hearts were very nervous, but no one stood out!

Even those incompetent pharmacists did not stand up to survive!

"Since you all stand out, don't blame me for being rude..."

The one-eyed dragon's eyes narrowed, and the killing intent on his body became stronger!

"Who the hell are you? Why did you break into Yaoshen Valley? Don't you know who our valley owner is?"

Xu Changsheng stood out and questioned the one-eyed dragon.

"Haha, isn't your valley owner the same David? He is still alive and dead now, what do you expect him to do?"

"Listen to me now, and I can keep you safe."

The one-eyed dragon laughed.

Xu Changsheng didn't say a word. After seeing these people, they thought that David was missing, and his life and death were unknown!

As everyone knows, David is now in Medicine God Valley!

As long as you delay for a while, when David arrives, none of these people can escape!

"I am the elder of Medicine God Valley. Now that the valley owner is not here, I have the final say here. If we pharmacists go with you, can you let the others go?"

"If you don't agree, I can guarantee that you, a living pharmacist, don't even want to take it away..."

Xu Changsheng threatened the one-eyed dragon.

The one-eyed dragon frowned. After thinking for a moment, he said: "Okay, I promise you, and now let all the pharmacists in Medicine God Valley stand up..."

Xu Changsheng nodded, then looked at everyone, his eyes exchanged with those of the four villains and Zhao Ligu!

Everyone also knew what Xu Changsheng meant. As long as the time was delayed, David would come back when he discovered the situation here.

"All the pharmacists in Yaoshen Valley listened to my order and stood to one side..."

Xu Changsheng shouted to the crowd.

With Xu Changsheng's order, those pharmacists slowly walked out of the crowd!

Seeing these pharmacists coming out, the one-eyed dragon winked at the subordinates he brought!

The strength of these pharmacists is not high, and they are easy to control. As long as these pharmacists are controlled, the rest of the people can be killed without mercy...

But at this moment, a figure floated down in the sky!

Seeing the figures falling from the sky, everyone in Yaoshengu breathed a sigh of relief!

It was David who came.

"Who are you? Dare to come to my Yaoshen Valley to be wild?"

David looked at the one-eyed dragon coldly and asked.

"David?"

The one-eyed dragon's face changed slightly: "It turns out that you have been hiding in Yaoshen Valley. It seems that I will make a great contribution today."

shuh...

A burst of golden light flashed, and the one-eyed dragon's body was thrown high, followed by a crisp slap!

The one-eyed dragon was slapped and his teeth fell out!

"I ask you, who are you?"

David's cold eyes made the one-eyed dragon feel a chill behind him.

"We are from the Long family. We were ordered to destroy Yaoshen Valley. I didn't expect to meet you?? If you can be taken back, Young Master Long will definitely be rewarded..."

Although the one-eyed dragon was slapped, his eyes narrowed slightly, and his eyes were full of excitement!

"Just because you stinky fish and rotten shrimps, you want to catch me?"

David sneered!

The one-eyed dragon's face was gloomy, and he said with anger: "David, don't think that you can defeat me just by attacking me successfully, you burn blood, even if you recover for so long, it is impossible to recover to the peak, you If you know each other, you will be obediently captured, and you will be spared the pain of flesh and blood..."

"Tianman, there's so much nonsense..."

David said, turning his fingers into knives, and a golden light shot out from David's fingers quickly!

Before the one-eyed dragon could react, he saw his left arm and chopped it down!

Blood spurted out instantly, and the eyes of the one-eyed dragon were full of shock!

## Chapter 1593

"This...how is this possible?"

The one-eyed dragon's face was extremely ugly. You had to know that he was in the realm of the late Marquis. Even if he was a newly promoted Marquis, it would not be easy to cut off his arm in one move!

However, David lost an arm with such an easy blow. This shock made One-Eyed Dragon unable to react for a long time.

The people in Yaoshengu looked at David's random shot, the power was so huge, and they were all stunned, followed by endless excitement and joy!

"Nothing is impossible. Since you dare to come to Yaoshen Valley to make trouble, you must be prepared to die..."

The corner of David's mouth was slightly raised, and he said lightly to the one-eyed dragon.

The corners of the one-eyed dragon's eyes twitched, but he didn't speak. He was looking for how to escape!

"Everyone obeyed the order, took down David, and returned to Young Master Long to be rewarded..."

The one-eyed dragon ordered to those who followed.

"kill..."

Those who followed, although they knew that David was powerful, they had no choice but to work hard!

If they don't work hard, waiting for them is a bloodier and crueler punishment!

More than a dozen people cast various techniques and bombarded David!

And the one-eyed dragon turned and ran, increasing the speed to the extreme!

"A bunch of ants..."

David snorted coldly, followed by a flash of golden light on his body, and patted his palm lightly, only to see a huge golden palm in mid-air, pressing down on those people fiercely!

rumbling...

The huge force, the direct vibration of the heaven and the earth, the mountains and rocks flying!

And those who rushed up didn't have time to react at all, they were all slapped on the ground heavily, and everyone's figure fell into the ground more than ten meters!

More than a dozen people, many of them Wuhou masters, were slapped by David, and they were all turned into meat!

Not a single one is alive!

Feeling the terrifying and shocking power behind him, the one-eyed dragon couldn't help but look back!

But it was this turn that made the one-eyed dragon see an unforgettable picture in his life!

He saw that the people he brought with him, in an instant, all became flesh and blood, and those who died could no longer die!

This scene deeply shocked the one-eyed dragon.

After a while, the one-eyed dragon woke up and hurriedly turned around and continued to run. He was running for his life, how could he stop?

But as soon as he turned around, he found that David had already appeared in front of his eyes more than once.

“Do you think you can still run away?”

David sneered at the one-eyed dragon!

“David, I should tell you, Young Master Long has already stepped into the Great Marquis, and he is still the Great Marquis of Great Marquis who suffered a thunder calamity. Young Master Long will not let you go, he will divide you into five horses...”

The one-eyed dragon gritted his teeth with a hideous look on his face!

“Then I’ll wait slowly, but you haven’t had a chance to see what I am like...”

David smiled, then raised his hand and slapped it down.

The one-eyed dragon didn’t even have a chance to scream, and was shot to death, just like killing a fly!

The four villains, Zhao Ligu, and the people from Yaoshengu, all stared at David in a daze, with mixed feelings in their hearts!

They are all people who follow David, but now David’s strength is getting higher and higher, and the difficulties he encounters are getting bigger and bigger, and they can help a lot less!

And many times, they still need the protection of David, which makes them, as subordinates, feel a deep self-blame!

David glanced at everyone, and seemed to see something from the expressions of everyone!

“You don’t need to be under any psychological pressure. The way of cultivation is about gradual progress. In order to speed up the progress of cultivation, many people do not hesitate to enter the ranks of evil cultivators. Some even do not hesitate to become puppets and be possessed by souls. After all, these are not desirable. .”

David said to the crowd.

Listening to David's words, everyone was silent, but they all agreed with David's point of view!

## Chapter 1594

...

Kyoto, the dragon family!

"What's the matter? It's been a whole day. How does the one-eyed dragon do? Can't do this little thing?"

Long Xiao frowned when he saw that the one-eyed dragon hadn't come back.

"Will there be an accident?"

Long Jingguo has a faint unease in his heart!

"Dad, it won't be an accident, that one-eyed dragon is a seventh-rank Marquis, a proper realm of the late Marquis, how could a small Valley of Medicine Gods not be able to deal with it!"

"I am afraid that other people will interfere with it and ruin our Long family's affairs. After all, many aristocratic sects also regard Yaoshen Valley as a piece of fat!"

What Long Xiao is worried about now is that other people are making trouble!

Don't look at the fact that most of the aristocratic sects in the martial arts world in Kyoto have already bowed their heads to the Long family, but they are not sincerely surrendered, and Long Xiao also knows this!

If someone is really bad in the dark, it's impossible to say.

"Would you like to send someone to take a look?"

Long Jingguo asked. ,

"Still waiting..." Long Xiao looked at the time and decided to wait!

At the same time, in the secret room of the Martial Arts Alliance!

A terrifying power emanated from the sky. If it weren't for the barrier of the secret room, this terrifying power would definitely cause a sensation!

Ning Zhi slowly opened his eyes, feeling the unprecedented power in his body, the corners of his mouth raised!

"Marquis Dawu, this is the power of Marquis Dawu, it's really extraordinary..."

Ning Zhi clenched his fists tightly, his eyes bursting with brilliance!

Walking out of the secret room, Ning Zhi went straight to the hall!

"Vice Leader Ning..."

Seeing Ning Zhi leaving the customs, everyone in the Martial Arts Alliance stepped forward to say hello!

"What about the ally?"

Ning Zhi asked.

During the period of retreat, Ning Zhi knew nothing about everything that happened in the martial arts world in Kyoto!

Seeing that Ning Zhi asked about Zhu Zhishan, everyone bowed their heads and stopped talking!

Ning Zhi was shocked, he knew something must have happened.

"Come on, what about the leader of the alliance?"

Ning Zhi's face turned cold and he asked loudly.

At this time, a member of the Martial Arts Alliance stood up and told Ning Zhi what happened during this period of time.

When Ning Zhi heard this, he seemed a little surprised!

"This Long Xiao is so bold, it's crazy to want the entire Kyoto martial arts world to surrender..."

A cold glow flashed in Ning Zhi's eyes.

"Deputy leader Ning, now the leader of the Long family, has proclaimed himself the leader of the alliance, and asks us to listen to the dragon family."

said a member of the Martial Arts Alliance.

"I wish the leader of the alliance is dead, then I will be promoted to the position of leader of the alliance logically. You can all listen to me. Now go to convene a meeting of the various member families of the Martial Arts Alliance!"

Ning Zhi said with a gloomy face.

"Vice Alliance Leader Ning, that Long Xiao is now the Great Martial Marquis, and his methods are cruel. Many aristocratic sects are very afraid of him..."

The martial arts alliance member said.

"Hmph, he's the Marquis of Great Wu, why am I not..."

After Ning Zhi finished speaking, the aura on his body suddenly rose into the sky, causing a sudden vision of heaven and earth, lightning and thunder!

"Damn it, is there someone who can't break through the Great Marquis?"

"It's the direction of the Martial Arts Alliance. Someone in the Martial Arts Alliance has broken through the Great Marquis!"

"Who is it? Who has the ability?"

Many people are talking and speculating.

Soon, many aristocratic sect families were called into the Martial Arts Alliance, and many of the Long family got news!

"Master, many aristocratic sects have now gone to the Martial Arts Alliance for meetings, and some people say that the position of the master of the alliance is self-proclaimed, and it is not counted!"

A servant of the Long family hurriedly followed Long Xiao.

"How could this be? Who is so bold, dare to openly oppose my Long family?"

Long Xiao said in a hurry.

"I don't know, but some people say that in the Martial Arts Alliance, there are also people who have broken through the Great Marquis, so they will call those sect families for a meeting."

The servant shook his head!

## Chapter 1595

"It turns out that someone has broken through the Great Marquis. Even if they break through the Great Marquis, what can I do? I just happened to use him to establish a prestige..."

Long Xiao's eyes narrowed slightly, and then he went straight to the Martial Arts Alliance in Long Jingguo!

Long Xiao is the Great Marquis who suffered the thunder calamity. Even though Long Xiao has just broken through, but Long Xiao's strength is comparable to that of the third-rank Great Marquis!

When Long Xiao and Long Jingguo rushed to the Martial Arts Alliance, the faces of the aristocratic sects who came to the meeting changed drastically, like an old book seeing a cat!

When Ning Zhi, who was in the main seat, saw this, he immediately understood that during this period of time, it seemed that Long Xiao used the means of thunder to make these sect families fear!

"Ning Zhi, do you mean to bring these for a meeting?"

Long Xiao looked at Ning Zhi, who was sitting on the master's seat, and asked coldly.

"Yes, since the leader of the alliance is dead, then I, the deputy leader, will be promoted directly to the leader of the alliance. Why not call these members of the Martial Arts Alliance for a meeting?"

"It's you, who killed Alliance Leader Zhu and occupied the Martial Dao Alliance. Do you really think that no one in the Martial Dao Alliance can control you?"

Ning Zhi's eyes were slightly condensed, and the breath on his body kept surging!

"It's just you?" Long Xiao sneered: "You are also worthy..."

Let's just say, Long Xiao slapped it out with a palm, and a terrifying strong wind went straight to Ning Zhi!

A powerful aura burst out from Ning Zhi's body in an instant, directly dispelling the strong wind shot by Long Xiao!

The two are both Marquis of Great Wu, and they fought for the first time, but they didn't use all their strength!

"Long Xiao, this is the Martial Arts Alliance. I don't want to do anything with you. If you're not convinced, we'll see you tomorrow at the Martial Arts Arena..."

Ning Zhi said like a thunder bell.

"Okay, then I will show all the people in the martial arts world in Kyoto how you died in my hands."

Long Xiao's eyes were full of confidence. He only broke through after Lei Jie, how could it be compared to Ning Zhi.

After he finished speaking, Long Xiao glanced at everyone present: "Listen, go back to me now, I will forgive the past, if I stay here, I will kill all those who stay here tomorrow after I kill Ning Zhi. Everyone was killed..."

Long Xiao's tone was unquestionable, and everyone in the hall trembled in their hearts!

Everyone looked at each other, not knowing what to do.

This is to make their team, once they choose the wrong one, they will lose their heads.

"Okay, I'll be here today, you all go back, remember to go to the martial arts field tomorrow and see how I kill this arrogant..."

Ning Zhi waved his hand and told everyone to go back.

As if receiving amnesty, everyone hurriedly left!

But this time, Ning Zhi occupies a certain position in the hearts of everyone, and many people are silently praying in their hearts, hoping that Ning Zhi can kill Long Xiao and sit on the throne of the alliance leader!

The current Long Xiao has been spurned by many people, but everyone is afraid of his strength!

The news that Ning Zhi and Long Xiao were going to fight in the martial arts field instantly exploded the pot in the martial arts world!

However, many people are cheering for Ning Zhi, hoping that Ning Zhi can win!

"Interesting, I didn't expect these two people to fight, but this Ning Zhi is considered a good talent, and he even broke through to the realm of the Great Marquis!"

After David got the news, he said with some surprise.

"In that time, Long Xiao has already betrayed his relatives and left. Many people in the Kyoto martial arts world are eager for him to die. It seems that Long Xiao's life is not long..."

Long Wu said lightly.

"Mr. Chen, you said this time, which of the two will win?"

Zhao Liguo asked David.

Both of them are considered talented young people, and they have only recently broken through to the realm of Marquis of Great Wu.

If this fights, life and death are unpredictable!

"Who can win between the two of them depends on the souls in their bodies. Which one is stronger does not depend on the ability of their bodies!"

“Even if they are talented, it’s almost impossible to break through to the Great Marquis Realm in such a short period of time. It’s all about the soul within the body...”

David’s eyes flashed coldly: “No matter who wins, I’m going to join in the fun tomorrow...”

## Chapter 1596

the next day!

The martial arts field was already crowded very early, and many people were looking forward to the fight between Ning Zhi and Long Xiao!

Almost all the people from the Kyoto martial arts world were present.

Most of these people hope that Ning Zhi can win. After all, compared to Long Xiao’s brutality, the Martial Arts Alliance is still very restrained.

Ning Zhi also came to the martial arts field with five black bronze robes. Ning Zhi attached great importance to this stop, because this stop would establish his position in the martial arts world of Kyoto.

This is a once-in-a-lifetime opportunity, and Ning Zhi must go all out!

And Long Xiao also brought several masters from the Long family to the martial arts field. The appearance of Long Xiao made the lively martial arts field silent in an instant!

After seeing Long Xiao, many people have deep fear in their hearts!

Looking at everyone’s attitude towards him, the corners of Long Xiao’s mouth twitched slightly. What he likes most is watching everyone’s fear of him!

“Long Xiao is a big bad guy, I must kill Long Xiao today...”

At this time, in the crowd, a sharp voice sounded!

Everyone looked at the voice instantly, and the person who just shouted this sentence originally wanted to run away after shouting.

It's a pity that I didn't make it, and I was sold out by everyone's eyes!

This is a child who is only a teenager, and the immaturity on his face has not disappeared.

"court death..."

Long Xiao's eyes narrowed, and a cold killing intent instantly rose.

In front of so many people, this guy dares to provoke his majesty, how could Long Xiao bear it!

As soon as Long Xiao raised his hand, a burst of energy instantly filled the air, crushing the teenage child away.

Feeling this breath, everyone began to avoid one after another, and the child's face was full of horror!

But just after the energy reached the child, it was blocked by a breath.

"Long Xiao, he's just a child, what kind of man are you when you do something to a child?"

At this time, Ge Jiayi slowly stood up!

Ge Fuhai originally did not allow Ge Jiayi to leave the Ge family casually, but today Ning Zhi fought with Long Xiao, Ge Jiayi couldn't control his curiosity, so he ran out!

She wanted to see what kind of battle broke out between the two Great Marquis!

Ge Jiayi is very talented, and she has always longed for herself to break through the Great Marquis of Wu.

Seeing Ge Jiayi stand up, a smile appeared on Long Xiao's gloomy face.

"It turned out to be Miss Ge. I haven't seen you for a long time. You are getting more and more beautiful..."

Long Xiao has an evil smile in his eyes!

Long Xiao also liked Ge Jiayi before, but it's a pity that Long Xiao at that time, although very talented, has not achieved what he is now!

His strength is not as high as Ge Jiayi, so he doesn't dare to confess!

But now it's different. In the entire martial arts world in Kyoto, only Long Xiao is the only one, and Long Xiao has swelled to the extreme!

Ge Jiayi looked at Long Xiao with disgust in her eyes!

But Long Xiao didn't know it, he stepped forward and followed Ge Jiayi a few steps closer!

"The number one talented woman in the martial arts world in Kyoto. Looking at the entire martial arts world, I am afraid that only Miss Ge can match me."

"Do you know why I haven't done anything to your Ge family during this period of time? It's because of you..."

"Miss Ge's beauty has always fascinated me..."

As Long Xiao said that, in front of everyone, he stepped forward to grab Ge Jiayi's hand!

Ge Jiayi's expression changed, and she quickly took two steps back!

"Long Xiao, ?? Look at how you look like you are now, do you still like me?"

"I'm sick when I see you, don't come near me..."

Ge Jiayi mocked Long Xiao unceremoniously!

Ge Jiayi's words made the smile on Long Xiao's face disappear instantly!

"You are courting death..."

Long Xiao's face changed as soon as he said it. He just kept saying that he liked Ge Jiayi, but at this moment, his eyes were full of killing intent, and he wanted to slap Ge Jiayi to death!

## Chapter 1597

Ge Jiayi's expression changed, she knew that she would not be Long Xiao's opponent!

Marquis Marquis and Marquis Da Marquis, a great improvement in realm, is a world of difference.

Just when Long Xiao was about to attack Ge Jiayi, a huge energy attacked and instantly enveloped Long Xiao!

"It's so shameless for a big man to kill a woman and a child..."

With that said, Ning Zhi's figure jumped up, and then fell steadily to Ge Jiayi's side.

"Miss Ge, don't be afraid, no one can hurt you with me..."

Ning Zhi said to Ge Jiayi in a gentlemanly manner.

Ge Jiayi looked at Ning Zhi with disgust in her eyes, she said nothing, turned her head and walked into the crowd!

“Ning Zhi, don’t be so fcuking hypocritical. You want to come to some hero to save the beauty. If you don’t see people ignore you, don’t take yourself seriously...”

Long Xiao sneered.

“You and I are evenly matched, but I have more brains than you. Only a brainless guy like you will take the initiative to fight against the Martial Arts Alliance, and will feel that you are a great Marquis, and you are invincible in the world...”

“It’s just a joke, the world is so big, what can you count as a little Marquis of Wu? Something you don’t know...”

Ning Zhi had seen the high-level meeting of the Martial Arts Alliance with his own eyes. Let’s not talk about the strength of the great master, just the strength of the black silver robe and the black gold robe alone is much more powerful than the black copper robe!

Maybe those black silver robes and black copper robes, there are also a lot of Marquis, but they don’t show up...

“I think you are the one who didn’t know. You just stepped into the Marquis of Great Wu, because you have the ability to fight against me?”

“Although you and I are all new Marquis of Wu, you are far worse than me, and I can defeat you with one hand...”

Long Xiao snorted coldly, his eyes full of disdain.

He was the Great Marquis who surpassed Lei Jie earlier. He was different from Ning Zhi, and Ning Zhi was of course not his opponent.

"Hahaha, you can really brag. You want to beat me with two hands, but unfortunately you have it? One of your arms was chopped off by David, and you have this look. How dare you be so arrogant!"

Ning Zhi laughed out loud, which made Long Xiao's face even more ugly.

At this time, in a corner of the stand, David was staring at Ning Zhi and Long Xiao, Zhao Chuang, Xiao Ru, Gu Linger and the others were sitting beside David!

David went through a simple disguise so as not to be recognized.

"Brother Chen, who can win these two guys?"

At this time, Zhao Chuang asked in a low voice.

David didn't speak, but his eyes kept flashing light!

David couldn't use his divine sense to probe. As long as David moved his divine sense, he believed that Ning Zhi and Long Xiao would immediately detect him.

After a while, David said, "Then Long Xiao will win..."

"Why?" Zhao Chuang asked curiously.

"Don't ask, just look carefully..."

After David finished speaking, he didn't open his mouth.

At this time, in the martial arts field, Ning Zhi and Long Xiao were already at each other's throats!

"Ning Zhi, today I'll let you know, what is the difference between the new Marquis of Wu..."

After Long Xiao finished speaking, the aura on his body exploded instantly, and then he jumped up, one after another of terrifying energy, approaching Ning Zhi!

“Is this the power of the Great Marquis?”

Many people felt the breath of Long Xiao’s body, and all of them were surprised!

In the face of Long Xiao’s attack, Ning Zhi also went all out, and instantly burst out the most powerful aura in his body!

The two breaths collided one after another, the sky and the earth changed color instantly, bursts of explosions sounded, and the whole earth trembled!

Two Great Marquis fight, this kind of scene, not everyone has the opportunity to see.

rumbling...

The galaxy vibrated, the avenue roared...

## Chapter 1598

Both Ning Zhi and Long Xiao are using very strange magic techniques, some of which are even unheard of, never seen before...

These are the souls in their bodies, their own housekeeping skills!

“Long Xiao, even with this little skill, he dares to be arrogant...”

Ning Zhi shouted loudly, and then his body became illusory in mid-air, as if invisible!

After that, Long Xiao only felt that his body was smashed heavily, and his body trembled slightly!

After this heavy blow, Ning Zhi's figure appeared, but his face was full of incredible!

It was his strongest blow just now, it only made Long Xiao tremble!

At this moment, Ning Zhi's face became extremely ugly!

Seeing this, everyone around held their breath and became nervous!

Many of them hope that Ning Zhi will win, but looking at the situation now, Ning Zhi seems to be at a disadvantage!

"Haha... How can you hurt my body that has suffered from thunder tribulation..."

Long Xiao laughed wildly, and then his body was instantly wrapped in black, and the black aura turned into a huge hand!

And this big hand slapped Ning Zhi fiercely.

"Run, run quickly..."

At this moment, in Ning Zhi's mind, an old voice urged Ning Zhi loudly!

Ning Zhi was stunned, but Mi Tian's big hand slapped it fiercely!

boom!

Ning Zhi's whole body fell instantly, and then he slammed to the ground!

After making a move, Long Xiao did not stop, but kept shooting bright brilliance from his hands, directly bombarding Ning Zhi!

At this time, Ning Zhi, it is difficult to get up!

Seeing the heavy responsibility of this scene, they were all dumbfounded. The battle between the two Great Marquis was too fast!

"Young master is mighty, young master is mighty..."

When the Long family saw this, they shouted loudly one by one!

"what..."

Ning Zhi suddenly let out an angry shout!

Immediately afterwards, a black shadow appeared in the body. The shadow was in the pervasive black mist, and it could not be seen at all, not even men and women!

"This is to force the old man to take action..."

The black shadow let out a loud shout, and then Ning Zhi's body stood up instantly!

And the shadow was attached to Ning Zhi's back, from a distance it looked like Ning Zhi was carrying a person on his back!

At this moment, Ning Zhi's strength began to skyrocket, and red eyes appeared in his eyes!

"Even the soul is going to fight, but it's useless. Today will definitely be your death..."

Looking at Ning Zhi's strangeness at this time, Long Xiao said nonchalantly.

whoosh...

Just as Long Xiao finished speaking, he found that Ning Zhi was already in front of him, and then he punched Long Xiao on the body!

Long Xiao's body flickered, and he took a few steps back! ,

At this moment, hope rose in Ning Zhi's eyes, and everyone clenched their fists and began to encourage Ning Zhi!

bang bang bang ...

Ning Zhi struck while the iron was hot and punched more than a dozen times in a row, forcing Long Xiao to retreat!

"This soul is so powerful, I seem to be looking for a soul to attach to my body..."

"Isn't that a puppet? Then I will have no privacy."

"What privacy is needed, what is needed is strength, I am now praying for a soul to look at my body."

"Now there are souls to help, and the progress of cultivation is more effective with less effort..."

Everyone looked at Ning Zhi, who had no power to fight back. After the soul came out of the body to participate in the battle, the battle situation turned around in an instant, which made many people begin to hope that they could also have a soul in their bodies!

David listened to the discussions of the people around him. He knew that if the martial arts world continued like this, the end would not be too far away.

# Chapter 1599

"Brother Chen, it looks like Ning Zhi has a very powerful outbreak, so Long Xiao can't stand it, right?"

Zhao Chuang asked David.

"Don't worry, look at it slowly, then Ning Zhi is probably looking for an opportunity to escape. Don't look at his arrogance now and keep attacking, he is on the way to attack, looking for an opportunity to escape."

"Because if the fight goes on, Ning Zhi will definitely lose, and he knows that, so he will attack with all his might, giving Long Xiao a false impression, letting Long Xiao relax his vigilance, and he can escape!"

David followed Zhao Chuang to explain in detail!

Zhao Chuang didn't quite understand, so he could only continue to watch.

At this time, Ning Zhi became more and more brave, and kept attacking Long Xiao, Long Xiao seemed a little embarrassed and could only parry!

Seeing that Ning Zhi was getting stronger and stronger, and he was about to win, many people began to shout excitedly.

"Leader Ning is mighty, he killed that Long Xiao directly, killed him..."

"Then Long Xiao's death is not a pity, he should be skinned and cramped..."

Some people are cheering for Ning Zhi, and they keep shouting!

David looked at the shouting people and shook his head secretly. He knew that after Long Xiao won, with Long Xiao's character, these shouting people would definitely suffer.

boom...

With a loud bang, Long Xiao was repelled again!

But just as Long Xiao was retreating, this time Ning Zhi didn't seize the opportunity to attack one after another, but instead stammered, jumped up, and ran out of the martial arts arena!

Seeing Ning Zhi who suddenly escaped, everyone was stunned, and they were nailed to the spot like puppets!

No one thought that Ning Zhi, who had the upper hand, suddenly turned around and ran away?

Isn't this scientific?

Even Zhao Chuang grew his mouth, and then turned to look at David beside him, his eyes full of admiration!

Because what David said was not bad at all, Zhao Chuang had to admire it!

"Hahaha, count him interesting, if he hadn't run fast, I would have left his little life..."

Long Xiao laughed loudly.

He didn't go after him, because Long Xiao hadn't thought about killing Ning Zhi, what he needed was for everyone to see that no one could beat him!

Ning Zhi ran away, Long Xiao won!

The battle between the two Great Marquis finally ended in such a funny situation!

As the Marquis of Great Wu, Ning Zhi didn't show any face at all, turned around and ran away in front of everyone!

Isn't this to make people laugh at it?

But few people know that face is worthless to Ning Zhi!

Ning Zhi ran away, and the people who just shouted to kill Long Xiao were all stupid now, all of them were pale and trembling all over!

"Who called to kill me just now? Now stand up for me..."

Long Xiao shouted violently, and a terrifying aura filled the air!

puff...

One person was so scared that he vomited blood and died!

The rest of the other people fell to the ground one after another!

"Young Master Long, spare your life, Young Master Long, spare your life, we are willing to follow Young Master Long forever..."

Several people desperately kowtowed to Long Xiao!

However, there was no expression in Long Xiao's eyes, he suddenly waved his hand, and the heads of several people who fell to the ground instantly cracked and turned into fleshy mud!

Seeing this cruel scene of Long Xiao, everyone didn't dare to speak!

At this time, Long Xiao was placed in a place in the crowd!

In this place, I saw the teenage children from the beginning, still staying here and not leaving!

Long Xiao's meaning is obvious, that is, this child has offended him, and he must not stay!

"Long Xiao, why are you always staring at a child, he just said something wrong!"

At this moment, Ge Jiayi stood in front of the child and said.

"You want to save her?" Long Xiao's eyes narrowed slightly: "If you want to save him, then listen to me, take off your clothes now, I can spare this child's life..."

When Ge Jiayi heard this, her face flushed with anger: "Beast, you are a beast..."

## Chapter 1600

"Beast?" Long Xiao raised the corner of his mouth: "I'm a beast, what can you do? If you don't take off, then don't blame me..."

With a wave of Long Xiao's palm, a huge suction force instantly sucked the child into his hand.

A teenage child, now being controlled by Long Xiao, his face had already changed, and tears were streaming down his face.

"Sister save me, sister save me..."

The child cried, begging Ge Jiayi to save him!

Ge Jiayi also looked anxious at this time, but she really wanted her to undress in public, how could she be willing!

Hundreds of people around, all watching helplessly, no one asked to help!

Among them, many people were booing, urging Ge Jiayi to take off her clothes quickly. After all, these people also like to watch free strip shows.

What's more, Ge Jiayi is a famous beauty in Kyoto!

"Aren't you going to take it off?" Long Xiao exerted a little force on his hand, and the child was speechless in an instant!

Ge Jiayi looked at the child's blushing face, her eyes were wide open, and her eyeballs were about to bulge out. She felt both uncomfortable and anxious in her heart!

He clenched his fists tightly and bit his lip tightly, looking very helpless!

"Get off quickly, saving a life is better than building a seven-level pagoda..."

"Don't you just take off your clothes, close your eyes, and pretend there's no one around!"

"Hurry up, hurry up, don't waste your feelings..."

Many people began to urge Ge Jiayi!

Tears flowed out of Ge Jiayi, a girl, she has to endure this now.

Ge Jiayi began to regret not listening to her father. If she hadn't sneaked out, this might not have happened.

Now looking at the dying child, Ge Jiayi is in a dilemma!

"Brother Chen, what the hell are these people from the sects of the martial arts world? Even if you don't help, they're still making fun..."

When Zhao Chuang listened to those people urging Ge Jiayi to undress, his lungs were about to explode.

"The martial arts world is really rotten..."

David said lightly.

At this moment, Ge Jiayi began to take off her clothes after going through a ideological struggle.

Slowly, she unbuttoned the first button on her body!

Seeing that Ge Jiayi was undressing, everyone lost their voices in an instant, their breathing stagnated, and their eyes widened as they watched!

“The dignified eldest young master of the Long family actually threatened a girl with a child to take off her clothes. Can you still have a face?”

With a loud shout, a sharp and terrifying wind rushed towards Long Xiao!

The strong wind hit Long Xiao’s arm, instantly letting Long Xiao let go of the child in his hands.

“Who?”

Long Xiao was shocked, he didn’t expect that there were still masters hidden at the scene!

But at this moment, David slowly got up, then stepped out one step, his body instantly reached the top of the martial arts arena, and followed Long Xiao’s eyes!

“David...”

Seeing it turned out to be David, Long Xiao’s eyes were filled with anger, and his teeth were rattling!

He has been looking for David, but he is still worried that he can’t find it. Now he didn’t expect David to be delivered to the door by himself.

Everyone was surprised when they saw David who appeared. After all, David disappeared for several months, and now he suddenly appeared, which surprised many people!

Especially Ge Jiayi, when she saw David's appearance, she suddenly felt a sense of security in her heart!

"David, you... when did you come?"

Ge Jiayi asked David.

"I am always here..."

David smiled lightly: "Take this child down..."

Ge Jiayi nodded and took the child away!

At this time, Xiao Ru, who was on the stand, saw David smiling at Ge Jiayi, and immediately said to Gu Linger who was beside him: "Sister Linger, Brother Chen doesn't like that woman, right? You want another sister."

"Don't talk nonsense, Brother Chen is not that kind of person. With Sister Linger and Sister Sonya, he can't be looking for another woman."

Zhao Chuang hurriedly helped David to speak!
